C Request for Additional Information on Two AMBUD Dependency Cases

ACTION REQUIRED REFERENCES

Action Required: See Paragraph 1

1. It is requested that Raymond K. PANUSES recheck the file of Miguel Los Santos DELGADO Martinez (Case No. 97) in an effort to determine the cause and actual date of his death. Headquarters file does not reflect this information nor the reason why his dependents are paid under the AMBUD program. In those few cases of former active assets whose dependents are paid by AMTIKI, the exact date and circumstance of death is necessary for documentation.

2. It is also requested that AMTIKI be queried regarding certain vital documents which should be in the file of Benito BLANCO Cruz (Case No. 3). A copy of a letter from the widow, dated 11 January 1962, indicated that her marriage certificate and the birth certificates of her children were enclosed with the letter. It is possible, but unlikely, these documents were overlooked when the file was recently reviewed. In any event, the work check sheet used by the documentation team indicates these documents were missing from the file.

Adjustment of Dependency Payments - Third Quarter FY 1968
ACTION REQUIRED - REFERENCES

1. The following financial adjustments to AMBUD dependency cases were made during the period covered by this report:

Case #90: Guillermo GUIM Gutierrez (no 201 nr.)
Payee: Herminia CANTERO (widow)

Effective 1 March 1968 the monthly payment for this case was reduced to $225.00 inasmuch as the son, Guillermo GUIM Cantero, reached 21 years of age.

Case #42: Ramon MOREJON Hernandez (201-289511)
Payee: Carmolina AENELLE (grandmother)

The payee's daughter returned the January 1968 payment to AMTIKI-1 with a note advising that the payee passed away in December 1967. Since the payee was the sole dependent designated by the Subject, no further payments will be made in connection with this case.

2. Subsistence payments made to Rafael ORTEGA Hernandez (201-299101), AMBUD medical case, were terminated with the January 1968 payment. ORTEGA was advised that this would not affect medical treatment expenses and that medical expenses will continue to be paid as in the past until further notice.

3. Per Headquarters instructions, the monthly payment to the Brigade office was reduced from $800.00 to $500.00 effective with the payment for March 1968 and following the April 1968 payment, all financial support will cease.

AMBUD Trustee Accounts

ACTION REQUIRED - REFERENCES

Reference: UFGT-21580, dated 25 March 1968

1. Headquarters recommends that all reference accounts, with the possible exception of the PASTRANA account (Case #118), be closed immediately and the proceeds transferred to Headquarters.

2. It is suggested that AMTIKI be queried concerning any possible embarrassment he might suffer in his personal relationship with the bank if he summarily closes all the accounts, since there is no wish to place him in an untenable position. Headquarters is aware that those so-called trust accounts are actually savings accounts and were so designated on the 1967 bank statements filed in the AMTIKI files. Under the circumstances, it is highly possible that an IRS inquiry may be initiated after the accounts are withdrawn and AMTIKI should be assured of Headquarters intercession in his behalf if he is questioned by IRS. However, in the event of such an inquiry, Headquarters must be prepared to submit a full accounting of those cases including dates and amounts of deposits and withdrawals and WOFIRM authorization for transactions which JMWAVE should be able to provide. It is recommended that AMTIKI immediately prepare a full background history relating to the opening of each account, all financial transactions since the accounts were opened, and references to JMWAVE authorization for any deposits and withdrawals. These accountings should be forwarded for Headquarters files as soon as they are completed. When AMTIKI is authorized to close the accounts, a memorandum covering the authorization should be prepared by JMWAVE and a copy forwarded to Headquarters.

3. In the event above recommendations tend to create any insurmountable problems JMWAVE is requested to advise the nature of the problems and submit alternate recommendations.

AMBUD Dependency Case #64, Ovidio CAMEJO Lopez

ACTION REQUIRED - REFERENCES
FYI

1. The monthly payment made to the dependents of Ovidio CAMEJO Lopez was reduced by $25.00 effective 1 April 1968 inasmuch as Station and AMTIKI-1 files indicated that Subject's son, Miguel Angel CAMEJO Rojas, had reached 21 years of age on 11 March 1968.

2. Upon being informed of the payment reduction, Subject's widow, Blanca ROJAS, advised AMTIKI-1 by letter that the correct birth date of her son is 11 March 1948 and not 11 March 1947.. Subsequently, the widow provided a photostatic copy of her son's INS-issued residence card (copy attached) which records his birth date as 11 March 1948.

3. Accordingly, AMTIKI-1 has been instructed to reinstate the $25.00 sum retroactive to 1 April 1968.

1. AMTIKI-1 has contacted the bank regarding the Social Security numbers requested and has been advised that, although the bank is not obligated to insist upon Social Security or other identifying numbers for these accounts, it does feel that AMTIKI-1 may ultimately be subjected to an inquiry from the Internal Revenue Service. Their reasoning is based primarily upon the fact that the accounts, while trust accounts for our purposes, are not true trust accounts in that no trust agreements are of record at the bank. (Trust agreements could not be signed, of course, since the individuals were not and are not available to sign.)

2. In order to protect AMTIKI-1 from any possible IRS investigation and, rather than pursue the matter further with the bank, for which we have no cleared contact, it is suggested that these accounts be closed out over a two or three month period and re-established at Headquarters through the appropriate DTEARN channels. If the accounts remain here, it will be necessary to prepare new signature cards for each account removing Humphrey O. TIMANUS as a signatory and adding a JMCOBRA asset as an "inside" trustee for control purposes, or to remove AMTIKI-1 entirely and establish the JMCOBRA asset as the sole trustee.

3. Please advise.

1. Attached is a letter dated 25 January 1968 and addressed to the AMTIKI/1 facility from Esther F. MONTERO, 47-04 Broadway, Union City, New Jersey. Mrs. MONTERO is the wife of imprisoned Brigade member Ricardo MONTERO Duque and is the recipient of a $275 monthly AMBUD dependency payment.

2. In this letter and in a similar letter sent to Senator Robert F. KENNEDY (copy provided by her attached), Mrs. MONTERO, as President of the Mothers, Wives and Sons of the 9 Bay of Pigs Prisoners Association, refers to the possible exchange of the remains of Ernesto "Che" GUEVARA and Communists imprisoned in Bolivia in return for prisoners in Cuban jails. She requests that the necessary steps be taken to insure that the names of the nine Brigade members still imprisoned in Cuba are included in the list of persons to be exchanged.

TO WHOM IT MAY CONCERN.

In the name of the Mothers, wives and sons Pig's Bay Nine Prisioners Association, I beg you to make you biggest effort to get in touch with the Commission or Department in care, to confectionate the list of names in the possible trading between Presidente Barrientos of Bolivia and Fidel Castro of Cuba in order they include the names of the 9 Prisioners Pig's Bay Invasion left in Cuba on the 1962 Trading because at that opportunity Castro did not want to trade them. As you know on this trading are involved prisioners belonging to the CIA Department and others that the Pentagon can include in the Trading's List.

I know always the CIA Department, the Pentagon and the Government of the United States of America have their names in mind, of course they want to bring these nine Prisioners to freedom, in this opportunity there is a very good chance, because Castro agreed with President Barrientos to change all Communist Prisioners and the Body of Ernesto (Che) Guevara for the Prisioners he has in Cuba that will be stated on the Trading's List.

We are sure you will do your best in order to include the nine Pig's Bay Prisioners left on Cuba on the 1962 in the Trading's List. Please let me know something about it. Also we are enclosed copy of the letter we are sending to Senator Robert F. Kennedy asking the same thing.

Thank you very much in advance for your attention in this matter, I remain,

Very truly yours,

Senator:

As President of the Mothers, Wives and Sons of the 9 Prisioners Pig's Bay Association, beg to you and pray to God, it could be possible for you to do something in this particular case. I don't want to make a long letter, because I know how bussy you are, but this is a very good opportunity to bring home my husband RICARDO MONTERO DUQUE, and the others 8 prisioners left on Cuba on the 1962 trading. At that time when all others prisioners belonging to Pig's Bay Invasion came in trading, Castro did not want to include them in the list.

The last time I tried to be in touch with you, was on the 1964 at your Office, in this opportunity you were out the City, but your Secretary Mr. Nolan was very nice with us, and he told us he was sure you were going to do everything possible to bring them home, it was impossible and they stay at CUBA.

Now, you know there is a possible trading of prisioners between Presidente Barrientos of Bolivia and Fidel Castro of Cuba, in it are involved prisioners belonging to the CIA Department and others that the Pentagon can include in the Trading's List. We are sure you will not hesitate to do anything to bring them home, but it is our obligation and duty to try for their freedom.

The possible trading between Presidente Barrientos and Castro is because Castro wants all Communist Prisioners and the Body of Ernesto (Che) Guevara now in Bolivia; that's why he agree to accept all names that the CIA Department, Pentagon and Presidente Barrientos put in the Trading's List.

At the same time I'm writting a letter to the CIA Department from which you will find an attached copy. Please let me know anything about this and of course if this letter got your hands.

Thank you very much in advance for your attention in this matter, I remain,

Very truly yours,

Esther R. Montero

Query Regarding Termination of Dependency Payments (Case #89)

ACTION REQUIRED - REFERENCES

Action Required: See para 3.

1. AMTIKI-1 received a letter dated 19 September 1967 from a lawyer representing Miguelena Teurbe FRITZ requesting information as to why "payments to the specifically named beneficiaries in your policy if you have one, or those who would normally receive the proceeds of a death benefit if you do not have a policy" had been terminated.

2. A review of this case reveals the following:

a. Miguelena Teurbe FRITZ was advised by a letter dated 31 December 1966 that it had been ascertained that she was not entitled to monthly payments as the widow of Roberto PEREZ Cruzata since she had never married PEREZ. The letter also advised that payments heretofore sent to Mrs. FRITZ for her daughter and the parents of PEREZ were likewise being terminated because it had been learned that her daughter, Kathleen FRITZ, is not related to PEREZ in any manner, that the mother had died, and that there is not evidence that the father in Cuba had received any of the funds intended for him.

b. Shortly thereafter, Mrs. FRITZ requested that the matter be reconsidered since she had not been given advance notice of the termination and because the abrupt halt in payments created a severe economic hardship for her.

c. She was then advised by letter that the payment enclosed with the termination notice was for January 1967 and was intended to provide a one-month notice of the payment termination.

She was also informed that in view of the apparent hardship resulting from her misunderstanding of the procedures, a gratuity payment of $275.00 was enclosed and that no further payments will be made.

3. The Station proposes sending a letter to the lawyer advising him that the assistance in question was in the nature of a gratuity and was in no way based on a contract of insurance and that when it was learned that Mrs. FRITZ was not PEREZ' widow it became necessary to discontinue the payments. Attached herewith is a copy of the proposed draft response, which was coordinated with Louis K. STORSELL from OGC while on TDY at JMWAVE. Prompt Headquarters concurrence is requested.

Re: Miguelina Teurbe Fritz

Dear Mr. Avant,

Please be advised that I have been requested by Mrs. Miguelena Fritz, to write to you, with respect to her insurance benefits by reason of the death of Roberto Perez Cruzata.

I have in my possession copies of your letter to Mrs. Fritz, dated January 31, 1967, and a letter to her from John L. McKercher, of your office, dated December 31, 1966.

I am interested in knowing your reasons for not paying the specifically named beneficiaries in your policy, if you have one, or those who would normally receive the proceeds of a death benefit if you do not have a formal policy.

There is no doubt that the decedant must have wished that any proceeds be paid as he directed, and before proceeding in this matter, I would appreciate your advice.

Thank you for your anticipated cooperation,

Very truly yours,

STANLEY D. FRIEDMAN

Dear Mrs. Tourbe:

Your letter of January 5, 1967 has been received and a thorough review of the case has been made in accordance with your request.

In regard to your expressed belief that notice was not given in advance of the payment termination date, it should be noted that the practice has been to forward the payment a month in advance. Thus, the check mailed on December 31, 1966 was for the month of January 1967, and the letter enclosed with the payment was intended to provide a one-month notice concerning the termination of payments.

However, in view of the apparent hardship resulting from your misunderstanding of the procedures it has been possible to obtain a gratuity payment of $375.00. This payment is enclosed. No further payments will be made.

Sincerely yours,

John L. McKercher

Distinguished Sirs:

I was surprised when I read your letter notifying me of the permanent suspension of the pension I received as a result of the wish of Roberto Perez, my fiance before his death.

I am very surprised because I had not been advised prior to the end of the month. I have incurred the normal expenses such as rent, light, telephone, gas, etc., and now find myself in a very difficult situation since this means that I am going to lose my credit.

When you suspend the checks or pensions of Brigade members or their families you always notify them of the suspension with their last payment so that they could make the necessary arrangements for the future.

I now am without money to cover me expenses. The month of January is a hard time to find employment here, not to mention that my parents who are old, my daughter, and my sister recently arrived from Cuba and do not receive economic aide from the Refugee Center.

Awaiting your response. I think that you should reconsider my situation at this time with the understanding and generosity of the "great nation" which the Cubans will never forget.

Attentively,

Dear Mrs. Tourbe:

Effective January 1, 1967 the adjustment of certain payments, including those applicable in your case, is being placed in effect.

Concerning the case of Roberto Perez Cruzata, a review of records and the results of an investigation indicate that although Roberto Perez Cruzata may have planned to marry Miguelina Tourbe following his return from Cuba, the marriage did not take place. Therefore, Miguelina Tourbe is not entitled to payments as his widow, and no further payments will be forthcoming.

The following additional payments which have been made to Miguelina Tourbe are also being terminated effective January 1, 1967 for the reasons given:

The mother of Roberto Perez Cruzata is now deceased.

The father of Roberto Perez Cruzata resides in Cuba; no evidence has been presented to show that he has received any of the funds intended for him.

The child, Kathleen Fritz, is the daughter of Mr. Harry Fritz and is not related to Roberto Perez Cruzata; thus, she is not entitled to benefits as a dependent of Roberto Perez Cruzata.

Sincerely yours,

John L. McKercher

Dear Mr. Friedman:

This is in regard to your letter of September 19, 1967 requesting to be advised of the reason for the discontinuance of payments heretofore made to Mrs. Miguelina Teurbe Fritz.

Financial assistance had been made available to Mrs. Fritz with the mistaken understanding that she was the surviving widow of Roberto PEREZ Cruzata. That assistance was in the nature of a gratuity and was in no way based on a contract of insurance.

As indicated in my letter of December 31, 1966, a review of this matter showed that Mrs. Fritz had never been married to Roberto PEREZ Cruzata and, therefore, was not his widow. Upon finding that she lacked the requisite status, it became necessary to discontinue financial aid.

While your interest in this matter is understandable, I must advise that no further payments can be made.

Sincerely yours,
John L. McKercher

1. As suggested in Reference B, AMTIKI-1 advised the widow that the only legal means for purchasing passage from Cuba to Spain with US dollars was by purchasing the passage at Iberia Airlines' Madrid office. In a letter dated 11 September 1967, the widow acknowledged receipt of the letter from AMTIKI-1 and stated that she had contacted the Iberia office in Havana and had been told that this procedure is no longer allowed. The widow then went to the National Bank of Cuba where she was advised that the only way she could purchase passage would be to receive funds in Canadian currency through the Cuban bank. The bank suggested that the fastest way to effect the transaction would be to have the money sent by telegraphic transfer through a Canadian bank to the National Bank of Cuba.

2. A check with the Iberia Airlines representative in the JMWAVE area confirmed that the procedure suggested by Headquarters' is not permissible. The representative stated that the procedure suggested by the National Bank of Cuba was correct, adding that a Spanish bank and Spanish currency could be utilized instead of Canadian if so desired.

3. Headquarters guidance regarding the adviseability of effecting such a transfer of funds to Cuba through Canada or Spain is requested. Attached are copies of recent correspondence concerning this case.

In response to your request for funds to be able to leave Cuba, we wish to advise you that the only legal means by which pasage can be purchased with US dollars is from Iberia Airlines in Madrid for persons desiring to leave Cuba.

Please let us know if you agree, in which case you must send us the names of your daughter, sister, father and yours as they appear in the Passports, and we will send the necessary funds to Madrid for purchase of tickets and Iberia Airlines in turn will notify its Havana Office that the passages have been prepaid and the Havana Office will then notify you that the passages are available.

Attention: Mr. Administrator

Sir:

I am writing to you to ask you to do me the favor of informing Mr. John Paulbath that I urgently need him to contact me because I want him to send the passages to me to go (to the U.S.) via Spain.

The reason I have taken the liberty of writing is that in November of last year, I wrote to Mr. Paulbath at PO Box 427, Tamiami Station in that city and after almost six months the letter was returned to me with the notation that the address was not registered. Since that time a friend of mine who lives in Los Angeles has been trying to locate him and to date has had no success.

Mr. Paulbath sent me a notice informing that the monthly stipend due me (as a result of the death of my husband) per dotal policy 1023, was being deposited in that bank, enclosed is that notice. The last news I had from Mr. Paulbath was in February 1966 when he informed me that on that date the account showed a balance of US $12,518.21.

I appeal to your kindness for help, since I have been trying for more than six years since my husband died R.I.P. to leave (Cuba). I almost had all my papers in order to leave when the American Embassy was closed that was two months after my husband had departed (Cuba), later in April of that same year came the Bay of Pigs Invasion and my husband was killed. On 1 June my daughter was born and it was at this time that they began to grant visa waivers but even though I had the visas I could not leave because I had not been able to get a passport for my daughter since to obtain it they demanded my husband's death certificate and his death was not recorded in any court, I went to all the places it could have been recorded. Then I began to visit lawyers and government offices to find out how I could obtain a passport for my daughter. After much fighting, it was delivered to me at the end of November of last year. I immediately wrote to Mr. Paulbath to ask that he send me the money for passages right away and that was the letter that was returned to me.

Since letters from there to here take so long, I request that you tell Mr. Paulbath to send me the money for passages for those indicated below:

Concepcion PASTRANA Cernuda	(US $154.00)
Serafin CERNUDA Garcia	(US $308.00)
Graciela CERNUDA Fernandez	(US $308.00)
Maria CERNUDA Fernandez	(US $308.00)

and also tell him that the money for all should be sent to the following address:

Colina #33, Jesus del Monte, Habana, Cuba.

Tell Mr. Paulbath that if there is anything I can resolve call me at telephone number 99-2187 or send me a night letter since xegxxx regular mail takes up to one and one half months to arrive.

Attentively,

Atención al Sr. Administrador/

SEÑOR:

Me dirijo a usted por este medio, para que me haga el favor de informarle al Sr. John Paulbath, que necesito urgentemente que se comunique conmigo , ya que necesito que me envie los pasajes para irme por Via España.

Si me he tomado la libertad de molestarlo es porque en Noviembre del año pasado escribí al Sr. Paulbath a P. O. Box 427 Tamiami, Station en esa ciudad y al cabo casi de seis meses me devolvieron la carta, diciendo que esa dirección no estaba registrada, a partir de entonces una amiga que vive en Los Angeles ha estado tratando de localizar hasta la fecha sin éxito ninguno.

El Sr. Paulbath me envió una certificación donde me informaba que el dinero que mensualmente se me estaba asignando (por el fallecimiento de mi esposo) referente a la póliza Dotal 1023, se me estaba depositando en esa entidad, por lo cual le estoy incluyendo copia de dicha certificación. La última noticia que tuve del Sr. Paulbath fué en Febrero de 1966, donde me informó que en esa fecha el saldo de la cuenta arrojaba $12,513.21 U. S. Dólares.

Apelo a su bondad para que me ayude, pues llevó mas de seis año tratando de irme de aquí desde que mi esposo e. p.d. se marchó. ya que primeramente me quede con casi todos los papeles preparado cuando cerraron la Embajada Americana aquí que fué a los dos meses de haberse ido mi esposo, después en Abril de ese mismo año fué cuandovino la invasión de Playa Girón y donde murió y el 1 de Junio nació mi hija, fué por esa fecha cuando empezaron a dar visa waiver para trasladarse a los Estado Unidos aunque conseguí las visas no pude irme puesto que no logré obtener el pasaporte de la niña ya que para obtenerlo me exigían la defunción de él , y como aquí no consta la defunción de él por juzgado alguno, pues yo fuí a todos los lugares donde pudiera lograrla. Entonces empecé a visitar abogados y entidades del gobierno para ver como podría obtener el pasaporte de mi hija, y al fin de mucho luchar a finales de noviembre del pasado año me lo entregaron, escribiendole enseguida al Sr. Paulbath para que me enviara enseguida el dinero de los pasaje cuya carta fué la que me devolvieron.

Como las carta de allá para aca se demoran mucho, le ruego le diga al Sr. Paulbath que me giro el denero de los pasajes, cuyos datos lo voy a poner a continuación:

CONCEPCION PASTRANA CERNUDA	($154.00 dólares)
SERAFIN CERNUDA GARCIA	($ 308.00 dólares)
GRACIELA CERNUDA FERNÁNDEZ	($308.00 dólares)
MARIA CERNUDA FERNANDEZ	($308.00 dólares)

y que todos tienen que venir dirigido a esta dirección:

COLINA #33, JESUS DEL MONTE, HABANA, CUBA.

Digale al Sr. Paulbath que cualquier cosa que determine me llamé al teléfono 99-2187 , o me pase una carta nocturna, pues las cartas se demoran en llegar hasta mes y medio.

Espero confiada que me ayuda usted a resolver este problema que me tiene a punto de volverme loca, y si es así le estare agradecida toda la vida , ya que mi unica esperanza es poder ver a mi hija libre y féliz.

De usted atentamente,

MARIA CERNUDA

Dear Mr. Paulbath:

I acknowledge receipt of your letter of August 7 in which you inform me that it is possible for you to place funds to cover the amount of passages at the Iberia Airlines in Madrid, Iberia then notifying their Havana Office that the tickets have been prepaid and are therefore available for issuance, but I am sorry to say that this procedure is no longer allowed.

I found it out by calling personally on Iberia Airlines here, in Havana, after which I went to the Cuban National Bank where I was told that the only way the tickets could be purchased was upon my receiving the funds through the Cuban National Bank in Canadian currency. They also suggested that the fastest way to carry out the transaction was that the money be sent by telegraphic transfer through a Canadian bank to the National Bank of Cuba, the cost of passage for an adult being $370.00 and $185.00 for a minor.

Below are the names of each member of my family, passport number and the amount of money for each fare in Canadian currency.

GRACIELA CERNUDA FERNANDEZ, Passport No. 59492, amount of passage.	$ 370.00
MARIA CERNUDA FERNANDEZ, Passport No. 22972, amount of passage.	370.00
CONCEPCION PASTRANA CERNUDA, Passport No. 67122, amount of passage.	185.00
SERAFIN CERNUDA GARCIA, Passport No. 16609, amount of passage.	370.00
Total:	$1295.00

In case funds are placed as indicated, please cable me as follows: "FUNDS ALREADY SENT", to enable me to inquire at the Bank here as to its receipt.

Thanking you for your immediate attention to this matter, I remain

Payee: ALEMAN, Laureana C. (mother)

Effective with the May payment, the amount of the monthly payment was reduced from $225.00 to $175.00 because of the death of the father, Angel ALEMAN Perez.

Case #127: CAMPO Gutierrez, Rafael (201-292430)
Payee: CAMPO Ojeda, Pablo (father)

Effective with the June payment, the monthly amount formerly paid to the trustee will be paid to the father who arrived in the United States in February and currently resides at 1115 Medina Street, Opa Locka, Florida. In addition, the monthly payment was reduced from $225.00 to $175.00 effective with the June payment as a result of the death of the mother, Catalina GUTIERREZ.

Case #143: KIM Yun, Jorge (201-298852)
Payee: SANTOVENIA, Raul (trustee)

Monthly payments for this case were temporarily suspended effective with the January 1967 payment pending a reply to a request for biographic data on the parents. Based on the fact that Subject had been executed for a crime committed prior to his participation at the Bay of Pigs and also on the probability that the father, Pedro KIM, is identical with a person with the same name who AMTIKI-1 alleges to be an active Communist in Cuba (Station traces describe one Pedro KIM as an active Communist), the Station recommended that payments be terminated for this case and the recommendation was approved by Headquarters. The trustee has been informed of the suspension of payments and has also been advised that should one or both parents come to the United States, a review of the case will be made in accordance with procedures in effect at that time.

3. The following changes in payees are being reported for Headquarters records:

Case #3: BLANCO Cruz, Benito (201-283944)

In accordance with written instructions from the widow, Verania TORRES Tellez, the trusteeship for this case has been transferred from Olga LINAN to Juana BLANCO, Subject's daughter, who resides at 4061 NW 4th Terrace, Miami, Florida.

Case #74: ORIA Finales, Luis (201-283201)

The monthly payment for the mother, Pastora FINALES Hernandez, which was formerly sent to trustee Eladio GONZALEZ Finales is now sent directly to the mother who arrived in the United States a short time ago and is residing in California with a son.

1. Headquarters appreciates the time and effort expended by JMWAVE in obtaining and forwarding the documentation requested in reference A. A proposal that BEC assume the responsibility for funding these cases has been submitted to that Agency and a decision is expected in the very near future. In the event the decision is favorable, the type of vital documents forwarded in references B and C will be necessary in order to determine the eligibility of dependents, under the criteria established by BEC, to receive compensation.

2. There appears to be some confusion in the translation of certain documents forwarded in references B and C since the recording dates of births and marriage, rather than the actual dates of the events, was given in references. Listed below are the correct dates for JMWAVE records.

REFERENCE B

Case #95: RODRIGUEZ Navarreto, Nemesio (Attachment A)

Correct DOB of son, Carlos Alberto RODRIGUEZ Acosta, is 8 July 1956 as previously reported. 16 July is the date birth was recorded

Your re.: Allotment HM

Dear Mr.

As per your request, I tried to obtain copy of my marriage certificate from Cuba. Despite my efforts I have been unable to secure one.

However, copies of my husband's and my daughter's birth certificates, issued some time ago, were forwarded to me.

Marginal note on my husband's certificate shows entry of our marriage and our daughter's also mentions the fact of said marriage.

I am enclosing photocopies of both documents. Should you require the originals, I will be happy to forward them to you as long as they are returned to me since these are the only copies in my possession.

I will continue to try to secure copy of my marriage certificate which I will forward to you, should I obtain it.

Trusting these documents will be of help to you, I am,

Very truly yours

1. Headquarters concurs in JMWAVE's proposed action refusing payment of additional funds to Subject of reference. Apparently Subject had not advised AMBIDDY of the regular support payments paid by AMTIKI at the time reference B requested data concerning the case. Neither is there any indication on the HEW form forwarded in reference C that additional income was being received by Subject from AMBIDDY. It would, therefore, appear that AMBIDDY may have indicated there was some connection between the source of AMTIKI and AMBIDDY funds and suggested Subject approach AMTIKI for the terminated AMBIDDY income.

2. In any event, subject letter did provide copies of the type of vital documents JMWAVE is attempting to obtain in order to document Heroes and Martyrs for possible future payments by BEC.

Chicago, May 8, 1967

[redacted]

Dear Mr. [redacted]

In your letter of 1 May 1967 you asked me for my marriage certificate and my son's birth certificate, I do not have them because my home was immediately intervened by the so-called Comandante Felix Torres who burned my family passport and wouldn't even let me get my son's clothing. My cousin (?), Porfirio's brother Rodolfo RAMIREZ xxxx clandestinely went to the coasts of Cuba to get me. I am sending you photostatic copies of our parolee cards. I believe they will suffice but at the same time I will write to Porfirio's mother who is still in Cuba since she has not been given permission to leave and come to this country and I will ask her to get copies of the marriage certificate. I will send them to you as soon as I receive them.

Thanks again,
/s/ Clara DELGADO

Estimado señor.

En su carta fecha May 1st me pide certificado de mi matrimonio y certificado de nacimiento de mi hijo, yo no tengo en mi poder los mismos pues mi casa fue intervenida inmediatamente por el supuesto Comandante Felix Torres el cual quemó mi pasaporte familiar y todos los documentos importante que tenía, no me dejaron sacar ni la ropita de mi hijo, mi cuñado Rodolfo Ramirez hermano de Porfirio fue a buscarme a las costas de Cuba clandestinamente por eso pude salir, yo le mando copias de nuestros Carnés, creo sean suficiente; pero a la vez le escribiré a la madre de Porfirio que todavía se encuentra en Cuba pues no le dan la salida para este país, y le pediré que me saque copias en el juzgado de mi matrimonio, le inmediatamente que los pide se los mandase.

Gracias una vez mas

Dear Sir:

Your letter of May 2 was received by me, but as I do not have on hand, my son JULIO ANTONIO YEBRA SUAREZ'S birth certificate I had to look for and AFFIDAVIT.

TRANSLATION

Miami 7 May 1967

Mr.

The only paper that I have in my possession is my daughter's birth certificate. My marriage certificate is in Cuba. I cannot send anyone to get it because the person who goes to get it would be persecuted because the name of my husband is on it.

Attached is the child's certificate. I would appreciate your letting me know if this is sufficient since trying to obtain mine would be difficult.

Attentively,
/s/ Teresa SUAREZ

S/e.-

El único papel que yo tengo en mi poder, es el certificado de nacimiento de mi hija. Mi certificado de matrimonio está en Cuba. No puedo mandárselo a usted puesto que la persona que se prestara a sacarlo sería perseguida por aparecer el nombre de mi esposo en el mismo.

Aquí le adjunto el certificado de la niña. Le agradecería me dejara saber si con eso le es suficiente. ya que con el mío existe esa dificultad.

Atentamente.

Tilda Nuñez.

Investigation of Trust Account for Case #142, GUTIERREZ Izaguirre, Jorge

ACTION REQUIRED REFERENCES

Reference: UFGW-6306, 8 December 1966

1. The information requested by Headquarters in paragraph two of Reference concerning the funds held in trust for Jorge GUTIERREZ Izaguirre (prisoner) has been obtained from the trustee, Mr. Orlando FERNANDEZ and is forwarded herewith.

2. According to Mr. FERNANDEZ, an arrangement with the family of Subject provides that Mr. FERNANDEZ (who now resides in Tampa) receive the monthly payment of $225.00 and forward it to an uncle of Subject, Evelio CORZO (in Miami), who is responsible for the forwarding of assistance to the Subject and his parents in Cuba. Mr. FERNANDEZ further stated that there are actually two bank accounts which he described as follows:

a. Dade Federal Savings and Loan Association, Miami, Florida, account number 04-439677. January 1967 balance: $6,748.36. The account is in the name of Subject's uncle and aunt, Evelio and Lillian CORZO.

b. The Exchange Bank of Temple Terrace, Tampa, Florida, account number 3627. January 1967 balance: $675.00. The account is in the name of the trustee, Mr. Orlando FERNANDEZ.

Mr. FERNANDEZ explained the reason for two bank accounts as follows: During the time that the trustee resided in Miami, the check was deposited by Mr. CORZO in the CORZO account. When the trustee moved to Tampa (date unknown) Mr. CORZO told the trustee that in view of the ample funds on deposit in Miami, the trustee should open a savings account in Tampa for the deposit of future payments.

3. For Headquarters further information, the trustee provided documentation from the family in Cuba, dated 25 February 1967, which designates Evelio CORZO Izaguirre as the representative for Subject. JMWAVE traces on CORZO are as follows:

a. An AMPAID-4 report dated 28 June 1962 describes the following person who is probably identical with the uncle:

GENERAL COMMENTS
"RAUL AND COLA"
December 1 to 31, 1960

In the Statements and Annexes attached, appeared the analysis and sub-analysis of each of the incomes and expenses during the month of December.

The receipts, bills, deposit sheets, checks returned by the bank, and other justificatory certificates of the operations of the month, are in our records. In the cases that the justificatory certificates were not given, there are in our records the memorandums on account of which the checks were made.

In December 31, 1960, there are still Reinbursments to collect in the amount of $350.00 that correspond to the check No.21 of October 4, in the name of Mr. A. Fernández Morell, from the Military Section.

The increase of the Revolving Fund of the Military Section was reinbursed to the Comptroller by the Militar Coordinator, but same were not deposited in the bank, since we have learned in practice the necessity of disposal of cash with urgent need, in more than one time, and to solve these cases we decided to maintain this Fund in our hands, but at the Military Coordinator's disposition.

CUBAN DEMOCRATIC REVOLUTIONARY FRONT
FINANCE DEPARTMENT
RESUME OF THE INCOME AND EXPENSES OPERATIONS
"PAULA AND SOSA"
October 1 to 31, 1960

In the financial statements and annex the analysis and sub-analysis of each one of the income and liabilities during the month of October are shown.

Receipts, invoices, deposit slips and other papers are kept in our files.

As shown on Annex "I-D", a Revolving Fund has been created for the Military Section, amounting to the sume of $10,000.00, divided into two parts of $5,000.00 each, the amount of $3,387.81, was reinbursed to this Revolving Fund, as per Annex "I-D".

The amount of $50,000.00 which appears as "Transferences" in Annex "I-M" corresponds to the transfered amount from the account of "Paula and Sosa" to "Rasco and Paula" account.

From this amount, we have paid in advance the November payment of the military dependants.

In relation to "Checks to Justify", amounting to $69,288.52, as per - Annex "I-P", these could be classified in two groups; one formed by - those corresponding to amounts advanced accoiding to budget to the - different Committees and Delegations and the other, formed by certain expenses to be made, but specifically determined, with receipts dully signed. The later could have been distributed to those accounts within the cassification, thus eliminating them from the title "to justify", but have been kept as so, to be sure of the making of this expense for the purpose to which the checks were drown for, or its actual classification, if these expense were made for other purposes than those originally aimed to. This is due to the fact that some checks were drawn for a specific purpose; they could also have been applied to acquire some - other asset, thus appearing at the end of the month a false balance, since it would appear as an expense, what it actually is an asset.

Section designated as "Transferences" $50,000.00 is compensated with an income for the same amount, when making a transference of funds to the "Rasco and Paula" account to pay through it the payroll of the Military Dependants, but through a mistake it was deposited again in the same account.

RESUMEN DE LAS OPERACIONES DE INGRESOS Y EGRESOS
Octubre 1 al 31 de 1960

En los Estados y Anexos que se adjuntan aparecen los análisis y sub--- análisis de cada una de las partidas de ingresos y egresos habidas durante el mes de Octubre de 1960.

Los recibos, facturas, hojas de depósitos y demás comprobantes justificativos de las operaciones del mes, obran en nuestro poder.

Como podrá observarse en el Anexo "I-D" se ha creado un -Fondo Fijo- - para el Sector Militar, ascendente a $10,000.00 (en dos partidas de - $5,000.00), habiéndose procedido a reintegrar a dicho Fondo Fijo, durante el mes de Octubre, la cantidad de $3,387.61, según puede verse en - el Anexo "I-L".

La partida de $50,000.00 que aparece como "TRANSFERENCIAS" en el Anexo "I-M", corresponde a la cantidad transferida de la cuenta "PAULA AND - SOSA" a la cuenta "RASCO AND PAULA", a través de la cual se ha pagado- la asignación adelantada del mes de Noviembre de los familiares de los hombres que se encuentran en el Campo.

En relación con los "CHECKS A JUSTIFICAR", que importan $69,288.52, según Anexo "I-P", los mismos pudieran clasificarse en dos grupos: uno - formado por aquellos que corresponden a cantidades adelantadas de acuerdo con presupuestos a las distintas Comisiones o Delegaciones, y otro- que lo integran algunas partidas consignadas a un tipo de gasto a realizar, pero específicamente determinado, con sus correspondientes recibos debidamente firmados. Estos últimos pudieron haberse distribuído- a las cuentas que responden dentro de la clasificación, con lo que hubieran sido eliminados del concepto "A JUSTIFICAR", pero se han mantenido como tales, a los efectos de tener la seguridad de la realización del gasto para el concepto que fueron extendidos los checks, o su verdadera clasificación si esas cantidades fueron utilizadas en erogaciones distintas a aquellas para que fueron originalmente consignadas. Esto es debido a que algunos checks extendidos para un concepto determinado, pudieran, inclusive, aplicarse a la adquisición de algún activo, con lo cual aparecería en la fecha de cierre del mes, un balance que no sería fiel a la verdad, pues aparecería como un gasto, lo que en realidad es un activo.

La partida denominada "TRANSFERENCIAS" ($50,000.00) está compensada con un ingreso por la misma cantidad, y se originó al querer hacerse una transferencia de fondos a la cuenta "RASCO AND PAULA", para pagar a través de ella la nómina de asistencia social, pero por error se hizo el depósito del check No. 255 por $50,000.00 en la misma cuenta de "PAULA AND SOSA".

SUMMARY STATEMENT OF RECEIPTS AND EXPENDITURE OPERATIONS

Proceeding from the conciliated balance of 30 June 1960 of $2,868.95, we added to it a loan received from Dr. Justo Carrillo Hernandez in the amount of $1,500.00, receipts from the Department of Finances in the amount of $8,000.00 and a spontaneous contribution from an anti-communist admirer from South America in the amount of $30.00. We arrived at a total of $12,398.95 of cash on hand for the month of July 1960.

If from the total of cash on hand for the month of July 1960 we subtract the expenditures which are:

Traveling expenses (see Attachment 1)	$6,002.46
Propaganda (see Attachment 2)	1,172.38
Personnel (see Attachment 3)	1,136.00
Sustenance and rents (see Attachment 4)	559.50
Communications (see Attachment 5)	960.75
Students' Section (see Attachment 6)	220.00
Office supplies (see Attachment 7)	219.49
Miscellaneous (see Attachment 8)	1,577.38

we have a total of cash on hand at the Florida National Bank and Trust Company on 31 July 1960 of $550.99. There exists on this date a $100.00 Fixed Fund which increases the cash on hand by this amount.

TRAVELING EXPENSES

In Attachment 1 you may observe to whom the various checks were issued as well as the amount of each expenditure. Although entry #1 is charged to Dr. Luis Aguilar Leon, according to verbal information, only $200.00 corresponds to this gentleman and the remaining $400.00 corresponds to

RESUMEN DE LAS OPERACIONES DE INGRESOS Y EGRESOS

Partiendo del saldo conciliado en 30 de Junio de 1960, de $2,868.95, le sumamos un prestamo recibido del Dr. Justo Carrillo Hernandez -- por $1,500.00; un ingreso efectuado por el Departamento de Finanzas por $8,000.00 y la aportación espontanea de un admirador anti-comunista de Sur America de $30.00, logramos una ascendencia de efectivo disponible para el mes de Julio de 1960 de $12,398.95.

Si al total del efectivo disponible del mes de Julio de 1960, le restamos los egresos, que son:

Gastos de Viajes, (ver anexo-1)	$ 6,002.46
Propaganda, (ver anexo-2)	1,172.38
Personal, (ver anexo-3)	1,136.00
Manutención y alquileres (ver anexo-4)	559.50
Comunicaciones (ver anexo-5)	960.75
Sección Estudiantil (ver anexo-6)	220.00
Efectos de Oficinas (ver anexo-7)	219.49
Miscelaneas (ver anexo-8)	1,577.38

nos queda un efectivo disponible en The Florida National Bank and Trust Company, en 31 de Julio de 1960, de $550.99. Existe en ésta fecha un Fondo Fijo de $100.00, que aumenta en ésta cantidad el - efectivo disponible.

GASTOS DE VIAJES

En el anexo-1 podrán observar a quines fuerón extendidos los distintos cheques, así como la cuantía ascendente de cada egreso.

Aunque la partida # 1 aparece cargada al Dr. Luis Aguilar León, según informe verbal, solamente correspondió a dicho señor $200.00 y los $400.00 restantes al Dr. Aureliano Sanchez Arango.

La partida #8 , a nombre del Dr. Manuel Antonio de Varona por --

Dr. Aureliano Sanchez Arango.

Entry #3 in the name of Dr. Manuel Antonio de Varona in the amount of $931.49, according to a "statement" in our possession does not consist totally of "Traveling Expenses", however due to the fact that the Department of Finances claimed the vouchers for the month of July, the analysis of this entry was not possible in spite of having carried out the corresponding measures for obtaining a copy of the statement submitted by Dr. Varona.

Entry #12 in the name of Dr. Manuel Artime for $100.00 is not the result of a check made out in his name but was an amount delivered by Dr. Justo Carrillo in Mexico City according to a "statement for reimbursement" in the amount of $834.20 submitted to the Front during the month of July.

Entry #14 in the amount of $211.05 in the name of Dr. Justo Carrillo corresponds to the reimbursement made to him in the amount of $834.20. The difference between $834.20 and $211.05 corresponds to other types of expenses which are given in detail below.

The remaining entries are self-explanatory in Attachment-1.

The "Traveling Expenses" for the past month of June are excluded.

PROPAGANDA

In Attachment-2 all expenses under this account are given in detail.

Entry #105 in the amount of $500.00 corresponds to the payment for advertisements made in Mexico by Dr. Justo Carrillo, according to a statement for reimbursement in the amount of $834.20 submitted by him.

PERSONNEL

In Attachment-3 the personnel are listed with their monthly, weekly or incidental salaries with charges to the office of the Front in the Congress Building.

$931.49, según "estado" que estuvo en nuestro poder, no es totalmente de "Gastos de Viajes", pero debido a que el Departamento de Finanzas reclamó los comprobantes del mes de Julio, no fué posible el análisis de dicha partida, no obstante haber realizado las gestiones correspondientes para obtener una copia del estado presentado por el Dr. Varona.

La partida # 12 a nombre del Dr. Manuel Artime por $100.00, no es producto de un cheque girado a su nombre, sino que fué una cantidad entregada por el Dr. Justo Carrillo en la ciudad de México, según el "estado de reintegro " por $834.20, presentado en el mes de Julio al Frente.

La partida # 14 por $211.05, a nombre del Dr. Justo Carrillo, corresponde al reintegro que se le hizo de $834.20. La diferencia entre los $834.20 y $211.05, corresponde a otros tipos de gastos, que más adelante se detallan.

Las otras partidas se explican por si sola en el anexo-1.

Estan excluidos los "Gastos de Viajes" del mes de Junio próximo pasado.

PROPAGANDA

En el anexo-2 están detallados todos los gastos realizados bajo ésta cuenta.

La partida # 105 por $500.00, corresponde al pago por anuncios efectuado en México por el Dr. Justo Carrillo, según estado de reintegro por $834.20 por él presentado.

SUSTENANCE AND RENTS

In Attachment-4 the various entries under this title are explained.

Entry #400 of 2 July 1960, check #22, was for the payment of rent for the office of the DEMOCRATIC REVOLUTIONARY FRONT at #1001 Congress Building, Miami.

Entry #402 of 27 July, check #64, in the name of Abel Varona was used to give food, from 27 July to 2 August 1960, both dates inclusive, to the following persons: Miguel Penton, Hugo Zamora, Martin Torres, Giraldo Serafin Penton, Orlando Garcia, Claudio Orozco, Benigno Perez, Humberto Cordero, and Felix Sosa.

As you may note the expenses under this title will necessarily increase, therefore an ample estimate destined to cover future needs is advisable.

Check #67 of 27 July 1960 in the name of the labor leader Pascasio Linera was made void.

COMMUNICATIONS

The expenses of this title are listed in Attachment-5. The principal entries are 500 and 501 in the amounts of $400.00 and $300.00 for postage stamps. If we were to render account of the magnitude which propaganda of the Front sent by mail must have, these costs are ridiculous.

The costs of long distance calls charged to Dr. Justo Carrillo for $23.15 appear in the "statement for reimbursement" for $834.20 which he submitted for the month of July.

The long distance calls (?) of Dr. Jose I. Rasco were paid by the Fixed Fund which exists in the Front's office.

PERSONAL

En el anexo-3 se expone detalladamente el personal con asignación mensual, semanal ó eventual, con cargos a la oficina del Frente en el Congress Building.

MANUTENCION Y ALQUILERES

En el anexo-4 se explica las distintas partidas consumidas bajo éste epígrafe .

La partida #400 de Julio 2-960, check # 22 fué para el pago del alquiler de la oficina del FRENTE REVOLUCIONARIO DEMOCRATICO, en el Congress Building #1001, Miami.

La partida # 401 de 10 de Julio, check #42 a nombre de Rafael Candia, se utilizó para el alquiler de una casa ó apartamento en el N.W , Avenida 23, que alberga exilados y se le facilita la manutención.

La partida # 402 de Julio 27, check # 64 a nombre de Abel Varona, se utilizó para darle comida, desde el 27 de Julio al 2 de Agosto de 1960, ambos inclusives, a las siguientes personas: Miguel Pentón, Hugo Zamora, Martín Torres, Giraldo Serafín Pentón, Orlando García, Claudio Orozco, Benigno Perez, Humberto Cordero y Felix Sosa.

Como ustedes observarán los gastos de éste epígrafe, necesariamente irá aumentando, por lo que es aconsejable un amplio estimado destinado a cubrir sus necesidades futuras.

El check # 67 de 27 de Julio de 1960 a nombre del lider obrero Pascasio Linera fué anulado.

STUDENTS' SECTION

In Attachment-6 are explained the amounts delivered to the Students' representatives in exile which collaborate with the DEMOCRATIC REVOLUTIONARY FRONT.

OFFICE SUPPLIES

In Attachment-7 are listed all expenses made for office supplies.

MISCELLANEOUS

In Attachment-8 the expenditures which do not come under the other titles are explained.

The Fixed Fund of the Front's office was increased to the amount of $100.00 by means of check #29 of 12 July 1960. This Fixed Fund is under the custody of Ana Villarreal.

Dr. Justo Carrillo was repaid the loan he made during the month of July in the amount of $1,500.00 with check #49 of 29 July 1960.

There are entries paid from the Fixed Fund for taxi fares and personal courtesies which because of their amounts do not merit special attention.

COMUNICACIONES

Los gastos de ésta titulo están relacionados en el anexo-5. Las partidas principales son la 500 y 501, por $400.00 y $300.00 en sellos de correo. Si nos damos cuenta de la magnitud que debe tener la propaganda enviada por correo del Frente, éstos gastos resultan irrisorios.

Los gastos de llamadas a distancias cargados al Dr. Justo Carrillo por $23.15 aparecen en el "estado de reintegro" por $834.20 del mes de Julio por él presentado.

Las distancias del Dr. José I. Rasco fuerón reintegrados por el Fondo Fijo existente en la oficina del Frente.

SECCION ESTUDIANTIL

En el anexo-6 se exponen las cantidades entregadas a la representación estudiantil del exilio, que coolaboran con el FRENTE REVOLUCIONARIO DEMOCRATICO.

EFECTOS DE OFICINAS

En el anexo-7 se relacionan todos los gastps efectuados en materiales para las oficinas.

MISCELANEOS

En el Anexo-8 se exponen todos los egresos realizados que no caben en los otros epígrafes.

Con el Check # 29 de Julio 12, 1960 se aumentó el Fondo Fijo de la oficina del FRENTE, a la cantidad de $100.00. Este Fondo Fijo está bajo la custodia de Ana Villarreal.

Con el Check # 49 de Julio 26 de 1960 se le pagó al Dr. Justo Carrillo el préstamo que hiciera dentro de este mes de Julio, por la cantidad de $1,500.00.

Existen partidas pagadas por el Fondo Fijo, de Alquiler de Taxis y Atención Personal, que por su cuantía no merecen especial atención.

GENERAL

In compliance with what has been established, of submitting to you a report at the close of each month, I am attaching herewith a STATEMENT OF RECEIPTS AND EXPENDITURES corresponding to the month of July 1960.

In spite of the fact that all expenditures were made by check in the name of the respective persons, there was an oversight in not requiring detailed receipts or vouchers of payment for funds drawn from the persons concerned.

On the trip to New York, suggested by you, a series of control measures were imposed upon me which I am also sending separately in order for you to deliberate the same. In addition to those written measures there are other verbal suggestions which are of importance.

Once you have read the control measures you will understand that the management of the funds of the DEMOCRATIC REVOLUTIONARY FRONT is lacking from what is required, for which reason a true relationship between the Executive (Committee) and the Comptroller would be convenient in order to provide you with better efficiency.

I understand that it is troublesome, in accordance with the rank of the members of the Executive Committee, to render accounts of the cash received, but in accepting the conditions suggested by the Department of Finances, I find myself forced to inform you that it is the obligation of all those receiving funds to render accounts unless exceptions are made or established for the Executive Committee.

I understand that the reason why the measures required by the Department of Finances in the management of the funds of the FRONT were not established has been due to the fact that the suggested controls were not known at the close of the month of July.

GENERAL

Cumpliendo con lo establecido, de rendirles un informe al cierre de cada mes, les estoy adjuntando un ESTADO DE INGRESOS Y GASTOS correspondiente al mes de Julio de 1960.

No obstante haberse efectuado todos los egresos por cheques a nombre de las respectivas personas, se incurrió en el descuido de no pedir recibos detallados o comprobantes de pagos, por quien corresponda, del efectivo girado.

En el viaje a New York, por ustedes indicado, fuí impuesto de una serie de medidas de control, las cuales tambien remito aparte, para que deliberen sobre las mismas, existiendo además de las escritas, otras indicaciones verbales de importancia.

Una vez leídas las medidas de control, comprenderán que el manejo de los fondos del FRENTE REVOLUCIONARIO DEMOCRATICO, dista algo de lo requerido, razón por la cual sería conveniente una verdadera inter-relación entre el Ejecutivo y la persona del Comptroller, para que pueda ésta brindarles eficiencia.

Comprendo que es enojoso, de acuerdo con la jerarquía de los integrantes del Comité Ejecutivo, el estar rindiendo cuenta del efectivo recibido, pero de aceptar las condiciones sugeridas por el Departamento de Finanzas, me veo compelido a informarles que es obligación de todos los que reciban efectivo, rendir cuenta, salvo que logren o establezcan excepciones para el Ejecutivo.

Comprendo que la razón de no haberse establecido las medidas requeridas por el Departamento de Finanzas en el mane-

I would appreciate it, with the same frankness with which I have written these lines, if you would inform me if there is the slightest disagreement among any of the members of the Executive (Committee) and the person who is to fill the post of Comptroller so that in this manner I will not present an obstacle and can decline in favor of another person. If this is to the contrary it is a pleasure for me to be at the disposal of that worthy organization.

jo de los fondos del FRENTE, se debió a no conocer el control sugerido, llegado al final del mes de Julio.

Les agradecería, con la misma franqueza que expongo estas líneas, que me manifiesten si existe la mas ligera discrepancia entre alguno de los integrantes del Ejecutivo y el que va a ocupar el cargo de Comptroller, para de esta forma no obstaculizar y declinar en favor de otra persona. De lo contrario, de muy buen agrado estoy a la disposición de ese digno organismo.

NOTE: Check No. 74 of Letter Service in the amount of $24.00 does not appear as paid by the bank and we are in doubt as to whether is was cancelled since the receipt or the invoice which covered it is not in our possession, in which case the cash available in the bank would be increased to $113.54 (One hundred thirteen pesos* and fifty-nine cents) on 31 August. There is in addition a Fixed Fund amounting to $100.00 (one hundred pesos*).

N O T A: El check No. 74 de Letter Service por $24.00 no aparece pagado por el Banco y tenemos la duda de si fue anulado o no. PAYROLL (ATTACHMENT "I-D")

The payroll for the month of August only includes Enrique Villarreal, Ana Villarreal and Elena Alonso.

TRIPS (ATTACHMENT "I-E")

Trips have been grouped, with those made by the executives of the Front being considered independently, and in a general manner, under the title of miscellaneous (traveling expenses), such as they appear in Attachment "I-E", all other traveling expenses. Traveling expenses corresponding to checks 89,123, 129, 131 and 132 have no other justification except the duly signed receipts, but not the vouchers justifying the manner in which the expenses were incurred in each case.

SUSTENANCE AND RENTS (ATTACHMENT "I-F")

These expenses are classified in two groups in Attachment "I-F": Rents ($2,954.86) and Allowances and Other Expenses ($9,297.45). Many of the rents do not have the corresponding receipt but they do have a receipt signed by the person who it is supposed received the money to pay these rents as can be seen in the files of receipts, invoices, etc.

The vouchers for allowances, food (meals), etc., are not presented as clearly as they should have been with regard to clarity and the organization of the same; however, instructions have been issued for the purpose of obtaining a better presentation of the same. Check # 82 includes two entries of $300.00 each, the receipts of which are in the names of Messrs. Roberto Varona and Rolando Rojas as well as another entry of $125.00 in the name of the latter. The receipts are not signed and these gentlemen are out of the country.

COMMUNICATIONS (ATTACHMENT "I-G")

Of the $715.23 total for the communications expenditures, there is an entry of $500.00 corresponding to check # 128 which represents the shipment of 5,000 copies of the newspaper Lucha to Cuba.

STUDENTS' SECTION (ATTACHMENT "I-H")

This total of $915.00 corresponds to check # 91 given in the name of Jorge Mas, with its receipt duly signed, and the list of the expenses incurred and to cover them was presented and signed by the persons in charge of that section, although they did not submit the receipts, invoices, etc. It is supposed that these are in their possession since they must have their own accounting for the purposes of the corresponding control.

NOMINA (ANEXO "I-D")

La nomina del mes de Agosto solamente incluye a los senores Enrique Villarreal, Ana Villarreal y Elena Alonso.

VIAJES (ANEXO "I-E")

Los viajes se han agrupado, considerando independientemente aquellos incurridos por los Ejecutivos del Frente, y en forma global, bajo el concepto de Varios, todos los otros gastos de Viajes, tal como aparecen en el Anexo "I-E". Los gastos de viajes correspondientes a los Checks Nos. 89, 123, 129, 131 y 132 no tienen mas justificacion que los recibos debidamente firmados, pero sin los comprobantes que justifiquen la forma en que se incurrieron los gastos en cada caso.

MANUTENCION Y ALQUILERES (ANEXO "I-F")

Estos gastos aparecen clasificados en el Anexo "I-F" en dos grupos: Alquileres ($2,954.86) y Dietas y Otros Gastos ($9,297.45). Muchos de los alquileres cargados no tienen el recibo correspondiente, pero si un recibo firmado por la persona que se supone recibio el dinero para hacer los pagos de esos alquileres, segun puede verse en los files de recibos, facturas, etc.

Los comprobantes de dietas, comidas, etc. no estan lo debidamente bien presentados, en cuanto a la claridad y organizacion de los mismos, pero ya se han dado las instrucciones a los efectos de conseguir una mejor presentacion de los mismos. El Check No. 82 incluye dos partidas de $300.00 cada una, cuyos recibos, a nombre de los senores Roberto Varona y Rolando Rojas, asi como otra de $125.00 a nombre de este ultimo no estan firmados, y esos senores se encuentran fuera del pais.

COMUNICACION (ANEXO "I-G")

Del total de $715.23 que importa el desembolso por concepto de Comunicacion, hay una partida de $500.00 que corresponde al Check No. 128 que representa el franqueo a Cuba de 5,000 ejemplares del Periodico "Lucha".

SECCION ESTUDIANTIL (ANEXO "I-H")

Este total de $915.00 corresponde al Check No. 91 que se extendio a nombre de Jorge Mas, con su recibo debidamente firmado, y fue presentada la relacion de los gastos incurridos hasta cubrir esa cantidad, firmadas por los responsables de esa Seccion, aunque no presentaron los recibos, facturas, etc., suponiendo que obren en su poder, ya que ellos deben llevar su contabilidad a los efectos del correspondiente control.

COMMISSIONS OR DELEGATIONS (ATTACHMENT "I-I")

During the month three checks were issued for the following:

a. Part of check # 82 in the name of Manuel A. Varona for $1,917.68 of which $200.00, plus the money order fee of $1.20, was sent to the Mexico Delegation.

b. Part of check # 83 in the name of Manuel A. Varona for $928.43 of which $100.00 was delivered to Mr. R. Otero Borlaff for the Labor Commission.

c. The total of check # 88 for $600.00 in the name of Mr. Jose M. Hernandez for the expenses of the Labor Commission, I mean to say, the Legal Commission.

MISCELLANEOUS (ATTACHMENT "I-J")

All entries concerning those expenses which, because of their nature, cannot easily be classified specifically within the previous classifications have been grouped under this title. Their total amount is $1,332.49 and this total is analyzed in Attachment "I-J".

CHECKS TO BE JUSTIFIED (ATTACHMENT "I-K")

Under this title are grouped all those checks issued during the month for which the expenses incurred for each of them had not been justified on 31 August. The receipts are signed and as soon as the justifications of the same are received, these expenses will be classified and submitted immediately.

GENERAL

In compliance with the instructions received, we have attempted to render a report on the operations for the month of August which will agree as much as possible with the needs required and which will include the greatest amount of information possible for the purpose of having a quick and precise understanding of the month's operations.

Together with this report we are sending, as we have been requested to do, all vouchers in correlative order following the numbering of the checks issued. Due to certain confusion regarding the submission of receipts, invoices, etc., which has already been overcome since precise instructions have been issued, we have had some difficulties in the perfect classification of expenditures.

-Continuacion-

COMISIONES O DELEGACIONES (ANEXO "I-I")

Se extendieron durante el mes tres Checks que corresponden a lo siguiente:

a) Parte del Check No. 82 a nombre de Manuel A. Varona, por $1,917.68, del que se enviaron a la Delegacion de Mexico $200.00 mas los gastos del giro que ascendieron a $1.20.

b) Parte del Check No. 83 a nombre de Manuel A. Varona, por $928.43 del que se tomaron $100.00 que fueron entregados al Sr. R. Otero Berlaff para la Comision Obrera.

c) Total del Check No. 88 por $600.00 a nombre del Sr. Jose M. Hernandez para atender gastos de la Comision Obrera, digo, Juridica.

VARIOS (ANEXO "I-J")

Bajo este concepto se han agrupado aquellas partidas de gastos que por su naturaleza no ha sido facil clasificarlas especificamente dentro de las clasificaciones anteriores. Su importe total asciende a $1,332.49, y en el Anexo "I-J" aparece analizado este total.

CHECKS A JUSTIFICAR (ANEXO "I-K")

Bajo esta denominacion se han clasificado aquellos checks extendidos durante el mes, y que aun en Agosto 31 no se habian justificado los gastos incurridos con cargo a cada uno de ellos. Los recibos estan firmados, y tan pronto se reciban los justificantes de los mismos, dichos gastos seran clasificados y elevados inmediatamente.

GENERAL

Hemos tratado, cumpliendo las instrucciones recibidas, de rendir un informe de las operaciones del mes de Agosto, que se ajuste lo mas posible a las necesidades requeridas, y que abarque la mayor cantidad posible de informacion a los efectos de tener un enfoque rapido y preciso de las operaciones del mes.

Tal como se nos ha pedido, estamos enviando, conjuntamente con este informe todos los comprobantes, por orden correlativo, siguiendo la numeracion de los Checks extendidos. Debido a cierta desorganizacion en cuanto a la presentacion de los recibos, facturas, etc., que ya se esta superando, pues se han dado instrucciones precisas, hemos tenido dificultades para la perfecta clasificacion de los egresos.

De la revision de los mencionados comprobantes podran observarse ciertas anormalidades, mas bien en la forma que en el fondo. Por ejemplo, el Check No. 124 no ha sido justificado con los recibos, facturas, etc. correspondientes, si no con una relacion de gastos que aparece firmada por el Sr. Manuel Artime. El Check No. 126 tiene los comprobantes justificativos, pero en algunos casos no aparecen firmados por las personas que recibieron las cantidades consignadas y si por el Sr. Jose Arriola. Tambien se dieron instrucciones para evitar esto en el futuro.

-Continua-

Continuation

In reviewing the above-mentioned vouchers one can observe certain irregularities more in form than in funds. For example, check # 124 has not been justified with the corresponding receipts, invoices, etc., but with a list of expenses signed by Mr. Manuel Artime. Check # 126 does have the justifying receipts, but in some cases they are not signed by the persons who received the amounts consigned but were signed by Mr. Jose Arriola. Instructions were also issued to prevent this in the future.

Included in the receipts files are the bank deposit slips which correspond to all amounts deposited during the month of August to the "RASCO AND PAULA" account in the Florida National Bank and Trust Company.

-Continuacion-

Se incluyen en los Files de Comprobantes, los Slips de Depositos del Banco que responden a todas las cantidades depositadas durante el mes de Agosto en la cuenta "RASCO AND PAULA" del "The Florida National Bank and Trust Company".

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Dr. MIRO Cardona on 6 October

1. Dr. MIRO arrived about 9:50 a.m. for the meeting we had set at 10:00; again he was driven by his secretary whom he introduced. As during the first meeting, she remained outside in the car. Our meeting lasted until 12:00 noon.

2. First, Dr. MIRO handed me a note in longhand listing the topics discussed with me on 5 October. These points are:

a. Groups conducting propaganda, etc. with Agency support should receive their support and be coordinated through the Council.

b. A propaganda campaign should be waged by the Council aimed at:

(1) Cuba, via a long wave radio station in Key West.

(2) Cubans in Miami and other U. S. areas by:

(a) Subsidizing Diario de las Americas.

(b) Contracting for time on radio stations.

(3) Latin America, with a plan such as the Operacion Grieta."

c. Underground Activities.

(1) Provision of monthly funds to Council for procuring Cuban pesos to send to the seven-odd resistance groups in Cuba through reliable channels (such as previously sent through the Italian Embassy).

(2) Commando action as outlined in plan presented to me on 6 October.

3. Commando Plan

Then Dr. MIRO handed me a plan (in English) for clandestine action prepared by his military collaborators, whom he named as Colonel Manuel VARELA Castro, an officer of the Academy, Captain Enrique DESPAIGNE, and Colonel (fnu) MONTEAGUDO. He stated that they were of the BARQUIN group and had been prisoners.

With respect to the plan for clandestine operations in Cuba, he stated that 300 men could be counted upon for commando action, part of them here, part in Cuba. He reiterated that a commando operation was essential to bolster morale among the anti-Castro elements in Cuba and in exile as well as to conduct sabotage that would further weaken Cuban economy and the Communist regime. He said that for this operation U. S. help would be necessary in providing weapons, ammo, demolitions, equipment, and funds. He proposed that if this plan was considered to have merit, that I arrange to have someone meet with his military men to work out the details. After all preparations had been made and materiel provided, etc. the operation would be purely a Cuban affair. (NOTE: Plan turned over to Thompson at our meeting at 15:30 on 6 October for transmission.)

4. Request for Arms, etc. to send to Escambray

Dr. MIRO remarked that over a month ago he had made a request to Clark for arms for the anti-Castro insurgents in the Escambray, but to date had heard nothing relative to the request. He commented wryly, "I ask but never hear an answer." He said that the fighters there should be supported. Dr. MIRO stated that he had a boat (provided by us) and a means for delivery of the arms. Osvaldo RAMIREZ is chief of the Escambray group.

COMMENT: Has anything been done about this request?

5. Information on Arms Received by Castro Regime

Dr. MIRO handed me a long report which he said was brought to him by the Argentine Ambassador to Cuba when the latter came to the U. S. at the time of President FRONDIZI's visit.* He said the Ambassador would not divulge the source of the information but commented, "You will know."

*Report turned over to Thompson on 6 October.

Dr. MIRO said there was no way to determine the accuracy of the figures given of planes, guns, etc. received from the Soviet bloc (and Italy and Canada) but even if the figures were exaggerated 100 per cent, they would still be impressive.

He added that Castro is daily becoming stronger militarily with weapons and with a large militia of close to 300,000 being trained to use them while the economy continues to deteriorate. Perhaps only half the militia would be effective. But that is sizeable. Thus, he said, the longer the delay in positive military action to overthrow Castro, the greater will be the task. "We must act soon, vigorously and effectively, to insure victory. Another defeat would be disastrous and would make Cubans, Latin Americans and others believe Castro to be invincible. Then would come accommodations and even worse, the implanting of Castro-backed regimes in the hemisphere. And the U. S. would suffer worst of all, being discredited for defeat and "guilt of interference." "In the UN no nation would stand beside the U. S."

6. Proposal that Council go to Cuba with Commando Group and Establish a Government on Cuban Soil

Dr. MIRO then declared that he was convinced that Castro would never be overthrown by all the propaganda, the sabotage, commando raids, guerrilla activities, rupture of diplomatic relations and deteriorating economy, and that it was inconceivable to establish a government-in-exile for nothing would come of it; that the only solution for defeating the Castro regime was for the Revolutionary Council to go to Cuba and establish a government on Cuban soil, ask recognition by all friendly countries and military assistance of its principal ally, the U. S., and that the U.S. be ready to intervene immediately with its Forces. "This would all have to take place in a matter of 48 hours, otherwise it would fail. I recognise that this is a bold plan, but boldness is necessary. There will be many risks, many may be killed. As for myself, I don't care if I die. I have lost all my personal possessions and my son is a prisoner." He reiterated that all must be well prepared in advance, there must be no vacillation, everything must proceed rapidly. First, a commando raid in force to seize a piece of Cuban territory, preferably near Guantanamo, and immediately the members of the Council go ashore, proclaim a provisional government, broadcast by radio to all nations an appeal for recognition (and cables prepared in advance would also be sent out), request U. S. assistance, and the U. S. should furnish such assistance at once in adequate strength to ensure victory.

Before such an action is undertaken, the enemy must be softened by propaganda, sabotage, raids, underground action, and the mass of the people of Cuba must be prepared to accept the provisional government through propaganda, increased knowledge of the Council and its unifying efforts.

Dr. MIRO asked me what I thought of this project; did I think that Castro could be overthrown in any other way. I admitted that strong military action appeared necessary. I stated further that of course his plan would have to be studied at the highest government levels. He proposed that he might elaborate a plan with his military collaborators, and I suggested that he do this so that it might be examined and considered.

Dr. MIRO declared that he was convinced that this Communist dagger in the side of the States could only be eradicated by such action, that the U.S. is and will be blamed for all anti-Castro propaganda, sabotage, etc. and that enemy states will denounce it for intervention in Cuba, but that if the U.S. goes to the aid of a friendly revolutionary regime established in the country and helps it defeat the Soviet-backed Communist regime, all friendly governments will applaud.

"I have no personal political ambitions," declared MIRO. "I merely am trying to chair the Council, whose mission is to unify the anti-Castro elements inside and outside of Cuba. If the team isn't considered effective, then change the pitcher. But I believe the Council must establish itself on Cuban soil, and soon. Time is against us." "The Punta del Este agreement will backfire against the U.S. if Castro is allowed to remain in Cuba. In a year, after the politicos of the countries receiving U.S. aid have gotten their hands on U.S. gold, they will say, 'Thanks to Castro, we got this.' And they will spend it as in the past with no benefits to the social and economic welfare of the people."

7. Views about the Judges and Lawyers

I queried Dr. MIRO as to his views relative to the judges and lawyers and their future status. He said he hoped that they could all reunite and that they could be given assistance as in the past. He declared that Dr. ALABAU was not qualified to be a justice and that he was doing nothing but making politics and trying to discredit the Council and MIRO and VARONA. Dr. MIRO declared that he, as Prime Minister in the early days of the Castro government, had named ALABAU to the

Supreme Court, but that now he considered ALABAU unfit to hold any judicial position.

8. Members of the Revolutionary Council

Dr. MIRO remarked that he had a meeting of the Council on 10 October. I asked what elements now composed it and what he proposed to add. He named the following as presently in the Consejo:

Rescate
30 de Noviembre
MRR
Accion Democratica
20 de Mayo
AAA Independiente
MDC
Montecristi

He said he had invited to join:

MRP
Unidad Revolucionaria

and awaited their reply.

He would also like to have the Workers, Students, and the Professionals (Doctors, Lawyers, etc.) come into the Council. He believes Batistianos and Comunistas and elements unwilling to cooperate should be excluded, but that all other groups should be brought together under the Council.

He contends that all anti-Castro activities, except clandestine and military, should be coordinated by members of the Council, but that the excepted activities should be known only to him (MIRO).

9. Probable Argentine Rupture of Relations with Cuba

Dr. MIRO declared that he believed imminent the Argentine rupture of relations with Cuba. He said the Argentine Ambassador to Cuba (Julio AMOEDO) was ordered to return to Havana (he had been vacationing in the U. S. after FRONDIZI's visit); that VILLANUEVA, a Secretary of the Argentine Embassy in Cuba was coming to see MIRO today; and further that he (MIRO) had received a phone call last night

from a Spaniard (Nicanor FERNANDEZ) in Buenos Aires, urging MIRO to go to Buenos Aires to arouse anti-Castro sentiment of the people, inasmuch as some Argentine action against Cuba appeared imminent. (FERNANDEZ said he had already written MIRO a letter.) MIRO says, "Of course, I cannot go. I have the Consejo meeting on the 10th. Furthermore, I am going to New York on October 11th or 12th for the SIP (Sociedad Interamericana de Prensa) meeting and have been allotted 12 minutes to address the meeting."

10. MIRO to attend Homage to LACERDA (Brazilian who Precipitated QUADROS' resignation) on October 15

Dr. MIRO said he planned to remain in New York City (after 11 and 12 October SIP meeting) until October 15th to attend the homage for LACERDA, the Governor of Guanabara province in Brasil. MIRO probably will stay at the Park Chambers Hotel, but will advise Clark of his location.

I commented that I would probably remain in Washington next week in view of his plans, but that I might go to New York City to meet with him; if so, I would get in touch with him and arrange a meeting time and place through Clark.

11. Propaganda Commission

I asked Dr. MIRO about his ideas on the future organization and structure of the Propaganda Commission. He stated that it is outside the Consejo and not under his direct control, although the Council accountant has been passing funds to it. He said CARRILLO had resigned as head of Propaganda and that he would like CONTE AGUERO to handle it. He claimed that MESTRE had not done anything with propaganda.

12. MIRO's Views Relative to Supreme Court Justice or PRIO being Recognized as Head of a Provisional Government

I asked Dr. MIRO if he believed that there were many anti-Castro Cubans (both in and out of Cuba) who favored PRIO, or the head of the Supreme Court to be the provisional president if a government were to be established on Cuban soil. Dr. MIRO declared that the revolution is a fact, and that practically nobody wants to go back to any former regime. The people in Cuba would resist any such possibility. He de-

nounced PRIO's activities against the Council and its efforts to unify the anti-Castro elements. He said that the people should be given an opportunity to elect their chief of state after Castro's overthrow and reestablishment of order in the island.

13. Offices of Council (Consejo Revolucionario)

When questioned about his business and private telephones, MIRO said, "The business phone is also in my house. I have no office except in my house, but that phone is always busy (JEfferson 3-4680). So use the other phone (JEfferson 4-2751) when you wish to call me."

"I need to have a small office somewhere away from my home because all the activities there are driving my wife crazy. I want to find something modest so that no accusation can be made of ostentation - merely a room for myself, one for my secretary, and one for meetings, of the Council, etc. The FRD had a place but at that place also was the press, the refugee center, etc. It would not be satisfactory. The FRD is now practically dead. It was the forerunner of the Consejo as the unifying agency of the anti-Castro resistance."

14. MIRO's Views on Coordinating the Activities of Other Exile Groups

After Dr. MIRO reiterated his view that he should be the channel for funds and coordinating the activities of groups outside the Consejo such as the Students, FORD (Labor), etc., I said that I understood that some of these elements were unwilling to function under the Consejo; and that in view of that situation, did he consider that an Activity Committee might be organized with a delegate from each of these groups and under the chairmanship of a member of the Consejo. This would serve to coordinate their activities, give them a tie-in with the Consejo, yet not make them subservient to it. Dr. MIRO replied that this would merely set up another Consejo outside of and parallel to the existing Consejo. I did not pursue this further, not having enough background of these organizations to be able to discuss the matter effectively.

15. Telephone Conversation with MIRO on 7 October

Before my departure from Miami for Washington on 7 October, I telephoned to Dr. MIRO from the airport. He appreciated the call and asked if I had seen in the morning paper the action taken yesterday by

the ALABAU Lawyers' group in proclaiming Julio CARCERAN (one of the chief justices in exile) as "President of Cuba at War." He expressed his indignation at this unilateral "political" move by ALABAU and his adherents among the exiled lawyers and judges. He added his best wishes to me and reminded me that he would probably go to New York on October 11th or 12th for the SIP (Sociedad Interamericana de Prensa) meeting. I replied that I would appreciate if he would contact Clark after his arrival to give his location in New York City, and that Clark might have a request from me for an appointment with him, if this seemed desirable. I suggested that in future phone conversations I would be known as JUANITO. He agreed with pleasure that this would be a good procedure. I wished him Godspeed and he replied likewise to me.

16. Comment

During these first two meetings I endeavored to establish myself favorably with Dr. MIRO and therefore refrained from bringing up details of budget or opposition to any of his specific proposals. I listened, asked various questions, and he talked at length.

In future meetings, after I have gained further background and have more policy guidance, I shall be able to discuss with him specific issues and endeavor to reach agreements or compromises, as may be required.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Dr. Miro in New York City on
October 16, 1961

The meeting with Dr. Miro on October 16 was postponed from 10:00 until such time as his audience terminated with Cardinal Spellman. He arrived at my room at about 10:50. He declared that the Cardinal had wept when he learned the details of the suffering of the Cubans at the hands of Castro; declared that the Archbishop of Miami wasn't doing enough for the Cuban refugees; that the U.S. wasn't doing enough for them; that Castro must be overthrown. Miro told the Cardinal that in all Latin America there were going to be organized acts of sympathy for the Cuban sufferers. The Cardinal said he would say a Mass for them on October 17. He invited Miro to see him at any time.

Miro answered my query as to the Lacerda affairs by stating that it was very successful; 2,800 people were inside the auditorium and another 1,000 people outside; that Lacerda had received much applause.

The Inter-American Press Association affairs also had given an opportunity to present the Cuban tragedy. He said that he (Miro) had told how Fidel had shot 31 people in September alone, and other details; had described how Communism was gaining ground day by day; that in Cuba they have installed a powerful radio station broadcasting to Latin America; that ten countries have broken with Cuba, but Argentina has not; that everybody is confused.

He informed me that as for the documents relating to the Cuban plots in Argentina, the Argentine military men came to talk to Varona, and he gave them some documents that have no importance. The officers told Verona textually "We have no confidence in the Argentine Foreign Office," nevertheless, when they arrived there, they turned over the documents to the Foreign Office. But these documents had no importance; they were merely to demonstrate that there had been an extradition of documents, and that they were originals. The important documents are held by Varona in Miami.

Miro said they also visualized another act involving Lacerda in Miami, but that his "administrative" budget really does not provide for propaganda activities (such as the Current SIP and Lacerda affairs). I countered that it was considered that his budget was sufficient for him to conduct some propaganda activities; obviously nothing on a major scale -- but some things.

SECRET

Miro declared that internal propaganda and clandestine action in Cuba could not be delayed any longer. I agreed on the necessity, and that it was believed that measures are necessary to forment in Cuba the opposition to Castro. "The people are against him!" declared Miro. "But increase it," I answered. Miro then stated "If this action doesn't stem from the Consejo (CRC) — not as an independent agency, but in close contact with you (the Agency), — what we forment is a complete disorder in Cuba, and afterwards no government can succeed; secondly, if we do not have a central plan, and carry it out well in a more or less limited period of time, there will merely be more shooting of people (prisoners) by Fidel."

"And this is my insistence. Now I am afraid to go to Miami. What am I to tell the people there? What do I do? Converse? Meanwhile the Agency keeps on infiltrating people into Cuba but disconnected from the Council. I was told in my conversation with the President to amplify the membership in the Consejo. I have endeavored to do that. In the Council there are other great organizations - delegates from each of the organizations - that ask me for arms, dynamite, things, and I am here powerless. Therefore I must work with you people in order to see how we may hand over arms and a plan of action so they may see that this is not merely an endless series of sabotage actions." I replied, "Well, I believe that a well-worked-out plan that shows good chances of success will be favorably considered."

"How about arms for the Escambrey?" asked Miro. I replied that it was my understanding that arms for the Escambrey could only be landed on the North Coast; how then would they get to the Escambrey? Miro said that the boat which had made many trips (working for YOU), would have to establish communication and find out when they would pick up the arms; what cannot be done is abandon Osvaldo Ramirez in this situation of anguish because he is the only real regional focus of resistance that there is there, and he has been really left in a desperate situation for three months.

I interposed that there seemed some question about the paper from Ramirez asking for arms, whether it was the real thing. "Perfectly identified" replied Miro. "He assured that it is perfectly identified and requests have come to me through different channels asking for these arms. I am still waiting now for a month and a half. All you have to do is tell us the means of delivery, the people to contact and then deliver to our Cubans the arms, dynatite, fuses. I am still waiting, and criticism (of Cubans against inaction) increases daily."

"All the delegations of revolutionary groups in the Council ask me for arms and means for fighting. But I cannot provide them anything. Meanwhile the Agency is infiltrating people into Cuba without counting on the Consejo for anything. This puts it into an absurd position - merely a "council painted on the Wall." I have said, "Look for someone else if I am not considered able to do the job but we must work. I have confidence in the Agency, but I cannot work in this fashion."

"I've asked for money for the clandestine groups. What have they said about that?" Miro asked. I replied that there is a problem of the means of delivery, that the Italian Embassy at present appears undesirable. The Ambassador isn't there. Well, we look for another means; the Argentine - anything - those people need money" he countered. I have to carry out concrete things," he declared. "I'm now like a person in a swimming pool without water." "For three and a half months I've struggled to maintain a revolutionary spirit. My military people are waiting till I arrived and tell them, "this must be done, that must be done. Nothing yet! And without any plan, I don't go anywhere; nowhere!

"The other time I went with my eyes closed, through faith. We had a failure and the failure fell upon me.—I cannot proceed under such circumstances in no way. I've asked for $50,000 to send in to the underground. The Russians are spending $400,000 in propaganda and have less than the U.S. We shall not compromise the U.S. Tell me the way to send it in. The Council is to aid them, not merely to conduct meetings."

"On that request they haven't replied anything?" he asked. I answered that on this item, I had made known Miro's desire, but that so far nothing had been resolved.

"I'm not complaining," he stated, "but for three months I have been asking for a contact with the authority to resolve. Why? Because I'm getting nowhere. When I return now I shall be asked, "How about it?" and must answer, 'You will have to wait because I have nothing.' And meanwhile the Agency keeps on infiltrating people into Cuba independent of the Consejo. Let us go back. Without being in agreement, I cannot serve you. I have no interest in presiding over a Council that is of no use."

I pointed out that the Council must continue to exist, with him as its president, as the coordinating body of the resistance movement, but that there are certain difficulties in putting the student or labor activities under the direction of the Council; that these groups are now functioning efficiently and that I trusted that he could see the problems of completely changing their control, direction, and coordination. I added that I believed that he should know something of what they are doing and that I believed that should be kept informed.

"I know absolutely nothing," he replied. "What comes to me is from these same individuals. I am not in agreement with that, I'm becoming ridiculous. Under these circumstances I cannot continue. I have planted the problem of the underground, the problem of the collateral organizations (that he would like to have in Council by being their source of support and coordination), of the magistrates, and now you have seen what ALABAU has done (proclaiming GARCERAN as president of exile government), who is working with you people, and you have seen the reaction of the State Department. Now yesterday ALABAU is publishing political denunciations against the Council. I have discussed the matter of the magistrates with the C.I.A., I don't remember the name of the person. A month has passed and the other magistrates (those with ALABAU) haven't been stopped (in their activities) and they haven't had elections as I requested to select another leader."

"The students are continuing their activities. I believe that I have something in my head as a basis for the determination of what should be discussed in the Council with me; and in agreement with you; but these existing circumstances, without any connection, make it so that I cannot continue the clandestine aid. To the first problem, I presented your reply, "We shall see." To the second problem, the collateral organizations — which continues the same as before; the third problem I presented, on arms to send in, nothing. The fourth problem, the propaganda operation "Crista" that I showed you, nothing." I replied that on the latter I had discussed the matter, that it was, I believed, a suggestion given to him in the Department of State.

"If we don't make propaganda and send arms into Cuba now, it's useless," he declared. "And I cannot remain in silence." I replied that I believed quite a bit of propaganda was being conducted. "Yes, but independent of the Council. I CANNOT BE A PUPPET!" "They (the Agency) keep on dealing with the MRP, with the Unidad Revolucionario, and they haven't entered into the Council simply because they are in direct contact with the Agency. Thus it appears that none of the problems that I took up with you some twenty days ago have been resolved, and I'll have to take another solution. I want to know the truth if I'm not acceptable. I'll leave and without any scandle whatsoever. I have swallowed all the criticism, in my own house, in silence, as though I were responsible for everything. I cannot continue to do this and be doing nothing. I cannot be a puppet! I have no arms to give."

He reiterated that nothing had been resolved on any of his requests and proposals, and that he couldn't continue thus. That he could quit, go to Puerto Rico as a professor. He added he would want to work with us. He then referred to the acts of Lacerda in New York, which had cost four thousand dollars, plus passage, a ridiculous sum spend from the Administrative Budget. "We have paid the passage, his living costs here." he said.

"Now I go to Miami where I have to face the organizations grouped into the Council. "Arms for everywhere?" "I haven't any. All the organizations free-wheeling there which don't want to join together because they are working directly with your people." I said this was unfortunate and asked whether there could not be some form of realizing contacts with them without necessarily channelizing their support and direction through the Council, such as by forming a committee along the lines I had suggested in Miami.

Miro then referred to the agreement reached in the White House meeting with Mr. Goodwin, Mr. Woodward, with gentlemen of the C.I.A., and with Mr. Hurwitz. First, "That the only thing that is recognized is the Consejo (CRC); Dr. Miro is the person of our confidence and will have an administrative budget which he will control and will report later the expenses of coordination, and that any other expenses, propaganda or clandestine activity, will be paid by the Agency; for the problems of the organizations in the Council there will be a contact to assist in working out their solutions; that is to say, that their problems of boats and arms." Another point was that in case there are organizations that do not choose to join the Council, Dr. Miro will be perfectly informed in advance of the matters at hand and will give his authorization. That is to say, it establishes a unifying control over the

(CRC). I have seven, to work with you, with me, with the people who are going to carry out the activities, with the people that I designate. Nothing of that is being done. Then what they want is to work alone."

"I will not continue. I will not continue from the time I return to Miami. I have gone on for five months, struggling. I cannot accept this situation. I have tried to pull together those groups as asked in the White House. I haven't succeeded in grouping any more, because - I want to speak clearly in order to remain good friends always - because you have prevented it. The students haven't joined, not because of no political reason, but merely because you support them directly. Presumably the idea is that in this way the security of this nation is better safeguarded. A Consejo was desired to serve as the coordinating group and to provide a means by which the United States would not appear to be intervening in Cuba. If there is to be a Consejo, it must have all the dignity of a Council."

"When I try to form a Council, grouping all elements together, they don't join because they are talking directly with your people - and there is an office for that purpose in Miami - which deals with all the men who want to work, who want to do things. This is all indecendent of the Council. And some work for a destruction of the Council. I cannot tolerate this. I have a son who is a prisoner; either I know the plans, and I knew the maneuver and the problems that they are going to carry out, or I, when I arrive in Miami, will say, "No," and send word to Washington. Let them do without me. There will be someone who will submit to these things, but not I."

"And of the four items that ~~Mr. Kennedy~~ promised me to resolve, there have not been resolved any, and I find myself in the dark. And I am very sorry. I am not going to compromise the security of this Nation, but neither am I going to compromise the situation of these boys. When they disappeared, lost their lives, etc., I was confronted with "And you are the president of the Council." I cannot remaine in this way.."

"I haven't been able to group together anything. I was promised that the magistrates would all incorporate together (into the Council), but that rascal ALABAU is working against the Council and I have reason to believe that he is doing it with Agency support, otherwise how would he pay for his political denunciations." I responded, that I believed this could not be true. He shouted, "I have expressed my position to you, and I want you to get an answer when you can. If these problems that I have set forth do not have an immediate solution, I am not to know and to dispose of relative actions to be taken, then how, in view of my situation, must I do."

He asked about the plan for clandestine sabotage action by commando raid, that he had given us, and what had come of it. I replied that he must realize that the study of such a plan necessarily was slow and must be considered by many. He said he was convinced that there was no intention of accepting such plans, and that while now we discuss such plans, we lose out. "I cannot accept this situation, nor would you."

He then said that he could go ahead and dissolve the Council, and let each organization go ahead and do as it pleased; that he couldn't preside over a meaningless council; that this was not a threat, but he would step out. I reassured him that he was highly esteemed in Washington and it was necessary that he continue as head of the Council. He replied, "But they disregard me."

He reiterated that he had planted four problems, none of which had been resolved; reiterated that he had planted the propaganda problem a long time ago, but that propaganda continues independent of the Council and people are sent out like those to the Congress of students in Sao Paulo, where they repeat things like parrots which don't go with Latin American audiences.

"I have asked for arms; either give us massive aid, one, two, three million - whatever is necessary, because this is to destroy Communism, and we'll make our plans. And we'll furnish the dead, for we can do no more. We must work in agreement, because now each time that I speak, it's "we shall see, we are going to study," - and nothing happens. No, no, I shall not preside over another Council existing under these circumstances. I have often spent 24 hours without sleeping, trying to pull together the groups, and meantime, problems arise on all sides. Why? Because so long as other groups get support, they won't enter the Council. The MRP is in contact with you and getting arms; now the Unidad Revolucionario. I remain the ridiculous one. Already I've suffered a lot and have a son who is a prisoner. And I've talked a lot during these days, and I keep on being a puppet, but worse than a puppet, because a puppet is moved, but I'm not even moved."

"Therefore, I say to you that the groups that want to work with us, you, the chief of that group, and I, we ought to resolve all these questions; for example, with the chief of the military group, because he has pulled together the professional army and the rebel army (elements) and the army of liberation, such as Varela, Sotus, Nino and the boys, who have come from the Brigade." He declared that SOTUS is a fighter, is willing to return to Cuba, and that he had great confidence in SOTUS.

I assured him that the legalization of SOTUS' residence would be arranged, and that Mr. Hurwitz informed me that he believed something could be done for the other three returnees whose names Dr. Miro had given me.

Dr. Miro reiterated that he must speak clearly, that he could not continue thus as a travelling president without having anything to give to his people — nothing to the underground through Council action; nor could he be ignorant of plans which he opposed where Cubans go out to die, and then having their relatives come to him as responsible. He declared, "I don't want to live on a budget, preside over an administrative office, receive people, tell them lies, saying, "We shall see." The men who are here (in Council) representing organizations must know something of what they are going to do and if they ask for 40 rifles, I must be able to say, "Here they are" - not to give arms directly into their hands - but through a contact for this. Otherwise you people make your plans, and I'll retire from everything. And be assured that never, never will I say a single word against the Agency or the United States, never; nor explain reasons which shouldn't be explained.

"If I cannot have the responsibility that I should have, I shall not lend myself to what may result in a tragedy. None of the problems I have planted have been resolved; not that of the magistrates nor that of the Escambray, nor the money to the underground, has been resolved, not the plan of propaganda that I gave you. I cannot continue to sit in an office, while you continue operating, as you wish, with my silent consent. You may choose someone else like Mr. Godoy, who is asking for arms. Choose and see whether his name will save Cuba. You are going to create another Fidel, who is nothing.

I reminded him that I had my talks with him only ten days before, not twenty, and that I could talk to no one in Washington until a week ago and had to have many conversations with many people, and that his proposals could not be resolved in such a short time. He returned to the agreement that "plans of action be discussed jointly; that if there were objections, that the objections be discussed. He said there had been no objections so far to discuss; nor objections to propaganda plans. He was to have contact with a representative of C.I.A. to meet with representatives of organizations that want to collaborate, and with Dr. Miro — nothing developed on that! He declared that he should have knowledge of the activities of those that don't want to collaborate; and said each day there will be more, because they want to gain the power for themselves, to act on their own account. He said he knows there is a "Jim" and a "Robert" and others that are doing things.

I assured him he must realize that there were many problems involved in his proposals and that time was essential to work them out. I reminded him of his conversation with Mr. Goodwin and the latters' statement to the effect that there could be no thought in the foreseeable future of a military operation against or invasion of Cuba. Miro countered by referring to his conversation with the President on 18 July and his (Miro's) complaint of inactivity. He said the President proposed the recruiting of Cubans in different units of the Army for training so as to utilize them at the opportune time, and that the officers would be invited to our military schools. Miro said he had gathered some of the military together and informed them of this offer, and the next week he was called to discuss the recruiting, which he approved. Then General Hershey went to see him at his house, telling him that Cubans wouldn't be sent to Berlin or any such place but kept in the U.S. available for use later. Miro said, "If there is to be no invasion, then let's utilize the underground, which needs arms and money."

He again repeated, "There must be massive propaganda; secondly arms; we shall furnish the dead, but I need to know "How are we going to die." He commented that he was going to ask that his photograph not be put on the cover of a certain magazine because he didn't know whether he was going to continue; that in the present circumstances he didn't see how he could continue. Again I urged that he must do so, and that I felt certain that we could resolve some of his proposals, probably not to the extent that he desired, but at least in part, but that time was necessary to accomplish this.

He repeated that the Council needs to have some action taken in Cuba, but the Agency keeps on undertaking actions without any connection with the Council. Further, that he must have the means for conductiong propaganda, such as outlined in the "Operation Grieta." He asked so when could I give him some answers. I replied that during the current week I expected to have meetings in which these matters would be discussed - the Department of State, with Mr. Goodwin, with representatives of the Agency, and that I hoped that something would be resolved, but that he must realize that many people are involved in such matters and solutions are not reached quickly. He reiterated that he had to keep telling his organizations "wait a little longer" and that this was becoming embarrassing.

Then he brought up his proposal of having him and the Council go to Cuba, saying "perhaps it would be advantageous that I die in Cuba; that the Council ask recognition from Cuban soil and the military aid of the United States -- all to take place within 48 hours. He added, "I have told you of the reaction of Cardinal Spellman, "We have done very badly in the Cuban affair."

I reminded him that despite the urgency that we all recognized in the Cuban situation and its threat to the United States and all the Americas, there are many other world problems - Laos, Berlin, etc., - which also occupy the attention of our government people.

Then I said I wished to take advantage of our meeting to ask him for information relative to his current budget; first, did he believe that there were any people receiving a salary from the Council who might also be getting financial aid from H.E.W. He said, "No, I would never permit that." Then he declared that he had two ways of operating when he absorbed the personnel of the various organizations into the CRC: either to cut off their salaries suddenly, or to put them to work for their pay; that the "nomina" (payroll) grew a little bit because he had to take in certain people, and that he considered his absorbing them was according to the policy of C.I.A. Then he declared that the maximum benefit received by refugees from H.E.W. was $100 per family per month, and that no where here could a family live on a hundred a month. Hence, he did not feel that he could cut off the people on the staffs of the CRC organizations, and send them to the H.E.W. Therefore, they were assigned to the different

"The money for the underground is much and contact is doubtful, an excuse. The problem of Cuba costs a lot of money! The people of the Escambray - it's difficult to deliver arms to them? But we are going to run that risk. The arms are going to be lost? Well, risks must be taken." Miro again referred to the groups that didn't want to collaborate with the Council but would collaborate directly with the Agency stating that he had opposed it and still opposed it; that he received a very affectionate letter asking him to try work out all the problems between us and accept a solution, and that a representative would be designated to work with him; that I had appeared and he had spent two very pleasant days with me; that I was very understanding; that twenty days had passed of great anxiety. ("Not twenty but ten," I interposed.) He said he figured that probably he might have arms and help for the underground and know about plans of action and had felt strengthened. "But" he said, "now I feel knocked down. None of the plans or propaganda proposals have been accepted, none. The firing wall in Cuba continues functioning, 31 dead in 30 days. My resignation has been written long ago, and I am ready to submit it as soon as I return to Miami."

I declared that he must not do that, that he must have patience., that it takes time to resolve these things; He replied that he has been waiting since April and mentioned all the suffering he had gone through, attacks by everyone, mothers of prisoners and dead, the American Press, Fortune, Time, Life, New York Times, etc., all against him along with ALABAU Trelles, and others; and that he had supported all of this in silence. He had been asked it it were true that there was no air support and had not answered. "The other time I kept my lips closed with absolute faith, the next time I shall have my eyes open and have many questions. I don't understand how you people can deal with some of these unknown Cubans.

He said, "I've given many proofs of loyalty to you. What they attribute to me the other day in Miami that "there would be an invasion in a few days", that is not true. I have a tape recording of what I said which was "very soon (without mentioning any date) in Cuba there would be unveiled the great Pascuas (resurrection) of the Fatherland. And the press has misinterpreted Pascuas as the Pascuas de Navidad (Christmas).

"Thus the press comes out with statements attributed to Dr. Miro that the invasion will take place by Christmas, completely a lie and nothing like what I said." I conceded to Dr. Miro that he had suffered a tremendous number of attacks in silence and that the press had over a period of time come out with critical remarks. I asked him if he planned to pass through Washington before returning to Miami and he said he didn't have money for such expenses; that his wife was terribly worried about their son, but that he would have to remain in New York until Wednesday to attend the luncheon for all the editors of the Latin American press, who want to converse with him, to help with propaganda but without costing the U.S. a cent.

commissions within the CRC: finance, propaganda, clandestine, military, organisation, etc. The ones who are no good or don't want to work, he said, he would cut off, but that he couldn't just fire someone suddenly. He then said salaries were small @ $200, $225 per month as an average except for particular individuals, such as his assistant Aragon, a very capable person, and the chiefs of the various organizations who work "full time" and receive $400 each; further that he planned to give each organization approximately $700 per month for their operating expenses, some less, some a little more - (MRR, Rescate, 30 de Nov, 20 de Mayo, AAA Independientes, Montecristi).

When I questioned whether the Montecristi organization was still in the CRC, he said it was, that only Justo Carillo had dropped out of the CRC but the group remained in and had a new head. He added that he had just had a request from Carillo to provide him (Carillo) with a thousand dollars; that Carillo had photographic copies of some checks that he had paid to Waldo Frank for propaganda activities against Cuba and that Carillowas asking reimbursement but Miro said he didn't consider he had to give it to Carillo.

Returning to the budget, Miro Said, "There are the various employees; there is the item of trips; there are the military people grouped under the military commission - I cannot let them suffer misery. There are no students on the payroll because they are being supported by you (the Agency). And right there a difference is established between those in the Council and those who receive money from the Agency directly, which is more than that received by my people. See how you (the Agency) without intending to, and for reasons of insecurity, are going to destroy the Council." He then stated that he had placed Alvarez Dias, who had been Minister of Finance, in charge of finance matters because he (Miro) could not be everywhere, and to make certain that no expenses were paid on which they were not in agreement, and which Paula would carry out.

I querried whether Paula would continue as accountant, and Miro said, "certainly, as accountant." He said that everyone has been coming to him (Miro) with all kinds of pleas for money and therefore it was necessary to have Alvarez Diaz in there so that he and Paula might resolve the finance matters. Miro added words of praise for Paula, "It's like I want to have for each section of the Council, like I wanted Conte Aguero to handle propaganda, but since he is receiving money from you (the Agency) he doesn't want to. I have to have someone to take this load off of me; first as in Naval affairs, someone to lock for boats, arms, etc."

I asked about Mestre for propaganda and Miro replied that Mestre is no good, never was of value; that he had been put in charge of the propaganda commission previously and given $48,000 monthly, but had done nothing. Then he launched into a criticism of the Swan propaganda; that it was a shame, handled by Batistianos: Fernandes VARELA, a Catholic; Suares Hernandes, a senator in the epoch of Batista. He named another (sounded like Chau Miller) a bad person and a Batistero. Miro said he had asked that Svan be stopped but, since they work directly, these people are defended. He added wryly that he wished they (the Agency) would defend him (Miro) that way.

He said they (the Agency) had posed the problem five months ago in Miami relative to Joaquin, Sagerio, a Cuban who was working with the Council and has worked magnificently, but then he accepted work with the C.I.A. and continues doing this (and does whatever he pleases) — intelligence, arms, recruiting, etc. — and will have nothing to do with the Council.

Again Miro declared that he had the highest regard for Paulo and couldn't despense with him; had even proposed his name to be the Magistrate of the Tribunal of Accounts in the future government of Cuba. I added my understanding that Paulo had done an excellent job, particularly mentioning his handling of paying dependents, a meticulous and arduous task. Miro exclaimed that he had never considered replacing Paula but merely needed Alvarez Diaz to handle details with Paula. He said everyone in Miami knows it is Paula who has the money to make payments by check, and that he thought it would be better for the people to get payments in cash and sign a receipt; that sometimes someone might rob Paula and then people will ask "from where does this money come," since the Cubans have no money."

Then Dr. Miro said he would like to clarify any doubtful questions. I asked whether he had received any other communication from the Escambray group. He replied that he had not, but that the one had come through the Montecristi group and they continued to ask him for this arms aid. I asked whether any changes or additions had been made in the Council at the October 10th meeting. He replied that the MRP had not answered his invitation because they were working with the Agency, and that the new group, the Union Revolucionario, had replied that they did not, because they have a delegate in Washington who is seeking direct contact with U.S. Government Agencies.

Miro then declared that in order to call a Council meeting, he had to have a press conference or a press release (about calling a CRC meeting) but Prio, ALABAU, and everybody were against all this, and were doubtful whether to come or not to come. "I talked with Conte Aguero and with Arreliano many hours. Arreliano is a fuehrer; if things aren't done as he wants, he won't go along. Moreover, he has a strong anti-American sentiment. I talked to them, but they said, "No." "There were two problems: their lack of confidence in the Government, and my contradictory view that we want to be with them (with U.S.). I would like to have had to call a Council meeting almost by force. Therefore I decided to have no meeting and no press conference, and to come here (to New York City). There was no session //

"The Bastistianos are very well organized and also the Prio followers, waiting for me to do something, and I cannot do anything. I'm like St. Lawrence, roasted on one side and fried on the other."

I asked whether the Council was looked upon too much as a political entity rather than a unifying medium. Miro replied, "Those people (Prio, Alabau, etc.) want to obstruct the ones who are fighting Castro through the medium of the Council. They are divided into two groups: (1) Politicians; Prio, Alonso Pujol; those that want to be the directors; (2) The groups that want to act within Cuba who don't want to join CRC but rather to deal directly with you people in order to have the power tomorrow in Cuba; people only of action, but not of common sense and who cannot mean much to the future of Cuba; they would cause another era like that of Fidel, who is nothing but a student. That is extremely dangerous. You give these people the means and if one of them overthrows Fidel he is the one who assumes power. He may be a good man of action but only 24 or 25 years old and not one who can orient Cuba in the way of democracy. After reaching 40, people think differently. Fighters are capable of carrying out the action you give them to do, but not to govern.//

Dr. Miro continued to dwell on his concern as to the future if these young fighters are given a free hand to do as they please; that care must be taken as to who is supported, that those people are the ones who don't want to work with us; that the MRP hopes that it will be the one who will lead tomorrow in Cuba; that caos of the future will be something to which you the U.S. has contributed by supporting such elements.

Dr. Miro commented in further detail his views and again hammered on the manner of using funds to avoid being like the ostrich. "Everyone knows where the money is coming from and we have to be careful of the form. Everyone does not know of you, but of where the help is coming from"

"We are the politicos of the war against Castro," affirmed Dr. Miro. Let a military man function as chief of staff as long as the military action against Castro continues, but then the civil action must be carried out by non-military men."

He added that during the softening-up action against Castro, we must take good care of the manner in which the action is taken to avoid exposing the U.S. support; and that he considered that the collateral, independent groups were not safeguarding it; so we are losing time now as you (U.S. Agencies) deal with each of those groups. And we must not lose, we must win.

I told Dr. Miro that I was anxious to work out some manner of linking these groups with Dr. Miro and the Council, without having to channel direction and funds through Dr. Miro, since these groups are now functioning well under existing arrangements.

Dr. Miro said he would be pleased to meet with them outside of the Council, and they may continue to function as collateral organizations independently; but that they realize that they have one direction. Dr. Miro added that like the independent magistrates with their attitude — they are injuring the Council.

Dr. Miro commented that he wanted the magistrates to have an election and select their leader according to the results of a vote. He reiterated that all the collateral organizations must operate within the orbit of the Council; and that he would be glad to discuss with them their opinions just as he as a professor had done with students--often times resulting in excellent ideas and viewpoints.

Then I mentioned that I had read in one of our magazines a laudatory item describing his demonstrated capabilities as a mediator between political groups and individuals.

Dr. Miro again returned to his belief that funds of all organizations should funnel through the Council because every Cuban has a sense of smell that inclines him to go where he knows the money is dispensed; that this is sad but true; and that those who are still outside and hope to get direct support, if they knew that the money was here (in his hands), would come running without urging. He then said that he had seven hundred dollars, more or less, for each organization's operating expenses. He concluded by saying that he didn't wish to operate without us (Agency) or without any of the Agency people, but merely desired to pull together the diverse groups and other activities.

He then referred to his conversations with Mr. Berle and General Taylor, and his view expressed to them that in the April affair he felt that the Agency had functioned more or less effectively — sometimes their people had been "rough", or "tough", but that he had no complaint; that the lack of air cover no doubt caused defeat. When he had been querried by reporters and other on specific questions designed to pry secrets out of him, he had replied, "I didn't see them," or similiar evasions, and thus had endeavored to be loyal to us.

He said his son had been certain that his father would be with the expeditionary force, and, in route to the Bay of Pigs from Guatemala the son had searched for him on the boats, and was disillussioned because his father wasn't there.

Again he emphasized his view that the students sent to Latin American countries on propaganda missions should be indoctrinated by people in the Council to prepare them for the cross examining that they would undergo, and thereby prepare them against traps and foolish statements; and to insure that no Batista supporters were sent out. He emphasized that one of the first questions asked of these propaganda emissaries would be "With what money do you come here?" "What Yankee organization is behind you." He added, "The people have to be well prepared to answer; just as I had to undergo a succession of penetrating questions when I first went into exile in Argentina and could answer them without hesitation because of a clean record."

Again he came back to his argument that the collateral organizations should function through the Council - not "forgetting the Agency, but not being forgotten by the Agency." I told Dr. Miro that I hoped during the course of the week to have a series of conversations in the course of which certain decisions and solutions would be reached that would enable me to sit down with him the following week and work out some details on propaganda and other matters.

Dr. Miro then asked, "How best can the security of this nation be insured - the Agency dealing directly with these people or working with them through Miro?" And he emphasized that he was concerned both with the security of Cuba and of the United States, and that these people (Cubans with whom the Agency is dealing directly) at any moment when they felt they were losing out or were not sufficiently paid - would ask for more, and, being Cubans, might be very indiscrete; but that if they had to deal with Miro they would be obligated to go to him with their complaints. He said that just as a bee seeking sweets will go to any source, but if there is only one source it will go to that one; and that thus all groups must look to the Council.

Again Dr. Miro returned to his thesis that sooner or later there must be war to overthrow Castro, and that Cubans and Americans must realise this; that as a preliminary the Cubans must carry out sabotage, etc., but just as blockades didn't overthrow Franco or Mussolini, neither would they cause the fall of Castro; further that if sabotage was conducted without being a part of an overall plan of missions, the people inside Cuba would come to react adversely to the sabotage and align themselves with Castro.

He then expressed his view that time is being sadly wasted in trying to bring the Latin American countries into agreement with the U.S. against Castro, because, unfortunately, many are ruled by dictators and they fear concerted action against themselves, but if the U.S. attacks and destroys Castro they will applaud. Again he repeated that the Punta del Este agreement might well cause many countries to say, "Thank you Fidel, and not, thank you Mr. Kennedy."

Dr. Miro emphasized that he wanted to collaborate with us fully. Then the conversation turned to the dissolution of the FRD by Varona, and Dr. Miro declared that this step was difficult for Varona, to take because he had been its cheef and in a high position and had thus submitted to the Council. He declared his esteem for Varona, a very brusque man but very honest. He said Varona had declared with respect to the Argentine documents that, "They are in Miami. I don't feel like sending them to Argentina because they don't belong to Argentina. They belong to the thief; that is Castro. Argentina has diplomatic relations with Cuba and if it feels like it, will send the documents to Cuba." Varona declared in the SIP that the Argentin military men had deceived him because, having stated that they didn't trust the Argentine Foreign Office, they nevertheless took to Argentine the three documents that were given to them and upon arrival turned them over to the Foreign Office. Miro added that Varona stated this clearly in the SIP meeting where two Argentine delegates were present. They said, "Without mentioning names, Doctor, do you declare this before the SIP?" "Yes, I declare it," he replied, "and they shut up.

Miro added that Varona had declared last night, "Let them give us arms to finish off with Castro, but give them to us! Whoever has them, give them to us! Dr. Miro then declared, "We are willing to disembark, but here we are just playing hide and seek."

Dr. Miro then referred to his view that Diario de las Americas should receive a small subsidy; that sometimes it published articles unfavorable to the U.S. but that usually, and if subsidized, would eliminate adverse items.

Then I returned to the subject of the budget and concern that some on the Council payroll might also be on H.E.W. payroll. He replied that for October he would have them swear that they were receiving no other money and remarked that many are on the payroll. He enumerated the different sections - delegations in Latin American countries, each person (two or three at most in each country) received only enough to live on; without operating funds. He said each chief of organization in the Council received $400, "which is very little."

He added that during the past month with funds left over, he had sent to Mexico $3,000 because some 240 people had arrived there in need and hungry. He said C.I.A. aided with $5,000 and he had sent $3,000 because they were Cubans. Further, that he had provided each organization with $700 for its expenses of mailing, offices, car, etc., but that this wasn't a fixed sum. He added that whatever was left over he wanted to send to Cuba to those who are fighting there.

He declared, "As for me they can reduce the budget to the minimum provided that they send funds to Cuba; but my problems must be resolved. This payroll was promised to me when I was made president of the Council, and I didn't create it."

I querried about the expenses of his recruitment section, and he said he had told Paula to eliminate that item since recruiting is now done elsewhere, but the military personnel in recruiting should be grouped in the military so that some form of intelligence agency could be maintained to provide information.

He affirmed that his military staff really consisted of three officers (Varela, Dermaigre, Monteagudo) but that they had expenses of office, transportation, and secretarial help. As for his Social Welfare section, he said this had been established by C.I.A. and was necessary for dispensing medicines, etc., for Cuban refugees here.

He declared that he hadn't touched any of the expenses (inherited from FRD) except operating expenses, in order to give him a margin of funds to meet unforeseen urgent expenses.

He said, "I told Paula to eliminate all that could be eliminated; naturally he would have to consult with you." (Agency)

Relative to the Naval section he said he planned to eliminate their expense allowance but not the section itself, because he deems it essential for matters such as sending arms to Cuba, since they cannot be sent by air; and that an office is necessary for them but their expenses must be cut off slowly.

As for the Medical Section which had been created before, he said only two "mutilados" (casualties) remained and that the section was to be eliminated. He reiterated that these sections had been created by us (Agency) and that they could only be eliminated gradually.

He affirmed that there was left for his use only some eleven or twelve thousand dollars for matters such as attendance at the SIP and Lacerda affairs, and such minor propaganda affairs, but that he felt he should have restored to him the funds for propaganda (that had been going through Mestre).

I assured him that it was certainly intended that the Propaganda Commission now function under him as the propaganda section of the Council and that if Mestre was not considered to be its chief, that he should designate someone else. He declared that Mestre was in New York, had talked to Varona yesterday, and asked Varona what he should do, to which Varona replied, "Resign."

Miro then said he would like to put Conte Aguero in as head of propaganda but that Conte would not agree unless he told him to. Miro mentioned that the staff which Mestre had was very good but that Mestre was no good because he wanted to spend the whole day at a swimming pool. He mentioned Angel del Cerro, Fermin Peinado, Ruben Dario Rurbaud. He said Angel del Cerro would be a good chief of propaganda, but that for this he would also like a good adviser such as Conte, who really is no good except to talk, but would like to be president. Miro said

Humberto Medrano, a reporter, also would be good to direct propaganda efforts. He added that Mestre, chief of propaganda for the FRD, which no longer exists, is the one who continues receiving the propaganda funds from Paula. He declared that he (Miro) didn't control these funds; that he didn't have anything except a bureaucracy.

I told him that I considered this problem of propaganda section and its operators should be corrected right away. He added that he felt that Radio Swan should be put under the propaganda section of the Council; further, that the propaganda section had to quit sending printed matter to the Latin American countries and instead send a format to each country so that they could be printed there with the terms used in each country; in Argentina, in Argentine style; in Brazil, in Portuguese; in Panama, in the manner of speaking in Panama; that such propaganda must be paid for. He affirmed that Humberto Medrano was a great reporter and hard worker and could handle this well; that Fermin Peinado was a fine worker who now is having a struggle to live, but works well at propaganda matters.

Again ~~I~~ he said that the propaganda funds should pass through his control, and that I take this up upon my return to Washington. Again he declared that he felt plans must be made for him and the Council to return to Cuba. I said this was a matter for the future.

We terminated our meeting with my statement that it would probably not be till the following week when I would return to Miami, after getting matters resolved in Washington. He said that he would probably be returning to Miami on Wednesday after the Press luncheon.

I added that if it seemed desirable for him to come to Washington en route to Miami, I would call him; that otherwise I would look forward to seeing him in Miami. I said I felt we had covered a lot of ground, and thanked him for giving me so much of his time to our meeting.

Again he reiterated that he desired responsibility for all groups and that if he wasn't considered to be the right one, that he was ready and willing to resign. Upon this, we finished and I excorted him to the elevator of the hotel.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Dr. MIRO Cardona on 6 October

1. Dr. MIRO arrived about 9:50 a.m. for the meeting we had set at 10:00; again he was driven by his secretary whom he introduced. As during the first meeting, she remained outside in the car. Our meeting lasted until 12:00 noon.

2. First, Dr. MIRO handed me a note in longhand listing the topics discussed with me on 5 October. These points are:

a. Groups conducting propaganda, etc. with Agency support should receive their support and be coordinated through the Council.

b. A propaganda campaign should be waged by the Council aimed at:

(1) Cuba, via a long wave radio station in Key West.

(2) Cubans in Miami and other U. S. areas by:

(a) Subsidizing Diario de las Americas.

(b) Contracting for time on radio stations.

(3) Latin America, with a plan such as the *Operacion Grieta.*"

c. Underground Activities.

(1) Provision of monthly funds to Council for procuring Cuban pesos to send to the seven-odd resistance groups in Cuba through reliable channels (such as previously sent through the Italian Embassy).

SECRET

(2) Commando action as outlined in plan presented to me on 6 October.

3. Commando Plan

Then Dr. MIRO handed me a plan (in English) for clandestine action prepared by his military collaborators, whom he named as Colonel Manuel VARELA Castro, an officer of the Academy, Captain Enrique DESPAIGNE, and Colonel (fnu) MONTEAGUDO. He stated that they were of the BARQUIN group and had been prisoners.

With respect to the plan for clandestine operations in Cuba, he stated that 300 men could be counted upon for commando action, part of them here, part in Cuba. He reiterated that a commando operation was essential to bolster morale among the anti-Castro elements in Cuba and in exile as well as to conduct sabotage that would further weaken Cuban economy and the Communist regime. He said that for this operation U. S. help would be necessary in providing weapons, ammo, demolitions, equipment, and funds. He proposed that if this plan was considered to have merit, that I arrange to have someone meet with his military men to work out the details. After all preparations had been made and material provided, etc. the operation would be purely a Cuban affair. (NOTE: Plan turned over to Thompson at our meeting at 15:30 on 6 October for transmission.)

4. Request for Arms, etc. to send to Escambray

Dr.MIRO remarked that over a month ago he had made a request to Clark for arms for the anti-Castro insurgents in the Escambray, but to date had heard nothing relative to the request. He commented wryly, "I ask but never hear an answer." He said that the fighters there should be supported. Dr. MIRO stated that he had a boat (provided by us) and a means for delivery of the arms. Osvaldo RAMIREZ is chief of the Escambray group.

COMMENT: Has anything been done about this request?

5. Information on Arms Received by Castro Regime

Dr. MIRO handed me a long report which he said was brought to him by the Argentine Ambassador to Cuba when the latter came to the U. S. at the time of President FRONDIZI's visit.* He said the Ambassador would not divulge the source of the information but commented, "You will know."

* Report turned over to Thompson on 6 October.

Dr. MIRO said there was no way to determine the accuracy of the figures given of planes, guns, etc. received from the Soviet bloc (and Italy and Canada) but even if the figures were exaggerated 100 per cent, they would still be impressive.

He added that Castro is daily becoming stronger militarily with weapons and with a large militia of close to 300,000 being trained to use them while the economy continues to deteriorate. Perhaps only half the militia would be effective. But that is siseable. Thus, he said, the longer the delay in positive military action to overthrow Castro, the greater will be the task. "We must act soon, vigorously and effectively, to insure victory. Another defeat would be disastrous and would make Cubans, Latin Americans and others believe Castro to be invincible. Then would come accommodations and even worse, the implanting of Castro-backed regimes in the hemisphere. And the U. S. would suffer worst of all, being discredited for defeat and "guilt of interference." "In the UN no nation would stand beside the U. S."

6. Proposal that Council go to Cuba with Commando Group and Establish a Government on Cuban Soil

Dr. MIRO then declared that he was convinced that Castro would never be overthrown by all the propaganda, the sabotage, commando raids, guerrilla activities, rupture of diplomatic relations and deteriorating economy, and that it was inconceivable to establish a government-in-exile for nothing would come of it; that the only solution for defeating the Castro regime was for the Revolutionary Council to go to Cuba and establish a government on Cuban soil, ask recognition by all friendly countries and military assistance of its principal ally, the U. S., and that the U.S. be ready to intervene immediately with its Forces. "This would all have to take place in a matter of 48 hours, otherwise it would fail. I recognise that this is a bold plan, but boldness is necessary. There will be many risks, many may be killed. As for myself, I don't care if I die. I have lost all my personal possessions and my son is a prisoner." He reiterated that all must be well prepared in advance, there must be no vacillation, everything must proceed rapidly. First, a commando raid in force to seize a piece of Cuban territory, preferably near Guantanamo, and immediately the members of the Council go ashore, proclaim a provisional government, broadcast by radio to all nations an appeal for recognition (and cables prepared in advance would also be sent out), request U. S. assistance, and the U. S. should furnish such assistance at once in adequate strength to ensure victory.

Before such an action is undertaken, the enemy must be softened by propaganda, sabotage, raids, underground action, and the mass of the people of Cuba must be prepared to accept the provisional government ~~through~~ propaganda, increased knowledge of the Council and its unifying efforts.

Dr. MIRO asked me what I thought of this project; did I think that Castro could be overthrown in any other way. I admitted that strong military action appeared necessary. I stated further that of course his plan would have to be studied at the highest government levels. He proposed that he might elaborate a plan with his military collaborators, and I suggested that he do this so that it might be examined and considered.

Dr. MIRO declared that he was convinced that this Communist dagger in the side of the States could only be eradicated by such action, that the U.S. is and will be blamed for all anti-Castro propaganda, sabotage, etc. and that enemy states will denounce it for intervention in Cuba, but that if the U. S. goes to the aid of a friendly revolutionary regime established in the country and helps it defeat the Soviet-backed Communist regime, all friendly governments will applaud.

"I have no personal political ambitions," declared MIRO. "I merely am trying to chair the Council, whose mission is to unify the anti-Castro elements inside and outside of Cuba. If the team isn't considered effective, then change the pitcher. But I believe the Council must establish itself on Cuban soil, and soon. Time is against us." "The Punta del Este agreement will backfire against the U. S. if Castro is allowed to remain in Cuba. In a year, after the politicos of the countries receiving U. S. aid have gotten their hands on U. S. gold, they will say, 'Thanks to Castro, we got this.' And they will spend it as in the past with no benefits to the social and economic welfare of the people."

7. Views about the Judges and Lawyers

I queried Dr. MIRO as to his views relative to the judges and lawyers and their future status. He said he hoped that they could all reunite and that they could be given assistance as in the past. He declared that Dr. ALABAU was not qualified to be a justice and that he was doing nothing but making politics and trying to discredit the Council and MIRO and VARONA. Dr. MIRO declared that he, as Prime Minister in the early days of the Castro government, had named ALABAU to the

Supreme Court, but that now he considered ALABAU unfit to hold any judicial position.

8. Members of the Revolutionary Council

Dr. MIRO remarked that he had a meeting of the Council on 10 October. I asked what elements now composed it and what he proposed to add. He named the following as presently in the Consejo:

Rescate
30 de Noviembre
MRR
Accion Democratica
20 de Mayo
AAA Independiente
MDC
Montecristi

He said he had invited to join:

MRP
Unidad Revolucionaria

and awaited their reply.

He would also like to have the Workers, Students, and the Professionals (Doctors, Lawyers, etc.) come into the Council. He believes Batistianos and Comunistas and elements unwilling to cooperate should be excluded, but that all other groups should be brought together under the Council.

He contends that all anti-Castro activities, except clandestine and military, should be coordinated by members of the Council, but that the excepted activities should be known only to him (MIRO).

9. Probable Argentine Rupture of Relations with Cuba

Dr. MIRO declared that he believed imminent the Argentine rupture of relations with Cuba. He said the Argentine Ambassador to Cuba (Julio AMOEDO) was ordered to return to Havana (he had been vacationing in the U. S. after FRONDIZI's visit); that VILLANUEVA, a Secretary of the Argentine Embassy in Cuba was coming to see MIRO today; and further that he (MIRO) had received a phone call last night

from a Spaniard (Nicanor FERNANDEZ) in Buenos Aires, urging MIRO to go to Buenos Aires to arouse anti-Castro sentiment of the people, inasmuch as some Argentine action against Cuba appeared imminent. (FERNANDEZ said he had already written MIRO a letter.) MIRO says, "Of course, I cannot go. I have the Consejo meeting on the 10th. Furthermore, I am going to New York on October 11th or 12th for the SIP (Socieded Interamericana de Prensa) meeting and have been allotted 12 minutes to addréss the meeting."

10. MIRO to attend Homage to LACERDA (Brazilian who Precipitated QUADROS' resignation) on October 15

Dr. MIRO said he planned to remain in New York City (after 11 and 12 October SIP meeting) until October 15th to attend the homage for LACERDA, the Governor of Guanabara province in Brazil. MIRO probably will stay at the Park Chambers Hotel, but will advise Clark of his location.

I commented that I would probably remain in Washington next week in view of his plans, but that I might go to New York City to meet with him; if so, I would get in touch with him and arrange a meeting time and place through Clark.

11. Propaganda Commission

I asked Dr. MIRO about his ideas on the future organization and structure of the Propaganda Commission. He stated that it is outside the Consejo and not under his direct control, although the Council accountant has been passing funds to it. He said CARRILLO had resigned as head of Propaganda and that he would like CONTE AGUERO to handle it. He claimed that MESTRE had not done anything with propaganda.

12. MIRO's Views Relative to Supreme Court Justice or PRIO being Recognized as Head of a Provisional Government

I asked Dr. MIRO if he believed that there were many anti-Castro Cubans (both in and out of Cuba) who favored PRIO, or the head of the Supreme Court to be the provisional president if a government were to be established on Cuban soil. Dr. MIRO declared that the revolution is a fact, and that practically nobody wants to go back to any former regime. The people in Cuba would resist any such possibility. He de-

nounced PRIO's activities against the Council and its efforts to unify the anti-Castro elements. He said that the people should be given an opportunity to elect their chief of state after Castro's overthrow and reestablishment of order in the island.

13. Offices of Council (Consejo Revolucionario)

When questioned about his business and private telephones, MIRO said, "The business phone is also in my house. I have no office except in my house, but that phone is always busy (JEfferson 2-4680). So use the other phone (JEfferson 4-2751) when you wish to call me."

"I need to have a small office somewhere away from my home because all the activities there are driving my wife crazy. I want to find something modest so that no accusation can be made of ostentation - merely a room for myself, one for my secretary, and one for meetings of the Council, etc. The FRD had a place but at that place also was the press, the refugee center, etc. It would not be satisfactory. The FRD is now practically dead. It was the forerunner of the Consejo as the unifying agency of the anti-Castro resistance."

14. MIRO's Views on Coordinating the Activities of Other Exile Groups

After Dr. MIRO reiterated his view that he should be the channel for funds and coordinating the activities of groups outside the Consejo such as the Students, FORD (Labor), etc., I said that I understood that some of these elements were unwilling to function under the Consejo; and that in view of that situation, did he consider that an Activity Committee might be organised with a delegate from each of these groups and under the chairmanship of a member of the Consejo. This would serve to coordinate their activities, give them a tie-in with the Consejo, yet not make them subservient to it. Dr. MIRO replied that this would merely set up another Consejo outside of and parallel to the existing Consejo. I did not pursue this further, not having enough background of these organisations to be able to discuss the matter effectively.

15. Telephone Conversation with MIRO on 7 October

Before my departure from Miami for Washington on 7 October, I telephoned to Dr. MIRO from the airport. He appreciated the call and asked if I had seen in the morning paper the action taken yesterday by

the ALABAU Lawyers' group in proclaiming Julio CARCERAN (one of the chief justices in exile) as "President of Cuba at War." He expressed his indignation at this unilateral "political" move by ALABAU and his adherents among the exiled lawyers and judges. He added his best wishes to me and reminded me that he would probably go to New York on October 11th or 12th for the SIP (Sociedad Interamericana de Prensa) meeting. I replied that I would appreciate if he would contact Clark after his arrival to give his location in New York City, and that Clark might have a request from me for an appointment with him, if this seemed desirable. I suggested that in future phone conversations I would be known as JUANITO. He agreed with pleasure that this would be a good procedure. I wished him Godspeed and he replied likewise to me.

16. Comment

During these first two meetings I endeavored to establish myself favorably with Dr. MIRO and therefore refrained from bringing up details of budget or opposition to any of his specific proposals. I listened, asked various questions, and he talked at length.

In future meetings, after I have gained further background and have more policy guidance, I shall be able to discuss with him specific issues and endeavor to reach agreements or compromises, as may be required.

MEMORANDUM FOR - ACSI, MIAMI

SUBJECT - INFILTRATION INTO CUBA BY MODESTO ORLANDO OROZCO BASULTO

1. AT ABOUT 1800 HOURS, 29 DECEMBER 1964, MRS. JOSEFINA LOPEZ ANGULO DE OROZCO, WIFE OF MODESTO ORLANDO OROZCO BASULTO AKA ''BEBO'', TELEPHONED A CAS SOURCE WHO HAS BEEN FRIENDLY WITH OROZCO FOR SEVERAL YEARS. MRS. OROZCO ASKED THE CAS SOURCE TO VISIT HER AT HER HOME THAT EVENING.

2. THE CAS SOURCE ARRIVED LATER THAT EVENING. MRS. OROZCO ASKED THE CAS SOURCE IF HE KNEW THAT HER HUSBAND HAD LEFT FOR CUBA. CAS SOURCE REPLIED THAT HE HAD HEARD RUMORS TO THAT EFFECT. MRS. OROZCO SAID THAT SHE WAS VERY WORRIED ABOUT HER HUSBAND BECAUSE SHE HAD NOT HEARD A WORD FROM OR ABOUT HIM SINCE HE LEFT WITH 2 OTHERS 8 DAYS PREVIOUSLY, ON 21 DECEMBER 1964. OROZCO HAD PLANNED TO RETURN IN A WEEK. MRS. OROZCO ASKED CAS SOURCE TO TRY TO FIND OUT SOMETHING ABOUT OROZCO THROUGH ''HIS FRIENDS IN CUBA''. CAS SOURCE SAID THAT HE WOULD TRY SINCE HER HUSBAND HAD BEEN A GOOD FRIEND OF HIS BUT THAT HE WOULD NEED SOME DETAILS OF THE PROPOSED TRIP TO HELP HIM IN HIS INVESTIGATIONS.

3. MRS. OROZCO SAID THAT HER HUSBAND HAD GONE INTO CUBA TO RESCUE JOSE VASQUEZ NEREY AND 3 OTHERS WHO WERE HIDING IN THE HOME OF AWOMAN NAMED GLORIA CABRERA WHO LIVED AT NO.72 27TH STREET BETWEEN ''N'' AND ''O'', APT. 3, VEDADO, HAVANA. MRS. OROZCO SAID THAT THE ADDRESS HAD BEEN GIVEN TO OROZCO BY HORTENSIA ORIZONDO MENESES /ACSI SOURCE NO. 180/. MRS. OROZCO ADDED THAT BOTH SHE AND HER HUSBAND HAD KNOWN GLORIA CABRERA IN THE SIERRA MAESTRAS AND THAT SHE /MRS. OROZCO/ DID NOT TRUST HER BECAUSE ''SHE HAD BEEN COMPLETELY WITH THE REGIME UNTIL ONLY A FEW MONTHS AGO''.

4. MRS. OROZCO TOLD CAS SOURCE THAT HER HUSBAND HAD BEEN VISITED ABOUT FIVE TIMES BETWEEN MID-NOVEMBER AND MID-DECEMBER 1964 BY A PUERTO RICAN WHO IDENTIFIED HIMSELF AS ''JORGE''. IT WAS ''JORGE'', ACCORDING TO MRS. OROZCO, WHO TOLD HER HUSBAND OF THE PLIGHT OF JOSE VASQUEZ NEREY. DURING THE SECOND OR THIRD MEETING, ''JORGE'' MENTIONED THE NAME OF ''HORTENSIA'', LATER IDENTIFIED AS HORTENSIA ORIZONDO MENESES, AND, AGAIN ACCORDING TO MRS. OROZCO, ORIZONDO WAS FROM THAT TIME OROZCO'S CONTACT IN THE VASQUEZ AFFAIR. ALTHOUGH ''JORGE'' DID NOT AT ANY TIME REPRESENT HIMSELF AS CIA, MRS. OROZCO ASSUMED THAT HE WAS SENT BY CIA. THIS ASSUMPTION SHE PASSED ON TO CAS SOURCE. ''JORGE'' NEVER IDENTIFIED THE ORGANIZATION WHICH HE REPRESENTED BUT HE DID TELL MRS. OROZCO THAT HE WAS NOT FROM CIA. ''JORGE'' DID, HOWEVER, CONTINUE TO REPRESENT HIMSELF AS HAVING OFFICIAL BACKING FROM THE UNITED STATES GOVERNMENT. ''JORGE'' WAS DESCRIBED AS 5' 6'' TO 8'', MEDIUM BUILD, DARK BROWN SLICKED-BACK HAIR WITH NO PART, DARK BROWN EYES, OLIVE COMPLEXION, ABOUT 33 YEARS OLD, AND SPEAKING NEAR-PERFECT SPANISH.

5. THE CAS SOURCE REMARKED THAT A TRIP OF THIS NATURE REQUIRED A SUBSTANTIAL AMOUNT OF MONEY AND SUPPLIES. WHO HAD HELPED OROZCO TO GET THE BOAT, TO EQUIP IT AND FUEL IT AND TO PROVIDE THE OTHER NECESSITIES? MRS. OROZCO REPLIED THAT THE FINDING, EQUIPPING AND READYING OF THE BOAT HAD BEEN HER HUSBAND'S RESPONSIBILITY BUT THAT ORIZONDO HAD PROVIDED THE FUNDS. /AS WILL BE SEEN BELOW, THIS ALLEGATION THAT ORIZONDO WAS THE PAYMASTER FOR OROZCO'S TRIP IS SUPPORTED BY A SIMILAR STATEMENT BY ANOTHER CAS SUB-SOURCE TO WHOM OROZCO TALKED QUITE FREELY ABOUT A WEEK BEFORE HIS DEPARTURE/.

6. CAS SOURCE ASKED MRS. OROZCO INTO WHICH AREA DID HER HUSBAND INTEND TO INFILTRATE CUBA. MRS. OROZCO SAID THAT HE PLANNED TO GO INTO NORTHEASTERN MATANZAS PROVINCE TO THE MARTI AREA WHERE HE HAD SEVERAL CONTACTS WHO HAD HELPED HIM IN THE PAST. CAS SOURCE PRESSED FOR OTHER DETAILS OF THE ACTUAL SITE OF INFILTRATION BUT MRS. OROZCO PROTESTED IGNORANCE OF FURTHER DETAILS. SHE SAID THAT HER HUSBAND HAD WITH HIM AN ''EXPERT'' NAMED ''MATEO'' WHO KNEW THE AREA COMPLETELY. /''MATEO'' WAS LATER IDENTIFIED AS ALBERTO GONZALEZ ORTIZ. CAS FILES INDICATE THAT GONZALEZ HAS MADE A NUMBER OF CLANDESTINE TRIPS TO CUBA WHILE CONTRACTING TO BRING OUT RELATIVES OF EXILES FOR MONEY. HIS REPUTATION IS UNSAVORY BASED UPON THE GENERALLY-ACCEPTED FACT THAT HE HAS ACCEPTED LARGE SUMS OF MONEY TO BRING FAMILIES OUT AND HAS FREQUENTLY FAILED TO MAKE GOOD HIS PROMISES. IT IS ALSO A COMMONLY-ACCEPTED FACT AMONG THE EXILE FISHERMEN THAT GONZALEZ WILL NEVER UNDERTAKE SUCH A TRIP UNLESS HE HAS BEEN PREVIOUSLY PAID OR IS COMPLETELY CERTAIN THAT THE MONEY WILL BE MADE AVAILABLE UPON HIS RETURN/.

7. MRS. OROZCO SAID THAT SHE DID NOT KNOW THE NAME OF HER HUSBAND'S INTENDED PRIMARY CONTACT IN THE MARTI AREA. SHE MENTIONED ONE ''CANDIDO'' DIAZ, A FISHERMAN, AND ONE PEDRO BARBI, THE OWNER OF THE BATE MARINO RESTAURANT IN CARDENAS. OROZCO HAD TOLD HIS WIFE THAT HE INTENDED TO SEE THESE PERSONS TO HELP HIM WITH TRANSPORTATION TO HAVANA AND TO PROVIDE HIM WITH FUNDS /MRS. OROZCO CONTENDS--AND IT IS A SORE POINT WITH HER--THAT OROZCO LEFT WITH ONLY A FEW COUNTERFEIT PESOS/. ONCE IN HAVANA, OROZCO PLANNED TO GO FIRST TO THE HOME OF MARIO GIL GONZALEZ /HIS PATRONYMIC HAS ALSO BEEN SPELLED ''HILL''/. FROM THERE, OROZCO PLANNED TO GO DIRECTLY TO THE ADDRESS OF THE CABRERA WOMAN WHICH HE HAD RECEIVED FROM ORIZONDO, PICK UP VASQUEZ AND GROUP AND LEAVE.

8. MRS. OROZCO SAID THAT HER HUSBAND TOLD HER THAT HE WOULD SEND A TELEGRAM TO HER AS SOON AS HE REACHED HAVANA SAFELY. SHORTLY BEFORE HIS DEPARTURE, HE WOULD SEND ANOTHER CABLE IN PRE-ARRANGED CODE TO INDICATE THAT HE WAS ON HIS WAY OUT. MRS. OROZCO WAS THEN TO CALL ORIZONDO WHO WAS TO ARRANGE AN AIR SEARCH FOR THE BOAT. /AS LATER TOLD BY MRS. OROZCO, INCLUSION OF THE WORD ''BIEN'' /GOOD/ IN A CABLE INDICATED THAT OROZCO WAS SAFE IN HAVANA. INCLUSION OF THE WORD ''SALIO'' /LEFT OR DEPARTED/ WOULD INDICATE THAT HE WAS ON HIS WAY OUT.

9. MRS. OROZCO SAID THAT ORIZONDO HAD CALLED HAVANA ON 30 DECEMBER 1964, PRESUMABLY TO THE CABRERA WOMAN'S HOME. VASQUEZ HIMSELF HAD ANSWERED THE PHONE AND STATED THAT THERE WAS NO NEWS FROM OROZCO OR FROM ANYONE ELSE. VASQUEZ AND THE GROUP WERE STILL WAITING FOR CONTACT.

10. CAS SOURCE ASKED MRS. OROZCO HOW MUCH MONEY OROZCO HAD LEFT BEHIND FOR HER SUPPORT. SHE REPLIED THAT HER HUSBAND HAD LEFT $50.00 BUT THAT HE HAD TOLD HER TO RE-CONTACT ORIZONDO IF SHE SHOULD NEED MORE.

11. A CAS SUB-SOURCE REPORTED THAT OROZCO HAD COME TO HIS HOME ON 12 DECEMBER AND HAD TOLD HIM THAT HE PLANNED TO GO TO CUBA TO RESCUE VASQUEZ. OROZCO SHOWED SUB-SOURCE A RECEIPT FOR $41.00 FOR REPAIR TO AN OUTBOARD MOTOR. OROZCO SAID THAT THE BOAT WAS NOT FAST BUT QUITE SEAWORTHY. OROZCO SAID THAT ORIZONDO HAD PAID THE BILL FOR THE MOTOR REPAIRS AND HAD PROVIDED THE OTHER NECESSARY FUNDS. OROZCO NAMED ORIZONDO AS A PERSON WHOM HE /OROZCO/ HAD BROUGHT OUT OF CUBA AND WHO HAD WORKED IN CUBA UNDER ONE DAVID CABEZAS. AS REPORTED BY SUB-SOURCE, OROZCO TOLD HIM THAT ORIZONDO HAD TOLD HIM OF VASQUEZ' DANGER AND ASKED FOR HIS HELP IN RESCUING HIM. OROZCO TOLD SUB-SOURCE THAT HE HAD REPLIED THAT HE WOULD DO ANYTHING TO HELP HIS FRIEND VASQUEZ BUT THAT HE WANTED TO KNOW WHO THE PEOPLE WERE BEHIND HER /ORIZONDO/. ORIZONDO HAD REPLIED THAT SHE WAS GOING TO PUT HIM IN TOUCH WITH A PERSON WHO SPOKE FLUENT SPANISH BUT WAS NOT CUBAN. THIS WAS ''JORGE'' AND FROM WHAT SUB-SOURCE IS ABLE TO RECONSTRUCT OROZCO MET ''JORGE'' IN A BAR ON FLAGLER STREET ON THURSDAY MORNING, 10 DECEMBER 1964. /HERE THE ACCOUNT OF THIS SUB-SOURCE IS SOMEWHAT AT VARIANCE WITH WHAT

MRS. OROZCO TOLD CAS SOURCE/.

12. OROZCO TOLD SUB-SOURCE THAT ORIZONDO HAD SET UP THE MEETING FOR WESNESDAY MORNING, 9 DECEMBER, WITH THE TWO PERSONS WHO WOULD ACCOMPANY HIM ON THE TRIP. OROZCO MET THEM ON FLAGLER STREET AT A SPECIFIC CORNER WHICH OROZCO DID NOT MENTION TO SUB-SOURCE.

13. OROZCO SAID THAT HE HAD ASKED FOR A RECEIVED $400.00 FOR EACH MEMBER OF THE CREW /IT IS UNCLEAR WHETHER OROZCO ACTUALLY RECEIVED THIS SUM OF MONEY FOR HIMSELF AS WELL/ PLUS A PROMISE TO TAKE CARE OF ALL OF THEIR FAMILIES IF THEY DID NOT RETURN.

14. OROZCO CALLED SUB-SOURCE BY TELEPHONE LATE ON THE EVENING OF 14 DECEMBER TO TELL HIM THAT HE WAS ''ON HIS WAY TO THE KEYS''. OROZCO TOLD SUB-SOURCE THAT THE ARRANGEMENTS FOR THE MONEY AND THE ASSURANCES TO TAKE CARE OF THE FAMILIES HAD BEEN AGREED UPON.

15. AT A SECOND MEETING BETWEEN MRS. OROZCO AND CAS SOURCE ON 8 JANUARY, MRS. OROZCO TOLD CAS SOURCE THAT SHE HAD COME INTO THE POSSESSION OF SOME INFORMATION FROM AN UNNAMED FISHERMAN WHO HAD RECENTLY COME OUT OF CUBA. THIS INFORMATION INDICATED THAT SEVERAL ARRESTS HAD BEEN MADE IN THE SAME AREA IN WHICH HER HUSBAND INTENDED TO INFILTRATE. MRS. OROZCO SAID THAT SHE HAD ALSO HEARD A RADIO BROADCAST THE DAY BEFORE, 7 JANUARY, STATING THAT 4 INFILTRATORS HAD BEEN PICKED UP IN THE CARDENAS/MATANZAS AREA OF MATANZAS PROVINCE. MRS. OROZCO HAD CALLED ORIZONDO AND INSISTED UPON SEEING ''JORGE'' TO GIVE THIS INFORMATION TO HIM PERSONALLY.

16. ''JORGE'' AND ORIZONDO ARRIVED AT HER HOME ABOUT 2000 HOURS, 7 JANUARY. MRS. OROZCO SAID THAT SHE TOLD ''JORGE'' THE INFORMATION ABOUT ARRESTS IN THE AREA AND MENTIONED A PERSON NAMED ''PEDRO''. MRS. OROZCO SAID THAT ''JORGE'' HAD PRICKED UP HIS EARS AT THE MENTION OF THE NAME ''PEDRO''. ''JORGE'' ASKED MRS. OROZCO THE LAST NAME OF ''PEDRO''. MRS. OROZCO REPLIED THAT SHE DID NOT KNOW. ''JORGE'' ASKED WHAT BUSINESS THIS ''PEDRO'' WAS IN. MRS. OROZCO SAID THAT SHE THOUGHT THAT ''PEDRO'' OWNED A RESTAURANT IN CARDENAS, MATANZAS PROVINCE. ACCORDING TO MRS. OROZCO, ''JORGE'' THEN IDENTIFIED ''PEDRO'' AS PEDRO BARBI /OR BALBI/ FEBLES AND SAID THAT BARBI DID NOT ''WORK WITH THE AMERICANS'' OR WITH ANY ORGANIZATION BUT THAT HE HAD HELPED MANY PEOPLE. MRS. OROZCO SAID THAT THIS PIECE OF NEWS WORRIED HER GREATLY BECAUSE HER HUSBAND HAD TOLD HER HE INTENDED TO CONTACT THIS PERSON. ACCORDING TO MRS. OROZCO, ORIZONDO THEN BROKE INTO THE CONVERSATION TO DECLARE THAT ''WE'' / PRESUMABLY MEANING SHE AND ''JORGE''/ HAD DONE ALL THE PLANNING FOR OROZCO'S TRIP AND THAT OROZCO WAS NOT SUPPOSED TO CONTACT BARBI ACCORDING TO THIS PLAN. MRS. OROZCO REPORTED THAT ''JORGE'' DID NOT COMMENT ABOUT ORIZONDO'S USE OF THE TERM ''WE''.

17. THE LICENSE NUMBER OF THE AUTOMOBILE IN WHICH ''JORGE'' AND ORIZONDO ARRIVED WAS NOTED AS A NEW YORK PLATE, BU-5523. THE CAR WAS DESCRIBED AS A LARGE FIAT. THIS LICENSE NUMBER WAS TRACED AND IT WAS REPORTED BY THE NEW YORK MOTOR VEHICLE AUTHORITIES THAT IT WAS REGISTERED TO ONE LEWIS BURNS, 75 EAST PARADE AVENUE, BUFFALO, NEW YORK. THE ONLY OTHER INFORMATION AVAILABLE FROM THE MOTOR VEHICLE RECORDS INDICATED THAT BURNS WAS BORN 11-10-98, THAT HE WAS RETIRED AND THAT THE AUTOMOBILE REGISTERED UNDER THIS NUMBER HAD BEEN A 1950 BUICK. MRS. OROZCO SAID SHE THOUGHT THAT THIS WAS THE SAME CAR ''JORGE'' HAD USED ON PREVIOUS VISITS.

18. MRS. OROZCO SHOWED CAS SOURCE A NOTE WHICH MRS. OROZCO IDENTIFIED AS HAVING BEEN WRITTEN BY ORIZONDO TO HER HUSBAND /SEE ATTACHMENT A/. THE NOTE WHICH WAS NOT DATED STATED THAT THE ACCOMPANYING $500.00 WAS FOR OROZCO TO USE TO BEGIN PREPARATIONS FOR HIS TRIP. ANOTHER $200.00 WAS FORTHCOMING BUT SHE ADVISED

OROZCO NOT TO TELL THIS TO ''LOS MUCHACHOS'', PRESUMABLY OROZCO'S CREW MEMBERS. THE NOTE MENTIONED A PERSON NAMED ''ALDO'' AND ALSO ''JORGE''. MRS. OROZCO SAID SHE DID NOT THINK ORIZONDO REALIZED THAT SHE /MRS. OROZCO/ HAS STILL IN POSSESSION OF THIS NOTE.

19. MRS. OROZCO REPORTED THAT ORIZONDO HAD RETURNED TO HER HOUSE THE MORNING AFTER HER VISIT WITH ''JORGE''. MRS. OROZCO SAID THAT ORIZONDO HAD BEEN VERY WATCHFUL AND THAT IT SEEMED TO MRS. OROZCO THAT THE PURPOSE OF ORIZONDO'S TRIP WAS TO ATTEMPT TO WHITEWASH ''JORGE'' OF ANY CONNECTION WITH OROZCO'S TRIP. /THIS INFORMATION WAS VOLUNTEERED FREELY TO CAS SOURCE AS AN OBSERVATION OF MRS. OROZCO/. ORIZONDO TOLD MRS. OROZCO THAT ''JORGE'' HAD ONLY COME ALONG WITH HER THE PREVIOUS EVENING BECAUSE HE WAS INTERESTED IN WHAT HAD HAPPENED TO OROZCO AND THAT HE ''JORGE'' HAD HAD NOTHING WHATEVER TO DO WITH OROZCO'S TRIP. MRS. OROZCO REMINDED ORIZONDO THAT IT HAD BEEN ''JORGE'' WHO HAD ORIGINALLY COME TO SEE OROZCO TO TELL HIM ABOUT VASQUEZ'S PLIGHT AND THAT ''JORGE'' HAD VISITED OROZCO SEVERAL TIMES THEREAFTER. HOW WAS IT POSSIBLE THAT ''JORGE'' HAD NOTHING TO DO WITH OROZCO'S TRIP, ASKED MRS. OROZCO. ORIZONDO PROTESTED THAT ''JORGE '' WAS ONLY INVOLVED IN TRYING TO GET INFORMATION ABOUT VASQUEZ.

20. MRS. OROZCO REMARKED SOMETHING TO THE EFFECT THAT SHE DID NOT KNOW IF ORIZONDO CONSIDERED HER A COMPLETE FOOL BUT SHE /MRS. OROZCO/ KNEW THAT SUCH A TRIP REQUIRED A CONSIDERABLE AMOUNT OF MONEY, AT LEAST $1000.00, AND THAT SHE WAS CERTAIN THAT ORIZONDO DID NOT HAVE THAT KIND OF MONEY OF HER OWN. ORIZONDO REPORTEDLY REPLIED THAT SHE HAD RAISED THE MONEY FROM FRIENDS. MRS. OROZCO PERSISTED AND STATED THAT SHE WAS COMPLETELY SURE IN HER OWN MIND THAT IT HAD BEEN ''THIS GENTLEMAN JORGE'' WHO HAD SUPPLIED THE MONEY. ORIZONDO DID NOT ANSWER. /SEE PARA 26 BELOW IN WHICH MRS. OROZCO CLAIMED TO HAVE OVERHEARD A CONVERSATION BETWEEN ''JORGE'' AND OROZCO IN WHICH ''JORGE'' STATED HE COULD NOT SUPPORT OROZCO'S TRIP DIRECTLY BUT COULD SUPPLY FUNDS/.

21. MRS. OROZCO TOLD ORIZONDO THAT SHE WAS STILL UNCERTAIN OF ''JORGE'S'' CREDENTIALS. MRS. OROZCO TOLD ORIZONDO THAT HER HUSBAND HAD HAD GREAT TRUST IN ORIZONDO AND SHE /MRS. OROZCO/ REALIZED THAT ANYTHING ORIZONDO WAS INVOLVED IN WAS TO HER HUSBAND'S BEST ADVANTAGE BUT AT THE SAME TIME SHE COULD NOT BRING HERSELF TO FEEL THE SAME CONFIDENCE IN ''JORGE'' AS SHE FELT IN ORIZONDO. ORIZONDO TOLD MRS. OROZCO THAT ''JORGE'' WAS NOT CUBAN BUT PUERTO RICAN, AN AMERICAN CITIZEN WHO WORKED FOR THE ''PENTAGON''. ORIZONDO SAID THAT SHE HERSELF WAS NOT ACTIVELY WORKING FOR THE ''PENTAGON'' ANY LONGER BUT THAT THERE ARE TIMES WHEN HER FORMER EMPLOYERS NEED HELP AT WHICH TIMES THEY CALL UPON HER /ORIZONDO/. MRS. OROZCO SAID THAT HER HUSBAND HAD TOLD HER THAT BOTH ORIZONDO AND ''JORGE'' WORKED FOR THE ''PENTAGON''.

22. ORIZONDO TOLD MRS. OROZCO THAT SHE WOULD PROVIDE TO MRS. OROZCO ANY MONEY THAT SHE NEEDED TO SUPPORT THE FAMILY. ON 4 OR 5 JANUARY, ORIZONDO HAD GIVEN MRS. OROZCO $100.00 TO PAY HER RENT /FOR WHICH SUM MRS. OROZCO DID NOT SIGN A RECEIPT/. ORIZONDO ALSO TOLD MRS. OROZCO THAT ''JORGE'' WOULD BE OUT OF TOWN FOR AN UNSPECIFIED PERIOD.

23. OROZONDO PAID MRS. OROZCO ANOTHER VISIT ON 11 JANUARY. ACCORDING TO MRS. OROZCO, ORIZONDO NOW CLAIMED THAT NEITHER SHE NOR ''JORGE'' HAD HAD ANYTHING TO DO WITH OROZCO'S TRIP, THAT IN FACT THEY HAD BOTH TRIED TO TALK HIM OUT OF MAKING THE TRIP.

24. ANOTHER SUB-SOURCE PAID A SOCIAL VISIT TO MRS. OROZCO ON THE EVENING OF 11 JANUARY. MRS. OROZCO SHOWED THIS SUB-SOURCE THE SAME NOTE WHICH INDICATED THAT ORIZONDO HAD GIVEN OROZCO $500.00 FOR THE INITIAL PREPARATIONS FOR HIS TRIP. MRS. OROZCO TOLD THIS

SUB-SOURCE THAT BOTH ORIZONDO AND ''JORGE'' WORK FOR THE PENTAGON AND ALSO MENTIONED ORIZONDO'S VISITS ON 8 AND 11 JANUARY IN WHICH ORIZONDO ATTEMPTED TO DISCLAIM ANY PART FOR HERSELF OR ''JORGE'' IN OROZCO'S TRIP. MRS. OROZCO TOLD THIS SUB-SOURCE THAT SHE WAS GOING TO PUT PRESSURE UPON THESE REPRESENTATIVES OF THE PENTAGON /ORIZONDO AND ''JORGE'', TO EITHER GET HER HUSBAND OUT OF CUBA OR FAILING THAT TO BUY HIM OUT.

25. ''JORGE'' PAID AN UNANNOUNCED VISIT TO MRS. OROZCO ON 13 JANUARY. DURING THIS VISIT, HE CONFIDED TO MRS. OROZCO THAT HIS NAME WAS NOT ''JORGE'' BUT ''TORRES''. ''TORRES'' SAID THAT HIS ORGANIZATION HAD NOT BEEN INTERESTED IN VASQUEZ BUT IN TWO AGENTS /HE USED THE TERM ''AGENTES''/ WHO WERE IN HIDING IN THE SAME HOUSE WITH VASQUEZ. AT WHICH POINT MRS. OROZCO ASKED ''TORRES'' HOW HE HAPPENED TO KNOW ABOUT THIS IF HIS CLAIM WERE TRUE THAT HE HAD NOTHING TO DO WITH HER HUSBAND'S TRIP. ''TORRES'' MADE NO REPLY, ACCORDING TO MRS. OROZCO.

26. MRS. OROZCO THEN COMMENTED THAT SHE KNEW FROM PERSONAL EXPERIENCE HOW DIFFICULT IT WAS TO RAISE EVEN A FEW HUNDRED DOLLARS IN THE EXILE COMMUNITY. SHE SAID THAT SHE KNEW ORIZONDO DID NOT HAVE THE $1000.00 OR MORE WHICH HAD BEEN SPENT FOR HER HUSBAND'S TRIP. THIS LED HER TO THE CONCLUSION, MRS. OROZCO SAID, THAT ''TORRES'' AND HIS ORGANIZATION HAD SUPPLIED THE FUNDS. AGAIN THERE WAS NO REPLY FROM ''TORRES''. /ON 11 JANUARY 1964, MRS. OROZCO TOLD SAME CAS SOURCE MENTIONED IN INITIAL PARAGRAPHS THAT SHE HAD OVERHEARD A CONVERSATION BETWEEN HER HUSBAND AND ''TORRES'' A WEEK OR TWO BEFORE OROZCO'S DEPARTURE IN WHICH ''TORRES'' TOLD OROZCO THAT HE COULD NOT SUPPORT HIS TRIP ''DIRECTLY'' BUT COULD PROVIDE MONEY WHICH OROZCO COULD USE TO MAKE HIS OWN PREPARATIONS/.

27. MRS. OROZCO SAID THAT SHE HAD HAD TWO SPECIFIC PROPOSALS TO BRING UP TO ''TORRES''. ONE, THAT IF WORD WERE RECEIVED FROM HER HUSBAND THAT HE WAS STILL HIDING OUT, ''TORRES' '' ORGANIZATION SEND A BOAT IN TO HELP HIM EXFILTRATE. THE OTHER WAS THAT IF IT BECAME CONFIRMED THAT HER HUSBAND WAS A PRISONER, ''TORRES' '' ORGANIZATION NEGOTIATE FOR HIS RELEASE THROUGH DIPLOMATIC CHANNELS. AS PART OF THIS LAST PROPOSAL, MRS. OROZCO SUGGESTED THAT SHE BE PROVIDED WITH SUFFICIENT MONEY TO TRAVEL TO MEXICO TO TAKE UP HER HUSBAND'S CASE PERSONALLY WITH THE PRESIDENT OF MEXICO. ''TORRES'' SAID THAT HE HAD TO TAKE THE MATTER UP WITH HIS ORGANIZATION. ''TORRES'' RE-EMPHASIZED THAT HE PERSONALLY HAD HAD NOTHING TO DO WITH HER HUSBAND'S TRIP. HE WAS STILL ATTEMPTING TO USE ALL THE RESOURCES AT HIS COMMAND TO FIND OUT WHAT HAD HAPPENED TO OROZCO AND WHILE HE WAS VERY SORRY ABOUT HER HUSBAND'S MISFORTUNE, HE STATED THAT IT HAD BEEN OROZCO'S OWN DECISION TO GO ON THIS TRIP.

28. UPON LEAVING, MRS. OROZCO TOOK NOTE OF THE LICENSE NUMBER ON ''TORRES' '' BLACK VOLKSWAGEN. SHE ASSUMED BUT COULD NOT BE CERTAIN THAT IT WAS A FLORIDA LICENSE PLATE, NO.68D1304 OR 68D 1344. ACCORDING TO A CAS' INVESTIGATION, THE PREFIX ''68D'' REPRESENTS A PLATE BLOCKED AT THE TALLAHASSEE LEVEL FOR THE COVERT USE OF THE UNITED STATES GOVERNMENT.

29. ORIZONDO VISITED MRS. OROZCO LATER THAT SAME EVENING OF 13 JANUARY. SHE SEEMED SURPRISED TO LEARN THAT ''JORGE'' HAD VISITED MRS. OROZCO EARLIER THAT DAY. ORIZONDO ATTEMPTED TO CONVINCE MRS. OROZCO THAT THE ''JORGE'' MENTIONED IN A NOTE SHE HAD LEFT FOR OROZCO WAS ONE JORGE MAYO /OR MALLO/ CARDOSO, A FRIEND OF OROZCO'S IN THE REBEL-ARMY-IN-EXILE ORGANIZATION ''EJERCITO LIBERTADOR'' TO WHICH ANOTHER CLOSE FRIEND OF OROZCO'S, JOSE LOPEZ LEGON AKA ''PEPE EL TORO'' BELONGS. MRS. OROZCO REMARKED TO ORIZONDO THAT SHE DID NOT KNOW HOW STUPID ORIZONDO CONSIDERED HER TO BE BUT THAT SHE WAS COMPLETELY CERTAIN THAT THE ''JORGE'' MENTIONED IN THE NOTE WAS THE SAME ''JORGE'' WHO HAD VISITED HER AND HER HUSBAND. MRS. OROZCO ALSO TOLD ORIZONDO THAT ''JORGE'' HAD TOLD HER THAT HIS NAME WAS ''TORRES''. ORIZONDO CONFIRMED THAT THIS WAS HIS NAME.

30. IN ATTEMPTING TO RE-CONSTRUCT HOW MUCH MONEY WAS SPENT TO PREPARE THE BOAT AND EQUIPMENT FOR OROZCO'S TRIP, IT APPEARS LIKELY THAT OROZCO WAS EXAGGERATING WHEN HE SAID THAT HE HAD ASKED FOR AND RECEIVED $400.00 FOR EACH MEMBER OF THE CREW. MRS. OROZCO HAS STATED THAT OROZCO HAD GIVEN THEM EACH $200.00 AND SHE THOUGHT BUT WAS NOT COMPLETELY CERTAIN THAT HE HAD LATER GIVEN EACH OF THEM AN ADDITIONAL UNSPECIFIED SUM. STARTING WITH THE FIGURE OF $700.00 WHICH IS MENTIONED IN THE ATTACHED NOTE FROM ORIZONDO, IT APPEARS SAFE TO SAY THAT MOST IF NOT ALL OF THAT SUM WOULD HAVE BEEN PAID OUT FOR FUEL /AT LEAST 50 GALLONS SINCE IT HAD BEEN A 50-GALLON TANK WHICH HAD EXPLODED AND HAD TO BE REPLACED/, FOOD FOR ONE WEEK, THE ITEMS /KNIVES, PONCHOS, CANTEENS, FATIGUE UNIFORMS, AMMUNITION, ETC./ WHICH MRS. OROZCO CLAIMS OROZCO BOUGHT IN AN ARMY/NAVY STORE PLUS OTHER MISCELLANEOUS BOAT ITEMS. ADD TO THIS $700.00, THE $200.00 APIECE FOR THE TWO FISHERMEN /WHICH COULD HAVE BEEN MORE/, THE $41.00 FOR THE REPAIR OF THE BOAT ENGINE, THE ESTIMATED $100.00 TO REPLACE THE 50 GALLON FUEL TANK, THE $100.00 GIVEN TO MRS. OROZCO BY ORIZONDO, AND THE TOTAL /A CONSERVATIVE ONE AT THAT/ AMOUNTS TO APPROXIMATELY $1341.00. MRS. OROZCO SAID THAT SHORTLY BEFORE HER HUSBAND'S DEPARTURE, ONLY $125.00 REMAINED OF THE INITIAL SUM. THE GROUP LEFT FOR THE MARATHON AREA A DAY BEFORE THEIR ACTUAL DEPARTURE AND HAD TO RETURN TO MIAMI BECAUSE THEY HAD FORGOTTEN THE KEYS TO THE BOAT. MRS. OROZCO SAID THAT THE $50.00 SHE RECEIVED FROM HER HUSBAND WAS TAKEN FROM THE REMAINING $125.00 AND SHE ASSUMES THAT THE BALANCE OF $75.00 WAS SPENT FOR MOTEL ROOMS IN THE KEYS AND FOR OTHER LAST-MINUTE PURCHASES. THE ONLY ITEMS FURNISHED TO OROZCO, ACCORDING TO HIS WIFE, WERE AN M-1 RIFLE AND AN M-1 CARBINE WHICH ORIZONDO HAD GIVEN HIM /MRS. OROZCO THOUGHT THAT THEY HAD HAD TO BUY THE AMMUNITION FOR THESE WEAPONS/, AND A PISTOL OF UNIDENTIFIED MAKE BY LAUREANO BATISTA FALLA OF THE MDC /CHRISTIAN DEMOCRATIC MOVEMENT/ WHO ALSO GAVE OROZCO A MEANS OF ENTREE TO THE FRENCH AMBASSADOR IN CUBA IF HE SHOULD RUN INTO UNFORESEEN DIFFICULTIES. OROZCO ALSO BOUGHT OR RECEIVED FROM SOME UNNAMED SOURCE AN UNKNOWN AMOUNT OF COUNTERFEIT PESOS.

31. AS ATTACHMENT B TO THIS MEMORANDUM, A COPY OF ANOTHER NOTE FROM ORIZONDO TO OROZCO RECOMMENDING AN INDIVIDUAL WHO COULD PROVIDE A BOAT FOR HIS INFILTRATION IS APPENDED FOR YOUR REFERENCE. THIS INDIVIDUAL IS BELIEVED TO BE ACSI SOURCE NO. 693.

32. CAS WOULD APPRECIATE ACSI COMMENTS ON THE ABOVE PARAGRAPHS, PARTICULARLY AS THESE CONTAIN CERTAIN ALLEGATIONS AGAINST ''JORGE'' AND ORIZONDO. SINCE IT IS NOW APPARENT THAT ''JORGE'' AND ''TORRES'' ARE ONE AND THE SAME, IT IS BELIEVED THAT FURTHER INVESTIGATION INTO THE IDENTITY OF THIS INDIVIDUAL IS UNNECESSARY.

I AM LEAVING YOU $500 SO THAT YOU CAN GO TO SEE ALDO EARLY AND BEGIN THE PREPARATIONS. TONIGHT I WILL HAVE $200 MORE AND I WILL TRY TO OBTAIN THE REST. FIND OUT IF THEY OBTAINED SOME MONEY, I DIDN'T SAY ANYTHING ABOUT THIS BUT IT WOULD BE CONVENIENT ANYWAY. JORGE WAS HERE TONIGHT. YOU CAN COME TOMORROW NIGHT TO ARRANGE ALL THE DETAILS.

TAKE CARE OF THE TANK AS YOU THINK IS BEST. SINCE YOU ALREADY PAID FOR IT, YOU CAN PICK IT UP AND TELL THE BOYS THAT DUE TO THE BAD WEATHER IT IS BEST TO WAIT. IN ORDER TO AVOID HAVING THE ''RUMOR'' SPREAD DOWN FLAGLER STREET, I DON'T THINK IT IS CONVENIENT TO SAY ANYTHING ON THIS OTHER MATTER TO THE BOYS UNTIL LATER ON. THINK ABOUT IT AND SEE WHAT IS BEST ON THIS MATTER.

I CAME TO SEE YOU BECAUSE I HAD TO SPEAK TO YOU. I DON'T KNOW HOW MUCH PROGRESS YOU HAD IN THE NEGOTIATIONS, BUT I WANTED TO TELL YOU THAT I HEARD OF A MAN, HUMBERTO VERGARA, CALLED VERGARITA. HE WAS RECOMMENDED TO ME AS A VERY SERIOUS PERSON, AND IT IS SAID THAT HE HAS A BOAT READY TO SAIL. MAYBE YOU KNOW HIM. AS I CANNOT SEE YOU OR DO ANYTHING DURING THE DAY, I MADE THE FOLLOWING ARRANGEMENTS TO SAVE TIME. I TOLD HIM TO GO TO THE FLAGLER BRIDGE, TOWARDS DOWNTOWN AND TO STOP ON THE LEFT SIDE /NATURALLY GOING TOWARDS DOWNTOWN/ AT 1200 NOON. YOU CAN THEN APPROACH HIM AND ASK HIM IF HE IS VERGARITA, AND YOU IDENTIFY YOURSELF AS MARQUIES. HE IS A YOUNG MAN, HAS ONE TOOTH MISSING. IF YOU THINK HE IS GOOD, SPEAK TO HIM, FIND OUT WHAT HE HAS AND HOW MUCH HE ASKS FOR THE TRIP.

IN ANY EVENT, WHEN YOU GET HOME AND YOU READ THIS NOTE, CALL ME AND LET ME KNOW IF YOU ARE GOING TO SEE HIM. ALSO LET ME KNOW WHETHER YOU HAVE ARRANGED SOMETHING ELSE.

1. REUTERS DISPATCH DATELINED HAVANA 16 MARCH REPORTED WIDESPREAD PURGE UNDERWAY OF MILITARY OFFICERS, HIGH OFFICIALS CUBAN GOVT AND LEADERS COMMUNIST PARTY. FIDEL CASTRO ALSO REVEALED THAT SEVERAL CUBAN LABOR UNION LEADERS ARE UNDER ARREST ON EMBEZZLEMENT CHARGES. IN ADDITION REUTERS SOURCES STATED THAT SEVERAL HIGHLY PLACED OFFICIALS WOULD SOON FALL IN THE CLEANUP AND THAT "FULL INVESTIGATION OF OFFICIALS' MORAL AND POLITICAL PRACTICES ALREADY UNDERWAY IN GOVT MINISTRIES". THE MINISTRIES OF FOREIGN AFFAIRS AND FOREIGN TRADE WILL BE MOST AFFECTED BY THE PURGE. ON 15 MARCH, THE FOREIGN TRADE MINISTRY IN A SPECIAL MEETING "APPROVED THE PURGE" AND ADOPTED A COMPLETE CHECK ON MEMBERS WORKING ABROAD. NEW RESTRICTIONS ALREADY IMPOSED FORBID THE BRINGING INTO CUBA RATIONED OR HARD-TO-GET DURABLE GOODS.

2. QUOTING AN OFFICIAL COMMUNIQUE, REUTERS REPORTED THAT MAJOR EFIGENIO AMEIJEIRAS, DEPUTY MINISTER OF THE ARMED FORCES AND MEMBER OF THE CENTRAL COMMITTEE OF THE CUBAN COMMUNIST PARTY, HAS BEEN DISMISSED FROM HIS OFFICES AND IS TO STAND TRIAL BEFORE A COURT MARTIAL. THE COMMUNIQUE ALSO ANNOUNCED "THE ARREST OF SEVERAL DOZEN OTHER OFFICIALS" ON CHARGES OF INDULGING "LA DOLCE VITA". AN ELABORATION OF THIS CHARGE WAS MADE BY CASTRO IN HIS 13 MARCH SPEECH WHEREIN HE ATTACKED MEMBERS OF CUBAN MISSIONS ABROAD WHO SPENT SEVERAL MONTHS IN "VAPORS OF PARTIES AND GOOD BRANDY AND IN COMPANY OF PRETTY YOUNG GIRLS." CASTRO ADDED THAT THOSE GUILTY OF "PLAYBOY BEHAVIOR" WOULD BE DRAFTED INTO THE ARMY OR SENT TO WORK ON THE FARM.

3. BACKGROUND: THE PURGE HAS BEEN PRECEDED BY THE TRIAL XXXXXXXXX ON 7 MARCH BY A REVOLUTIONARY TRIBUNAL OF SEVEN CUBANS FOR COMPLICITY IN A PLOT TO OVERTHROW FIDEL CASTRO. THE ACCUSED ALLEGEDLY HAD THE SUPPORT OF SOME CUBAN EXILE LEADERS NOW RESIDING IN THE U.S. TWO OF THE SEVEN, ROLANDO CUBELA AND RAMON GUIN, HELD THE RANK OF MAJOR, HIGHEST RANK IN THE ARMED SERVICES. THE STATE PROSECUTOR REQUESTED DEATH FOR CUBELA AND THREE OTHERS.

4. MAJOR CUBELA WAS A POPULAR AND PROMINENT UNIVERSITY STUDENT LEADER, AN ARDENT REVOLUTIONARY AND ONE OF THE EARLY COHORTS OF CASTRO DURING THE BATISTA REGIME. CUBELA WAS ALSO A CLOSE FRIEND OF CASTRO AND UNTIL THE ARREST RANKED HIGH AMONG THE LEADERS OF THE REGIME. HIS ARREST AND ABJECT CONFESSION AT THE PUBLIC TRIAL CONDUCTED IN STALINIST FASHION TRIGGERED OFF A SERIES OF STUDENT REACTIONS. THE TRIAL IN EFFECT BACKFIRED AGAINST THE REGIME.

5. UPI REPORTS AND OTHER INTERNATIONAL NEWS SERVICES, INCLUDING ACCOUNTS OF REFUGEES WHO DEPARTED RECENTLY FROM CUBA, TESTIFIED TO THE FACT THAT ANTI-GOVT STUDENT AGITATIONS OCCURRED. WALL SCRIBBLINGS ON UNIVERSITY BUILDINGS THREATENED CASTRO, ONE READING: "ONE HEAD PAYS FOR ANOTHER," ANOTHER READ "OUT WITH FIDEL."

6. BECAUSE OF THE STRONG OPPOSITION TO THE TRIAL, CASTRO REQUESTED THE STATE PROSECUTOR NOT TO IMPOSE THE DEATH SENTENCES. IN ORDER PLACATE ADVERSE PUBLIC OPINION THE TRIAL PROCEEDINGS WERE GIVEN WIDE COVERAGE ON BOTH RADIO AND TELEVISION CIRCUITS. AS A RESULT, CUBELA AND OTHERS GRANTED CLEMENCY AND SENTENCED TO LENGTHY PRISON TERMS.

7. THE CUBELA TRIAL WAS USED AS A PEG, I.E., GUILT BY ASSOCIATION IN THE DISMISSAL AND CHARGES LEVIED AGAINST MAJOR AMEIJEIRAS WHOSE LOYALTY TO THE REVOLUTION IS "UNDISPUTED" BY CASTRO. HOWEVER, AMEIJEIRAS WAS STRIPPED OF HIS MILITARY RANK AND CHARGED WITH THE CRIME OF BEING A PLAYBOY, LIVING THE GAY LIFE.

8. AMEIJEIRAS WAS ONE OF CASTRO'S FIRST REVOLUTIONARY FOLLOWERS. HE HAD BEEN WITH CASTRO SINCE 1956, WAS ONE OF THE SURVIVORS OF THE GRANMA EXPEDITION, FOUGHT IN THE SIERRA MAESTRA IN 1957-58 AND HAD HELD HIGH OFFICE SINCE 1959. IN OCT 1965 HE WAS NAMED TO THE HUNDRED MAN CENTRAL COMMITTEE OF THE CUBAN COMMUNIST PARTY.

9. RUMORS ARE CIRCULATING THAT BLAS ROCA CALDERIO, MEMBER OF THE SECRETARIAT OF THE CP AND CHAIRMAN OF THE CONSTITUTIONAL STUDIES COMMITTEE, WILL SHORTLY BE BROUGHT TO TRIAL. SIMILARLY, THE CHARGES OF MALPRACTICES AGAINST THE MINISTRY OF FOREIGN AFFAIRS IMPUGNS THE LOYALTY OF FOREIGN MINISTER RAUL ROA GARCIA HIMSELF. ANOTHER MINISTER UNDER SUSPICION, I.E., GUILT BY ASSOCIATION, IS FAURE CHOMON, MINISTER OF TRANSPORTATION. THE ENTIRE MEMBERSHIP OF THE 100-MAN CENTRAL COMMITTEE CREATED IN LATE 1965, MAY NOT BE SPARED AS THE PURGE GATHERS MOMENTUM.

THE UNDERLYING CAUSE FOR THE "SHOWTRIAL" OF CUBELA, THE ARREST OF THE DEPUTY MINISTER OF DEFENSE AND THE OUTLANDISH CHARGES BROUGHT AGAINST MEMBERS OF THE CP AND MINISTERIAL OFFICIALS ARISES FROM THE IRREVERSIBLE FAILURES OF THE GOVT IN THE HANDLING OF DOMESTIC AND INTERNATIONAL PROBLEMS. THE SCARCITY OF BASIC FOOD PRODUCTS HAS WORSENED. RICE, ROOT CROPS, MILK, MEAT CONTINUE TO BE RATIONED SEVERELY, AND THE AVAILABILITY TO THE CONSUMER IS NOW BELOW THE 1957-59 LEVEL, DESPITE SEVEN YEARS OF "COMMUNIST PLANNING". THERE ARE SERIOUS SHORTAGES OF MEDICINE, TEXTILES AND HOUSING. THE LATTER HAS DETERIORATED IN URBAN AREAS TO A LEVEL FAR BELOW PRE-WAR STANDARDS. SIMILARLY, CASTRO REPORTED THAT THE SUGAR CROP THIS YEAR WILL FALL FAR BELOW THE SIX MILLION TONS HARVESTED IN 1965. SINCE SUGAR ACCOUNTS FOR SOME 80% OF TOTAL FOREIGN TRADE EARNINGS, 1966 INCOME FROM SUGAR SALES, FACED WITH DEPRESSED WORLD MARKET PRICES, WILL NOT IN ANY WAY MEET THE COST OF BASIC IMPORTS, ESSENTIAL FOR SUSTAINING THE NATIONAL ECONOMY. CASTRO HAS SOUGHT TO RELIEVE THE PRESSURE ON THE ECONOMY BY PERMITTING THE EXODUS OF SOME 400 REFUGEES PER MONTH WHO ARE STREAMING INTO THE U.S. OTHER FAILURES INCLUDE THE FUNCTION OF THE GOC

AMLASH/1 - Paris Station Aspect

Paris Station involvement with the AMLASH case began in 1962, after AMLASH/1 came to Paris after attending the Helsinki Youth Festival that year. In Helsinki, AMLASH/1 was contacted by UNRUMBLE/2 (an asset of the Paris Station who attended the Festival for purposes of disruption) and by other KUBARK assets. It is not clear from our files just when AMLASH/1 was "recruited" but it appears that he was recruited during or shortly after the Festival.

In Paris he was in contact with Peter J. KYMINGHAM (probably in alias although I know that AMLASH/1 was at KYMINGHAM's home upon occasion). In 1962 AMLASH/1 was given training in explosives by ODIBEX (I believe) upon request of the Paris Station. He appears to have returned to PBRUMEN in late 1962. It is not known if other Paris Station personnel were in contact with AMLASH/1 during that period.

AMLASH/1 next arrived in Paris on 14 September 1963, coming from the International Games held in Puerto Alegre, Brasil, where he was in contact with TYPIC officers. At this point AMSPORT/1 (now QUSPORT) was in contact with AMLASH/1 in Paris and AMWHIP/1 was another comms channel (the one being used primarily by Hqs.). The Headquarters TYPIC officer, ONTRICH (P), arrived in Paris on 3 October 1963 and picked up the contact with AMLASH/1 which was being maintained by AMSPORT/1 and KYMINGHAM. The meetings with AMLASH/1 took place in KYMINGHAM's home as best I remember. These discussions concerned AMLASH/1's plans to assissinate AMTHUG and overthrow his regime.

ONTRICH returned to Paris In late October, after discussions at Headquarters on the case. ONTRICH and DAINOLD, who ~~was~~ were tdy in Paris at the time, met with AMLASH/1 in late October or early November. DAINOLD's participation was due to AMLASH/1 strong desire to talk with some high-level ODYOKE official concerning his plans and to obtain ODYOKE blessing if possible. I am not aware of exactly what happened at these meetings but I received the impression from KYMINGHAM that such blessing was given. AMLASH/1 returned to PBRUMEN on 27 November 1963. It was during this visit to Paris

AMLASH-1

that STOCKWOOD met AMLASH/1 and AMWHIP/1, presumably in alias but I do not know the details. It was also apparent by the time AMLASH/1 left that he knew UNSNAFU/5 was working for KUBARK and we knew that UNSNAFU/9 was aware to some extent of AMLASH/1's plans (UNSNAFU/9 had [illegible] been recruited by KUBARK at that time). It was agreed that AMLASH/1 would used the address of UNSNAFU/13's parents for s/w letters to KUBARK (UNSNAFU/13 is wife of UNSNAFU/9).

AMLASH/1 next arrived in Paris in late November or early December 1964. AMWHIP/1 STOCKWOOD and ONTRICH (tdy from Headquarters) met with him in Paris (this time in a safe house of the Station. AMLASH/1 left for PBRUMEN from Madrid on 20 February 1965. During this stay in Paris AMLASH/1 met the following KUBARK staffers and agents:

STOCKWOOD, CLOADEN, RODAMER
AMWHIP/1, UNSNAFU/9, UNSNAFU/5, UNSNAFU/13

You will recall that in December 1964 UNSNAFU/5 had a nervous breakdown and AMLASH/1 played an important part in convincing UNSNAFU/5 that he should agree to hospitalization. It was in this connection that CLOADEN and RODAMER met AMLASH/1. CLOADEN subsequently met with AMLASH/1 two or three times to received reports for STOCKWOOD. These meetings were street meetings or in the home of UNSNAFU/5. During this stay, AMLASH/1 traveled to Madrid at least once to meet with AMBIDDY/1 and AMBANG/1. I am not aware of results of these meetings except that AMLASH/1 was seeking the physical instruments to carry out his plan to eliminate AMTHUG.

There was no additional contact with AMLASH/1 in Paris subsequent to February 1965 but the Station (CLOADEN and HIRLEES) did have subsequent contact with UNSNAFU/5, UNSNAFU/9, AMLASH/2 and AMLASH/3. You will recall that it was AMLASH/3 who made the "joking" pitch to MIRLEES on 6 May 1965. AMLASH/2 and AMLSH/3 were both aware of AMLASH/1 plans.

Paris Station personnel known to AMLASH/1

Peter J. KYMINGHAM	- not known what alias used. Some meetings were held in KYMINGHAM's home in 1962/63. It is not known if other staff personnel (other than ONTRICH) were met then by AMLASH/1.
Paul K. STOCKWOOD	-alias not known for sure but believe he used "Roberto". AMWHIP/1 knew STOCKWOOD as embassy officer and called him there.
Peter M. GLOADEN	- Known as "Dick". True name not used unless told to AMLASH/1 by UNSNAFU/5 or UNSNAFU/9.
Milton P. RODAMOR	- met AMLASH/1 only once, when transporting UNSNAFU/5 to hospital. Known to all As "Dr. ......" (cant remember aka used).
Dr. Lipsich	- cleared Dr. at American Hospital, Paris. AMLASH/1 met him briefly when admitting UNSNAFU/5 to hospital.
Wallace A. GROWERY (from MADR)	- met in 1962 during explosives training in Paris. Details not known.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Dr. MIRO Cardona on 6 October

1. Dr. MIRO arrived about 9:50 a.m. for the meeting we had set at 10:00; again he was driven by his secretary whom he introduced. As during the first meeting, she remained outside in the car. Our meeting lasted until 12:00 noon.

2. First, Dr. MIRO handed me a note in longhand listing the topics discussed with me on 5 October. These points are:

a. Groups conducting propaganda, etc. with Agency support should receive their support and be coordinated through the Council.

b. A propaganda campaign should be waged by the Council aimed at:

(1) Cuba, via a long wave radio station in Key West.

(2) Cubans in Miami and other U. S. areas by:

(a) Subsidizing Diario de las Americas.

(b) Contracting for time on radio stations.

(3) Latin America, with a plan such as the "Operacion Grieta."

c. Underground Activities.

(1) Provision of monthly funds to Council for procuring Cuban pesos to send to the seven-odd resistance groups in Cuba through reliable channels (such as previously sent through the Italian Embassy).

SECRET

(2) [redacted] action as outlined in plan presented to me [redacted] October.

3. Commando [redacted]

Then Dr. [redacted] me a plan (in English) for clandestine action prepared by [redacted] collaborators, whom he named as Colonel Manuel VA[redacted], an officer of the Academy, Captain Enrique DESPAIG[redacted] (fnu) MONTEAGUDO. He stated that they were [redacted] group and had been prisoners.

With respect to the plan for clandestine operations in Cuba, he stated that 300 men could be counted upon for commando action, part of them here, part in Cuba. He reiterated that a commando operation was essential to bolster morale among the anti-Castro elements in Cuba and in exile as well as to conduct sabotage that would further weaken Cuban economy and the Communist regime. He said that for this operation U. S. help would be necessary in providing weapons, ammo, demolitions, equipment, and funds. He proposed that if this plan was considered to have merit, that I arrange to have someone meet with his military men to work out the details. After all preparations had been made and materiel provided, etc. the operation would be purely a Cuban affair. (NOTE: Plan turned over to Thompson at our meeting at 15:30 on 6 October for transmission.)

4. Request for Arms, etc. to send to Escambray

Dr. MIRO remarked that over a month ago he had made a request to Clark for arms for the anti-Castro insurgents in the Escambray, but to date had heard nothing relative to the request. He commented wryly, "I ask but never hear an answer." He said that the fighters there should be supported. Dr. MIRO stated that he had a boat (provided by us) and a means for delivery of the arms. Osvaldo RAMIREZ is chief of the Escambray group.

COMMENT: Has anything been done about this request?

5. Information on Arms Received by Castro Regime

Dr. MIRO handed me a long report which he said was brought to him by the Argentine Ambassador to Cuba when the latter came to the U. S. at the time of President FRONDIZI's visit.* He said the Ambassador would not divulge the source of the information but commented, "You will know."

*Report turned over to Thompson on 6 October.

Dr. MIRO said there was no way to determine the accuracy of the figures given of planes, guns, etc. received from the Soviet bloc (and Italy and Canada) but even if the figures were exaggerated 100 per cent, they would still be impressive.

He added that Castro is daily becoming stronger militarily with weapons and with a large militia of close to 300,000 being trained to use them while the economy continues to deteriorate. Perhaps only half the militia would be effective. But that is sizeable. Thus, he said, the longer the delay in positive military action to overthrow Castro, the greater will be the task. "We must act soon, vigorously and effectively, to insure victory. Another defeat would be disastrous and would make Cubans, Latin Americans and others believe Castro to be invincible. Then would come accommodations and even worse, the implanting of Castro-backed regimes in the hemisphere. And the U. S. would suffer worst of all, being discredited for defeat and "guilt of interference." "In the UN no nation would stand beside the U. S."

6. Proposal that Council go to Cuba with Commando Group and Establish a Government on Cuban Soil

Dr. MIRO then declared that he was convinced that Castro would never be overthrown by all the propaganda, the sabotage, commando raids, guerrilla activities, rupture of diplomatic relations and deteriorating economy, and that it was inconceivable to establish a government-in-exile for nothing would come of it; that the only solution for defeating the Castro regime was for the Revolutionary Council to go to Cuba and establish a government on Cuban soil, ask recognition by all friendly countries and military assistance of its principal ally, the U. S., and that the U.S. be ready to intervene immediately with its Forces. "This would all have to take place in a matter of 48 hours, otherwise it would fail. I recognize that this is a bold plan, but boldness is necessary. There will be many risks, many may be killed. As for myself, I don't care if I die. I have lost all my personal possessions and my son is a prisoner." He reiterated that all must be well prepared in advance, there must be no vacillation, everything must proceed rapidly. First, a commando raid in force to seize a piece of Cuban territory, preferably near Guantanamo, and immediately the members of the Council go ashore, proclaim a provisional government, broadcast by radio to all nations an appeal for recognition (and cables prepared in advance would also be sent out), request U. S. assistance, and the U. S. should furnish such assistance at once in adequate strength to ensure victory.

Before such an action is undertaken, the enemy must be softened by propaganda, sabotage, raids, underground action, and the mass of the people of Cuba must be prepared to accept the provisional government through propaganda, increased knowledge of the Council and its unifying efforts.

Dr. MIRO asked me what I thought of this project; did I think that Castro could be overthrown in any other way. I admitted that strong military action appeared necessary. I stated further that of course his plan would have to be studied at the highest government levels. He proposed that he might elaborate a plan with his military collaborators, and I suggested that he do this so that it might be examined and considered.

Dr. MIRO declared that he was convinced that this Communist dagger in the side of the States could only be eradicated by such action, that the U.S. is and will be blamed for all anti-Castro propaganda, sabotage, etc. and that enemy states will denounce it for intervention in Cuba, but that if the U. S. goes to the aid of a friendly revolutionary regime established in the country and helps it defeat the Soviet-backed Communist regime, all friendly governments will applaud.

"I have no personal political ambitions," declared MIRO. "I merely am trying to chair the Council, whose mission is to unify the anti-Castro elements inside and outside of Cuba. If the team isn't considered effective, then change the pitcher. But I believe the Council must establish itself on Cuban soil, and soon. Time is against us." "The Punta del Este agreement will backfire against the U. S. if Castro is allowed to remain in Cuba. In a year, after the politicos of the countries receiving U. S. aid have gotten their hands on U. S. gold, they will say, 'Thanks to Castro, we got this.' And they will spend it as in the past with no benefits to the social and economic welfare of the people."

7. Views about the Judges and Lawyers

I queried Dr. MIRO as to his views relative to the judges and lawyers and their future status. He said he hoped that they could all reunite and that they could be given assistance as in the past. He declared that Dr. ALABAU was not qualified to be a justice and that he was doing nothing but making politics and trying to discredit the Council and MIRO and VARONA. Dr. MIRO declared that he, as Prime Minister in the early days of the Castro government, had named ALABAU to the

Supreme Court, but that now he considered ALABAU unfit to hold any judicial position.

8. Members of the Revolutionary Council

Dr. MIRO remarked that he had a meeting of the Council on 10 October. I asked what elements now composed it and what he proposed to add. He named the following as presently in the Consejo:

Rescate
30 de Noviembre
MRR
Accion Democratica
20 de Mayo
AAA Independiente
MDC
Montecristi

He said he had invited to join:

MRP
Unidad Revolucionaria

and awaited their reply.

He would also like to have the Workers, Students, and the Professionals (Doctors, Lawyers, etc.) come into the Council. He believes Batistianos and Comunistas and elements unwilling to cooperate should be excluded, but that all other groups should be brought together under the Council.

He contends that all anti-Castro activities, except clandestine and military, should be coordinated by members of the Council, but that the excepted activities should be known only to him (MIRO).

9. Probable Argentine Rupture of Relations with Cuba

Dr. MIRO declared that he believed imminent the Argentine rupture of relations with Cuba. He said the Argentine Ambassador to Cuba (Julio AMOEDO) was ordered to return to Havana (he had been vacationing in the U. S. after FRONDIZI's visit); that VILLANUEVA, a Secretary of the Argentine Embassy in Cuba was coming to see MIRO today; and further that he (MIRO) had received a phone call last night

from a Spaniard (Nicanor FERNANDEZ) in Buenos Aires, urging MIRO to go to Buenos Aires to arouse anti-Castro sentiment of the people, inasmuch as some Argentine action against Cuba appeared imminent. (FERNANDEZ said he had already written MIRO a letter.) MIRO says, "Of course, I cannot go. I have the Consejo meeting on the 10th. Furthermore, I am going to New York on October 11th or 12th for the SIP (Socieded Interamericana de Prensa) meeting and have been allotted 12 minutes to address the meeting."

10. MIRO to attend Homage to LACERDA (Brazilian who Precipitated QUADROS' resignation) on October 15

Dr. MIRO said he planned to remain in New York City (after 11 and 12 October SIP meeting) until October 15th to attend the homage for LACERDA, the Governor of Guanabara province in Brazil. MIRO probably will stay at the Park Chambers Hotel, but will advise Clark of his location.

I commented that I would probably remain in Washington next week in view of his plans, but that I might go to New York City to meet with him; if so, I would get in touch with him and arrange a meeting time and place through Clark.

11. Propaganda Commission

I asked Dr. MIRO about his ideas on the future organization and structure of the Propaganda Commission. He stated that it is outside the Consejo and not under his direct control, although the Council accountant has been passing funds to it. He said CASTRILLO had resigned as head of Propaganda and that he would like CONTE AGUERO to handle it. He claimed that MESTRE had not done anything with propaganda.

12. MIRO's Views Relative to Supreme Court Justice or PRIO being Recognized as Head of a Provisional Government

I asked Dr. MIRO if he believed that there were many anti-Castro Cubans (both in and out of Cuba) who favored PRIO, or the head of the Supreme Court to be the provisional president if a government were to be established on Cuban soil. Dr. MIRO declared that the revolution is a fact, and that practically nobody wants to go back to any former regime. The people in Cuba would resist any such possibility. He de-

nounced PRIO's activities against the Council and its efforts to unify the anti-Castro elements. He said that the people should be given an opportunity to elect their chief of state after Castro's overthrow and reestablishment of order in the island.

13. Offices of Council (Consejo Revolucionario)

When questioned about his business and private telephones, MIRO said, "The business phone is also in my house. I have no office except in my house, but that phone is always busy (JEfferson 2-4680). So use the other phone (JEfferson 4-2751) when you wish to call me."

"I need to have a small office somewhere away from my home because all the activities there are driving my wife crazy. I want to find something modest so that no accusation can be made of ostentation - merely a room for myself, one for my secretary, and one for meetings. of the Council, etc. The FRD had a place but at that place also was the press, the refugee center, etc. It would not be satisfactory. The FRD is now practically dead. It was the forerunner of the Consejo as the unifying agency of the anti-Castro resistance."

14. MIRO's Views on Coordinating the Activities of Other Exile Groups

After Dr. MIRO reiterated his view that he should be the channel for funds and coordinating the activities of groups outside the Consejo such as the Students, FORD (Labor), etc., I said that I understood that some of these elements were unwilling to function under the Consejo; and that in view of that situation, did he consider that an Activity Committee might be organized with a delegate from each of these groups and under the chairmanship of a member of the Consejo. This would serve to coordinate their activities, give them a tie-in with the Consejo, yet not make them subservient to it. Dr. MIRO replied that this would merely set up another Consejo outside of and parallel to the existing Consejo. I did not pursue this further, not having enough background of these organizations to be able to discuss the matter effectively.

15. Telephone Conversation with MIRO on 7 October

Before my departure from Miami for Washington on 7 October, I telephoned to Dr. MIRO from the airport. He appreciated the call and asked if I had seen in the morning paper the action taken yesterday by

the ALABAU Lawyers' group in proclaiming Julio CARCERAN (one of the chief justices in exile) as "President of Cuba at War." He expressed his indignation at this unilateral "political" move by ALABAU and his adherents among the exiled lawyers and judges. He added his best wishes to me and reminded me that he would probably go to New York on October 11th or 12th for the SIP (Sociedad Interamericana de Prensa) meeting. I replied that I would appreciate if he would contact Clark after his arrival to give his location in New York City, and that Clark might have a request from me for an appointment with him, if this seemed desirable. I suggested that in future phone conversations I would be known as JUANITO. He agreed with pleasure that this would be a good procedure. I wished him Godspeed and he replied likewise to me.

16. Comment

During these first two meetings I endeavored to establish myself favorably with Dr. MIRO and therefore refrained from bringing up details of budget or opposition to any of his specific proposals. I listened, asked various questions, and he talked at length.

In future meetings, after I have gained further background and have more policy guidance, I shall be able to discuss with him specific issues and endeavor to reach agreements or compromises, as may be required.

SYNOPSIS

Per his request, 2nd Lt. Oliverio Antonio TOMEU Vasallo was recontacted on 8 June 64 at his place of residence. He provided additional details on Carlos and Ana Gloria de VARONA, and identified Osiel GONZALEZ and one "COCO" as possible leads to Jose LLANUSA Gobel.

CONTACT REPORT

SUBJECT: Recontact of Oliverio A. TOMEU Vasallo. (201-283206)

1. At 1730 hours, 8 June 64, the undersigned was advised at his residence that a Mr. TOMEU (Subject) had called the security number given him (351-8161) and left the message that he would like to talk again with Paul Stroud (the undersigned) anytime after 1800 hours, 8 June.

2. Upon arriving at TOMEU's apartment (Apt. 303, 1028 Wahler Place SE, High Point Apartment House, Washington, D. C.), 1830 hours, 8 June, TOMEU indicated to his two daughters he would like to have some privacy and they and his wife, Caridad, left the apartment.

3. TOMEU apologized for not having recalled the name "de VARONA" as that of Ana Gloria de VARONA. He reiterated that, while in hiding to escape capture by the Cuban Government subsequent to his infiltration, he knew only the first names of the persons with whom he came in contact, but then added he knew Ana Gloria de VARONA, in whose house he was hiding, because she was the sister of Carlos de VARONA, one of his infiltration team members. (This Carlos de VARONA may be identical with one Carlos Manuel de VARONA Segura, 201-289985; or one Carlos Arturo VARONA Arjona, 201-283209.)

4. On several occasions, according to TOMEU, he was seated at the table in Ana's house with several other people. One of these individuals, known to TOMEU only as "COCO," was described as the secretary to Jose LLANUZA Gobel. There was not, however, any discussions in which TOMEU recalls LLANUZA or his political sympathies having been discussed. According to TOMEU's recollection it was "COCO" who was associated with LLANUZA, and he was not aware of any relationship between Ana and LLANUZA. Although TOMEU had no information as to what finally happened to Carlos de VARONA, his infiltration team mate, he suggested that if Carlos or Ana were available they may be able to identify "COCO" and provide data on his accessability for contact.

5. One Oziel GONZALEZ, former Chief of the Havana Fire Department, was identified by TOMEU as another possible lead

who would know LLANUZA. TOMEU affirmed Osiel was previously with MENOYO Gutierrez in the Second Front of Escambray. Osiel was under asylum in the Brazilian Embassy (sic, Argentine Embassy?), when TOMEU gained political asylum. When Osiel finally received his safe conduct from the Embassy, he went to Puerto Rico and, TOMEU postulates that Osiel is now again with MENOYO in either the United States or Puerto Rico.

6. Two snap shots (to be returned) were provided by TOMEU of himself and six other individuals who were in asylum at the same time. He identified these, in the photograph in which Monsignor Eduardo BOZA Masvidal is seated, as, from left to right: Manuel VILLAMANAN, Oliverio TOMEU, Nils DIAZ (believed to be in US), Publio RUIZ (US), Jorge Del VALLE (Mex?), and Osiel GONZALEZ (US or Puerto Rico?).

7. Upon completing the debriefing, Stroud and TOMEU "exchanged small talk" for a while until TOMEU finally stated that he still wished there was something more he could do to help free Cuba, and asked "What do you think I should do?" Stroud replied that no person could really make that type of decision for another individual, and countered by asking TOMEU what alternatives he had in mind, other than remaining in the US Army as a career military officer.

8. TOMEU replied that, of course, he was once an agriculturalist, but that there were few job opportunities in which he could apply his past experience. His sister had also asked him if he felt he and his family would want to live with her in Spain or Mexico, but he didn't think too much of this idea. He then stated that he had been asked by Manuel ARTIME to take a job as an instructor. Without indicating any association of even awareness of ARTIME's activities, or of ARTIME's contact with TOMEU (as indicated in TOMEU's 201), TOMEU was asked what he thought of ARTIME's proposition. TOMEU stated that he would no longer follow any man as an individual or as a leader, because a man's ideals, outlook, and objectives change with time. For example, the people of Cuba followed Fidel because of the ideals he advocated. When Fidel took over, his accomplishments gradually became quite different from the ideals he had espoused. TOMEU continued by saying he would "no longer follow a man. One could only trust his ideals or an organization which followed those ideals, since a good organization would be less likely of being controlled by a single man." When asked for an example of the type of organization he had in mind, TOMEU replied he was most favorably inclined towards the ideals and goals of the JURE. (The JURE or JRC is an organization created by Manolo RAY Rivero around a nucleus of former 26 July Movement leaders. See memo and attachment dated 23 July 1963 from John Hugh Crimmins, Coordinator of Cuban Affairs, ARA, Department of State in TOMEU's 201-283206.)

9. It should, perhaps, be noted here that in an informal exchange with Mrs. Donald WEBSTER, TOMEU's supervisor at the Defense Language Institute, Anacostia Naval Annex, 4 June 64, Mrs. WEBSTER volunteered the information that "all of the other 'Brigade students here' have told me they think very highly of TOMEU, and that he is a very brave man, because he and his family were very wealthy in Cuba and he gave it all up to go into exile and fight the Castro Regime."

1. On [illegible] April [illegible] [illegible] [illegible], [illegible] Exploitation Section, [illegible], [illegible] to the effect that a [illegible] Charles had [illegible] [illegible] in New York. A [illegible] of Charles, named [illegible] [illegible], Florida, had [illegible] [illegible], [illegible] Charles as a man of great interest to the [illegible] in view of the [illegible] in Haiti. Charles was [illegible] as [illegible] of the [illegible] Commerciale, Port au Prince, Haiti, who is in [illegible]. Mrs. [illegible] [illegible] that she had [illegible] [illegible] in [illegible] to [illegible] in order to obtain more background information and an assessment on Charles.

2. On 1 May [illegible] Mrs. [illegible] advised that Charles was staying at the Park Sheraton Hotel, New York, and that he had telephoned her since her name had been supplied to him by Dryer. Charles considered her to be his point of contact in Washington. According to Mrs. [illegible], Charles had appointments to see Vice President Johnson, Senator Keating, and Congressman [illegible] (Florida). However, Charles was willing to talk to representatives of Mrs. [illegible]'s office. Mrs. [illegible] stated that the Haitian desk man in [illegible] was ready to go to New York to talk to Charles and [illegible] to accompany him. Charles speaks very little English and a [illegible] in French was therefore required for the interview. Mrs. [illegible] stated that she might be able to obtain a French linguist from First Army, Governor's Island, but he would not be an intelligence officer. It was decided that [illegible], New York Office, who has a knowledge of the French language would accompany the [illegible] representative [illegible]. It was also arranged that [illegible] would meet the [illegible] representative (Captain [illegible]) at the Park Sheraton Hotel where Charles was staying.

3. On 2 May [illegible] Mrs. [illegible] reported that Col. [illegible] had interviewed Mr. Dryer in [illegible]. Dryer had appointed Charles as Director of his bank in Haiti. Charles, according to Dryer, formerly had no political ambitions but in view of the current political situation in Haiti, Charles now thinks that he may some day be president. Dryer described Charles as well-connected, politically and financially, on both sides of the fence in Haiti. He is also a good friend of Francois Duvalier. Dryer had given Charles letters of introduction to Senator Keating and to other [illegible] in Washington. Charles wanted to see President Kennedy and indeed had gone to the White House to arrange [illegible] an appointment. He was [illegible] by the President's [illegible] secretary and invited to dinner that evening with the appointment

secretary. Through a misunderstanding, however, Charles did not attend the dinner but went to New York instead.

[illegible]

4. Charles is [illegible], according to [illegible], with a Texas geologist named [illegible] de Mohrenschildt [illegible] with Charles [illegible] trying to arrange a meeting for Charles with Vice President Johnson.

5. On 3 May 63 Jim Daley telephoned to advise that he had had a three-hour session the previous day with Charles and that he had obtained both personality data and views by Charles on what the United States should do in the current Haitian situation. Daley advised that he was transmitting the information to Washington. Upon arrival, copies of the telegram were transmitted to ACSI (Mrs. Matlack), WH Division, and the Latin American Branch.

6. On 6 May 63 Mayo Stantz, Support Branch, advised that WH Division wished to speak to Charles and Daley was asked to arrange an appointment. Mrs. Matlack telephoned at approximately 1715 to advise that she had just received a telephone call from Mrs. de Mohrenschildt asking assistance in obtaining hotel reservations in Washington. Upon being told that we had no special means of obtaining reservations, Mrs. Matlack stated that she would check with the State Department Protocol Office to determine which hotels would admit negro guests. Mrs. Matlack finally made reservations at the Alban Towers. A check with Jim Daley revealed that he had arranged for Charles to meet the WH representative in the lobby of the Willard Hotel, Washington, D. C., at 12:00 noon on 7 May. Attempts to reach Mrs. Matlack that afternoon were unsuccessful. At 0930, 7 May, a call was made to Mrs. Matlack to confirm that Charles would be in Washington on that day and that arrangements had been made for a meeting with an Agency representative for 12:00 noon. Mrs. Matlack reported that both Mrs. de Mohrenschildt and Charles had called her that previous evening to confirm a 12:30 luncheon appointment with her. Mrs. Matlack was concerned that CIA and Army should not be working at cross purposes. She had received authorization from ACSI to meet Charles at lunch and felt that it would not be politic for her to withdraw from her commitment since Army considered her the point of contact with Charles. Mayo Stantz informed WH Division of the conflict and agreed on the suggestion that the WH Division representative might meet Charles and Mrs. Matlack at noon and that Mrs. Matlack offered to withdraw shortly thereafter. The WH representative declined the offer and suggested that a meeting later in the afternoon be arranged. Mrs. Matlack believed that due to conflicting instructions, she had been placed in the middle in the situation from which she could not graciously withdraw and requested that someone accompany her.

CONFIDENTIAL

SUBJECT: Clemard Joseph CHARLES

7. I met Mrs. [illegible] in the lobby of the Hotel Willard shortly before noon, and [illegible] Mr. Charles arrived, accompanied by Mr. and Mrs. de Mohrenschildt. We lunched in the restaurant of the hotel. Mr. de Mohrenschildt [illegible] he had been born in [illegible], Russia, [illegible] taken to Poland as a small child. [illegible] Poland prior to World War [illegible] in the Polish Army. He also mentioned that he had [illegible] in 1957 and while in [illegible] had met Charles who was visiting [illegible] at the time. He had [illegible] to Charles and was invited to visit Haiti, [illegible]. He lives in Dallas, Texas. He has a M.S. in geology and has had [illegible] experience. Mrs. de Mohrenschildt was born in Peking, China. Her father was Russian and her mother [illegible], and she [illegible] a fashion designer. Mr. de Mohrenschildt mentioned that he has known Charles for sometime and that he is a partner with him in a sisal business in Haiti.

8. Both Charles and de Mohrenschildt were anxious to arrange meetings with government officials in Washington. I mentioned to Charles that a meeting had been arranged for him at 2:15 and that a Mr. Green would meet him in the lobby. At 2:10 Mrs. [illegible], Mr. and Mrs. de Mohrenschildt and I departed and Charles remained in the lobby waiting for contact.

9. In the course of the luncheon conversation, Charles had mentioned to Mrs. [illegible] that he desired to see a Mr. [illegible], AID, to discuss US aid to Haiti. Later that afternoon Mrs. [illegible] called to state that she had called the State Department to pass along Charles' request. Mr. [illegible] (State) had called her back to pass on the Haitian Desk man's extreme displeasure that anyone in the United States Government should be in official contact with Charles. The desk man considered Charles to be close to the Duvalier Government, to have been involved in several shady financial dealings, and in general, to be an undesirable character. Mrs. [illegible] asked whether the Agency had any interest in Charles which would dictate further contact with Charles.

10. [illegible] checked with WH Division and determined that as a result of the meeting with Charles, the WH/3 Haitian Desk had no further plans to contact him. I told Mrs. [illegible] that our interests seemed to have been satisfied and that I believed we should disengage ourselves as gracefully as possible.

11. [illegible], [illegible] Coordinator, called on 7 May to inquire concerning our involvement in the Charles case. He stated that [illegible] had called him earlier that day to inform him that [illegible] had no direct interest in Charles and that in the matter as an intermediary of the [illegible] of General [illegible] who had passed the [illegible] to General [illegible]. [illegible] was concerned that due to the [illegible] in [illegible] to the Charles, [illegible] might have [illegible] that [illegible] had interfered or had obstructed CIA contact with Charles. I explained to [illegible] what had happened and he [illegible] called back to state that [illegible] was completely satisfied in the way the matter had been handled.

12. On 8 May Mrs. [illegible] telephoned to advise that the Operational Branch of [illegible] was discussing the Charles case with [illegible] to determine future course of action. She was still somewhat concerned over our own position in the case since Charles considered her to be the focal point in Washington. I reiterated to her that the matter was one for [illegible], the State Department or the operational elements to handle and that we preferred to disengage ourselves. Mrs. [illegible] mentioned that a dispatch had been received to the effect that a cousin of Charles was prominently mentioned as a successor to [illegible] should the latter be overthrown. She was of the opinion that the US government should continue to "play ball" with Charles as a future asset in [illegible] affairs.

Charla con el profesor Agustín P. Pons

Posible un intercambio de médicos de Cuba y España

Por JORGE COO

De la Redacción de EL MUNDO

¡Lo mejor que he visto en Cuba son sus médicos!, así se expresó el doctor Agustín Pedro Pons, eminente médico español, durante la conferencia de prensa que ofreció en el salón de actos del Colegio Médico Nacional. El doctor Pons es ampliamente conocido en los grandes centros asistenciales de Europa, en donde en materia de Clínica Médica es llamado con justicia El Maestro. Ha sido además, presidente del Instituto Médico Farmacéutico y presidente de la Academia de Ciencias Médicas, siendo en la actualidad su presidente de honor.

Actualmente se encuentra de visita en nuestro país, acompañado por su auxiliar el doctor Pedro Botet invitados por el Consejo Científico del Ministerio de Salud Pública y el Colegio Médico Nacional.

Precedieron a la dirigente revolucionaria en el uso de la palabra, el jefe de la Misión del Frente Nacional de Liberación de Vietnam del Sur, Vo Dong Giang, y el secretario general del Comité de Base de la UJC del MININD, Tomás Alvarez.

Comenzó Vo Dong Giang refiriéndose a que se está celebrando en Vietnam del Sur los festejos del Año Nuevo Lunar. "El calendario lunar de 1964 terminó muy mal para los yanquis, y el de 1965 empezó peor", dijo.

Explicó después que durante estos festejos se aprovecha para hacer un balance de las actividades realizadas en 1964 y trazar los planes a desarrollar en 1965. Afirmó que ya los imperialistas y sus lacayos no son los que deciden la situación en Vietnam del Sur, sino el pueblo y el Frente Nacional de Liberación.

En relación con la cooperación material que está realizando Cuba en favor del pueblo sudvietnamita, Vo Dong Giang expresó que esa ayuda no solamente sirve a los damnificados de los tifones, sino de estímulo para acelerar la lucha de liberación.

Al terminar de hablar el Jefe de la Misión, una joven comunista le entregó un cuadro de Julio Antonio Mella en nombre de todos los trabajadores del MININD.

Asistieron al acto el embajador de la República Democrática de Vietnam, señor Nguyen Thanh Ha, y el viceministro de Desarrollo Técnico, ingeniero Tirso W. Sáenz. (Reporte: Raimundo Rodríguez).

do el mundo tiene cabida en los hospitales, sin distinción de clase. Además, los centros asistenciales están bien equipados, yo diría que casi con riqueza, si no fuera porque esto parece un término burgués".

"Capítulo aparte merecen los servidores de estos centros. No quiero que parezca lisonja, pero tengo la impresión de que son médicos de una gran cultura, con una gran sed de aprender. Son médicos que están al corriente de las mejores técnicas modernas, y sobre todo existe en ellos el entusiasmo. No cabe duda que todo esto converja en un mejor servicio. He de decirles que en ningún lado he visto apatía, sino un coro de gente en el que todos vibraban. Y tengan entendido que un cuerpo de médicos que así sienta su profesión, será dentro de poco uno de los mejores del mundo. Todo esto lo puedo

Los equipos de trabajo se dividirán en interiores y exteriores. Los interiores estarán formados por alumnos de cuarto grado y tendrán la responsabilidad del arreglo y mantenimiento de las áreas verdes correspondientes al plantel. Los equipos exteriores los formarán alumnos de los [illegible] los quinto y sexto y tendrán como tarea fundamental la de ir al rescate de las áreas verdes en la zona en que se encuentre ubicada la escuela.

TRASMISION DE ENFERMEDADES INFECCIOSAS

La trasmisión de una bacteria que causa enfermedades desde una persona enferma a una persona sana, se efectúa de diversos modos.

El agua transporta gran cantidad de bacterias. Por eso hay que hervir el agua. La candela mata los microbios.

La leche puede transportar también bacterias patógenas. Hierva también la leche.

Los alimentos también pueden transportar bacterias patógenas. Proteja los alimentos.

En ocasiones intervienen los insectos. Por ejemplo, una mosca es capaz de cargar hasta diez millones de microbios. Y al posarse en el cuerpo del niño, o en el tete, o en los juguetes, los infecta. El mosquito Aedes Eegypti puede trasmitir la fiebre amarilla. Otros animales como el perro y el gato pueden trasmitir la rabia.

decir en una [illegible] mejor que he visto de Cuba, son sus médicos".

A las preguntas sobre un posible intercambio médico entre Cuba y España, el doctor Pons contestó que esto estaba lleno de promesas y que, precisamente, su viaje trataba de abrir un camino a este intercambio científico. Señaló que para esto Cuba y España tienen una gran facilidad, y es que ambos países hablan una lengua común. Comunista?

Siguiendo el curso de la entrevista, el científico español nos dijo: "No he tenido tiempo de ver nada sobre medicina rural, pero estoy enterado de que se han hecho muchos hospitales rurales y "comarcales" y que se le está prestando una gran atención a la asistencia médica en el campo".

Sobre un posible retorno a Cuba, el Dr. Pons respondió: "Pienso volver en un plazo muy breve. Sobre esto he hablado con el Viceministro y el Ministro del MINSAP y creo que hemos llegado a un acuerdo".

A las preguntas sobre su libro "Clínica Médica", que es usado como libro de texto en nuestra Universidad, dice: "De mi libro no puedo hablar porque es como el elogio de un padre al hijo, pero les diré que no es obra mía solamente, sino que conmigo colaboran más de 45 médicos. Hay muchos libros que tratan sobre lo mismo, sobre todo, libros americanos; pero éstos están escritos muy espontáneamente, con cierta superficialidad; nosotros, por el contrario, nos reunimos semanalmente para hacerle mejoras, y creo que ha esto debe su éxito".

Respecto al Hospital Siquiátrico, el Dr. Pons dice: "Esto culmina la obra médica que se ha hecho en Cuba. Ya no puede ser mejor. Se puede igualar, pero no superar. Es un mundo aparte, es quizás la obra más afortunada de la Revolución con respecto a medicina" (!)

Los reporteros quisieron saber la opinión del doctor Pedro Boret, auxiliar del doctor Pons, acerca de la medicina en Cuba, a lo que el aludido contestó: "Poco se puede agregar a lo dicho por el Dr. Pons, pero hay algo que sí quisiera decir: En este viaje he aprendido a ser humilde, puesto que yo, médico joven, como muchos otros pude decir: bueno, voy a Cuba, doy unas conferencias y ya. Pero después de visitar varios hospitales, después de ver un lugar como el Departamento de Química Endocrinológica del Hospital "Fajardo", uno debe hacer un acto de contrición y reconocer que a Cuba, también venimos a aprender". STANDARD CONDITIONS OF RADIO NEW YORK WORLDWIDE CONTRACT FOR BROADCASTING

1. PAYMENT AND BILLING.

(a) Time Payments under this contract are to be received by STATION at the address specified on STATION's bills on or before the 15th of each month following that in which broadcasting is done. Payment is to be made in United States funds, net, payable at a New York City bank, unless specifically provided to the contrary on the face hereof.

(b) Materiality. In all cases date of payment is material. If STATION fails to receive timely payment, or if ADVERTISER's or AGENCY's credit is, in STATION's reasonable opinion, impaired, STATION in its own discretion, may either cancel this contract under sub-paragraph 3(a) or change the terms of payment for further broadcasts under this contract.

(c) Billing. STATION will bill AGENCY at intervals following broadcasting.

2. TERMINATION.

(a) Broadcasts Other Than Participations and Spot Announcements. If this contract calls for broadcasts of time periods other than participations and spot announcements, the entire contract may be terminated by either party effective at the end of any 13 week cycle of broadcasting hereunder upon giving the other party not less than 28 days' prior written notice.

(b) Participations and Spot Announcements. If this contract calls for broadcasts of participations and spot announcements the entire contract or parts thereof may be terminated by either party at any time by giving the other party not less than 14 days' prior written notice.

(c) Claims. If STATION is notified of any claim caused by arising out of, or resulting from any broadcast hereunder, whether in connection with program material furnished by AGENCY or STATION, or otherwise, and said claim is deemed substantial in STATION's reasonable opinion, STATION may, by giving written notice to AGENCY, terminate this contract as to any or all further broadcasts.

(d) Effect of Termination. If AGENCY terminates this contract under sub-paragraph 2(a) or (b), AGENCY will pay STATION at earned rate for broadcasts contracted for to and including the date of termination. If STATION terminates this contract under paragraph 2, as to any or all broadcasts scheduled hereunder, such termination shall be without penalty of short rate, that is AGENCY shall have the benefit of the same discounts that it would have earned if STATION had not so terminated and this contract had continued through the last broadcast scheduled. If STATION terminates this contract under sub-paragraph 2(b) or (c) as to less than all of the broadcasts scheduled hereunder, AGENCY may, upon giving STATION written notice within seven days after STATION's notice, terminate this contract in its entirety simultaneously with the effective date of STATION's notice, in which event such termination shall also be without penalty of short rate.

3. EFFECT OF BREACH.

(a) By Agency. STATION reserves the right to cancel this contract at any time upon default in the timely payment of bills, failure to furnish continuity acceptable to STATION, or other material breach of the terms hereof. Upon such cancellation all charges accrued hereunder and not paid shall become immediately due and payable, and AGENCY shall also pay, as liquidated damages, a net sum equal to that which AGENCY would have been obligated to pay had it, on the effective date of STATION's cancellation, given notice of termination pursuant to sub-paragraph 2(a) or (b), less any net sum which STATION actually receives for the sale of the same airtime.

(b) By Station. In the event of a material breach by STATION in performing this contract, AGENCY reserves the right to cancel this contract. Upon such cancellation STATION shall pay, as liquidated damages, a net sum equal to the actual non-cancellable out-of-pocket costs necessarily incurred by AGENCY through cancellation of this contract. STATION's liability, however, shall not exceed the net time costs involved for the unexpired and non-cancellable portion of this contract, that is, STATION shall not be liable for any sum greater than the sum of the net time charges involved had the STATION, on the effective date of AGENCY's cancellation, given notice of termination pursuant to sub-paragraph 2(a) or (b). Failure to broadcast covered by paragraph 4 or 5 shall not be deemed a breach of this contract.

(c) Limitation of Liability. In the event of cancellation under this paragraph 3, neither party shall be liable to the other otherwise than as specified in this paragraph and in paragraph 8.

4. FAILURE TO BROADCAST.

If as the result of public emergency or necessity, government order, force majeure, restriction imposed by law, Act of God, labor dispute, mechanical breakdown, or any cause, similar or dissimilar, beyond STATION's reasonable control, STATION fails to broadcast all or part of any program, participation or announcement contracted to be broadcast hereunder, STATION shall not be liable except to adjust its time charges as hereinafter stated: (a) if no part of a scheduled broadcast is performed, a later broadcast of the omitted program, participation or announcement shall be made at a reasonably satisfactory substitute day and time, and if no reasonably satisfactory substitute day and time are available, the time charges for the omitted broadcast shall be waived. (b) if part of a scheduled broadcast, but not all thereof, is omitted, STATION shall allow a pro rata reduction in the time charges; or if a commercial portion of a broadcast is omitted, a credit in the same proportion to the time charges which the omitted commercial portion bears to the total commercial portion of the broadcast, whichever is greater.

In any such case of total or partial failure, AGENCY shall have the benefit of the same discounts which it would have earned if the affected broadcast had been performed in full.

5. PRE-EMPTIONS FOR PROGRAMS OF PUBLIC INTEREST OR SIGNIFICANCE.

(a) Conditions of Substitution. STATION shall have the right to cancel any broadcast or portion thereof covered by this contract in order to broadcast any program or event which, in its absolute discretion, it deems to be of public interest or significance. In any such case STATION will notify AGENCY in advance if reasonably possible, but where such notice cannot reasonably be given, STATION will notify AGENCY within a reasonable time after such scheduled broadcast that AGENCY's broadcast has been pre-empted.

(b) Adjustment. If AGENCY and STATION cannot agree upon a satisfactory substitute day and time the broadcast time so pre-empted shall be deemed cancelled without affecting the rates, discounts, or rights provided under this contract, except that AGENCY shall not have to pay STATION any charges for the cancelled broadcast.

6. RATE PROTECTION.

Station reserves the right at any time or times to change the rates, discounts and charges hereunder to conform to any rate card issued after the date of this contract. AGENCY shall have the benefit of any decrease in the aggregate sums payable hereunder beginning as of the effective date of such rate card, but no increase in said aggregate sums shall be applicable until twelve months from the effective date of such rate card. The protection against rate increases is applicable only to broadcast schedules contracted for prior to the effective date of such rate card and in effect or starting within thirty days after the effective date of such rate card, provided that any interruption or lapse of schedule not attributable to STATION shall automatically terminate such protection.

7. PROGRAM MATERIAL.

(a) Agency Responsibility. Unless otherwise noted on the face of this contract, all program material including talent and commercial announcements, shall be furnished by AGENCY, and all expenses connected with the delivery thereof to the STATION and return therefrom, if so directed, shall be paid by AGENCY. AGENCY shall deliver complete music cue sheets for all musical compositions designated by AGENCY for broadcast and all other program material not less than 96 hours (exclusive of Saturdays, Sundays and holidays) in advance of broadcast.

(b) Approval of Material. STATION may, in its discretion, reject any musical compositions, and may reject recordings, the technical quality of which does not comply with STATION's standards. All live program material to be broadcast hereunder shall be adequately rehearsed, and all live and recorded material to be broadcast hereunder shall conform to the STATION's program and operating policies, STATION's labor contracts, and the public interest, including specifically, but not limited to the Federal Communications Commission regulations requiring that international broadcast service shall reflect the culture of this country and shall promote international good will, understanding and cooperation. Program material and performers furnished by AGENCY are subject to STATION's approval and STATION may exercise a continuing right to reject or cause AGENCY to edit such material or replace performers to the extent STATION deems necessary to conform to the standards specified in this sub-paragraph.

(c) Right to Edit or Substitute. Should STATION fail to receive satisfactory program material when required hereunder STATION may notify AGENCY, and unless STATION receives satisfactory program material within 24 hours after such notice is given, STATION shall have the right to edit any program material received and broadcast the same as edited, or to produce a substitute broadcast, and STATION will be paid for such edited or substitute broadcast its regular charges for the broadcast, plus a reasonable charge for the editing or production of a substitute broadcast.

8. INDEMNIFICATION.

(a) By Agency. AGENCY will hold and save STATION harmless against any and all liability and expense, including attorneys' fees, resulting from the broadcast of programs or program material prepared, produced or furnished by AGENCY, including musical compositions, excepting such liability as may result from the broadcast on AGENCY-produced broadcasts of material furnished by STATION.

(b) By Station. STATION will hold and save AGENCY harmless against all such liability and expense, including attorneys' fees, on STATION-produced broadcasts, excepting only such liability as may result from the broadcast of commercial and other material furnished by AGENCY. In addition, STATION will hold and save AGENCY harmless with respect to material furnished by STATION for AGENCY-produced broadcasts.

9. INCREASED COSTS.

If at any time or times under any collective bargaining agreement(s) by which STATION is bound or to which STATION adheres, or under any law, foreign or domestic, the costs of any service, material or personnel furnished by STATION hereunder is increased as the result of the establishment of or change in minimum compensation payable to personnel, or taxes, assessments, benefits or contributions payable by STATION, AGENCY shall pay STATION the amount of each such increase in costs as of the effective date thereof.

10. GENERAL.

(a) Broadcast Times. STATION will perform the broadcasts covered by this contract on the days and at the approximate hourly times provided on the face of this contract. STATION reserves the right at any time or times to change the days and/or hours of broadcast, in the event of changes by the Federal Communications Commission in allocation of hours and/or frequencies. In such event mutually acceptable alternate days and/or hours shall be substituted; if, however, the substitute times offered by STATION to AGENCY are unacceptable to AGENCY, AGENCY shall have the right to cancel upon giving STATION written notice thereof, and such termination shall be without penalty of short rate. Times mentioned shall be those in effect at STATION on the respective days of broadcasting. STATION may deduct from any period of five (5) minutes or longer not more than thirty-five (35) seconds for Station break purposes.

(b) Handling of Property and Mail. STATION shall exercise normal precautions, but shall assume no liability for loss of or damage to program material or other property furnished by AGENCY in connection with broadcasts hereunder. STATION will not accept or process mail, correspondence or telephone calls in connection with broadcasts except after its prior approval, and if so approved, at the sole risk of AGENCY and subject to reimbursement by AGENCY for all expense incurred.

(c) Relationship of Advertiser and Agency. If this contract is with a recognized advertising agency, an agency commission of 15% will be allowed, if and as provided on the face of this contract. AGENCY is making and shall perform this contract as agent for a disclosed principal, i.e., the sponsor named on the face of this contract, but if ADVERTISER defaults in the performance of any obligation to STATION hereunder AGENCY by executing this contract waives notice of such default and agrees to be liable, jointly and severally with ADVERTISER, for any and all claims, debts, demands or obligations owing to STATION hereunder. If this contract is made directly with a sponsor, references to AGENCY shall apply to ADVERTISER, except that no agency commission will be allowed.

(d) Assignment and Waiver. AGENCY shall not without the written consent of STATION assign this contract or any of AGENCY's rights hereunder. STATION may not be required to broadcast hereunder for the benefit of any sponsor other than ADVERTISER named on the face of this contract, or to broadcast hereunder for the advertisement of any institution, service or product other than that named on the face of this contract. Notwithstanding the foregoing, ADVERTISER shall have the right at any time or times to designate any advertising agency to act for ADVERTISER hereunder in place of AGENCY. Failure of STATION or AGENCY to enforce any of the provisions of this contract shall not be construed as a general relinquishment or waiver as to that or any other provision.

(e) Legal Obligations. STATION's obligations hereunder are subject to the terms and conditions of licenses held by it and to applicable international, federal, state and local laws and regulations.

(f) Entire Agreement. This contract contains the entire agreement between the parties relating to the subject matter herein contained, shall be construed according to the law of the State of New York, where STATION's office is located, and cannot be changed or terminated orally.

(g) Notices. Notices given by prepaid telegram or by registered or certified mail shall be deemed given when dispatched. Notices given by ordinary mail shall be deemed given when received. All notices hereunder shall be in writing and if given by other than personal delivery shall be addressed to the party at the address specified on the face of this contract or to such other address as may be specified hereunder in writing

Gentlemen:

We have received your check for $1,923.75 in payment of Invoice #1382 covering a reduced billing for three broadcasts per week from November 16 to November 30.

However, since we carried, at your request, 6 broadcasts per week for this period, we sent a supplemental Invoice #1389 for $607.50 to cover these additional broadcasts.

Since we have also received payment for your December Invoice #1399, we wonder if you have misplaced Invoice #1389 covering the additional broadcasts for November.

Enclosed is a copy of Invoice #1389 along with your February Invoice.

Very truly yours,

Richard W. Greff
Vice President

Dear Mr.Brent,

Under the terms of our agreement with you, we hereby wish to advise you that beginning 1 December 1964 we desire to reduce the number of the "Medico y Usted" broadcasts from six per week to three per week. If possible we would like to retain the Monday, Wednesday and Friday time slots. If this is not possible, our second preference would be for a Tuesday, Thursday and Saturday schedule.

Thank you very much for your cooperation in this matter and we look forward to continued collaboration with you in these matters of mutual interest.

Sincerely yours,

This is to formalize a verbal request made earlier this month to Chief, Cover Branch. It would be appreciated if the Dade County Medical Association could be appriced of the fact that the radio program it overtly sponsored entitled "El Medico y Usted" has been terminated as of 30 September 1965. The program was carried on by Dr. Antonio MACEO y Mackle and was heard three times a week over WRUL and Radio Americas. The program was terminated because it was considered of marginal value in the propaganda field.

RETIRAN DE LA VIA PUBLICA LOS VENDEDORES CLANDESTINOS

La JUCEI Municipal de La Habana está retirando y retirará de la vía pública a todos los vendedores ambulantes en carretillas, tableros o puestos fijos y en las demás formas de ejercer el comercio o la industria que actúan en forma clandestina, es decir sin la correspondiente licencia del Departamento de Ingresos de dicha JUCEI Municipal.

¿Casualidades de la vida o señal de los nuevos tiempos? . . . El central "Jaime López", cumplió cien años el viernes de la Semana de Girón . . . ¡Y es la primera vez que muele el viernes de esa semana!

En la calle Tamarindo número 28, altos, existía un salidero de agua. Acudió la ENMIU y con toda rapidez resolvió el problema. Sin embargo, como resultado de la reparación quedó afectado el techo de la casa de Tamarindo 28, bajos, residencia de Mercedes Borrás, quien reclamó el arreglo correspondiente. La respuesta de la ENMIU es que Mercedes debe pagarle a la ENMIU por reparar los daños que la ENMIU le causó en su casa.

Entonces cuando veas el salidero de tu vecino arreglar, pon tu dinero en remojo . . .

Si usted es escéptico, no lo crea, pero nosotros vimos a Evelio García, un joven comunista de la regional Jovellanos ¡alzar veinte camiones de caña —10,000 arrobas—, en treinta y nueve minutos! Al final, Evelio, auxiliado voluntariamente por Antonio Bringas, Manolo Sánchez y Rubén Llorente, alzaron 64.532 arrobas que, hasta el cierre de esta edición, es el récord nacional.

Siempre hemos dicho que esas estaciones americanas que se ponen aquí a oír a escondidas los gusanos también los va a embarcar; luego no digan que el radio los embarcó.

Badí Castro.

HOJA NO. 1. (PARA J.L.V.P.)

LA QUE SUSCRIBE ESTAS HOJAS NO ES UNA AGENTE PAGADA DEL IMPERIALISMO, NO ES MIEMBRO DE LA CIA NI ES UNA ESPIA EXTRANJERA. NO ES NI SIQUIERA UNA BURGUESA NI UNA EXLATIFUNDISTA QUE SANGRA POR LA HERIDA. ES SIMPLEMENTE UNA OBRERA. UNA OBRERA CUBANA QUE POR MOTIVOS OBVIOS OCULTA SU NOMBRE TRAS UN SEUDONIMO. NO TIENE NADA QUE TEMER PORQUE NO ESTA INVOLUCRADA EN NINGUN GRUPO CONTRA REVOLUCIONARIO PERO COMO LA VERDAD TANTO HIERE Y DUELE A LOS MENTIROSOS, NO DUDA QUE LOS MISERABLES QUE GOBIERNAN A SU PAIS, AL SABER DE QUE MANO PROVIENEN ESTAS HOJAS, TRATEN DE CORTARLA CON LA MISMA DESTREZA SINIESTRA CONQUE CERCENAN HASTA LA MAS LEVE SEÑAL DE DIGNIDAD HUMANA. Y BASTA DE PREAMBULOS. MUCHO HAY QUE DECIR Y ESCRIBIR EN FORMA DE COMBATE, A LA PEQUEÑA MEDIDA DE NUESTRO ESFUERZO PERSONAL, PARA PERDER EL TIEMPO EN PROLOGOS INUTILES QUE QUIZAS POR UN DESCUIDO PONGAN ALGUN INDICIO DELATOR EN LOS PERROS DE PRESA SI POR DESDICHA LLEGARA UNA DE ESTAS HOJAS A EXTRAVIARSE. EN FIN DE CUENTAS NO IMPORTA QUIEN ESCRIBE ESTAS PAGINAS. BASTE CON SABER QUE SON DE UNA CUBANA QUE AMA LA VERDAD Y QUE ESTA RESPLANDECE SIEMPRE POR SOBRE TODAS LAS NEGRURAS.

PRIMERO DE MAYO EN CUBA COMUNISTA. (1965)

MUCHOS SE PREGUNTAN COMO ES POSIBLE SI LA INMENSA MAYORIA DEL PUEBLO CUBANO REPUDIA EL SISTEMA TOTALITARIO Y ABUSEVO QUE POR LA FUERZA DE LAS ARMAS SE HA IMPLANTADO EN SU PAIS, PUEDA EL GOBIERNO REUNIR A TANTOS MILES DE CUBANOS EN LA PLAZA JOSE MARTI. SENCILLICIMA LA EXPLICACION. LO ABSURDO SERIA ADMITIR QUE TODOS ESOS MILES DE CUBANOS APOYAN AL GOBIERNO. VEREMOS DE QUE FORMA SE COMPONE EL DESFILE. HACIENDO UN CALCULO CONSERVADOR, EL 80 % DE LOS COMERCIOS CAPITALINOS SON ESTATALES Y MAS DE UN 90 % DE LAS INDUSTRIAS. NO PUEDE AFIRMARSE QUE LOS OBREROS DE LAS FABRICAS FUERON OBLIGADOS A DESFILAR. LAS FABRICAS SIEMPRE TIENEN UNA VENTAJA SOBRE LOS COMERCIOS DONDE SE EXPENDEN LOS ARTICULOS DE CONSUMO. SIN EMBARGO, TAMBIEN EN LAS FABRICAS TIENEN LA MINORIA DE COMUNISTAS QUE PERMANECE AL FRENTE ALGUNA ORGANIZACION PARA EL PRIMERO DE MAYO. CON EL PRETEXTO DE QUE EL DESFILE SE HACE EN FORMA DE BLOQUES Y ES NECESARIO ENSAYAR CON VARIOS DIAS DE ANTICIPACION, UN DIRIGENTE SINDICAL SE ACERCA A CADA OBRERO UNO POR UNO, Y LE PREGUNTA SI VA AL DESFILE. COMO QUE SIEMPRE LA MAYORIA ES APATICA, Y QUIEN DICE APATICA DICE CONTRARIA AL SISTEMA, SON POCOS LOS QUE CONSIGUEN PARA EL DESFILE. ESOS POCOS QUE CONQUISTAN NO ES TAMPOCO PORQUE SEAN COMUNISTAS. HAY OBREROS QUE NO PERTENECEN AL COMITE DE DEFENSA, NI A LA MILICIA, EN FIN QUE NO ESTAN INTEGRADOS A NINGUN CUERPO DE LA REVOLUCION Y POR TANTO SE DESTACAN COMO GUSANOS. COMO NO PIERDEN NADA CON DESFILAR, PIENSAN QUE CONVIENE ESTAR A BIEN CON LOS COMUNISTAS DE SU CENTRO DE TRABAJO Y UNOS POR MIEDO Y POR ADULACION OTROS SIEMPRE LOGRAN ALGUN GRUPO. SUMENSE ESOS POCOS DE CADA FABRICA Y YA TENEMOS UNOS CUANTOS. LOS DEPENDIENTES DEL COMERCIO ES DIFERENTE, A ESOS LOS OBLIGARON DESDE UNAS SEMANAS ANTES A TRABAJAR CON UN SOMBRERO DE GUANO Y UN PAÑUELO ROJO AL CUELLO. ENTONCES PARA DEVOLVER ESAS PRENDAS LES DIERON UN PAPELITO EL CUAL TENIAN QUE LLEVAR EL DIA PRIMERO....AL DESFILE Y ALLI ENTREGARLO. SIEMPRE HAY EL CORAJUDO QUE SE OPONE Y SIEMPRE HAY TAMBIEN QUIEN VA PRESO POR OPONERSE. PERO LA GRAN MAYORIA VA POR EL TEMOR QUE SE DESATA EN TODAS SUS FORMAS EN EL PAIS. YA TENEMOS OTRO GRUPO MAS NUMEROSO QUE EL PRIMERO. EL SERVIDIO MILITAR OBLIGATORIO ABARCA UNA CANTIDAD INMENSA DE JOVENES, CASI NIÑOS, OBLIGADOS NO A ESTUDIAR UNA CARRERA MILITAR SINO A TRABAJARLE AL ESTADO POR SIETE PESOS AL MES. FORMAN TAMBIEN UN ENORME GRUPO DE CUBANOS DE LOS CUALES DOS O TRES DE CADA CIEN SEAN O SIENTAL ALGUNA INCLINACION POR EL COMUNISMO. EL RESTO ESTA OBLIGADO A APLAUDIR LO QUE DESPRECIA Y A GRITAR CONSIGNAS QUE NO SIENTE. TERRIBLE TORTURA LA DE BESAR LA MANO QUE NOS OPRIME Y ACARICIAR EL PUÑAL QUE NOS DESGARRA. LOS BECADOS SON QUIZAS LA ORGANIZACION MAYOR CONQUE CUENTA EL GOBIERNO PARA LLENAR LA PLAZA. A PRIMERA VISTA PUDIERA ALGUIEN DECIR QUE UN GOBIERNO CON TANTOS JOVENES BECADOS SE PREOCUPA POR LA EDUCACION DEL PUEBLO Y

DA OPORTUNIDADES A LOS POBRES PARA QUE ESTUDIEN..UNA HOJA PROXIMA ESTARA DEDICADA A ESE TEMA.BASTE AHORA SOLO PARA DECIR QUE TRANSPORTADOS EN CAMIONES NO SOLO DE LA PROVINCIA HABANERA SINO TAMBIEN DEL INTERIOR DE LA ISLA FORMEN QUIZAS POR SI SOLOS UN GRUPO CAPAZ DE LLENAR LA PLAZA.¿CUANTOS DE ELLOS SON COMUNISTAS? SE SABE QUE MORALMENTE,LOS DESPRESTIGIOS MAYORES Y LAS MAYORES INDECENCIAS SON LAS QUE OCURREN EN LAS BECAS.SIN GENERALIZAR PUES SIEMPRE HAY HONROSAS EXCEPCIONES,EL DICHO POPULAR ES EL DE QUE LAS BECAS SON INCUBADORAS DE PROSTITUTAS Y CUEVAS DE DEGENERADOS.NO ES EXTRAÑO QUE JUVENTUDES TAN CORROMPIDAS COMO ESAS APOYEN QUIZAS EN UNA CANTIDAD CONSIDERABLE A UN GOBIERNO CORRUPTO.PERO NO.TAMPOCO EN LOS BECADOS MAYORIA LOS COMUNISTAS. LOS COMITES POR SU PARTE TIENEN TAMBIEN SU "ARRASTRE" PARA LLEVAR CIUDADANOS A ESTAS CONCENTRACIONES GUBERNAMENTALES.Y SE REPITE EL CASO DE LA COBARDIA,JUSTIFICABLE EN UN PUEBLO AVASALLADO,DEL QUE NO QUIERE SEÑALARSE ANTE EL COMITE COMO QUE NUNCA COOPERA EN NADA...Y VA AL DESFILE. COMO LA MAYORIA DEL CAMPO ES TAMBIEN NEGOCIO ESTATAL Y COMO UN PORCENTAJE TAMBIEN DE VEHICULOS DEL [illegible] DEL ESTADO,SE PONEN UNOS Y OTROS DE ACUERDO POR ORIENTACION DEL PARTIDO PARA TRANSPORTAR HACIA LA CAPITAL A UN NUMERO EXTRAORDINARIO DE OBREROS DEL AGRO.MUCHOS VAN OBLIGADOS;OTROS VAN POR VISITAR LA HABANA Y DIVERTIRSE EN EL VIAJE.PERO MUY POCOS VAN PORQUE APOYEN A LA REVOLUCION SOCIALISTA.SE SABE QUE EL MAYOR ENEMIGO QUE TIENEN LOS COMUNISTAS EN CUBA RADICA EN EL CAMPO.ES DONDE EL DESNIVEL SOCIAL SE HACE MAS PATENTE Y DONDE HAY MAS ABUSO DEL PODER Y MAS SALARIOS DE HAMBRE, DE AHI LA POCA PRODUCCION AGRARIA.SUMENSE TODA ESA CANTIDAD Y YA SE TENDRA UNOS CIENTOS DE MILES DE CUBANOS EN LA PLAZA.LOS ORGANISMOS MILITARES EN SI,EN UN PUEBLO PISOTEADO POR LA BOTA,SUMAN TAMBIEN UNA ENORME CANTIDAD QUE VA AL DESFILE,OBLIGADO AUNQUE DESDE LUEGO,MUCHISIMOS DE ESTOS VAN CON EL MEJOR DESEO.UNOS PORQUE YA ESTAN SOBRE EL BURRO Y SABEN DE LA NECESIDAD QUE TIENEN DE DARLE PALOS MAS CUANDO PRESIENTEN QUE EL BURRO PUEDE CAERSE EN CUALQUIER MOMENTO Y DAR CON ELLOS EN EL SUELO. APARTE DE TODO LO DICHO ANTERIORMENTE HAY QUE CONSIDERAR TAMBIEN QUE CUANDO EL GOBIERNO DA UN ESPECTACULO DE ESE TIPO LA CIUDAD SE PARALIZA.VENDEDORES AMBULANTES Y QUIOSCOS PREPARADOS TAMBIEN AL EFECTO LOS CUALES SON DESDE LUEGO DEL ESTADO,SE CONCENTRAN ALLI.NO HAY UN REFRESCO EN TODA LA HABANA NI UN VASO DE AGUA.HAY QUE IR A LA PLAZA.LA RADIO Y LA TELEVISION SE CONECTAN EN CADENA PARA LLEVAR AL AIRE EL DESFILE.SE CIERRAN LOS CINES,CABARETS,ESPECTACULOS PUBLICOS INCLUYENDO LOS PARQUES INFANTILES.¿A DONDE IR?...AL DESFILE Y CONTEMOS TAMBIEN UNA LARGA CARAVANA ANONIMA QUE CON UNA SECRETA ESPERANZA ACUDE A LA PLAZA PENSANDO QUIZAS QUE EL DICTADOR RECTIFICARA SU POSTURA AL COMPRENDER QUE HA EMPEÑADO A LA REPUBLICA CONVIRTIENDOLA EN UNA LIMOSNERA INTERNACIONAL,PORQUE EL SISTEMA SE LE HA IDO DESINTEGRANDO EN LAS MANOS COMO SE ESCAPA UN PUÑADO DE AGUA.BUENAS GENTES SENCILLAS Y HUMILDES DEL PUEBLO QUE TODAVIA TIENEN UN POCO DE FE EN QUE EL TRAIDOR CAMBIE SU POSTURA DEVOLVIENDO LA TRANQUILIDAD PERDIDA A LA PATRIA.

ESE ES EL PRIMERO DE MAYO COMUNISTA.MENTIRA COMO TODO LO QUE SE MUEVE EN EL PAIS.PARADOJICAMENTE CELEBRAN A BOMBO Y PLATILLO EL DIA DEL OBRERO Y JAMAS EN CUBA FUE EL OBRERO MAS EXPLOTADO NI TUVO MENOS DERECHO A LA VIDA. JAMAS SE LE HABIA EXIGIDO TANTO POR TAN POCO.PERO ESE ES EL COMUNISMO. CUANDO LUCHA POR EL PODER,SE DISFRAZA DE IZQUIERDISTA.CUANDO CONQUISTA EL PODER,SE QUITA EL DISFRAZ Y LO DESTRUYE TODO.PISOTEAN TODOS LOS DERECHOS.NO RESPETAN LA MAS PEQUEÑA EXPRESION DEL PENSAMIENTO.O SE ES COMUNISTA Y SE ALABA AL REGIMEN O NO SE HABLA POR TEMOR A QUE LE TAPEN LA BOCA A UNO PARA SIEMPRE.ELLOS,ELLOS,SIEMPRE SOLO ELLOS.LOS DEMAS SON BURGUESES,O CONFUNDIDOS,O ENEMIGOS DEL PUEBLO. ¡MISERABLES!

MARIA PEREZ.

HOJA NO. 3 (PARA J.L.V.F.)

Los pueblos de América Latina tienen conciencia de sus necesidades y aspiran a desarroyar su propia economía,a desarroyar su propia riqueza. La América Latina,los latino americanos y los norteamericanos tenemos los mismos sentimientos.La América nuestra tiene un destino propio,la América nuestra tiene un rol propio,la América nuestra con sus características geográficas,con sus características espirituales,con sus características nacionales,con la idiosincrasia de nuestros pueblos,solo puede seguir un camino enteramente propio. (abril 24 de 1959) Nueva York.

Respetamos todos nuestros compromisos internacionales.No denunciaremos el pacto de defensa hemisférica,aunque no tenemos lugar donde guarecernos en caso de una guerra.(abril 18,1959) Washington.S.N.Editores Periódicos.

Yo no soy comunista ni tampoco el Movimiento,pero no tenemos que decir que somos anticomunistas para agradar al extranjero ya que solo tenemos compromisos con el pueblo de Cuba y solo tenemos que responder ante él.

La fortaleza de nuestra posición equidistante de Estados Unidos y Rusia está en la proyección revolucionaria del Gobierno,el cumplimiento de su programa revolucionario y el matenimiento de las más estrechas relaciones con los demás paises democráticos que constituyen el bloque.(enero 13.Hab.)

Yo realmente no temo caer en la órbita del comunismo internacional.¿Que estamos haciendo nosotros para defender la revolución?¿Hemos ido a buscar apoyo en el comunismo?No,hemos ido a buscar apoyo en la opinión pública de los pueblos de América,que es donde tenemos que buscar nuestra fuerza y no acudir a otras fuerzas porque eso sería una cosa absurda.(enero 22.Hab

Miedo al auge del comunismo,¿por qué?Lo que ha sobrevenido en el pais no tiene posiblemente nada que ver con esos temores.Lo que ha habido en el pais es la recuperación de las libertades públicas,la recuperación de los derechos ciudadanos,de prensa,de reunión,de escribir,de pensar y hablar... Los que hablan de democracia deben empezar por saber en que consiste el respeto a todas las ideas,a todas las creencias,en que consiste la libertad y el derecho de los demás.Si perseguimos un periódico y lo clausuramos,ah! cuando se empiece por clausurar un periódico no se podrá sentir seguro ningún diario,cuando se empiece a perseguir a un hombre por sus ideas políticas no se podrá sentir seguro nadie,cuando se empiece a hacer restricciones no se podrá sentir seguro ningún derecho.(abril 2,1959.C.M.Q.)

Respecto al comunismo,solo puedo decirles una cosa:no soy comunista ni los comunistas tienen fuerza para ser factor determinante en mi pais.(abril 18,1959.Washington,Sociedad Norteamericana de Editores de Periódicos.)

Alguna gente toma la bandera anti-comista para encubrirse y vivir de ello. No se puede combatir al comunismo en tanto se apoya a dictadores.(abril 23,Conferencia de Prensa,Nueva York)

Ahora lo que no es reaccionario es comunista.Los que buscan esas confusiones son los enemigos del pueblo.Cada pueblo tiene derecho a su propia ideología.La Revolución Cubana es tan cubana como nuestra música.(mayo 5,conferencia de prensa.Río de Janeiro,Brasil)

Yo no se si la calumnia contra nuestra Revolución de que es comunista o de que esta infiltrada de comunismo se debe unicamente al propósito de que nosotros no persigamos a los comunistas y no fusilemos a los comunistas.

Yo no se de que forma se podrán definir las ideas sobre una revolución para que no se intrigue,para que no se calumnie mas de lo que se está calumniando y para que cesen de una vez los ataques infames contra nuestra Revolución....¿Puede acusarse a nuestra Revolución de comunista?¿Pueden confundirse los ideales de nuestra Revolución?...¿ES QUE ACASO PUDIERA ALGUIEN AFIRMAR QUE LE HEMOS MENTIDO ALGUNA VEZ AL PUEBLO? ¿POR QUE CUANDO DECIMOS QUE NUESTRA REVOLUCION NO ES COMUNISTA,POR QUE CUANDO PROBAMOS QUE NUESTROS IDEALES SE APARTAN DE LA DOCTRINA COMUNISTA....POR QUE ENTONCES ESE EMPEÑO DE ACUSAR A NUESTRA REVOLUCION DE LO QUE NO ES?(mayo 8.Hab.)

Cuando se suprime un derecho se termina por suprimir todos los derechos, desoyendo la democracia.Las ideas se defienden con razones.No con las armas. Soy un amante de la democracia.(enero 7,Declaración de Prensa.Habana)

...Y aunque sea en una esquina,y donde lo oigan 20 personas si no lo pueden oir 100,ese hombre pueda expresar su pensamiento.Y si quiere sacar en mimeógrafo una tesis política,que la imprima y la reparta en la Universidad, sin que se lo lleven a la estación de policía..La teoría político filosófica es aquella (ideal)que le da al hombre todas las libertades y además le proporciona las satisfacciones de orden material.Esa es nuestra doctrina revolucionaria.Todo lo demás,¿quiere que le diga lo que es?Pretextos.(abril 2,Ante la Prensa.C.M.Q.)

No.Lo escrito anteriormente no es la reproducción del discurso de algún millonario,de un latifundista,de un politiquero,de un periodista vendido a los Estados Unidos para hacerlo mala propaganda al comunismo internacional.Son trozos tomados de los discursos pronunciados por Fidel.Por aquel Fidel que bajó de la montaña acompañado de una aureola de libertad. Por aquel Fidel que fue la esperanza de un pueblo avasallado por el oprobio de una de las dictadura mas sanguinarias que asoló a América.Es la síntesis del joven gobernante,es el idealismo vivo de quin luchó una vez porque su pueblo conquistara la libertad y el decoro perdidos por la ambición y el abuso del poder.¡Bella fraseología de un moderno Tartufo del siglo 20! ¡Canto de sirenas que el pueblo,-Ulises sin precaución-,creyó y siguió al pie de la letra para despertar demasiado tarde ante una de las traiciones mas grandes que registra la historia del mundo! Repetir hoy en Cuba sus propias palabras,equivale a la muerte.Pensar hoy como pensó Fidel en los primeros dos años de su gobierno,es ser enemigo del pueblo,es tener alma burguesa,es traicionar a los trabajadores,es el delito mas grande que puede cometerse hoy en Cuba.¡Cuántos no guardan prisión y cuántos no yacen bajo tierra por haber cometido el error de seguir siendo fidelista!Por eso para su pueblo,ya no es Fidel:Ahora es Castro.El señor Castro.El dictador Castro.El miserable Castro!

HOJA NO. 4

EL PERIODICO PALANTE Y PALANTE,SI NO CAMBIA SU FORMA DE ESCRIBIR SERA RETIRADO DE LA CIRCULACION EN CUALQUIER MOMENTO.¿Y POR QUE-SE PREGUNTARA EL QUE NO ESTE AL TANTO DE LAS COSAS-POR QUE QUITARAN ESE PERIODICO QUE TAMBIEN ES COMUNISTA PERO PERO DE GENERO SATIRICO? PARECE QUE A PESAR DE SER COMUNISTAS TODOS SUS INTEGRANTES,DE OTRA FORMA NO PODRIAN ESCRIBIR EN EL NI EN NINGUN OTRO PERIODICO,EL HECHO DE TENER QUE LLEVAR SEMANALMENTE CHISTES A LA CIUDADANIA LES HA OBLIGADO A HACER CHISTES A VECES A FORMA DE CRITICA A ALGUNAS COSAS DE LA REVOLUCION.PERO AL COMUNISMO NO SE LE PUEDE ATACAR NI DE LA MEJOR BUENA FE AUNQUE SEA CON EL CHISTE MAS SANO DE ALGUN COMUNISTA QUE VE COSAS MAL S Y CREE QUE CRITICANDOLAS PUEDE ARREGLARLAS,SIN DARSE CUENTA QUE LO MALO VIENE APAREJADO CON EL SISTEMA.CONJUNTAMENTE CON ESTA HOJA VAN UNOS RECORTES DE PERIODICO DE PALANTE Y PALANTE.VEASE EL DE LA CALLE TAMARINDO .UNA EMPRESA ESTATAL AL RESOLVER EL PROBLEMA DEL VECINO LE OCASIONA OTRO PROBLEMA AL DE AL LADO.Y ESE DE AL LADO TIENE QUE PAGARLE AL GOBIERNO PORQUE EL GOBIERNO LE ARREGLE LO QUE EL PROPIO GOBIERNO ROMPIO.Y EN ESE RECORTE NO SE AÑADE QUE LA EMPRESA COBRA POR ADELANTADO Y DE CONTADO A PRECIOS ELEVADISIMOS Y QUE DESPUES DE COBRAR DEMORA MESES ENTEROS EN VENIR A HACER LA REPARACION.PERO ,¿QUE HACER? ¿A QUIEN ACUDIR EN UN PAIS DONDE HAY UN SOLO PATRON Y ES POR AÑADIDURA EL MAS EXPLOTADOR DE LOS PATRONES? HAY TAMBIEN EL CHISTE QUE NO ES CHISTE.ES DECIR,LA NOTICIA SERIA QUE POR PUBLICARLA ELLOS COMO SERIA YA QUE SALE TAMBIEN PUBLICADA EN LOS DEMAS DIARIOS COMO UN EJEMPLO DE LA "NUEVA CUBA",RESULTA SER LA MAS CHISTOSA DE TODAS.COMO POR EJEMPLO EL CASO DE ESE JOVEN COMUNISTA((TENIA QUE SER) QUE ALZO CON SUS MANOS NADA MENOS QUE DIEZ MIL ARROBAS DE CAÑA EN 39 MINUTOS.ES DECIR,LLENO VEINTE CAMIONES A ESCASAMENTE DOS MINUTOS POR CAMION.Y DAN EL NOMBRE Y EL LUGAR DEL JOVEN QUE REALIZO TAL HAZAÑA.ESAS MENTIRAS DESCARADAS ES LA QUE DISGUSTA A LOS PROPIOS COMUNISTAS QUE SON MAS COMEDIDOS EN SU CREENCIA POLITICA PERO SON TAMBIEN LAS MENTIRAS QUE LES SIRVE DE ALICIENTE AL PUEBLO SUFRIDO PARA REIR ALGO TAMBIEN DE VEZ EN CUANDO. Y EL CASO DEL CENTRAL AZUCARERO QUE ESTE AÑO TRABAJO EL VIERNES SANTO POR PRIMER VEZ EN SU HISTORIA Y CUMPLIA ESE VIERNES 100 AÑOS DE CONSTRUIDO.ELLOS DICEN LA SEMANA DE LA VICTORIA DE GIRON PORQUE ESTE AÑO NO HUBO EN CUBA SEMANA SANTA.CASTIGARON A LOS QUE POR SU FE RELIGIOSA NO FUERON A TRABAJAR Y SACARON EN MUCHISIMOS PUEBLOS DE CAMPO,EN AQUELLOS DONDE LA FE RELIGIOSA SE HACE MAS PATENTE,CONGAS CALLEJERAS A CANTAR Y EMBORRACHARSE POR LAS CALLES EN UNA ABSURDA PROVOCACION QUE LO UNICO QUE HACE ES ACRECENTAR MAS EL ODIO EN EN UN PUEBLO QUE POR TRADICION ES NETAMENTE CATOLICO.ASI ES COMO LOSCOMUNISTAS GARANTIZAN LA LIBERTAD,EL RESPETO A LAS CREENCIAS AJENAS,Y EL DERECHO DE LOS DEMAS A PENSAR CON SU CABEZA. SI.EN CUBA HAY UNA REPRESION VIOLENTISIMA CONTRA TODO LO QUE NO SEA COMUNISMO.HAY QUE PENSAR COMO UN COMUNISTA O NO PENSAR.POR SUERTE LOS GASES INTESTINALES SON INCOLOROS. DE TENER COLOR TENIAN QUE SER NECESARIAMENTE ROJOS....O PADECER DE DOLOR DE ESTOMAGO. PERO NO OBSTANTE LA REPRESION,NO OBSTANTE QUE NO PERMITAN LA MAS LEVE CORRIENTE EN EL PAIS NO COMUNISTA,PARA UN BUEN OBSERVADOR SIEMPRE SE VE ALGO QUE ELLOS PRETENDEN OCULTAR O QUE NO PUEDEN.POR EJEMPLO,EL CASO DEL JOVEN QUE VENDE REVISTAS VIEJAS EN UN LUGAR DE LA HABANA Y TIENE UN LETRERO QUE DICE:HAY BOHEMIAS DEL 46,47 HASTA EL 58.¿POR QUE NO HAY BOHEMIAS DE EPOCAS POSTERIORES AL TRIUNFO DE LA REVOLUCION? ES PELIGROSO VENDERLAS PORQUE SON SUBVERSIVAS.¿Y POR QUE SON SUBVERSIVAS? QUIENES ERAN LOS QUE ATACABAN AL COMUNISMO?QUIENES ERAN LOS AGENTES DEL IMPERIALISMO QUE APROVECHABAN EL CAMBIO DE PODERES PARA ATACAR AL COMUNISMO EN CUBA EN AQUELLA EPOCA? UNO DE LOS PRINCIPALES ANTICOMUNISTAS ERA EL SEÑOR FIDEL CASTRO.Y ESAS BOHEMIAS ESTAN LLENAS DE DISCURSOS INDISCUTIBLEMENTE BELLOS QUE FUERON LA TRAMPA EN LA QUE CAYO EL PUEBLO.

LA NOTICIA SALIO EN TODOS LOS PERIODICOS HABANEROS. PARECIA UNA INOCENTE NOTICIA DE ORGANIZACION ."SE IRAN DE LA VIA PUBLICA LOS VENDEDORES CLANDESTINOS." MAS ABAJO EXPLICARA QUE LA JUCEI(JUNTA CENTRAL DE COORDINACION EJECUCION E INSPECCION)RETIRARA DE LA VIA PUBLICA A LOS VENDEDORES AMBULANTES Y AUN A LOS QUE TENIAN PUESTOS FIJOS SIN LA CORRESPONDIENTE LICENCIA. HASTA AHI CORRECTO.LOS DEBERES CIUDADANOS CONLLEVAN TAMBIEN LA NECESIDAD DE PAGAR LOS IMPUESTOS CORRESPONDIENTES POR TODO EL DINERO QUE SE PERCIBE.OCURRE EN TODOS LOS PUEBLOS DEL MUNDO.AH! PERO FALTABA ALGO.¿POR QUE ESOS VENDEDORES AMBULANTES NO PAGAN LOS IMPUESTOS? ¿HAY ALGUIEN TAN LOCO PARA TRABAJAR POR CUENTA PROPIA SIN LEGALIZAR SU OFICIO U OCUPACION EN UN PAIS DONDE LA POLICIA SIN MANDAMIENTO JUDICIAL INVADE CUALQUIER CASA Y DECOMIZA TODO LO QUE QUIERE COMO PAGO A UN SUPUESTO DELITO? ENTRE LOS VENDEDORES AMBULANTES Y DE PUESTO FIJO A LOS QUE SE REFIERE EL PERIODICO,ESTAN INCLUIDOS TODOS LOS DESEMPLEADOS QUE AL NO TENER TRABAJO SE BUSCAN LA VIDA COMO VULGARMENTE SE DICE EN TODO LO QUE PUEDAN.YA DE POR SI ESA ES UNA TAREA ARDUA Y PESADA YA QUE NO HAY NADA QUE VENDER EN UN PAIS DONDE LAS GRANDES TIENDAS SE ESTAN QUEDANDO CON SUS VIDRIERAS VACIAS.
EN ELLOS ESTAN INCLUIDOS LOS GRANIZADEROS,VENDEDORES DE DULCES DE FABRICACION CASERA,LO CUAL ES YA UNA HEROICIDAD POR LA FALTA DE AZUCAR,LOS VENDEDORES DE REVISTAS COMUNISTAS QUE OBTIENEN PORQUE ELLOS MISMOS SE LAS DAN, LOS VENDEDORES DE LIBROS VIEJOS?Y GRACIAS QUE [illegible] NO LOS HAN EXTERMINADO AUN YA QUE ES LO UNICO QUE PUEDE LEERSE HOY EN DIA EN CUBA?ETC. Y AHORA PREGUNTARA EL LECTOR,¿BUENO,Y POR QUE NO SE LEGALIZAN? SENCILLAMENTE PORQUE ESA MISMA JUCEI MUNICIPAL QUE LOS MANDA A RETIRAR DE LA VIA PUBLICA SE NIEGA A LEGALIZARLOS.ES DECIR,ES DELITO NO PAGAR IMPUESTOS A LA NACION PERO LA NACION NO ACEPTA QUE SE LE PAGUEN LOS IMPUESTOS.ESOS INFELICES ESTAN CONDENADOS A LA MISERIA PORQUE TAMPOCO SE LE OFRECE UN TRABAJO.
¿DE QUE FORMA PODRIA OFRECERLES EL GOBIERNO UN TRABAJO,CUANDO HAY UN SINNUMERO DE FABRICAS PARALIZADAS POR FALTA DE MATERIAS PRIMAS? EN MUCHOS CASOS TIENEN QUE SUBSIDIAR A LOS OBREROS POR NO TENER DONDE COLOCARLOS. EL DESEMPLEO AUMENTA Y COMO CONTRADICCION A ESE DESEMPLEO SE LE CIERRA LA PEQUEÑA FUENTE INGRESOS QUE PUEDA TENER ALGUN PADRE DE FAMILIA AL TRABAJAR POR CUENTA PROPIA PARA MANTENER A SU FAMILIA.Y LA DESESPERACION QUE ESAS INJUSTAS MEDIDAS OCASIONAN.NO HAY UN TRIBUNAL,(TODOS SON COMUNISTAS)QUE LO AMPARE Y LO DEFIENDA.LOS ABOGADOS HONRADOS QUE NO QUISIERON AMPARAR ESOS DESMANES DE UN GOBIERNO TOTALITARIO HACE YA MUCHO QUE SE MARCHARON DEL PAIS.NO TIENE ESE POBRE HOMBRE DE LA CALLE A QUIEN ACUDIR. SOLO SABE QUE POR TRATAR DE LLEVARLE UN PEDAZO DE PAN A SUS HIJOS ES PERSEGUIDO Y ACORRALADO. ¿Y POR QUE LA JUCEI NO LOS LEGALIZA? COMO LA ESCASEZ DE TODAS LAS COSAS ES SUMAMENTE GRANDE,CADA VEZ QUE SE LEGALICE A UN VENDEDOR AMBULANTE,AL TENER SU PATENTE FISCAL PUEDE DIRIGIRSE A LOS COMERCIOS ESTATALES EN BUSCA DE MATERIAS PRIMAS PARA SU OCUPACION.Y LA MISERIA QUE TIENEN ESAS TIENDAS ES TAN GRANDE QUE YA POCO PUEDEN RESOLVER NADA.POR EJEMPLO.UN GRANIZADERO QUE TRABAJA POR LA LIBRE,PAGA EL AZUCAR A SOBRE PRECIO PARA VENDER GRANIZADOS.SIEMPRE GANA ALGO A PESAR DE ESO. PERO AL LEGALIZARLO LA JUCEI TENDRIA QUE GARANTIZARLE UNA CUOTA DE AZUCAR CADA CIERTO TIEMPO PARA QUE EJERZA SU TRABAJO.¿Y DE DONDE LA SACA SI EN ESTA ISLITA MARAVILLOSA LOS COMUNISTAS HAN ACABADO HASTA CON EL AZUCAR, LA CUAL ERA EL ARTICULO MAS ABUNDANTE QUE EXISTIA EN EL PAIS? Y CON LOS DEMAS VENDEDORES PASA IGUAL.NO LE PODEMOS GARANTIZAR NADA Y POR TANTO NO TRABAJEN.MUERANSE DE HAMBRE,QUE YA NOSOTROS NOS ESTAMOS MURIENDO DE RABIA AL VER QUE TODO ES BASURA.ESE ES EL PENSAMIENTO QUE NO DICEN PERO QUE LOS COMUNISTAS MAS INTELIGENTES TIENEN QUE EXPRESAR EN SU FUERO INTERNO.NO HAY DUDAS.SI ESPAÑA QUIERE CARECER DE CHORIZOS Y VINO;SUIZA DE RELOJES;HOLANDA DE QUESO;VENEZUELA DE PETROLEO Y MEJICO DE PLATA,NO TIENEN QUE HACER MAS QUE UNA COSA:VUELVANSE COMUNISTAS!

Hoja No.6

Una mujer cubana,Martha Gonzales,ha publicado un libro en Cuba que ha tenido un notable éxito de librería.Su título:Bajo Palabra.Relata en él como se desarroya la vida en Miami.Ella era una exilada que retornó a su patria al encontrarse inconforme con su exilio.Estas hojas que también las escribe una mujer cubana,que también se encuentra inconforme pero de vivir en su patria la cual se ha convertido en una cárcel y que por tanto no tiene la suerte de Marhta de poder escoger,quizás sirvan un día para ripostar ese famoso libro.No han sido escritas estas hojas con el afán de publicación y eso se nota al ver el descuido o la necesidad de pasar inadvertido del amigo gusano que me hace el favor de pasármelas a máquina,ya que ese trabajo se hace en una oficina estatal y en horas de trabajo.Es un riesgo necesario de correr.Pero aunque no han sido escritas con ese afán,repito, quien sabe si alguna imprenta no dudaría en publicarlas al ser unas hojas que llegan desde Cuba,escritas por una cubana que ama la verdad y aunque a veces se exalta por el odio trata en todo momento de ser lo mas objetiva posible.

Conferencia televisada.

Aunque el título dice "conferencia",fue mas bien una charla como advirtio la actriz Consuelito Vidal,ya que ella y dos hombres mas,charlaron durante un rato con Martha Gonzáles el 25 de mayo de 1965 por la televisión de Cuba.Fuí a casa de una amiga esa noche a ver el programa y trataré de escribir las conclusiones sacadas. La primera conclusión es que no fue preparada por el partido o núcleo del partido comunista de C.M.Q.Dicha comparecencia.Ellos cuidan mucho la propaganda y se vio soltura en la Sra. Martha al hablar.Se vio muy bien que venía de un país donde la libertad de expresión aún para los extranjeros es un derecho que nadie puede coartar, y en cosas que dijo,se notó la contradicción con lo que afirma la propaganda comunista hoy en Cuba.Alguien ha de pagar ese error y Martha empezará poco a poco a darse cuenta de lo que es el comunismo. Dijo Martha que en Miami habían construido un reparto multifamiliar muy económico llamado"Pastorita".Se ve la ironía de darle ese nombre,ya que al empezar el gobierno revolucionario en Cuba,tomó Pastora Núñez la responsabilidad de las viviendas por medio del sorteo semanal de la lotería nacional.Al convertirse la revolución,por obra y gracia del dictador Castro en comunista,aquello pasó a ser un"sueño de una noche de verano" y hoy los cubanos sufren la escasez mas grande de vivienda con la cual se han enfrentado a través de toda su historia y el mismo Castro ha dicho que por lo menos 25 años se necesitan para resolver ese problema.Aparte de que él no consideró el aumento de la población dentro de un cuarto de siglo. Habla Martha de que le molestaba la igualdad conque se trataba a todos los exilados. No es acaso la igualdad lo que mas predican los comunistas,aunque no la ejerzan en la práctica?¿Donde hay igualdad entonces?-Dice que los cubanos en Miami insultan a los norteamericanos,discuten con ellos de política en las esquinas y que le tenían un formidable odio a Kennedy cuando este vivía llegando incluso muchos a emborracharse cuando lo asesinaron y brindar por su muerte.¿Quien se atreve hoy en Cuba a manifestar siquiera una sonrisa porque al dictador le duela una muela? Donde radica entonces la libertad? Habla de la delincuencia en Miami,bolita, charada,robo,inmoralidad,etc.pero también alude a los castigo policiales, por tanto,no ocurren estas cosas con el beneplácito del gobierno de norteamérica.En Cuba sin embargo,lo que no se puede es ser contrarrevolucionario. Son muy benignoscon la delincuencia y el asesinato,cuando no es por motivos políticos,apenas se le castiga.Hay quien no ha cumplido ni un año de cárcel por matar a otro por manifestarse como comunista y hacerle el juego al gobierno. Agrega Martha que da lástima ver a los niños separados de sus padres cuando estos por temor a la bola de la ley de la Patria Potestad,los enviaron a los Estados Unidos.Claro,cuando aquello,los padres y madres cubanos ignoraban que los comunistas no necesitaban mandar a los niños a Rúsia o China ya que iban a cambiar toda la educación en las escuelas,las cuales iban a convertirse en centros de patria tanto comunista. Explica ella el plan llevado a cabo en Florida City, en la que a unos buenos matrimonios los matrimonios que toman en el hogar niños cubanos, para que estos no pierdan el calor del hogar y dice además que ella jamás haría un trabajo de esa naturaleza. Desde luego, se necesita tener un gran sentido humano y un gran amor y comprensión por esos niños para realizar tal tarea. Añade Martha que la juventud vive errante y carece de ideales por estar desarraigada de su patria y precisamente, lo que más vuelve patriota al hombre es la nostalgia de su suelo natal. Martí fue desterrado a los 16 años y fue esa ausencia lo que más hizo y formó el carácter de Martí como cubano. Habla también de que las cosas se adquieren a plazos. Sí, Cuba también era así antes. Podía el pobre por ese sistema tener refrigerador, televisor, muebles, etc. Ahora, cuestan todas esas cosas hasta 5 veces por encima de su valor, hay que pagarlas de contado siendo además de muy baja calidad. Sin contar que de tres años a esta parte, el que tiene un artículo eléctrico anotado en la libreta no puede coger otro. El que adquirió hace tres años una olla de presión, no puede adquirir ahora un radio o un ventilador, o una batidora o un toca-discos etc. Pero es el caso que aunque pudiera adquirir cualquiera de estas cosas, tampoco las hay en el mercado. O sea, el que plancha no se echa fresco ni oye radio ni cocina en olla de presión etc. Alega Martha que en Miami está autorizado el bofetón y el cocotazo en las escuelas como castigo a los niños. En Cuba no son tan benignos. Simplemente, el estudiante que no hace trabajo voluntario, o sea, que no le trabaja gratis al gobierno cierto tiempo, está obligado a repetir un cursillo en la época del verano aunque haya aprobado todas sus asignaturas. Agrega la escritora de Bajo Palabra, que Fidel es cosa importante entre los exilados ya que éstos van a veces hasta Cayo Hueso para verlo por televisión ya que no les basta con oirlo. Y yo me pregunto: Es que los imperialistas permiten eso? Porque los comunistas hablan de libertad en Cuba y hay que oir La Voz de los Estados Unidos a escondidas ya que eso es un grave delito. Y la mayoría del pueblo la oye a escondidas a pesar de que Raúl dijera en una ocasión: "Siempre hemos dicho que esos cabeciones americanos que se ponen aquí a oir a escondidas los gusanos también los va a embarcar; luego no digan que el radio los embarcó." También dice Martha que los exilados se orientan por lo que dice Fidel y que a veces hace algo y ellos afirman que eso lo había dicho Fidel en el 59. Claro, aquí Martha comete un lamentable error. En el 59, Fidel era nacionalista y anticomunista. Véase la hoja no.3. Dice que la mayoría de los cubanos se fueron con la idea de regresar a su patria, la cual añoran y no se acaban de acostumbrar a aquella vida. Eso, dicho en buena lógica, sitúa a los exilados cubanos como patriotas que huyeron de Cuba por culpa de la dictadura comunista, pero que siguen siendo cubanos y no han mixtificado su criterio como tales. Habla del trabajo el cual es esporádico, mal pagado y sin garantías. En la Cuba actual, esta 5ta. zafra del pueblo como los comunistas le llaman, la han hecho prácticamente los gusanos. Han cerrado fábricas y los han obligado a cortar caña y ellos han tenido que ir para no perder su empleo en un país donde no hay otro medio de vida que la que el gobierno totalitario ofrece. Dice de casos de médicos que limpian pisos pero agrega que para ejercer en los E.U. necesitan pasar por lo menos tres años, dando cursillos de inglés y de medicina internados, lo cual supone que le den también los alimentos, y que además les pagan hasta 200 dólares mensuales. Veo muy natural y JUSTA esa medida. Las condiciones climatológicas son diferentes y la medicina no es igual. Si para revalidar el título en el extranjero le dan esas oportunidades al médico cubano, es digno de agradecerle al gobierno de los E.U. tal actitud. En Cuba el que estudia medicina se recibe de médico ganando mucho menos y está obligado a ejercer un largo tiempo en las lejanas montañas, hambreado y maltratado y después de esa etapa, no puede poner consultorio propio y tiene que trabajar donde el estado esclavista le ordene. Pero hay un caso curioso. Dijo Martha: "Mi estancia en Canadá y después EVENTUALMENTE EN CUBA" ¿Ya piensa en marcharse? Creo que si es una mujer honrada, su mejor libro va a ser el que publique hablando de la vida en Cuba. Cuando le preguntaron su impresión, no dio a entender nada definitivo. Pronto se dará cuenta que ha cambiado, como vulgarmente se dice, la vaca por la chiva.

Pongamos Fin al Comunismo en Cuba.

La Organización de Estados Americanos está obligada por la Doctrina Monroe y por Pactos Interamericanos a poner fin prontamente el Comunismo en Cuba, bloqueando totalmente la isla, sin vacilación ni temor, con la certidumbre de que Rusia ni China se atreverán a romper el bloqueo; y si lo intentaran, y eso originara la guerra nuclear, (no la Tercera Guerra Mundial internacional, que no la habrá) para nosotros sería mucho mejor, porque en corto tiempo aquellas dos naciones serían aniquiladas, y no habría más tirantez internacional, porque nuestros ejércitos no saldrían de Rusia hasta que nos hubiéremos reembolsado todo lo que nos debe, más los gastos y daños de guerra, inclusive indemnización por nuestros muertos en ella, y heridos; y restauraríamos a Chiang Kai-Shek en la China continental.- Así deben hablar, con altivez y valentía, los grandes voceros de las naciones libres, si quieren que haya paz, libertad y justicia, que sólo pueden mantenerse por el imperio de la fuerza, que es el único medio para someter a los perversos, con los cuales no hay que tener compasión.- Así también se afirmarán los vacilantes que, lógicamente, quieren lo seguro.

Sólo a las Embajadas acreditadas en La Habana se permitirá importar lo que necesitan para su subsistencia, previo registro en los E. U., y sacar a sus connacionales por la misma vía, para registrarlos minuciosamente.-

Rusia no se atrevería a romper el bloqueo, por lo cual quedaría muy mal parada en el concierto internacional, en tanto que las naciones libres elevarían mucho sus valores.- Entonces podríamos aplastar en pocas horas al Vietnam del Norte por un ataque nuclear aterrador, si no se rindiere incondicionalmente dentro de diez horas contadas desde la intimación.- Así lo requieren las vidas de nuestros conciudadanos y los intereses de nuestros países que se están disipando insensatamente en una guerra de guerrillas como quiere el Comunismo agresor.

Debe garantizarse la vida de Fidel Castro y de sus compinches, quienes, antes que transcurran cuatro meses desde el bloqueo, se asilarán en las Embajadas, excepto la de Rusia y la de China, porque en ellas podrían ser asesinados para q que no revelen sus maquinaciones diabólicas, repletas de hipocresía y de maldad, contra el mundo libre encabezado por Estados Unidos.- Ya seguro en una Embajada, Fidel Castro depositaría el Poder en un grupo de Embajadores, (ninguno comunista) para que prontamente lo traspase a una Comisión nombrada por la OEA, (ningún miembro cubano) la cual organizaría una Policía Panamericana, excepto cubanos, y pondría en libertad a los reos políticos que prometan no ejercer venganzas ni causar disturbios. so pena de ser confinados en campos de aconcentración. Con igual promesa regresarán los cubanos que quieran. La Comisión nombraría inmediatamente un Presidente provisional de la República que organizaría su Gabinete y convocaría a elección de Diputados a la Asamblea Nacional Constituyente tan pronto como haya decretado la Ley de Elecciones y preparado los proyectos de Constitución Política de la República y de otras leyes que la Constituyente ha de decretar, sin perjuicio del derecho de iniciativa propia de cada Diputado.- También organizará la Administración Pública, excepto los servicios militares y de Policía que continuarán a cargo de la Comisión de la OEA, hasta que tome posesión de su cargo el Presidente Constitucional de la República.

Por la Declaración de Lima, 1938, los Estados signatarios pactaron su solidaridad en el caso de cualquier intervención extranjera; en la Declaración de La Habana, 1940, se proclamó que cualquier acción por parte de un estado no americano en contra de la integridad e inviolabilidad del territorio, la soberanía o la independencia política de un estado americano, sería considerado como un acto de agresión contra los Estados signatarios; en la Conferencia de Río Janeiro, 1947, se acordó un tratado de defensa y ayuda mutua entre los países americanos; y, la Carta de Bogotá,1948, condenó, por su carácter intervencionista, la actividad política del Comunismo Internacional, y demás doctrinas totalitarias, por considerarlas incompatibles con el concepto de las libertades americanas.

Ninguna de esas obligaciones ha cumplido la OEA porque está acobardada por las amenazas y difamaciones de Rusia y de Fidel Castro, quien, a gritos, ha llamado lacayos del Imperialismo Yankee a los Presidentes latinoamericanos, y Ministerio de Colonias del mismo Imperialismo, a la OEA, escarneciéndolos despectivamente.

Hay intervención extranjera en Cuba, que de hecho es una colonia de Rusia que, como metrópoli del Comunismo Mundial, ha amenazado a cualquier país que ataque a Cuba; Nada se ha hecho en su defensa contra el dominio soviético, ni siquiera se ha dado la menor ayuda, fuera de vanas palabras, a los cubanos libres para redimir a su Patria; la soberanía de Cuba, que reside esencialmente en el pueblo libre, dejó de existir totalmente, pues allá no hay más voluntad que la del Amo y Señor Fidel Castro, siervo dócil del Kremlin.- Es risible, si no fuese hipocrecía, que algún Estado Americano, desleal a la Magna Organización, invoque, respecto a las sanciones contra Cuba, el principio de no intervención por su respeto a la autodeterminación de los pueblos, la cual está, no en el traidor Fidel Castro,(él no es el pueblo de Cuba) sino en los cubanos libres que han logrado escapar del infernal Comunismo imperante en Cuba, y en los que, en la isla, unos gimen en prisiones, y otros están amenazados a presidio o muerte por sus anhelos de libertad.- Por tanto, cualquier Estado que no quiera cumplir sus obligaciones contraídas en virtud de la Carta Magna de la OEA, debe ser expulsado de su seno y privado de las relaciones diplomáticas, comerciales, turísticas y culturales con los Estados leales.- Tal resolución es necesaria para mantener la dignidad y disciplina de tan alta Corporación polílítica; pues toda asociación restringe, necesariamente, uno o más derechos de cada uno de sus miembros, en cambio de otros mayores y más provechosos.- Y todos los americanos, desde Alaska hasta Patagonia, nos sentiríamos grandemente orgullosos de nuestra OEA, por preferir un posible sacrificio humano al de nuestra dignidad, que debe estar por encima de toda vileza, y que el Comunismo Internacional ha escarnecido y continúa escarneciendo ignominiosamente con sus difamaciones y amenazas a lo Ginés de Pasamonte.

El Comunismo en Cuba, que tan brutalmente ha herido y continúa quebrantando a los ciudadanos de mayor cultura y de más altos ideales, no es un problema que incumba únicamente a los dignos hijos de la Perla Antillana; no es un caso que ataña solamente a los corajudos adalides del continente colombino; el embrollo turbulento de Cuba -y el de Vietnam- es el conflicto entre el Comunismo agresor y el Capitalismo constructor, conflicto que interesa a todos los hombres con anhelos de libertad y justicia, más aún a los que están subyugados por los oligarcas del Comunismo, y que deliran por su liberación que, para lograrla, a veces encaran la muerte en un doloroso viacrucis.- Esos pocos hombres,

-los jerarcas del Comunismo- archimaestros del engaño, audaces y despiadados, tienen sometidos por el terror y el engaño a todos los que, dentro de sus dominios, no se solidarizan con ellos en el mantenimiento de su despotismo atroz; y tienen minadas todas las naciones libres con sus quinta-columnas y maleantes intensamente infiltrados en todas las esferas gubernativas, radio y prensa, que desvían el criterio del pueblo, le infunden miedo, y lo indisponen contra su Gobierno, los cuales debeis denunciar públicamente como agentes comunistas. Toda su saña la descargan contra Estados Unidos, que es Cabeza del Capitalismo, el país que arrulló en su cuna al gran Jorge Washington, y tantos paladines de la libertad y de la justicia, que ahora se avergonzarían de sus modernos compatriotas por su pusilanimidad ante el espantajo moscovita, pues sufren acobardados tanta humillación y ultraje de Rusia que ha escarnecido vilipendiosamente la sacrosanta Doctrina Monroe, que otrora fuera orgullo del pueblo americano y sólido bastión de América Latina contra la codicia y agresión del Viejo Mundo.- Ahora yace, esa Doctrina, como trapo de inmundicia pisoteada y escarnecida por el Comunismo conculcador.- ¡Qué vergüenza para los altivos constructores de la gran Nación del Mundo! Despertad dignos hijos de América y exigid a gritos a la Organización de Estados Americanos el inmediato bloqueo total de Cuba, y que se advierta claramente a Rusia que no le tememos, y que será abatido cualquier avión y hundido cualquier submarino o barco que intente violar el bloqueo; y que, si quiere la guerra nuclear, le dan la ventaja de empezarla ya, pero que la represalia será sin misericordia, hasta subyugarla totalmente.- Eso debeis hacer también por la prensa y radio de toda la Nación, con la certidumbre de vencer; y pronto habrá paz, libertad y justicia en todo el mundo, porque Rusia quedaría sin la menor influencia internacional, inofensiva, porque ya le infundiría miedo, con todo el poderío bélico de las naciones libres sobre su cabeza.- Y, ¡gloria al Dios Omnipotente!

1. Iden, who handles a JMWAVE sponsored radio program replied to Fidel Castro's charges of germ warfare against the United States. His replies were based on the scientific impossibility of germ warfare being carried on as described by the Castro regime plus speculation that this might have been an effort on Castro's part to cover up plans he might have for exterminating part of the Cuban population by means of germ or gas warfare.

2. Shortly after these broadcasts, Iden received a letter from Buenos Aires dated 11 June from Mario Cesar SUAREZ Nelson referring to these broadcasts. SUAREZ said he had not heard anything about the Castro charges and requested that Iden send him the text of the charges, plus the complete text of Iden's reply to same. SUAREZ said he had not had time to hear the entire broadcast. SUAREZ gave his address as : Alsina 770, Tandil, Provincia de Buenos Aires.

3. JMWAVE has no traces on SUAREZ. We would appreciate any information Station Buenos Aires might have on this individual. The rather demanding tone employed by SUAREZ in the letter and his request for complete details lead us to believe that he might be more than an individual with a casual interest in the Cuban problem. We have instructed Iden not to answer the letter in question until further notice.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with AMLASH-1 in Paris, 31 January to 3 February 1965

1. AMLASH-1 returned from Rome to Paris on 31 Jan 1965 and was met for a very brief meeting the same night by ONTRICH in order to arrange a meeting for the following day. The following subjects were discussed at the two meetings on 1 and 2 February 1965:

a. The primary reason for again meeting AMLASH-1 before his planned return to Cuba was to brief him on the security implications involved in the infiltration and possible capture of Modesto Orlando Orozco Basulto AKA Bebo Orozco, who infiltrated into Cuba on 21 Dec 1964. Orozco, according to his wife, went to Cuba to rescue Jose Vasquez Merey and three others who were hiding in the home of a woman named Gloria Cabrera who lived at No. 72 27th Street, between N & O, Apartment 3, Vedado, Havana. Orozco's capture, if he has been captured, presents an indirect threat to the security of AMLASH-1 and a more direct threat to the security of AMTRUNK-10 since Orozco in Jan 1964 exfiltrated through the rat line established by AMICE-14 (Miguelito). Upon his return to Cuba, AMLASH-1 will check the above with AMTRUNK-10; and, if Orozco is under the control of the security service, will decide and communicate with Miami whether AMLASH-1 and AMTRUNK-10 believe it necessary to exfiltrate AMTRUNK-10. AMLASH-1 was briefed to send a letter to UNSNAFU-9 to indicate whether Orozco has been arrested or whether he is still in hiding. If the letter to UNSNAFU-9 mentions a good and pleasant return trip, this will mean that Orozco is not under the control of the security service. If the letter talks about a long, tiring trip, this will indicate that Orozco has been arrested. AMLASH-1 was also requested to send a report on the above and any complications which have developed or may develop from Orozco's infiltration.

b. AMLASH-1 suggested that his nom de guerre "Charles," which we have been using for the past three years, be changed to "Gerardo."

7/PV

c. AMLASH-1 was given a resupply of S/W developer pills and carbon. He planned to take the S/W material back with him to Havana. 02 AMLASH-1 again reviewed with 02 UNSNAFU-9 and reminded UNSNAFU-9 to turn over to his Paris case officer all letters regardless of how received from AMLASH-1 to either UNSNAFU-9 or letters that may be addressed to his parents-in-law. 02 AMLASH-1 also agreed to send S/W out in letters addressed to Juan Ventura (AMWHIP-1's business partner) in Geneva or Rome. AMWHIP-1 was briefed to inform Ventura that any letters he received from AMLASH-1 should be immediately air mailed to AMWHIP-1 in New York. Since AMLASH-1 will probably find it necessary some time not to sign the letters to Ventura in his true name, AMWHIP-1 was also briefed to inform Ventura to forward to New York any letter received from Cuba addressed to him and signed by a person unknown to him. S/W letters to AMLASH-1 should continue to be addressed to Ernestina Acosta, Edf. No. 526, Apt. 8, Esquina Calles 25 y H. In an emergency a letter can also be sent to AMLASH-1's mother. 15-4 04, 08

d. AMLASH-1 was again debriefed on the cache that had been put down for him in Matanzas. He repeated what he had previously reported and attempted to answer most of the questions in the JMWAVE cable. A cable on this subject was sent from Paris to Headquarters, info WAVE, on 2 Feb. AMLASH-1 was requested to send a message either through his channel or through AMTRUNK-10's S/W channel reporting how much of the radio equipment and other material had been recovered from the cache.

e. AMLASH-1 was asked if he knew of any individual in Cuba whom he could recruit and who could be inserted into the Cuban Intelligence Service with the idea of attempting to get the DGI to assign this man to Caracas, Venezuela. AMLASH-1 could think of only one possibility, an individual known as Gustavo Gonzalez. 06 AMLASH-1 has full confidence 06 in Gustavo and Gustavo has previously been approached on 06 several occasions by Pinero to work for him. Upon his 06 return to Cuba AMLASH-1 will check to find out if Gustavo can still get himself recruited by Pinero and then be sent on a mission abroad, hopefully to Caracas. (AMWHIP-1, who also knows Gustavo 06 will provide the background information upon his return to New York.) his [illegible] info.

f. AMLASH-1 reported on the upcoming FEU elections on 10 February 1965. AMLASH-1 stated that Crombet, the president of the Communist Youth, will become the new

11/12 PV

president and that his man, Lazaro Mora, would be one of the vice-presidents. (A cable on this subject was sent to Headquarters from Paris.)

15-4 06

g. AMLASH-1 was requested to check with Fizzolo regarding the precautions being taken to prevent sabotage of the locomotives being shipped from France to Cuba; specifically, how carefully do they check the placement of the seals, are they special seals or regular lead seals, are there going to be any additional checks once the locomotives reach Cuba, will they drain the oil and lubricants from the factory to the port, and do they run the locomotives under their own power or are they towed. AMLASH-1 agreed to attempt to develop answers to the above requirements and pass the information to his contact in 15-4 the Paris Station. AMLASH-1 also agreed to attempt to find out and pass to the Paris Station through UNSNAFU-9 the names of the Cuban techs training at La Rochelle.

15-4 02

h. In a general discussion regarding the persons with whom AMLASH-1 had been in contact either personally or through letters, AMLASH-1 mentioned Alfredo Portela. AMLASH-1 stated he had received a letter from Portela and had in turn written to Portela. He considers Portela a friend which was the only reason for writing to him.

i. AMLASH-1 was debriefed on Cuban Intelligence Service personnel. A cable on this subject was sent from Paris to Headquarters.

15-4 15-4

j. A cable was sent from Paris to Headquarters suggesting WAVE send a S/W letter to AMTRUNK-10 stating: "Este tranquilo. Carlos regresa pronto."

k. AMLASH-1 was asked for information on the following persons:

(1) Samuel Gonzalez Rodriguez-Planes. AMLASH-1 reports he is a member of the Ameijeiras group and is a good and brave man.

(2) Antonio Lusson y Batlle, Chief of Operations of the General Staff of the Occidental Army. AMLASH-1 reports Lusson is an independent and rare type individual who keeps to himself and doesn't involve himself in political matters. AMLASH-1 has heard nothing bad about Lusson.

7/RV

(3) Cmdte. Raul Diaz Arguelles, Chief of Artillery of the Occidental Army.

(4) Elpidio Baez Bigo. According to AMLASH-1, Baez is a trusted Fidelman.

(5) Luis Manuel Cantillo Toirac. Assigned to the Cuban Embassy in Madrid and one of the security people. He was formerly assigned to Brazil, is young and has for several years been with Pinero and the Cuban IS.

(6) Enrique Oltuski Osacki. Oltuski is a close friend of Faustino Perez and his stock with the regime rises or falls as does that of Faustino.

(7) Sergio Tollon. Code clerk in the Embassy in Paris. Tollon is staying in Paris at the request of Ambassador Carrillo.

l. Gastro enteritis, water pollution and unsanitary conditions. AMLASH-1 states there are no real problems, although the scarcity and lack of a balanced diet do cause some problems. The purification of water has been a problem which probably has been the cause of some of the sickness in the country.

interest!

m. AMLASH-1 did not believe that Aragones had invited him to fly back to Havana with him in order to get him back because of any serious security matter. AMLASH-1 did state that Aragones was concerned that AMLASH-1 may not return to Cuba. Since Aragones cleared AMLASH-1 for his trip abroad, he is in a way responsible that AMLASH-1 does not defect and returns to Cuba. AMLASH-1 feels Aragones does not want any problems with Fidel in case AMLASH-1 decides to stay out.

n. AMLASH-1 was unable to provide any information on the political developments in Cuba in mid-November and December since he had been out of the country since early November. AMLASH-1 was asked to check on the problems between the opposing factions in the Cuban leadership and explained the issues, the background and personalities involved.

o. Soviet advise or influence in political and economic matters creates resentment among the middle and higher level Cuban officials. Basically, the Soviets are not respected.

p. Rank of Cuban officials under Fidel in terms of their influence in making national policy. Raul is still the heir apparent to Fidel. Next to Raul is Che Guevara. After that, no other official, according to AMLASH-1, has any great influence in the making of Cuban national policy. President Dorticos' relationship with Fidel is good since he is a hard and serious worker, has good administrative ability and is able to work within the general outline laid down by Fidel. Raul Castro has some political influence and control in Oriente where he has placed his men in positions of influence, but only Fidel personally has any political influence in the rest of Cuba. Even within the military Fidel selects and appoints high army officers. Che Guevara is still strong in the economic field and has not suffered a decline in his influence and authority because of his earlier policy of industrialization. Guevara restricts himself to the economic field and plays a very small role in the political field. He is serious and very hard worker, one of the few, according to AMLASH-1, who has worked seven days a week without leave since the revolution. Emilio Aragones holds an important position as the organizational secretary of the PURS. He is the official who was always at the office of the National Directorate of the Party and has contact with all the officials in the regime. He plays an important coordinating role. Faure Chomon has been accused of organizing former 13th of March Revolutionary Directorate people, but, according to AMLASH-1, this probably based on the fact that Chomon always gives jobs in the ministry he heads to DR people. Because of this Chomon today controls to a large degree the Ministry of Transportation. Of all the ministries, the DR's stronghold is in the Ministry of Transportation. Other DR people who continue to hold important positions in the regime are Alberto Mora, Ambassador Carrillo and Jose Naranjo.

q. AMLASH-1 and AMWHIP-1 were unable to develop any specifics, but from their conversations with Ambassador Carrillo got the impression that Carrillo would prefer and welcome a transfer from the Embassy in Paris to the Embassy in Madrid.

r. According to Emilio Aragones, Anibal Escalante is being considered for a job outside Cuba. The job will probably be in the commercial/economic field, but a decision had not been made as of November 1964 as to location.

s. AMLASH-1 again reported that he feels Orlando Blanco, 06 Consul of the Cuban Embassy in Bern, 10 is approachable since he is unhappy with the Cuban regime. AMLASH-1 also feels that Enrique Rodriguez Loeches, 06 Cuban Ambassador in Rabat, 10 is approachable if approached and developed by the right person. Marina Garcia Gonzalez, 06 assigned to the commercial section of the Cuban Embassy in Rabat, 10 AMLASH-1 feels is also approachable and feels money can be used as an inducement. Ambassador Carrillo, AMLASH-1 feels, if the proper person developed him, could probably be compromised with Fidel. He is a character and could easily be entangled according to AMLASH-1 in a compromising situation. Ambassador Carrillo is a close friend of Lucy Echevarria.

2. AMLASH-1 was also asked information on a long list of other requirements on Cuba. On many he was unable to provide information and cables were sent to Headquarters on the requirements on which he did provide information.

GIST

The Subject is a covert employee of this Agency now in the United States for four weeks training and being considered for use by Staff C/ICB in a highly sensitive assignment. Immigration authorities may submit questions through this Agency which will be answered by the Subject, but requests to have the Subject testify in open court hearings must be refused.

DETAILS

1. Reference is made to the letter received by the Alien Affairs Staff from the Immigration and Naturalization Service and reference to your request of 15 June 1954 to ascertain the details of the Subject's status with this Agency and prepare a reply to I&NS.

2. On 17 June 1954 Special Agent Chester R. HOATSON of this office interviewed Mr. Robert DAHLGREN, Acting Chief, WH/FI, Room 1128 "J" Building, and Mr. 03 John BONNET, Chief, WH/Panama, Room 2204 Quarters "J", x4456, regarding the Immigration request. The following information was obtained during this interview.

a. The Subject is still a covert employee of this Agency, is now in the United States (New York City) on home leave, and is scheduled to report to Washington, D.C., to commence four weeks of covert trainingon 6 July 1954.

b. The Subject is presently under consideration by Staff C/ICB for an assignment with a highly sensitive project under the supervision of Staff C/ICB. Under this proposed assignment any publicity or notoriety that the Subject would receive from testifying publicly on questions of Communist associations of which he may have knowledge would ultimately preclude his future use with the Staff C project and would probably jeopardize his future as a covert employee of this Agency.

c. If the Staff C assignment does not materialize, the Subject will return to 16-46 Balboa, Panama Canal Zone on approximately 15 August 1954 as a case officer, and this position would also be jeopardized by undue publicity.

2/rn

3. Mr. DAHLGREN and Mr. 03 (BOTTET) indicated that from a WH standpoint only there would be no objection to a controlled interview with the Subject if the interview could be afforded the Subject while he is still in New York City. This, however, would have to be coordinated with Staff C/ICB for possible objections that they might raise in view of their proposed use of the Subject. Mr. 03 (BOTTET) requested that he be informed of any action taken in this matter and any public testimony or open court testimony would have to depend on the seriousness of the case being prepared by the Immigration authorities.

4. Any contact with the Subject during his period of covert training from 6 July to approximately 15 August 1954 would have to also be coordinated with Mr. (Peter HOEHL) Covert Training Officer, OTR, whose office is located in Building 03 T-31.

5. On 11 June 1954 Special Agent HOATSON contacted Mr. (Paul 03 BURKE) Staff C/ICB, 1613 "I" Building, x688, to discuss the Subject's future position and also the request received from I&NS. The following factors were obtained from Mr. (BURKE):

a. The Subject's use in the proposed 03 Staff C project is still in the planning stage, but the assignment that the Subject is being considered for is a highly sensitive one and any further publicity which the Subject may receive would ultimately disqualify him for consideration on this project.

b. Any approval for I&NS contact of the Subject would have to be determined after carefully considering the importance of the I&NS case for which the Subject's testimony may be required. Mr. 03 (BURKE) indicated that the Subject could still be considered as an employee of WH Division regardless of whether or not the proposed Staff C/ICB assignment materializes and any action in the request received from I&NS should be closely coordinated with both Staff C and WH.

6. Mr. PENNINGTON, Alien Affairs Staff, SO, contacted William A. HOGAN, Special Assistant to the Commissioner of Immigration and Naturalization on 18 June 1954 requesting further information regarding their memorandum of 9 June 1954 on the Subject. Mr. HOGAN explained that I&NS has a list of possible informants which contains the Subject's name. The people on this list are being contacted for use on a continuing basis when specific cases arise which might fall in their particular area of knowledge. At the present time, I&NS has no specific case for which they want to contact the Subject, but they just want to know if he would be available in the future for use as an informant regarding various Communist activities of which the Subject has personal knowledge.

6/RJ

7. After his conversation with Mr. HOGAN, Mr. PENNINGTON indicated that a refusal of the I&NS request would not be considered out of order, but recommended cooperating to the extent that I&NS could submit specific questions to this Agency which could be presented to the Subject and the answer forwarded to I&NS. The refusal of their original request should be based on the sensitivity of the Subject's position which could be jeopardized by any undue publicity and also on the fact that the Subject [illegible] frequently and it would be difficult to locate him [illegible] contact was [illegible].

8. Mr. James SPROUSE, Alien Affairs Staff/SO, stated on 18 June 1954 that Mr. HOGAN, Special Assistant to the Commissioner of Immigration and Naturalization, had indicated in a conversation with Mr. SPROUSE on 8 June 1954 that I&NS had been able to locate the Subject's location and affiliation with this Agency through the Subject's father who told the inspector that the Subject was employed by this Agency in (Balboa, Panama, Canal Zone,) which appears to be a security flap on the part of the Subject's father. 16-46

9. Mr. (John BONNET,) 03 Chief, WH/Panama, was recontacted on 18 June 1954 and informed of the nature of the I&NS request and also informed of the apparent security flap on the part of the Subject's father. 03 On the basis of this further information, it was suggested to Mr. (BONNET) that the I&NS authorities be requested to submit any questions through this Agency which would, in turn, be presented to the Subject and his answers be returned to I&NS. Mr. (BONNET) 03 agreed to the proposal of having the I&NS people contact the Subject through this Agency and also indicated that the reported security breach on the part of the Subject's father would be taken into consideration and an attempt would be made to determine the extent of the Subject's relatives or acquaintances know of the Subject's employment by this Agency. Mr. 03 (Paul BURKE,) Staff C/ICB, also agreed to the proposed procedure and requested that any and all action taken be coordinated with WH and Staff C.

ACTION

It is recommended that the attached memorandum to I&NS and to the Chief, WH Division, with a carbon copy to Staff C/ICB, be forwarded and that no further action be taken pending a report from Mr. 03 (BONNET) regarding the seriousness of the security flap from an operational standpoint.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Deputy Chief, Special Security Division DATE: 21 October 1953

FROM : Chief, Special Referral Branch

SUBJECT: HIDALGO, Jr., Balmes Nieves
#65077

1. Reference is made to your memorandum, dated 16 October 1953, in which it was requested that appropriate inquiries be made to ascertain the answers to the following questions.

a. Can BALMES be made available for testimony before the Subversive Activities Control Board in the United States.

b. If the answer to question "a" is in the negative, can the FBI interview BALMES wherever he may be outside the United States.

c. Or can questions to be answered by BALMES be submitted to CIA for transmittal to BALMES and the answers given by BALMES be sent back to the FBI, via CIA.

2. On 21 October 1953 Mr. 03 William B. CALDWELL, Chief, WH/FI was interviewed in his office. Mr. CALDWELL advised that the Subject was presently a Contract Employee whose 03 services are being utilized in Panama under the Travel Control Project. He stated that Subject has been overseas for approximately one and a half years and that his contract period will probably expire within six months. He advised that in answer to question "a", Subject can be made available for testimony before the Subversive Activities Control Board in the United States if necessary. He stated that Subject's position was not such that he was indispensable to the Project and that if it was absolutely necessary, he could be recalled to the United States within twenty-four hours. In reference to question "b", Mr. 03 CALDWELL advised that there was no reason why the Subject could not be interviewed by the FBI at his place of duty. In reference to question "c", Mr. 03 CALDWELL reported that this was the most desirable alternative and that he would prefer the questions to be answered by Subject be submitted to CIA for transmittal to Subject and that the answers would be returned to the FBI, via this Agency.

3. On 21 October 1953 Miss 03 Helen POINDEXTER of Staff C reviewed her records and determined that Subject's true name is identical to the captioned Subject and not as shown in your memorandum of 16 October 1953.

A. Alberto LLERAS Camargo (201-102576) was born in Bogota, 3 July 1906. He left school at the age of seventeen to become a journalist. He traveled to Argentina and lived in Buenos Aires for three years (1926-29) writing for various Argentine periodicals. His political career began upon his return to Colombia in 1929, when he was appointed secretary of the Liberal Party (1930-33) and received tremendous impetus under the aegis of Alfonso LOPEZ, Liberal Party leader and former President of Colombia (1934-38 and 1942-45). Subsequently, LLERAS served in the National House of Representatives (1931-34). When Alfonso LOPEZ was inaugurated President in 1934, he took LLERAS into his government as Secretary General of the Presidency (1934-35), and later made him Minister of Government from 1943 to 1945. The latter year he was made Minister of Foreign Affairs, as well as First Vice President of Colombia. His public service culminated then in his accession to the Presidency on the resignation of President LOPEZ in 1945. After discharging the duties of Chief Executive for a year (1945-46), LLERAS was elected Secretary General of the Pan American Union in 1947, a post which he held until 1954. He then resigned and returned to Colombia to accept the position of Rector (President) of the University of The Andes (1955-56). Devoting himself once again to politics, LLERAS began writing a column in the Liberal Daily _El Espectador_. In his columns he strongly criticized the Rojas regime (1953-57) and called for the return of constitutional government in Colombia. In March 1956, he was elected President of the Liberal Party and shortly thereafter (June 1956) travelled to Spain and had conversations with Laureano GOMEZ, a leader of the Conservative Party and former President of Colombia (1950-53). These two political leaders signed a manifesto condemning the Rojas regime and

willing for the establishment of a coalition government in Colombia through bi-partisan efforts. From November 1956 to February 1957 LLERAS served as a United Nations Observer to investigate the Hungarian situation.

LLERAS is described as a champion of the Pan American cause and as being very friendly to the United States and a firm believer in the Western type democracy.

Although he did not complete his education and has no formal degree, he has long been addressed as "doctor" as a matter of courtesy. He does, however, have honorary degrees from several Colombian universities as well as from the University of California. He speaks English and French, is married to the former Berta PUGA (daughter of a late President of Chile) and has four children.

On 24 February 1958 an Operational Approval was granted for the utilization of LLERAS in supporting a special operation. However, before the operation was implemented, LLERAS was elected President of Colombia. There has been no operational interest in him since.

It would be my opinion that we would not have to bring his clearance up to date to chat with him.

26 January 1965

MEMORANDUM FOR THE RECORD

SUBJECT: Antilles Material Company Limited (AMCO) - Meeting with SKEWER/1 on the Relationship of the Puerto Rican Cement Company to AMCO

1. As agreed in his 11 January 1965 meeting with SKEWER/1, Mr. Edward Stanulis telephoned SKEWER/1 on the morning of 18 January to arrange a meeting with SKEWER/1 at his convenience later in the day. SKEWER/1 suggested a meeting at 1500 hours that afternoon in his office at the Puerto Rican Iron Works in Ponce. He indicated to Mr. Stanulis that the Puerto Rican Cement Company looks with favor on AMCO and is doing business with it through its Manager, Mr. Alvin T. Philpotts, Jr.

2. Prior to the meeting, Messrs. Allen, Carter, and Stanulis reviewed the approach to be made to SKEWER/1 in the light of his favorable view of AMCO. It was agreed that no mention would be made of the fact that AMCO is in poor financial condition or that Mr. Philpotts is inadequate as a manager. Stress would be laid upon assessment of the long-term commercial viability of AMCO because KUBARK is ostensibly interested in placing an officer in a managerial position in AMCO, or some other similar firm, in order to monitor Castro's activities in the Caribbean area.

3. Messrs. Allen, Carter, and Stanulis arrived precisely at 1500 hours at SKEWER's office on the second floor of the Puerto Rican Iron Works. His male secretary asked us to take seats in the corridor outside his office. Within a few minutes his secretary reappeared and asked us to wait in the Conference Room. Some ten minutes later SKEWER/1 appeared and invited us into his private office. He was extremely cordial and gracious. Mr. Stanulis introduced Mr. Allen as a colleague who is assessing AMCO's commercial viability. He introduced Mr. Carter as a lawyer consultant who is obtaining background information in the event KUBARK should decide to proceed with placement of an officer in AMCO.

SECRET

4. Mr. Allen informed SKEWER/1 that KUBARK is assessing the factors bearing on the long-term commercial viability of AMCO. He explained that such an assessment is necessary because KUBARK does not want to place an officer in a company which is not commercially viable for the long term. One of the factors bearing on the commercial viability of AMCO is the relationship of the Puerto Rican Cement Company with AMCO and the terms of any agreements. We would also like his views on commodities other than cement which can be shipped from Puerto Rico to the outer islands and what commodities can be shipped on return voyages. Another factor of interest is competition in the shipping field.

5. SKEWER/1 indicated that he needed some clarification of KUBARK objectives. Mr. Stanulis reviewed KUBARK's ostensible interest in having an experienced commercial man in a commercially viable shipping company for the purpose ✓ of checking on Castro activities in the Caribbean area. SKEWER/1 assumed that Mr. Philpotts was the man in whom we are interested. Mr. Allen dispelled this assumption explaining that KUBARK has a candidate whom we would like to place in a managerial position in AMCO if it is determined that AMCO is commercially viable. KUBARK would seek to effect this placement through a friend on the Board who, like SKEWER/1, has helped KUBARK in the past and would undoubtedly help again. SKEWER/1 said, "Oh, yes, through the top man in the company." He then asked if Mr. Philpotts would know of KUBARK interest. Mr. Allen replied no, emphasizing that our interest should be closely held.

6. SKEWER/1 said that he had not realized that we wanted so much detail and asked if we desired to talk with the man in his company most familiar with AMCO. Mr. Stanulis declined, emphasizing that we wanted to keep our interest in this matter confined solely to SKEWER/1. SKEWER/1 immediately agreed to make the necessary telephone calls to obtain answers to our questions. As the basis for his inquiry, he would ask about the amount of credit extended by the Puerto Rican Cement Company to AMCO. SKEWER/1 then made a series of telephone calls to one of his subordinates named Tomas and also made one call to his son. The following information was obtained in the above telephone calls:

a. AMCO has 2 or 3 ships under charter and ships primarily cement to Martinque, Guadaloupe, Barbados, and Antigua.

b. The Puerto Rican Cement Company has a verbal agreement with Mr. Philpotts granting him exclusive distribution of cement in Guadaloupe, Barbados, and Antigua.

c. AMCO currently owes the Puerto Rican Cement Company $40,000 and is slow in payment.

d. The normal procedure for payment is for the consignee to pay Mr. Philpotts by a note which the Puerto Rican Cement Company discounts.

e. The Puerto Rican Cement Company is currently examining how much credit it can extend to AMCO. In this connection the company is examining whether credit extended to AMCO can be insured under the Foreign Credit Insurance Association. (FCIA insures 80% of export credit.) If so, the risk to the Puerto Rican Cement Company would be reduced and further credit could be extended.

f. The Puerto Rican Cement Company has sold 133,000 bags of cement to AMCO.

7. SKEWER/1 said that Mr. Philpotts is aggressive and that he is pushing Puerto Rican cement. Mr. Carter asked SKEWER/1 if his firm were worried about the amount of credit extended to AMCO. SKEWER/1 replied that AMCO is trying to help the Puerto Rican Cement Company and Puerto Rican Cement is in turn trying to help AMCO. SKEWER/1 imparted the impression that he has absolute confidence in his subordinates. In calling Tomas, SKEWER/1 said to us that he had gone over the head of his son. SKEWER/1 was not aware that AMCO Puerto Rico is a subsidiary of AMCO Panama. When apprised of this fact, he said that this arrangement is probably for tax purposes. SKEWER/1 left the impression that he considers AMCO as a Puerto Rican company and one worthy of support. He recalled that he had previously given a job to a Trujillo opponent, Fred Imbert, whom no one else would hire. Mr. Imbert now has his own shipping company and SKEWER/1 suggested that we assess his operation. He recalled that Mr. Trujillo had telephoned him about harboring a criminal. SKEWER/1 told Trujillo to mind his own business as would SKEWER/1. Mr. Stanulis indicated that KUBARK would not want to consider Fred Imbert's operation, given his family's involvement in the Dominican Republic. Throughout the conversation, the picture emerged of a man who trusts his subordinates and who would help an individual or firm, particularly Puerto Rican, which is also trying to help his firm.

8. Mr. Allen said that we would assess the situation carefully, and in the event it should be determined to proceed, we would advise him. Mr. Allen informed him that two New York firms have invested in AMCO, namely, W. S. Kies and Company, and Train, Cabot and Associates. Our friend is Mr. Train, who, as he surmised, is the top man in his firm. Mr. Allen revealed this information to SKEWER/1 in the event that it should be deemed desirable for Mr. Train to negotiate with the Puerto Rican Cement Company. Conversely, in the event of AMCO's failure, it was felt that SKEWER/1 should know that KUBARK is not connected with any other participants. SKEWER/1 offered full cooperation. He had arranged his schedule to give us as much time as necessary. In our presence he received a telephone call in which he apologized for cancelling an appointment in order to accommodate us. It is considered that, as in his past relations with KUBARK, SKEWER/1 can be trusted and will help KUBARK in any way he can.

MEMORANDUM FOR: The Record

SUBJECT: Project WUBRINY--Antilles Materials Company, Ltd., Discussion by Mr. Edward Stanulis with SKEWER/1.

1. I made initial telephonic contact with SKEWER/1 at approximately 1100 hours on 10 January 1965 and made arrangements for a meeting in my hotel room for the following day between the hours of 1600 and 1700 to be followed by another on Tuesday at a time and place that would be convenient for SKEWER/1. Later in the day SKEWER/1 informed me that he would be unable to meet with us on Tuesday as he was leaving by air on the evening of 11 January for a series of appointments in the States.

2. The meeting with SKEWER/1 was held in my hotel room at 1645 hours on 11 January. I told SKEWER/1 that as he knew, one of KUBARK's prime information targets in Latin America concerned the activities of Castro's Cuba and that in this connection some of our people had been thinking for some time that it would be most useful in pursuing this requirement to have entree into shipping interests that were active in Caribbean waters. SKEWER/1 said he thought this idea excellent. I further stated that these people had heard that SKEWER/1's firm was discussing the possibility of entering into an exclusive Caribbean distributorship contract with Alvin T. Philpotts, Jr., who is associated with the Antilles Materials Company, Ltd. S. A. of Panama and Puerto Rico, and asked him if he had any knowledge of the individual or the negotiations. SKEWER/1 replied that he did not know of either, but that his son would be familiar with both.

3. I asked SKEWER/1 if he would be willing to investigate the situation discreetly without mentioning any interest on KUBARK's part and at the same time consider the commercial feasibility of the venture for AMCO. He agreed.

4. In elaborating on the basic concept, I told SKEWER/1 that if the proper maritime firm were located (that is, one that may be floundering now but has commercial viability potential), we would be interested in placing with the company an individual who possesses the necessary commercial background qualifications and also has the capability of accomplishing certain KUBARK requirements. SKEWER/1 reiterated his conviction that the concept is an excellent one and said he would do all in his power to

help KUBARK achieve this objective.

5. I told him that I would appreciate his cooperation in meeting with two of my friends who are more fully versed in these matters. He agreed and set the meeting for Monday, 19 January 1965. SKEWER/1 gave me his unlisted private telephone number and suggested that I contact him Monday morning, 19 January 1965, to set time and place for the meeting. The number is 842-2120.

The meeting with SKEWER/1 confirmed Mr. Philpotts' report that his relations with the Puerto Rican Cement Company are good. It also revealed the terms of the relationship between the Puerto Rican Cement Company and AMCO which Mr. Philpotts had not reported in detail to WUBRINY/2. It is obvious that Mr. Philpotts has sold himself to certain officials in the Puerto Rican Cement Company who have the confidence of the Company's top management. The extent to which Mr. Philpotts may have conned other businessmen into extending credit and the amount of such credit is a key factor for investigation by WUBRINY/1 and /2, and Mr. Malia on their forthcoming trip. It is feared that Mr. Philpotts has incurred so many debts that the firing of Mr. Philpotts and reorganization of AMCO would be prohibitively expensive.

MEMORANDUM FOR THE RECORD

SUBJECT: Antilles Materials Company, Ltd.

1. Mr. Ed Stanulis telephoned Mr. Allen at home from San Juan, Puerto Rico, on 11 January 1965. He met with SKEWER/1 as scheduled at 3 P.M. SKEWER/1 was not familiar with any negotiations between the Puerto Rican Cement Company and AMCO but agreed to look quietly into the matter. He made a telephone call to PR Cement's Sales Manager before he left for New York. SKEWER/1 said that he had such a heavy schedule on this trip, requiring his presence in New York, Chicago, and Connecticut, that he could not squeeze in a meeting with KUBARK representatives. He would, however, be glad to meet with KUBARK representatives in Puerto Rico on 18 January 1965. This delay would also enable him to investigate thoroughly the status of negotiations with AMCO.

2. Mr. Stanulis said that he had followed the previously agreed approach to SKEWER/1. He emphasized that KUBARK is interested in AMCO only to the extent that a feasible commercial arrangement can be worked out, so that placement of an officer in AMCO to work against Cuba would make sense. He indicated that AMCO is not doing too well financially and that the question is whether it can be resurrected on a sound commercial basis. Mr. Stanulis informed SKEWER/1 that KUBARK is not interested in taking an equity position in AMCO.

3. Mr. Stanulis affirmed unequivocally to Mr. Allen his previous assessment of SKEWER/1, namely that SKEWER/1 will do anything to help KUBARK, particularly against Cuba. Mr. Stanulis will write a report upon arrival in Washington on or about 13 January 1965.

MEMORANDUM FOR THE RECORD

SUBJECT: Antilles Materials Company, Ltd.

1. Messrs. Allen and Carter met on 8 January 1965 with Mr. Edward Stanulis, former COS San Juan, to discuss an approach to SKEWER/1 for information on subject company. It was agreed that Mr. Stanulis would go to Puerto Rico on 9 January and contact SKEWER/1 on the 10th. Hopefully SKEWER/1 could obtain information on negotiations between Puerto Rican Cement Company and AMCO in time for a meeting with Messrs Stanulis, Allen, and Carter on 12 January. Messrs. Allen and Carter would plan to arrive in San Juan at 10:50 P.M. on 11 January.

2. Mr. Stanulis would apprise SKEWER/1 of KUBARK's interest in placing a KUBARK officer in a small shipping and trading company operating in the Caribbean area in order to monitor Cuban activities. SKEWER/1 would be cautioned to keep this knowledge confidential. In this connection, Mr. Stanulis said that SKEWER/1 had proved to be absolutely reliable from the security point of view. Mr. Stanulis would advise SKEWER/1 that KUBARK is looking at AMCO which is negotiating with the Puerto Rican Cement Company to be its cement distributor in the Caribbean area. SKEWER/1 would be asked to confirm any negotiations and the terms involved. His answers would be given in the subsequent meeting with Messrs. Stanulis, Allen, and Carter. Further discussion with SKEWER/1 would be conditioned on his answers. In any case KUBARK representatives would ascertain his views on the validity of AMCO's commercial concept and on any possibility for commercial collaboration between PR Cement and AMCO.

3. Mr. Stanulis on 10 January 1965 telephoned Mr. Allen at home to report that he has a meeting scheduled with SKEWER/1 at 3 P.M. on 11 January. SKEWER/1 is leaving the night of 11 January for New York where he will remain through part of 15 January. Mr. Stanulis will try to get a flight out of Puerto Rico for New York, so that a meeting may be arranged for Messrs. Stanulis, Allen, and Carter with SKEWER/1 in New York. Mr. Stanulis will call Mr. Allen after his meeting with SKEWER/1. Mr. Stanulis is staying at the Hotel Da Vinci, Room 81.

SECRET

SKEWER/1 will be staying in New York at the Hotel Savoy Plaza. Mr. Allen immediately telephoned Mr. Carter, 941-2802, and advised him of the change in plans.

Attachment No. 1 to
DO/HS Memorandum dated

Operational and Cl[illegible] Information

1. Subject was mentioned in two KAPOK Dispatches by the Chief of Station, San Juan, Puerto Rico, as a possible candidate through whom leads to persons in the Dominican Republic could be developed and targeted against the intelligence service and the ruling circles there. In HPSA-1223 and HPSA-941, both dated 11 September 1956, Subject is mentioned as a good person for the beginning of covert operations in the Dominican Republic because he was well known and considered discreet by those who knew him. Becuase of his businesses in the U.S. and the Caribbean area, Subject had many persons working for him over a period of years who owed him some allegiance. Subject's companies did much business in the Dominican Republic. SKEDADDLE, the Station's contact, was instructed to approach him indirectly through a cut-out who was Angel FONSECA Jiminez, a personalffriend of SKEDADDLE, a member of the Puerto Rican legislature, a senior member of the Republican (Statehood) Party, and very close to Subject.

2. Information in Subject's PRQ II revealed that he was assigned the cryptonym SKEWER/1. The case officer was introduced to Subject by one Francisco A. LOPEZ Dominguez, the U.S. Collector of Customs-in-Charge in Puerto Rico on a strictly social basis in March 1960 (this was to be Subject's cover, and there was no monetary remuneration). Since Subject was considered a loyal U.S. citizen, he was made witting of KUBARK's interest in persons in the Dominican Republic who might lead to the target. He accepted to assist KUBARK in this endeavor enthusiatically. Although it was known that Subject once served as an honorary Vice Consul for Sweden, a common practice for prominent businessmen in Latin America, he was not known to have any connections with a foreign intelligence service. His value to KUBARK lay in his personal knowledge of persons and facts in the Dominican Republic, particularly individuals who travelled there for legal reasons, as well as his social and political status. The case officer described Subject as "intelligent," "well educated," and "a political leader whose real strength is in his being an enlightened capitalist." Because he was (and is) so prominent, and could not withstand too much weakening of his position, he should not be used "directly" in any operation (in the opinion of the case officer who wrote the PRQ evaluation).

SECRET

SECRET

Attachment No. 1 to
DO/HS Memorandum dated

3. According to information in C-82943 (CI/OA File), WH/3/DRAH requested a POA on 4 May 1960 for permission to allow the use of Subject to "provide useful information on, or through witting or unwitting employees, courier access to the Dominican Republic." Results of Green List No. 100951 dated 4 May 1960 were "no pertinent identifiable information" on 17 May 1960, and a field trace reply of that date was "no derogatory traces." The POA was granted 31 May 1960 and the OA on 11 September 1960. These clearances were cancelled on 21 and 24 March 1961, respectively, in notices to CI/OA by WH/3/DRAH. Reasons for these cancellations were not given. On 22 August 1961, WH/4/Cuba requested a reinstatement of the OA, for use as an informant. The request was granted by CI/OA on 11 September 1961.

4. An investigation report by the Office of Security in 1960 was not unfavorable. It did make reference to information in an FBI report dated 19 May 1960, in Washington, D.C., which also appeared in the Subject's 201 file. This report contained the following information:

a) In 1951, as leader of the Statehood Party, Subject attacked compulsory military service for Puerto Rico, calling it taxation without representation. In 1952, however, he was one of the Statehood Party leaders who made public statements of their pride in their U.S. citizenship, their desire to live permanently under the U.S. flag, and their recommendation that pardon and clemency be granted in meritorius cases of persons accused in connection with the Nationalist Revolt in 1950.

b) In 1952, Subject reportedly offered a job to Elizer Curet Cuevas, a Communist Party member in Puerto Rico (source not specified).

c) The FBI received information (source not specified) in 1952 and 1953 that Subject received mail from one Juan Antonio Corretjer, a former member of the Puerto Rican Nationalist Party.

SECRET

SECRET

Attachment No. 1 to
DO/HS Memorandum dated
26 August 1964

d) At the request of the Justice Department, the FBI conducted an *inquiry, under the Anti-trust Laws of the U.S., into the cement industry in San Juan, Puerto Rico during December 1958. As industrialist and financier, Subject reportedly controlled the cement industry in Puerto Rico. The Anti-trust Division Files of the Department of Justice contain the results of the inquiry.

5. The Chief of Station, San Juan, Puerto Rico, according to HPSA-1969 dated 4 January 1964, met with Subject in Ponce on 26 December 1963. At this time, Subject told the Chief of Station that he was considering the construction of two sizable plants (cement and glass) in the Dominican Republic "as a means of augmenting official assistance through private enterprise." Subject felt that it was "imperative for all free nations of the Hemisphere to do all in their power to help the Dominican Republic become a true Democracy and deny it to the Communists. In this vital task, private capital must also participate actively." This is the conviction that prompted Subject to consider building the plants.

*According to a memorandum to CI/OA dated 27 May 1960, from WH/3/DRAH, the inquiry had no effect on its proposed operational use.

6. One document in the 201, UFGA-12398 dated 7 November 1963, reveals that Subject was a member of a group of Latin Americans who notionally subsidized AMSCROLL (probably an asset of WH/SA). JUAN 0404 (IN 33997), 7 December 1961, one of a number of cables in Subject's 201 file, indicates that Subject took intense interest in Cuban affairs and was more than willing to obtain information on Cuban elements.

7. According to a document in Subject's 201, the Central Cover Staff had a record, Page 2129 dated 11 May 1960 in their File #3-3 in connection with WH/3/DRAH's POA/OA, but had no active or direct interest in Subject.

1. COS met with SKEWER-1 in Ponce, P. R. on 26 December 1963.

2. During general conversation, SKEWER-1 said he was considering the construction of two sizeable plants (cement and glass) in the Dominican Republic as a means of augmenting official assistance through private enterprise and asked COS's opinion of the venture. COS responded that this was personal decision for SKEWER-1 to make.

3. SKEWER-1 said he felt that it was imperative for all free nations of the Hemisphere to do all in their power to help the Dominican Republic become a true democracy and to deny it to the Communists. In this vital task, he added, private capital must also participate actively. This personal conviction, he said, is what has prompted him to consider building the cement and glass plants.

3. SKEWER-1 said that he believed the present GODR was democratically-oriented and would do a good job in the interval between the Junta reign and elections for a successor government. He also praised the selection of Donald REID Cabral to succeed DE LOS SANTOS.

SUBJECT:
GENERAL Operational
SPECIFIC Dominican Republic Progress Report

Reference: A. HPS-A-497, 13 June 1955; B. HPS-A-941, 11 Sept 1956

Action Required: See para. 3

PRECIS

The Station herein outlines what it believes to be the targets for covert operations in the Dominican Republic. Included is a list of assets which the Station has for commencing operations, as well as operational leads, the potentialities of which the Station is investigating. Action taken or contemplated in regards to each of these assets or leads, is also set forth. Periodic progress reports will be forwarded to Headquarters on development of this program.

1. Pursuant to instructions given to REDDRUBER at Headquarters, the Station has begun to activate the persons listed in Reference B., where they are still available, and to discreetly ascertain from local contacts further operational leads. There follows a report on the progress made by the Station since REINDHPER's return.

2. The Station's plan of action to begin third country KUTUBE operations in the Dominican Republic -- targeted primarily against the Dominican Intelligence Service and the Dominican Ruling Circles -- is as follows:-

A. Through SKEDADDLE (Operational Approval granted in HPS-A-[illegible]) to develop persons in Puerto Rico who have access to individuals in the Dominican Republic and can enter that area on a regular basis.

(1) SKEDADDLE has been contacted and advised of the activation of operations against the Dominican Republic. It must be pointed out that SKEDADDLE's attitude has cooled somewhat toward taking an active part in operations. He feels frustrated because of the long period in which he has attempted to maintain contact with assets and, at the same time, not being able to cultivate them. He informed that some contacts have lost interest and others no longer

have access to the target. He was advised of the importance of these operations and it is believed that he will work out in time.

(a) A review of all of the persons mentioned in Reference B. was made with SKEDADDLE, and it was decided to proceed first with the person mentioned in para. 4.g.(5), Reference B., Luis A. FERRE. Because FERRE is very well known all over this area and is considered most discreet by all who know him, SKEDADDLE has been instructed to approach him indirectly through a cut-out. The cut-out will be SKEDADDLE's personal friend and close confidant for many years, Angel [illegible] FONSECA Jiminez. FONSECA is a senior member of the political party headed by FERRE and a member of the local legislature. He is very close to FERRE. Naturally, no indication of Station interest will be divulged at this time. FERRE is considered to be a good starting point because he is the owner of many businesses in the Caribbean Area and in PBPRIME and has had many persons working for him over a period of years who owe him allegiance. This includes persons in the Dominican Republic.

(2) Another suggestion by SKEDADDLE which was accepted was that he sound out two National Guard Lieutenant Colonels under his command who have access to persons traveling to and from the Dominican Republic from Puerto Rico. In private life, these men are United States Customs inspectors, who handle entry from the Dominican Republic. They are Lt. Colonel Alberto A. PICO, of Ponce, Puerto Rico, and Lt. Colonel O. MATTEI, of San Juan, Puerto Rico. Both of these men are loyal and have clearances from ODIBEX.

|| check

(a) SKEDADDLE will interview these men for operational leads.

(3) Interrogation of SKEDADDLE revealed that his relationship with Hilario TIRADO, mentioned in para. 4.g.(2), Reference B., has deteriorated.

(a) It is believed advisable at this time to sound out TIRADO through his former colleagues, which will be done in the near future.

(4) At the next meeting with SKEDADDLE, which will take place in the next few days, he will be requested to covertly contact certain Dominican exiles (see page 3., Reference B.), resident in Puerto Rico, to ascertain the true assets they have within the Dominican Republic. It is felt that SKEDADDLE's morale must be improved prior to assigning this additional work load.

(5) Also at the next meeting, SKEDADDLE will be requested to contact Francisco PARRA-TORRO in Ponce, Puerto Rico, whose potential is described in Reference B.

B. Through local contacts develop a cadre of PBPRIME continentals located in Puerto Rico and the Dominican Republic that would have spotting and casual intelligence potential. (Please note it is not the intention of Station to jeopardize the position of any PBPRIME citizen or company actually located within the Dominican Republic) In this regard, the following is of importance:

SUBJECT { GENERAL Operational
SPECIFIC Dominican Republic Situation Report

REF: HPSA-497, 13 Jun 55

1. For Headquarters information, the following is a resumé of current material that is maintained in order to keep reference up-to-date and applicable should the occasion arise. Part I of reference remains the same, however, certain personnel changes outdate the operational section, Part II of reference. Under Part II, A, the Mission, Objectives and Tasks as stated in reference would be correct were the Station actually conducting operations in the Dominican Republic. However, as the Station is holding any activities in this direction in abeyance per previous correspondence on the subject, it is felt that we should restate our tasks to more accurately reflect the Station's present activity; namely, being prepared for the actual implementation of operations when the occasion arises. Further, that Headquarters may be cognizant of the Station's current activities in fulfilling these tasks, there is included a more current listing of the covert assets maintained for the future implementation of operations.

[illegible]

2. Under the present situation, the Station's tasks in maintaining itself in readiness for the possible initiation of operations in the future are:

a. Developing and maintaining background information on persons who are active in anti-Dominican activities in Puerto Rico who, should the occasion arise, would be potential agent material. Should anything happen to the present regime in the Dominican Republic some of these persons would undoubtedly return there and become active in politics.

b. Developing and maintaining current background information and information on the activities of persons who have contact with prominent members of the present government in the Dominican Republic and who have qualifications indicating that they are potential agent material and might be called upon to act in our behalf should the need arise.

22-6-4

FORM NO. 51-28A

3. The Station feels that in directing its efforts in both the above directions, it will have at least a good starting point when operations in the Dominican Republic begin. Naturally, per previous correspondence, all of these operations would be worked from out side the Dominican Republic utilising third country methods. The Station does not believe that any of the prospective assets, other than SKEDADDLE, should become aware of our interest in them under the present circumstances. It is felt that were we to carry operational development of these assets any further at this time that we would run the risk of having them go cold and possibly sour as we could not actually put them to work under present conditions. We feel that this is the best method of keeping our assets on ice.

4. A current listing of assets available as of the present date is as follows:

a. SKEDADDLE -- Situation is the same as that noted in reference. He is still considered a very good choice as a future P/A for these operations. He continues to maintain contact with Dominicans located in Puerto Rico and to keep himself aware of their activities. Most of the persons listed below are contacted through SKEDADDLE.

b. Tobias ECHOLS -- Subject is still available through his place of employment. Subject has become less active in reserve activities to date. Contact with him is maintained through SKEDADDLE.

c. SKEET is a commercial outfit and the writer maintains occasional contact with it.

d. WANTA-4 remains in his present position, however, he is considered better situated to assist the Station in money conversions, etc., and is no longer considered necessary to this objective.

e. Leslie HIGHLEY is a contact of Station personnel. He is in the advertising business and has previously handled the account for the publicity of the Dominican Republic Fair in Puerto Rico. He is now planning to open an office in the Dominican Republic. Presently, he is planning a campaign to interest Puerto Rican tourists in travel to the Dominican Republic. His contacts are strictly business, and he has let the Dominican Republic Government know that he will not involve himself in any of their political machinations. They are apparently satisfied with this arrangement. Subject has indicated a willingness to report anything of interest that comes to his attention in his dealings with and in the Dominican Republic. The Station believes that his greatest potential is that of a spotter of potential agent material in the Dominican Republic. He is carried as current with that in mind.

f. The active anti-Trujillo organisation here is made up of Dominican Exiles for the most part. Contact with that organisation is maintained through SKEDADDLE. The possibility of potential agent material among their leaders is considered to be good. Among this group are the following:

(1) Dr. Angel MORALES, leader of the Dominican exiles in Puerto Rico. MORALES has no visible means of support, possibly lives on private income.

(2) Carmen Natalia MARTINEZ, secretary to MORALES, active Dominican exile.

(3) Dr. Leovigildo CUELLO, M.D., occasionally practices in Puerto Rico; is second man in the organization of Dominican exiles in Puerto Rico.

(4) Oscar MICHELENA, Dominican exile, active, operates a photo shop in Santurce, Puerto Rico.

(5) Frank COILLINI, leader of the pickets who regularly demonstrate in front of the Dominican Republic Consulate in San Juan. Subject has a brother who is a printer in San Juan but he is not visibly employed. Subject is apparently a fanatic and recently reported to the local police that the killer of Dr. GALINDEZ in New York was in San Juan after him. He claimed that the killer was a person known as "El Cojo". Local investigation did not substantiate his claim which probably was done as a publicity attempt in the anti-Trujillo campaign locally.

(6) Ando and Rafael HERNANDEZ, Dominican exiles, San Juan insurance brokers. Subjects, at one time, occupied an office in the same building with the Dominican Consulate but have moved recently to the Condado Section of Santurce. They recently told SKEDADDLE that activity of the anti-Trujillo group here has been "quiet of late".

(7) Luis ORTIZ Arseno, active Dominican exile in San Juan.

c. Persons with official contacts in the Dominican Republic.

(1) Captain Enrique JANER, Professor of Military Science ROTC, at the University of Puerto Rico, is a naturalized PBPRIME citizen and is known to Station through G-2 here. Subject has two or three brothers who served in World War II with PBPRIME. His family is originally from the Dominican Republic but they apparently fled some years ago and took up permanent residence in Puerto Rico. The family has relatives there and subject still knows people in the Dominican Republic. Recently JANER recommended one Rafael MONTAZ, a lawyer in the Dominican Republic, who is the director of the Historical Museum in downtown Ciudad Trujillo, and on the strength of this recommendation, MONTAZ was contacted by a local ODIBEX officer. As a result of this contact, the ODIBEX officer suggested both JANER and MONTAZ to the Station as possible operational prospects.

(2) Hilario TIRADO, Puerto Rican, formerly a Warrant Officer with the CIC and now operating a photo shop owned by his brother-in-law on Avenida Ponce de Leon, Stop 18-20, Santurce, Puerto Rico, visits the Dominican Republic frequently to go hunting with a prominent Dominican who is his close personal friend. Both TIRADO and this Dominican are ardent cock fight fans and the Dominican often brings his cocks to fight in Puerto Rican rings. TIRADO is recommended by SKEDADDLE as completely trustworthy and could be approached should the need arise.

(3) Francisco PARRA-TORO, former G-2 Colonel, retired and now an attorney-at-law with offices in the Banco de Ponce Building, Ponce, Puerto Rico, knows many persons traveling to the Dominican Republic. He is a close friend of SKEDADDLE and was introduced at one time to the former Chief of Station.

(4) Captain CANEPA, on active duty with the Selective Service system in Puerto Rico, is a naturalized PBPRIME citizen. His father was a former cattle farmer in the Dominican Republic, however, it is rumored that Trujillo wanted his father's property and forced the family to move out of the Dominican Republic. The family fled and settled here. CANEPA should know persons on both sides of the political fence in the Dominican Republic. SKEDADDLE knows CANEPA superficially but knew his sister well when he worked for G-2 here. CANEPA is described as good, serious and probably could provide operational leads in Puerto Rico.

(5) Luis A. FERRE, Puerto Rican industrialist, is head of Empresas FERRE in Puerto Rico and is also a member of the local legislature. Subject is also head of the Puerto Rican Statehood Party (affiliate of the Republican Party) and is that party's candidate for the Governorship in the forthcoming elections. He is known to SKEDADDLE and could provide operational leads as his company does much business in the Dominican Republic. UPIL

(6) Continuing contact is also maintained by Station personnel with senior members of large PBPRIME firms with offices both here and in the Dominican Republic which include, for example, Esso Standard Oil Company and the Texaco Company. These contacts are exploitable and could be very valuable should the need arise.

b. Other persons of less reputable character but of possible use should a particular situation arise are:

(1) Luis Manuel BORDAS of Hermanos BORDAS, Inc., Puerto Rico, is a large coffee dealer in Puerto Rico with central offices in Pueblo Viejo, Urb. Monterrey, P.R. Subject was born in the Dominican Republic and is a naturalized PBPRIME citizen. He was drafted in World War II; received a commission through OCS during his stay in the service and was described as being a loyal and good officer. Upon discharge from the service he joined the anti-Trujillo forces in Puerto Rico. In 1949 or 1950, BORDAS purchased

many canteens, ammunition belts, etc., at a surplus sale at Fort Buchanan, Puerto Rico, which he had shipped to a Dominican Exile group in Cuba who were then being trained. At this time he also engaged in recruiting Puerto Rican veterans, promising them high salaries and rewards if they would go to Cuba and join the anti-Trujillo forces in training there. The recruits were sent to Cuba via Miami, however, one of the recruits returned to Miami from Cuba and exposed the whole operation to the Miami Herald which was instrumental in blowing the preparations being made and exposing BORDAS. It is said that the government had enough on him to prosecute for acting in behalf of a foreign group, however, little action was taken against him. His commission was revoked, however, because of these activities. At present, reports are that BORDAS is "taking it easy" because his firm is now doing business in the Dominican Republic. He is known to SKEDADDLE and if we desired, possible advantage could be taken of his anti-Trujillo sentiments in view of his past activities.

(2) [illegible]PLAZA, owner and operator of the "2 Dice Club" in San Juan, is a big gambler and unsavory. Subject is rumored to be a Trujillo agent in Puerto Rico and is reported as the type who would probably play both sides of the Trujillo argument. He has some contact with pro-Trujillo Dominicans and possibly also with anti-Trujillo Dominicans. He is not considered trustworthy nor is he recommended by SKEDADDLE, however, he is listed here as a possible should ever a person of his "talents" be desired.

5. It is requested that the names listed in Paragraph 4 above be checked by the desk at a Headquarters level for indication of points that might not be known to the Station.

REFERENCES: OELW-19307, 23 January 1962

01 (SMOTH) appreciated the KGB document forwarded with Reference and have submitted the following comments and questions:

1. "We have a number of questions about this document on which we should be grateful for your comments, and as background to some of these we think it will be useful for you to have an account of (WYNNE-ELLIS) 06 dealings with AELADLE:

a. "They date from June 1961 when he was considering a visit to the U.S.S.R. He mentioned this to the Soviet Ambassador, whom he met at the Queen's Birthday Celebration in Helsinki, (he did not realise at first that it was the Ambassador to whom he was talking). The Ambassador suggested that he should get in touch with Ivan Efimovich SERGEEV, an identified R.I.S. officer.

b. "Between 5th and 15th July 1961 06 (WYNNE-ELLIS) went to the Consular Section of the Soviet Embassy to see about the visa. Apparently he did not see SERGEEV but met AELADLE who showed a good deal of curiosity about him and asked whether he had ever been to the U.S.S.R. before, whether he had applied in London for a visa, what he was doing in Helsinki etc. The possibility of AELADLE taking English lessons from (WYNNE-ELLIS) was mentioned and AELADLE said he would get in touch with (WYNNE-ELLIS) about this. He asked for a short biography of (WYNNE-ELLIS). 06

c. "He brought the visa application forms and his biography to AELADLE two days later and although AELADLE was apparently very busy he asked (WYNNE-ELLIS) for clarification of various details. AELADLE did not take English lessons from (WYNNE-ELLIS.) 06

d. 06 "At the end of September, or beginning of October 1961, (WYNNE-ELLIS) received a letter from AELADLE asking for the address of his pen friend in Russia, Stanislav GALKIN, who had been concerned in (WYNNE-ELLIS') 06 recruitment by the R.I.S. 06 (WYNNE-ELLIS) telephoned AELADLE to say that he did not have the new address. AELADLE told him that if he wanted it, he could have a visa 'tomorrow' to visit Stalingrad (now Volgograd) and in the course of conversation said 'sometimes it is better to visit places but not old friends'. We wondered at the time, and ever more after AELADLE's defection, whether this remark had any special significance.

201

e. "On 16th November AELADLE invited (WYNNE-ELLIS) 06 to attend a Soviet concert. AELADLE told him that he had been granted a tourist visa but that if he wished to visit his pen friend he would require a letter of invitation from him. AELADLE asked about his British friends in Helsinki and said that he would phone (WYNNE-ELLIS) next week to make a further appointment. He did not do this. 06

ROUTING

H/M

CLASSIFICATION

PAGE NO

06

f. "A further development which may be of interest is that in early January 1962 WYNNE-ELLIS received a further letter from his Russian pen friend giving him a fairly pressing invitation to visit him. 06 WYNNE-ELLIS, who was not aware of AELADLE's defection, wrote to AELADLE telling him that he had now received the invitation, and inviting him to coffee at his house!

2. "We thought that the arrival of this letter (it was dated 25.12.61) so shortly after AELADLE's defection, 06 and after a long gap in the correspondence between WYNNE-ELLIS and his pen friend, might indicate that the R.I.S. suspected that WYNNE-ELLIS had had a hand in AELADLE's defection. 06 WYNNE-ELLIS was never aware that AELADLE was an R.I.S. officer.

3. 06 "As you know from an earlier conversation about this case WYNNE-ELLIS is a most unsatisfactory character to deal with, and we believe that the R.I.S. have found him equally unsatisfactory! We have no reason to suppose that 24 he has double-crossed us since he was turned, but we would not exclude this as a possibility - or at least would not exclude the possibility that he might have considered this. 06

4. "Our questions on the WYNNE-ELLIS document supplied by AELADLE are as follows:

a. "What is the manuscript word at the top of the first page, and what is its significance?

b. "The two typed words, one immediately below the manuscript word on page 1 and the other to the left, are not legible on our copy.

c. "Is there any significance in the date 11th November being in inverted commas, thus "11"?

d. "We are puzzled by what at first sight appeared to be a date, 22.XII.1961, in the heading immediately above the text on page 1. In fact the Roman numerals 'XII' are the cyrillic letter XП, but we do not understand their meaning. Can AELADLE explain this?

e. "What is the name in which the document is signed, and does AELADLE know the true identity of this person?

f. 06 "We are a little surprised at the cyrillic transliteration of WYNNE-ELLIS's name. We should have expected the KGB to have a system which would enable them to get back to the correct English spelling. Admittedly WYNNE-ELLIS's name is an awkward one to deal with. 06

g. "We should have expected that AELADLE would have sent a trace request to his Headquarters shortly after the first meeting with WYNNE-ELLIS in July 1961. Yet the reply was apparently sent only on 11th November. Can AELADLE comment on this? 06

5. "We do not wish to suggest by these comments that we suspect that this document might be a forgery, but we would be grateful for your confirmation that you do not consider this a possibility.

d/pd

6. "You will no doubt in due course be questioning AELADLE in detail on his knowledge of the WYNNE-ELLIS case. 06 We do not at this stage wish to suggest detailed questions except to remark that we do not know the real names of any of the R.I.S. officers who dealt with him - including the man whom, it is stated in the AELADLE document, he met in the U.K. There is some mystery about this because WYNNE-ELLIS 06 denies having met any R.I.S. officer in the U.K., he did however have contact with various Russians here (including an R.I.S. officer) and we suspect that the R.I.S. officer never identified himself as such to WYNNE-ELLIS." 06

MEMORANDUM FOR THE RECORD

SUBJECT: Highlights of Tape-Recorded Conversation in Miami Between
Mr. William D. Pawley and an Unidentified Cuban during
Period 17-18 October

1. On 20 October the undersigned and Owen Faust of WH/3 listened to the play-back of a tape, brought to Washington from Miami and given to Colonel King by Mr. Pawley on 19 October, which was a recording of Mr. Pawley's conversations with two Cubans during the period 17-18 October. The first conversation was with an unidentified Cuban, believed to be a member of a group of wealthy anti-CASTRO Cubans, members of which have talked to Mr. Pawley recently about their plans for sabotage of the coming sugar harvest as reported in UPWA-32 dated 2 October. The second Cuban was AMPACA-1, a Cuban journalist of operational interest to Station Habana, and a separate memorandum is submitted on that conversation.

2. The unidentified Cuban, who had somewhat of an accent and spoke indistinctly, was difficult to understand. He mentioned a meeting "with some of our people who came up from Cuba" to discuss plans. He said his group had been contacted by a representative of General Jose Eleuterio PEDRAZA, leader of Cuban revolutionary groups in the Dominican Republic, who wanted to know what action their group had taken and was told that they had a plan "to start sabotage". The Cuban said the PEDRAZA representative said their group (the PEDRAZA group) had four provinces organised in Cuba, mentioning Camaguey and Santa Clara, and that they had two provinces yet to be organized -- Habana and Matanzas.

3. The Cuban said his group needed two things -- moral backing and money; he pointed out that Cubans in Cuba are afraid to start an underground movement, and there was no way to raise funds, etc. Mr. Pawley gave him no encouragement on the money angle, saying that even if there were Americans willing to run the risk of becoming involved in Cuban revolutionary activities by furnishing money for such a movement, which he doubted, he felt that at the present time it would be like "putting money down a rat-hole" for the following reasons: (1) there is no unity among the anti-CASTRO groups, and there are at least 10 that he knows of who are working absolutely independently of one another; and (2) CASTRO is in control of the country and has the support of a large number of Cubans, especially the under-privileged. Mr. Pawley said he felt the Cuban economic situation was worsening fast and that if it gets bad enough, a large number of Cubans will turn on CASTRO; but until that time comes it would be dangerous to try to organise a revolutionary movement.

SECRET

201-77378

4. Mr. Pawley asked the Cuban if his group felt they had moral support of the U. S. and the Cuban replied that they wanted U. S. moral support but whether they had it or not, they felt they were obliged to carry through with their plans. Mr. Pawley said he didn't know what to tell him -- would have to think about it and see if anything could be done. He said, "having been connected with the U. S. Government, I can't get involved in revolutionary movements". Also said he would hate to see the Dominican Government get involved, which might be difficult to avoid with so many Cuban exiles there, but commented that he understood "the Dominican Government hasn't given them a dime".

MEMORANDUM FOR: Director of Finance

VIA: Chief, Contract Personnel Division

SUBJECT: Joyce H. PINEINCH (p) - Tax Assessment

1. A covert Federal income tax percentage of two and eight-tenths (02.8) per cent of PINEINCH's gross, taxable Agency entitlements has been approved by the Covert Tax Committee. This percentage assessment is effective 1 December 1964, the beginning date of tax year 1965.

2. The retroactive application of this assessment to tax year 1965 will result in a dollar assessment of $84.00 (02.8% of $3,000.00). After applying the 1965 covert tax withholding of $540.00, a refund of $456.00 will be due PINEINCH for 1965. This eliminates the requirement for a covert tax return for 1965.

3. An acknowledged letter of instruction will be forwarded at a later date.

SUBJECT
0 ISOLOG/LICOOKY -- Termination of Contact with LICOOKY/1

ACTION REQUIRED - REFERENCES

Action required: retire file, again.
References: A. UNDA 3502, 22 January 1968
B. UNDA 3650, 13 March 1968

1. During a meeting with LICOOKY/1 on 5 April 1968 agreement was reached that the WOFIRM relationship with her would be terminated. A memorandum of contact (NYM-2689) concerning the meeting is attached herewith, and indicates the reasons for this termination. No administrative action is required of either the Base or Headquarters in this instance, as LICOOKY/1 was not being paid by us here, and was formally terminated once before (1966). Her file can be retired, again, and this time presumably will be the last time.

2. Termination was very amicable, and LICOOKY/1 holds no ill-will for WOFIRM: she just does not wish to have any relationship with WOFIRM anymore.

3. The writer fully expects to hear from LICOOKY/1 from time to time by phone (in fact, she called later the same day of the meeting to wish the writer a pleasant Easter, as she had forgotten to do so during the meeting), but does not plan any further personal contact.

NYM-2689

TO: LICOOKY/1 File

SUBJECT: Meeting with LICOOKY/1, 5 April 1968

Distribution:
1-Unit A Chrono
1-Unit B Chrono
1-LICOOKY/1
1-WBM/Info (paras 3, 4 & 5)

1. A meeting with LICOOKY/1 was held at 1100 hours, Friday, 5 April 1968. We breakfasted, and then held the meeting at the BARTHOLOMEW site. As is detailed below, we reached a mutual agreement that the relationship was not worth pursuing; this was thoroughly amicable, and recontact methods are available on both sides.

2. Substantive matters first. LICOOKY/1 said that John GERASSI had been in town on 23 March for the day. He was invited to lunch at the CMUN that day, Sunday. Apparently, GERASSI, is back in the good graces of the Cuban regime. He told LICOOKY/1 that he would be spending this Summer in Arizona.

3. LICOOKY/1 has been commissioned by M. S. ARNONI, editor of The Minority of One, to write a piece on the recent intellectual/political developments in Czechoslovakia.

4. LICOOKY/1 thought up, and is arranging, a Czech film festival to begin 15 April. It is to be sponsored by the St. Clemens Film Association, St. Clemens Church, 423 West 46th Street (this church houses the American Place Theatre -- Robert LOWELL's group). LICOOKY/1 got this idea from the recent Czech travails -- which she hails as evidence of the power of Czech intellocracy -- and from the commission referred to in paragraph 3 above. She contacted the Czech UN Mission which put her in touch with PAVLIC, the Czech Cultural Attache in the Washington Embassy. PAVLIC was all for the idea, and will be here for the opening of the festival. Milos FORMAN (director of the film "Loves of a Blonde") is currently here at the Hotel Ch[illegible]a (a "dump on 23rd on the West Side" -- LICOOKY/1's characterization), and will participate in the festival. KADAR (director of the "Shop on Main Street") has been invited to participate. LICOOKY/1 is going to ask PAVLIC whether it would be OK for her to ask DRV[illegible] who teaches film at Columbia and who is a Czech in exile, to participate. LICOOKY/1 is very enthusiastic about this venture.

5. COMMENT: Milos FORMAN is mentioned in the article about Czechoslovakia in the 5 April 1968 issue of Time Magazine.

6. I knew something was bothering LICOOKY/1 and made her drag it out into the open. She started by remarking that WOFIRM and its computer apparently checked the welfare of its old agents every so often, and that this was the nature of our relationship. I explained that this was not the case, that I had found out she was in Manhattan and suggested to Washington that LICOOKY/1 might be of some value to us. This surprised her, and she apologized. She then took off on how when she was in Cuba she had dealt with Fidel and Che and Celia, and when she was involved with Guatemala she was dealing with AREVALO. She said that she didn't want to sound snobbish, but that she was accustomed to dealing with top politicos and intellectuals; she referred to a statement that I had made previously that perhaps she could get Tana de GAMEZ to invite her along to one of Tana's lunches with Cuban Permanent Representative Ricardo ALARCON Quesada. She said that she didn't want WOFIRM to think that she would seek out and cultivate lower level people, that she wasn't built that way. LICOOKY/1 said that even though Tana was a friend and that she liked her, Tana was not her equal, and that Tana wasn't "on her pedestal". That ALARCON was certainly not in LICOOKY/1's intellectual category. LICOOKY/1 said that she considered herself as very flexible, but not that much. LICOOKY/1 is a "special person" and that WOFIRM bureaucracy -- with the exceptions of "Bill" (her Mexico case officer, a friend of the writer), C/WH/1 (with whom LICOOKY/1 is particularly taken), and the writer (LICOOKY/1 repeatedly assured me that she had a very sincere esteem for me) -- probably didn't understand or acknowledge this. LICOOKY/1 said her feelings for certain WOFIRMers were one thing, but her dislike of WOFIRM itself was something else. WOFIRM is a massive card index that shows Miguel Angel ASTURIAS as an old "Nicaraguan war-horse" -- ASTURIAS of course is Guatemalan. LICOOKY/1 couldn't stop liking Communists regardless of WOFIRM desires.

and

7. LICOOKY/1 went on and on in this/similar veins, very impassioned, but very straightforward and without personal rancor for the writer. Summing up, the stated reasons as to why she does not wish to continue regular collaboration with WOFIRM are as follows:

A. fear of compromise -- LICOOKY/1 said that were her relationship with us to become known, it would ruin her standing in and associations with the intellectual community;

B. distaste for WOFIRM -- LICOOKY/1 really believes that WOFIRM is a large card file with all the cards having errors on them;

C. intellectual honesty -- LICOOKY/1 does not think that her intellectual honesty gains from her WOFIRM relationship;

D. lack of understanding -- WOFIRM, except for the three officers cited above, does not really understand the real LICOOKY/1.

8. Obviously, the unsaid reasons are the ones that really brought about this "confrontation", in the writer's opinion. These are as follows:

A. emotional instability -- LICOOKY/1, as has been known for years by the writer, is not the most stable of individuals;

B. money -- LICOOKY/1 receives no money from us anymore (since her termination in Mexico), and the writer suspects that LICOOKY/1 could have more easily rationalized working for the "Giant Indices in Washington" were she on salary;

C. sex -- in this case, lack of same (LICOOKY/1 comes always to emotional involvement with her male associates, and her Case Officers cannot fulfill this need, thus giving rise to problems; in the past, LICOOKY/1 could easily obtain her physical/emotional fulfillment in Cuba and Mexico without relying on the Case Officer, but now she is getting older and quite shop-worn and cannot compete for attention from men in the environment of a place such as Manhattan);

D. discipline -- again, in this case, lack of same; LICOOKY/1 tell us what she does, we don't tell her what she should do.

9. LICOOKY/1 exhibited some anguish over this whole affair. She has been upset for the past month, over this as well as over the confused outlook for her in general. It was made very clear at one point what aid and comfort could have been extended to LICOOKY/1 to alleviate her anguish, and the writer beat a hasty retreat to the kitchenette for a tactical drink of water.

10. Not elaborated above were the writer's answers to LICOOKY/1's opinions, but these were effective in countering her logic, if not her attitudes. LICOOKY/1 had to agree that WOFIRM did have grounds for its assessment of her performance - not awfully good.

11. At any rate, the entire proceedings were very amicable, and, as mentioned above, LICOOKY/1 stressed that her basic opposition to WOFIRM was not on personal grounds, as she had enjoyed her dealings with her "three favorite contacts". She offered to call the writer anytime she had something tangible to pass on, and that he should do the same. It's just that she would be more comfortable as an ex-agent than as a current one. The writer fully expects to hear from her from time to time.

12. It actually was quite an interesting session.

ISOLOG/LICOOKY - Tana de GAMEZ

ACTION REQUIRED - REFERENCES

ACTION REQ: Per para 1 & 7

1. During a meeting with LICOOKY/1 on 7 March 1968, the agent passed on the following information which may be of interest to the appropriate Headquarters components. L/1 apologized for the lack of details, but the agent was not in a position to pump for further information beyond that which was volunteered.

2. On 7 March Tana de GAMEZ, a naturalized U.S. citizen of Spanish origin, said that she had been telephoned the night before by the son of her half-sister Mercedes (last name unknown to L/1), her nephew Roy. The latter is a college student somewhere in Connecticut (possibly the University of Connecticut), and his home is somewhere in Westchester County. Roy said that he was calling his Aunt Tana because he knew that she had worked for OSS during WWII; Tana rejoined that she had never had anything to do with OSS, that she had worked for the Office of War Information (OWI). At any rate, Roy said that he wanted to tell his Aunt Tana that he had been "recruited" by the CIA, and that he was only going to work for the CIA so as to evade the draft. Upon being questioned on this, Roy maintained that he had been "recruited" by the CIA on campus.

3. The nephew's statements rather rattled Tana de GAMEZ, to the point where she had to take her heart medicine for palpitations (she has a heart history). Among other things, Tana was upset by the thought of a family member being affiliated with the CIA, even though the nephew is disliked by her as an individual.

4. Tana de GAMEZ was a member of the U.S. delegation to the Havana Cultural Congress in January 1968. She is a well-known figure in the intellectual leftist set in New York, and is outspokenly pro-Castro. She is a member of the editorial board of Grove Press; is a published author herself; and is a close friend and associate of John GERASSI, formerly of Ramparts Magazine.

CS COPY FILED IN 201-829165

5. Tana de GAMEZ is the subject of a voluminous file at the LNERGO office here. LNERGO information, which agrees with Base information obtained from L/1, indicates that de GAMEZ is vocal but

harmless. She considers herself a loyal American, but does not find this to be incompatible with being a vigorous "New Left" type. She recently became the Latin American editor of Manhattan FM radio station WBAI, an interesting melange of bourgeois/avant-garde programming slanted toward the left, according to L/1.

6. Tana de GAMEZ is in frequent contact with Ambassador Ricardo ALARCON Quesada, Permanent Representative of Cuba to the United Nations; she also is in contact with Jose Raul VIERA Linares, DGI officer within the CMUN.

7. Tana de GAMEZ probably is the subject of a 201 file at Headquarters; if so, this dispatch should be cross-referenced to that file. If not, the Base suggests that de GAMEZ be indexed.

8. Re paragraph 2 above, L/1 agreed that what the nephew probably meant was that he had been interviewed on campus, and that this to him meant that he had been accepted for employment.

1. The following summaries indicate no derogatory information on Subject.

2. New York report dated 12/29/59 captioned "June COBB - Registration Act-Cuba" furnished CIA 1/8/60. This report stated that June Cobb translated pamphlets as part of her job for Fidel Castro with the idea of familiarizing the American people with Castro's writing. June Cobb believes Castro is doing a tremendous job in reconstructing the economy of Cuba. However, she stated that in her opinion it is unthinkable that Communism would ever be embraced by Castro or the people of Cuba. There seems to be no particular significance to this report as this information was previously known by the Agency.

3. Letter to Director, FBI, from CIA dated 11/7/60 captioned "June COBB - Internal Security - Cuba". Bernie Brennan asked June Cobb to deliver some information to Juan Orta who stated that Brennan was not needed anymore. Cobb thought Brennan might have been attempting to obtain a position with the Cuban Tourist Commission. The Agency has no further interest in Brennan. Therefore, there is no significance attached to the report.

4. Washington report dated 4/26/62 captioned "Lyle Stuart - IS - Cuba; SM-C; RA-Cuba", furnished to CIA 5/4/62 was merely interview with Stuart. There is no significance attached to this report.

5. Letter from CIA to Director, FBI, dated 8/19/64 captioned "Lyle Stuart" (CSI 316/00789-64). June Cobb interviewed re Lyle Stuart. a. DPOB: c. 1930, Somewhere in US. US citizen.

b. OCCUPATION: Helping a fnu PELLICER, write a book on Anti-Communism.

c. ADDRESS: Somewhere in Mexico City, DF.

2. BACKGROUND

a. Around June or July of 1959, AMDOFF/1 was ordered by Celia SANCHEZ to pay the Habana hospital bill of an American named June COBB. The bill, which A/1 recalls, was over $2,000.00 plus Habana Hilton Hotel expenses, were paid out of the PM's office account. A/1 believes that Miss COBB became acquainted with Fidel and Sanchez on their US trip of April-May 1959, but ignores the details. Sanchez instructed A/1 to employ Miss COBB in the press section of the PM's office: She was responsible with seeing all American and English speaking newsmen who desired to interview Castro or requested permits to visit the interior of the island. She also helped to translate Fidel's important speeches into English. It is A/1's understanding that she had no other duties or responsibilities. She never dealt with Castro directly, but through Maria WITOSKA, who was Sanchez's laison with the PM's office. A/1 states that their relationship was limited to her official function. She appeared to have a newspaper background, but A/1 ignores the details.

b. About late 1959 Miss COBB, together with Jose PUENTE Blanco, then FEU (Federacion Estudiantil Universitaria) president of the University of Habana, in conjunction with the INIT (Instituto Nacional de Industrias Turisticas), took over a finca (formerly owned by Batista) near Ceiba del Agua, Habana, and set up a boarding house to be used by American students visiting Cuba as guests of the government. A/1 ignores the details of this operation.

c. By mid 1960 A/1 learned that Miss COBB had left for New York City. She never returned. A/1 claims he does not know why she made this decision.

d. When A/1 arrived in Mexico in late October 1964, he came to know an American writer, Daniel JAMES (address: Vicente Gomez #145, Mexico City, DF. tel 40-19-71). James told A/1 that Miss COBB had recently been deported from Guatemala and was living in Mexico City. Later, A/1 met Miss COBB accidently at the Mexican Ministerio de Gobernacion offices. She was very friendly and said she was helping a fnu PELLICAR (believed by A/1 to be a Guatemalan) to write a book describing his defection from Communism. She wanted A/1 to help Pellicer with reference material on the Marcos RODRIGUEZ trial. She gave A/1 her address, but for various reasons he said he tore up the slip

A/1 claims he did not want to be associated with her while his political position is still under investigation and further, he did not want his wife to find any feminine references on his person when she arrived. He has not seen Miss COBB again.

e. (It should be pointed out that A/1 did not include her name on the original roster of the personnel of the PM's office. He remembered her participation when directed a special series of questions (requested by Dave in Mexico City in late Nov 64) on the activities of US news and public relations media.

3. JMWAVE traces:

April 18, June Cobb called the New York DODS office about what to do about her CIA salary on her income tax return.

After discussions with OF/CAAS and George Powell of the Tax Committee, I phoned Mr. Muselin x2268 DODS to telll Cobb the following:

> Since she was supposedly a student in Mexico, ~~xkx~~ and she had paid tax on her CIA salary, she was not to list her salary anywhere on her 1966 tax return. However, she should send us a copy of her overt 1966 tax return.

MEMORANDUM FOR: Domestic Operations/WH

: Director, Domestic Contacts Service

SUBJECT : Miss Viola June Cobb, born 24 August 1927, Ponca, Oklahoma

Background:

1. On 22 or 23 September 1965 Miss June Cobb contacted the New York Domestic Contacts Office through Igor Gordevitch of the Vision Magazine, trying to establish contact in New York with CIA to pass along some information. WH/1 chose not to establish contact with Miss Cobb at that time, even though she was cleared CIA agent in contact with the Mexico City Station.

Recent Developments:

2. Miss Cobb was terminated effective 1 July 1966 and was paid her salary through 30 June and given money for one-way air fare to New York City. She was completely satisfied with the financial terms of the settlement and signed a Termination Secrecy Oath. Although she was terminated for lack of access and production, there was also considerable newspaper publicity in May 1966 in the Mexico City newspapers wherein Subject was attacked because of her connection with an anti-Communist meeting, the Latin American Conference to Study the Situation of the Jewish Minority in the Soviet Union. In this publicity Subject was labeled as being closely connected with U. S. Government Police, and also as an agent of the FBI and INTERPOL. She was also accused of working for a newspaperman Daniel James who was described as being responsible to CIA.

3. Miss Cobb planned to return to New York in July where she was to look for a job. Subject had been told previously by the Mexico City Station that the telephone number of the New York CIA office is listed in the directory and she could call that office if contact were necessary while she was in the United States, but that she should only establish contact for an important or urgent matter. Since Miss Cobb tends to

liberally apply importance to a wide variety of events and subjects, and since she is likely to be short of money shortly after arriving, WH Division believes there is a possibility she may try to establish contact.

Suggested Action:

4. WH Division suggests that you may wish to forward a copy of this memorandum to your New York office. If Miss Cobb does establish contact, we would appreciate your office interviewing her to accept whatever information she might wish to contribute, but that no financial commitments be made on our behalf. WH Division plans to have no direct contact unless the information provided would appear to merit a special interview.

ACTION REQUIRED: FYI

1. Attached herewith is the LILINK report on the termination of LICOOKY-1. This report was received from LILINK on 24 June 1966.

2. Forwarded under separate cover are two copies of the Secrecy and Termination agreement signed by LICOOKY-1, in true name, on 23 June 1966.

3. At the time of termination, LICOOKY-1 was given (1) salary for February, 1966, (2) one way airfare from Mexico City to New York, and (3) Federal Tax refund amounting to 9,005.00 MN. The household items in her possession at the time of termination, which belonged to the Station, were sold to her for US $300.00.

4. It should be noted that although LICOOKY-1 claims she intends to remain in the United States, she retained her apartment, which was turned over to a rental agency for subrenting. The Station believes that she intends to return within the next several months or so should it develop that she cannot find suitable work in the New York area. Should she do so on her own it may be that the Station would want to make occasional use of her, and for that purpose a post office box to which she can write to initiate contact was given her prior to departure.

I am aware that the unauthorized disclosure of such information is prohibited by the espionage laws of our government which specifically requires the protection of intelligence sources and methods from unauthorized disclosure. Draft of Dispatch

1. LICOOKY-1 has been terminated effective 1 July 1966. The last meeting with her was held on 23 June. She was paid her salary through 30 June, her income tax refund for the period 1 January 1965 - 30 June 1966 and given money for one-way air fare to New York City. She was completely satisfied with the financial terms of the settlement. A Termination Secrecy Oath, signed in true name, was obtained.

2. L-1 plans to return to New York on or about 1 July. She said she will look for a job there, and is confident she will have no difficulty obtaining one. She does not yet know where she will be living.

3. L-1 is subletting the apartment she occupies here. She has purchased the KUBARK-owned household effects which had been loaned to her for that apartment. For this reason, in addition to the fact that she has acquired many close friends and interests here as a result of five years residence, the Station expects that she will return to Mexico, although she insists she has no plans to do so.

24. July 66

201-278841

4. She was given a post office box address to use to contact the Station in the event that she does return to Mexico and feels it necessary to do so. But no committment was made to her regarding any future contact or payment for information.

5. She was previously told that the telephone number of the New York KUBARK office is listed in the directory and she could call that office if contact were necessary while she was in the United States. She asked if that would still be the case and was told that it was but only to attempt such contact for an important or urgent matter. But since she tends to liberally apply importance to a wide variety of events and subjects, and since she is likely to be short of money shortly after arriving, it would not be surprising if she did try to establish such contact.

MEMORANDUM FOR: Chief, WH Division

SUBJECT : Request for Termination of Project LICOOKY

The LICOOKY Project was last approved for the period 1 January 1965 through 31 December 1965 for $5,140--$2,530 for FY 1965 and $2,610 for FY 1966. It is requested that the LICOOKY Project be terminated effective 1 January 1966, based on the following information geared to the outline in CSI-F NO. 230-60.

(1) Project Name: LICOOKY

(2) Original Project Objectives: Identify and report on plans, activities and associates of Central American Communists resident in or visiting Mexico City.

(3) Reason for Termination: LICOOKY-1 lost her access to the hard core group of CA communists partly because of her close association with LINLUCK who publicly renounced his break with the Guatemalan CP in 1962. The loss of access was also partly due to L-1's own apparent indiscretion vis-a-vis some of her close friends in Mexico City. This can be attributed both to her own growing distaste for the grubby and blindly unreasoning members of this group with whom she was asked to consort, and her reaction in her social group which took the form increasingly of anti-Communist remarks, and to the concomitant (or possibly resultant) rumors of increasing currency, that she was in the pay of PBSWING. Attempts were made to take advantage of her connections with literary circles in Mexico, but her inability to budget her time, sufficiently to satisfy station requirements led to the decision to terminate her. A contributing cause was also her inability to regularize her status in Mexico so she could accept a paying position which would give her reason to remain there, with the resultant strain of the thin legend that her father was providing her support.

SECRET

[illegible]

(4) Effectiveness of Project: Project supplied a certain amount of miscellaneous detail on the Central American Communist group in its early stages. Detail and continuity have always been lacking. During the post-project period of association, after termination notice was already given, she began to be more attentive to Station requirements and supplied several rather detailed profiles of controversial persons in the intellectual world who could be of operational interest to the Station.

(5) Date of Termination: 1 January 1966

(6) Status of commitments:

a. LICOOKY-1: This Contract Agent is being carried under LIRANCH (OOA) from 1 January through June 1966 to prepare special reports against non-LICOOKY Project objectives. Termination costs will be borne by Project LIRANCH.

b. LICOOKY-2: LICOOKY-2 was terminated on 31 December 1965 for lack of continuous production. He was very understanding when told of the termination and recognized that his limited and occasional access made a regular salary illogical. Contact is maintained with him via a letter box through which he can indicate his need for case officer contact. He is then paid small sums for travel information supplied.

(7) Disposition of funds, material and personnel: There are no funds or material to be disposed of. LICOOKY-1 is being terminated effective 30 June 1966. At this time she will be supplied with air fare from Mexico City to New York and paid the income tax refund due her. Station owns some of the furnishings in her apartment and she has expressed a wish to purchase some of these. The normal three-bid process will be complied with in this case, through her advertising the sale and then offering slightly higher prices for the items. She plans to retain the apartment in Mexico and sublet it furnished so she will have a pied-a-terre whenever she returns there. Her specific plans for leaving the city are not known. The Station has no objections to her remaining in Mexico and

is quite willing to maintain contact with her on an occasional basis. She would be reimbursed out of LIRANCH on a piecework basis.

(8) Request for funds: No extra funds are required.

(9) Progress made toward attainment of project objectives: See paragraph 4 above.

(10) Review of Project: No review is contemplated of Project LICOOKY.

SUBJECT
LICOOKY-1/ Forwarding of Clippings and Comments Concerning Conference on Jewish Minority in the Soviet Union.

ACTION REQUIRED - REFERENCES

Action Required: None; FYI.

1. As Headquarters is already aware, a Latin American Conference to Study the Situation of the Jewish Minority in the Soviet Union (Conferencia Latino-americana de Estudios sobre la Situación de la Minoría Judía en la URSS) was held in Mexico City during the period 13 - 15 May 1966. Judging by numerous articles in the press, Política, La Voz de México, Sucesos Para Todos (see attachments under separate cover) and excerpts from conversations between numerous persons on LIENVOY and LIFEAT, the Soviet Embassy, the Mexican Communist Party (PCM - Partido Comunista Mexicano) and other groups and individual Communists were determined, if possible, to prevent the Conference from being held and, failing that, to discredit it completely and pin the ODIOKE/ ODACID label on it. Despite their efforts and the voluminous adverse propaganda, both before and after the Conference, the Conference was held and was probably mildly successful.

2. Política, 1 May 1966, carried an article attacking the proposed Conference and ridiculing some of the Mexican participants (Attachment A). It contains, among other things, a partial reprint of the text of an interview or statement by Nicolas S. Leonov, Press Attaché of the Soviet Embassy in which he states that Mexico should not be drawn into the cold war propaganda battle, and he maintains that Jews in the Soviet Union are not mistreated or discriminated against. In addition to the attacks and counterattacks in the press, efforts were made (based on LIFEAT on Enrique SEMO Calev, Gerard PIERRE-CHARLES, and LIENVOY) to prevent Carlos Pellicer, a darling of the Mexican left but not a formal PCM member, from taking part; Pellicer is an official of the Mexican Committee for the Defense of the Jews in the USSR (Comité Mexicano Pro Defensa de los Judíos en la Unión Soviética). (Attachment B) continued the attack on the Conference and its participants, claiming in effect that it is a clear anti-Soviet move backed by ODACID. As of 18 May, according to the article, numerous signatures had been collected on a "progressive manifesto" protesting the Conference. The list includes many well known Mexican Communists and pro-Communists. Attached also (Attachment C) is a copy of the "progressive manifesto", which was published in El Día on 19 May 1966, and a copy of a manifesto (Attachment D) published in El Heraldo, 22 April 1966, by the Mexican Committee for the Defense of the Jews in the USSR, in which a number of demands are made on the Soviet Government with respect to the Jews and their rights.

3. La Voz de Mexico,15 May 1966 (Attachment E) carried an article bitterly attacking the Conference, which it charges is being organized and held by groups and persons in the service of ODACID. It specifically names LICOOKY-1, although the latter's name is incorrectly spelled, as one of those responsible for the Conference and says she is "well connected" with ODYOKE police. Sucesos, 21 May 1966, carried an article (Attachment F) attacking the Conference and its organizers and charging that there are sinister forces behind the Conference. This article carries a picture of LICOOKY-1.

4. Sucesos, 4 June 1966, included an inserted sheet (not found in all copies of this edition) entitled "An Agent of the FBI and INTERPOL in the Association of Mexican Writers," which deals almost exclusively with LICOOKY-1, her expulsion from Cuba, work in Mexico, and contacts and activities in Mexico. It charges that in Mexico she is working for Daniel James, who is responsible to KUBARK (Attachment G).

5. LICOOKY-1's name appeared in a notice (Attachment H) appearing in El Excelsior, 28 May 1966 by Vicente Echeverría del Prado, treasurer of the Mexican Association of Writers (AEM - Asociación de Escritores de México, A.C.), which simply stated that LICOOKY-1 is not authorized to accept dues or handle other business of the AEM within the province of the treasurer's duties and obligations. However, in view of the adverse publicity previously, the announcement had the effect or implied that the AEMAC or members of that group believed the charges that LICOOKY-1 had a part in organizing the Conference and/or is an agent of KUBARK. The notice, as it appears, also implies that LICOOKY-1 was mishandling AEMAC funds. Echeverría offered to publish the clarification on the sheet on which the AEMAC announcement appears; however, LICOOKY-1 asked him not to do so and said she would take up the notice and any clarification with the AEMAC Justice and Honor Commission.

6. On 9 June 1966 while conversing with SEMO (Attachment I), Leonov said that LICOOKY-1 had called him to say that she had had nothing to do with the Conference, and does not want the Soviets to catalogue her as an enemy. Leonov commented that LICOOKY-1 had left him her phone number and had asked him to help her (presumably refute the charges that she was involved with the Conference). The LILINK case officer who currently handles LICOOKY-1 said on the morning of 14 June 1966 that LICOOKY-1 told him she had called the Soviet Press Attaché to deny that she had had anything to do with the Conference "because it is what she would normally do." She did not, however, mention beforehand that she intended to call the Soviet Embassy. (Tape of conversation is forwarded as Attachment J.)

7. The Station believes that most or all articles attacking the Conference, and particularly those attacking LICOOKY-1, were Soviet inspired, and it is further believed that SEMO wrote most if not all articles attacking the Conference which appeared in La Voz, Política and Sucesos. The Soviets, who are probably aware of previous Cuban charges that LICOOKY-1 is an ODYOKE agent, probably felt that as an American closely associated with the AEMAC LICOOKY-1 would be vulnerable to such an attack.

8. As a result of the Sucesos article of 4 June 1966 an official from the Ministry of Government did visit LICOOKY-1 to check on her documentation. The official said that he did not believe the charges made in the Sucesos article, but since her tourist visa had expired he advised her to immediately leave the country in order to renew it, and he provided her with a letter to show to Mexican border authorities permitting her exit. She is currently in PBPRIME but is expected to return to Mexico in a few days.

9. As Headquarters is aware, LICOOKY-1 will be terminated effective 30 June 1966; the decision to terminate her was made some time ago, prior to the occurrence of the Conference and the resulting adverse propaganda. While she may be of some occasional use should she return to and remain in Mexico, it is believed that the recent adverse propaganda has impaired her future usefulness in Mexico, although many Mexicans undoubtedly do not believe the charges and others offered to "come to her defense."

10. A dispatch will be prepared and forwarded when the termination has been completed, and any new developments with respect to her alleged participation in the above Conference will be included in that dispatch.

CONGRESOS

¿Les Darán Permiso?

En 1961 un Comité Hindú pro Defensa de los Derechos de los Judíos en la Unión Soviética solicitó al gobierno de la India permiso para realizar un congreso al que asistirían intelectuales de varios países asiáticos. El permiso fue negado porque el primer ministro Nehru entendió que esa reunión afectaría las buenas relaciones de indo-soviéticas.

Trámites similares se hicieron al año siguiente en Ceilán y correspondió a la señora Sirimavo Bandaranaike, jefa del gobierno cuya política nacionalista fue saludada por las fuerzas progresistas de todo el mundo, negar el permiso, pues vio que se trataba de una más o menos sutil intromisión en la política exterior de su país.

Instituido el gobierno *gorila* en el Brasil, un Comité Latinoamericano pro Defensa de los Derechos de los Judíos en la Unión Soviética no tuvo problemas para llevar a cabo en 1965 un congreso; éste se celebró poco después de uno similar que se reunió en mayo del año pasado en Washington y sobre el que un conocido poeta judío-norteamericano de ideas derechistas, Jacob Glatstein, hizo este comentario: "Todos gritaban en inglés que hacía falta la lengua judía… en Rusia". Esta expresión fue comentada por Aarón Vergelis, poeta y director de la revista en yidish *Sovietish Heimland* que se publica en la URSS, con esta frase:

Politica, 1 May 1966

APPROVED FOR RELEASE 1994
CIA HISTORICAL REVIEW PROGRAM

"Nadie más en ruso que hace falta la lengua judía, en los EU".

A otro mitin antisoviético celebrado el tres de junio pasado en Nueva York, dos prominentes sabios judíos de la URSS, el economista Evsei Liberman, profesor de la Universidad de Jarkov, y el físico Lev Landau, Premio Nobel, enviaron un mensaje que decía: "Los ciudadanos de la URSS de nacionalidad judía expresamos nuestra profunda indignación por el hecho de que algunos círculos de Occidente hagan cundir incesantemente toda clase de infundios sobre la situación de los judíos en la Unión Soviética. Los judíos soviéticos consideramos como una provocación el mitin del tres de junio en el *Madison Square Garden* donde sin nosotros, sin representantes nuestros, se pretende discutir una cuestión que, para colmo, ni siquiera existe".

MARTÍN LUIS GUZMÁN, CARLOS PELLICER, LUIS GÓMEZ Z. Y JAWAHARLAL NEHRU

"...¿no se pretende con toda esta propaganda contrarrestar la discriminación racial que sí se practica en otros países?..."

Al congreso de Río de Janeiro concurrieron por México dos personajes de prestigio: Martín Luis Guzmán y Carlos Pellicer. Poco después quedó constituido el Comité Mexicano pro Defensa de los Derechos de los Judíos en la Unión Soviética, presidido ejecutivamente por un judío-mexicano de ideas ultraderechistas, Jacobo Mondlak, y honorariamente por el poeta Carlos Pellicer. Como secretario actúa el locutor de Radio Universidad, actor aficionado y empleado de la sucursal mexicana de una empresa financiera israelí Sergio Guzik. Para colaborar con ellos llegó a México a principios de este año Dov Yosefi, funcionario del ministerio de Relaciones Exteriores de Israel, experto en darle un barniz "liberal" y hasta "progresista" a ciertos eslabones de esta cadena echada a tejer por el Departamento de Estado de los EU.

Dov Yosefi trajo consigo abundante "literatura", entre la que se contaba el artículo *Los judíos en la URSS*, publicado por la revista *Marcha* de Montevideo el 16 de octubre de 1965, y del que es autor Julio Adin, miembro del Partido Obrero Unificado de Israel. Julio Adin estuvo en México a mediados de abril y declaró a POLÍTICA: "Yo escribí ese artículo a pedido del Dr. Carlos Quijano, director de *Marcha*, revista cuya orientación progresista todos conocemos. Al remitírselo desde Jerusalén le expresaba en una carta adjunta que me disgustaría sobremanera que fuese utilizado para cualquier actividad, disimulada o no, de tipo antisoviético. Estoy enterado de los congresos que se han venido celebrando en muchos países para «defender» los derechos de los judíos en la URSS, y no tengo dudas sobre su carácter antisoviético propiciado por el Departamento de Estado de los EU".

Firmas mexicanas. La consecuencia para México de la reunión de Río de Janeiro fue un *Llamado de conciencia*, a cuyo pie se puso la respetable firma de Carlos Pellicer. El hábil trabajo de Dov Yosefi y Sergio Guzik logró que a la de Pellicer se sumaran 50 firmas, algunas tan honorables como las de León Felipe, Héctor Cruz, Rosario Castellanos, Alí Chumacero, Dagoberto Guillaumin, Héctor Mendoza, José Emilio Pacheco y últimamente otras como la de José Revueltas, Luis Gómez Z. o Carlos Monsiváis.

Para dar a conocer ese *Llamado de conciencia* fue ofrecida una conferencia de prensa el 2[illegible] de abril en el edificio central de la comunidad israelita de México. En las invitaciones se decía que la iba a presidir Carlos Pellicer, pero su lugar fue ocupado por una personalidad mucho menos importante, como lo es el Lic. Benjamín Laureano Luna, del Frente [illegible] Humanos. Empleando el [illegible] que consiste en [illegible] tan las [illegible] naciones civiles en Vietnam, Laureano Luna repetía una y otra vez [illegible] por la URSS y los países socialistas, para afirmar luego mentiras tales [illegible] URSS se editan mill[illegible] de libros de franco y [illegible] sentido antisemita, que son vendidos a menor precio que las obras científicas o literarias; y que si bien la Constitución soviética condena el antisemitismo, actualmente el gobierno no sólo lo tolera sino que propicia su expansión.

Jacobo Mondlak, después de afirmar de modo irresponsable que todos los sectores de la comunidad judía de México lo habían elegido presidente del mencionado comité, sufrió un ataque de confusión geográfica y afirmó que en la URSS se producen frecuentes profanaciones de cementerios judíos. La verdad es que el único país donde se ha sabido que se produzcan tan abominables salvajismos es en la República Federal Alemana, donde florece el neonazismo y, en consecuencia, el antisemitismo; pero sobre esto ni una palabra dijeron los apurados "defensores": Mondlak, Laureano Luna y Guzik.

El 22 de abril, en todos los periódicos matutinos, incluido *El Nacional*, apareció el *Llamado de conciencia* con las 50 firmas. Esto sorprendió de manera desagradable a los sectores progresistas de México, no repuestos todavía de las intempestivas cuan amenazantes visitas de Johnson y Goldwater. La primera reacción de esos sectores fue el envío de cartas que diversas instituciones y personas hicieron llegar al poeta Carlos Pellicer, lamentando que hubiera aceptado presidir un comité inspirado y movido

por el Departamento de Estado yanqui.

Comentario soviético. En entrevista con *El Día*, Nicolás S. Leonov, agregado de prensa de la embajada de la URSS en nuestro país, afirmó: "México no es campo propicio para hacer propaganda de guerra fría. El prestigio internacional de que goza y el respeto que le tiene el mundo entero no permiten que florezcan en este país brotes de la guerra fría. En la actualidad no hay ni datos, ni situaciones ni acontecimientos que justifiquen el deseo de algunas personas y elementos de reavivar el cadáver del llamado problema judío en Rusia. A juzgar por los argumentos, la aplastante mayoría de los firmantes usó para sus conclusiones no los datos personales, no los resultados de una investigación objetiva, sino [illegible] tomado de segunda mano, superficial, erróneo y muchas veces tergiversado por pura mala voluntad".

En referencia al pedido de control de las publicaciones antisemitas que hacía el llamamiento, Leonov comentó: "Es curioso que pidan esto a la URSS y no a otros países en donde prolifera esta clase de literatura. Es falso afirmar que las publicaciones antisemitas aparecen en forma regular en la URSS; al contrario, la Unión Soviética es uno de los pocos países en donde la revelación de prejuicios raciales se castiga por la ley y se condena por la opinión pública. Es una pena —concluyó— que tantos intelectuales en tan poco espacio hayan cometido tantos errores. ¿No se pretende con toda esta propaganda contrarrestar la discriminación racial, que sí se practica en otros países?"

El congreso. Muy en silencio se ha venido preparando un congreso que habrá de celebrarse en la ciudad de México del 13 al 15 de mayo, al que concurrirán intelectuales de los países centroamericanos para "defender" los derechos de los judíos sovié[illegible] [illegible] terminará la cadena, pues [illegible] [illegible] Mundial, durante la [illegible] [illegible] próxima, se reunirá después otro [illegible] en Santiago de Chile, al que [illegible] intelectuales de Argentina, Uruguay y otros países del "cono sur". Como decía un lector de *Siempre!* en la sección de *Cartas* del Nº 67[illegible], los resultados de esta campaña antisoviética "no pueden ser otros que los de favorecer la propaganda imperialista y, a la postre, el antisemitismo". Consideraba además que "muchos de quienes aparecen suscribiendo ese llamado parecen no darse cuenta de que son empujados como resonancia y apoyo para la celebración de un congreso [illegible] antisoviético con sede en México; es decir, en un país que tiene buenas relaciones con la URSS y que sufre en carne propia las falacias del anticomunismo manejado desde Washington".

TRABAJO

Primero de Mayo

La celebración del Primero de Mayo, no ha dejado nunca de ser representativa de las aspiraciones de la clase trabajadora y de sus condiciones de vida y de lucha, por un lado, y de la actitud de la clase capitalista y su dominio frente a aquella, por el otro.

Así, por deformado y desvirtuado que esté el sentido esté el sentido auténtico de la conmemoración, a través de toda la historia de los 1os de Mayo en el país se ha visto una CROM callista, haciéndole el juego al régimen con el propósito de instituir el día de lucha del proletariado universal en una "fiesta del trabajo" organizada por el gobierno. Bajo el cardenismo, en pleno ascenso revolucionario, las manifestaciones obreras volvieron a ser en este día una presencia combativa de la clase trabajadora. Durante Alemán, al tiempo que se llegaba a asesinar trabajadores en el desfile, la sumisión de los *charros* del movimiento obrero llegaba a su máxima expresión cuando Fidel Velázquez lo calificaba de "primer obrero de la República".

En este 1966, lo que una vez fue en México lucha a favor de mejores condiciones de vida ha devenido en una "fiesta de unidad nacional a la que son invitados los empresarios", lo que da una panorámica general de la situación de la lucha de clases en el país.

Organizado con el [illegible] [illegible] controlar las aspiraciones crecientes a la unidad por parte de los trabajadores (el Congreso Nacional del Trabajo) el Primero de Mayo, días antes de su celebración se hizo público el criterio que el gobierno y los líderes reaccionarios deseaban imbuir a esa fecha. Circulares y declaraciones de Fidel Velázquez y Antonio Bernal coincidieron con los conceptos que más tarde externaría el presidente Gustavo Díaz Ordaz.

El deseo del régimen de dar apariencia de unidad al intento de fusión burocrática que ha sido el Congreso del Trabajo, así como su empeño en presentarse como impulsor de la unidad obrera se evidencia en su discurso de este Primero de Mayo: "Hoy empieza a ser una promisoria realidad la unificación de los trabajadores no en una sola central propiamente dicha, sino en ideales, en principios, en metas y en ayuda recíproca para poder alcanzarlos".

Vol. VII, Nº 146 POLÍTICA 15 de mayo de 1966
Quince días de México y del Mundo

PANORAMA NACIONAL

CONGRESOS

Antisovietismo en México

Del 13 al 15 de mayo se celebró en el Hotel del Prado de la ciudad de México la silenciosamente organizada Conferencia Latinoamericana de Estudios sobre la Situación de la Minoría Judía en la URSS. Convocada por el Comité Mexicano Pro Defensa de los Judíos en la Unión Soviética y con asistencia de algunos delegados extranjeros, especialmente centroamericanos, esta reunión fue el remate de una campaña internacional antisoviética, iniciada desde hace por lo menos cinco años por el Departamento de Estado norteamericano y el sionismo organizado.

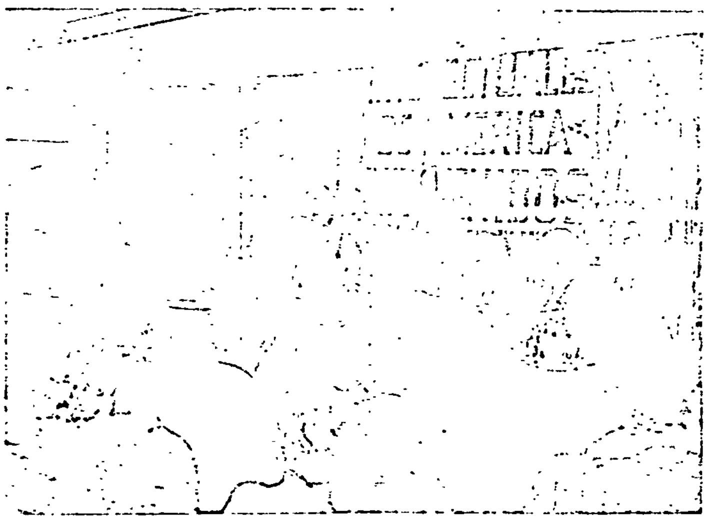
A pesar de los densos velos de humanitarismo y eclecticismo con que se ha pretendido cubrirla, esta conferencia fue denunciada en su fase preparatoria por publicaciones como POLÍTICA y *La Voz de México*, órgano del Partido Comunista Mexicano. Nicolás S. Leonov, embajador de la Unión Soviética en nuestro país, la condenó como parte de la "guerra fría".

Analizando, aun en forma somera, la extracción de los diferentes delegados extranjeros, es fácil inducir sus nexos con el imperialismo norteamericano y la intervención de éste en la conferencia. Los delegados son en su mayoría o han sido funcionarios de gobiernos gorilas de Centro y Sudamérica; entre ellos se cuentan Reynaldo Galindo Pohl, exministro de Cultura de El Salvador; Ricardo J. Bermúdez, exministro de Educación de Panamá; Gerardo Molina, exrector de la Universidad de Colombia; Lic. Gardillo Barios, exministro de Economía y Trabajo de Guatemala; y Dr. René de Sola, exministro de Justicia y de Relaciones Exteriores de Venezuela.

A esta campaña, nada democrática y de calidad intelectual harto dudosa, fueron arrastrados algunos intelectuales mexicanos honestos. Una larga serie de artimañas fueron usadas para ella, desde el ocultamiento de la bien afinada organización y del puntual pago de los servicios necesarios para la celebración de la conferencia, hasta el uso demagógico y falaz de pronunciamientos hechos, en bien diversas circunstancias, por personalidades y organizaciones de reconocida solvencia progresista.

Además se escamoteó el nombre del escritor Martín Luis Guzmán, que no aparece entre los firmantes del nefasto "Llamado de Conciencia". Sin embargo, el literato había sido designado con anterioridad para presidir la conferencia; así lo aprueban tanto el mensaje dirigido a su nombre por el filósofo inglés Bertrand Russell el 26 de abril, como el discurso de inauguración de la conferencia, que debía dirigir Martín Luis Guzmán y que fue impreso y repartido por la oficina de prensa aun antes de que comenzara la reunión.

La conferencia. En la sesión de apertura se escenificó una farsa en la que se intentó despojar a la conferencia "pro judía" de toda implicación política, ubicándola dentro de una esfera exclusivamente "humana". Al mismo tiempo, se pretendió dar a las delegaciones extranjeras —algunas de las cuales sólo constaban de una sola persona— una representatividad "democrática" en las dos comisiones que se formaron: la de estudio y la de resoluciones.



Una Sesión de la Conferencia "Pro Judía"
…sus nexos con el imperialismo norteamericano y la intervención de éste…

La realización de la primera tarea se encargó de iniciarla, por medio de una carta a la conferencia, el que ha figurado como presidente del Comité Mexicano Pro Defensa de los Derechos de los Judíos en la Unión Soviética, Carlos Pellicer. Después de disculpar su ausencia de la reunión, pues acompañaba al presidente Díaz Ordaz, en una gira de trabajo, Pellicer enarboló el nombre de Bertrand Russell para "demostrar" que "…no, detrás de nosotros no hay ninguna fuerza que nos mueva a actuar como lo estamos haciendo". Y finalizó su carta con estas palabras: "Nunca como hoy se habla tan universalmente de Derechos Humanos. El gobierno soviético los proclama todos los días. ¿Qué ocurre entonces con los dirigentes de tan grande nación? …Estaré lejos de ustedes en persona. Pero mi corazón está aquí y mi voluntad entera para seguir luchando por la justicia y la libertad donde quiera que la necesidad tan honrosamente nos obligue".

A continuación, el presidente de la conferencia, Martín Luis Guzmán, y el que actuó como maestro de ceremonias, Benjamín Laureano Luna, hicieron sendos discursos en los que, cada uno a su manera, trató de justificar los objetivos de la conferencia.

Martín Luis Guzmán afirmó: "Pese a la revisión de aquellos factores negativos de la vida soviética y a los frecuentes cambios que en ellos se introdujeron, el gobierno de la URSS no ha restituido a los judíos sus indiscutibles derechos al goce de su cultura ancestral, a la conservación de sus instituciones, a la continuidad de su tradición milenaria". Despues de algunas vaguedades añadidas a la primera, el escritor finalizó con ésta: "Así, enterados de las persecuciones que hoy sufre un gran grupo del pueblo judío, cuyo milenario legado cultural forma parte de la civilización de Occidente, hemos considerado deber ineludible el acudir aquí para que esta conferencia manifieste su decisión de protestar, como lo haría

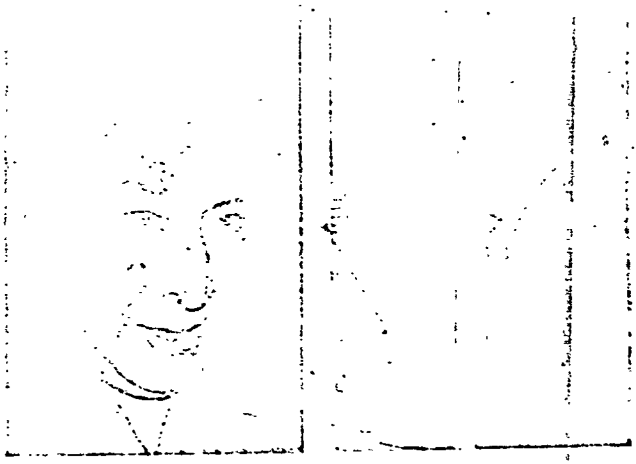
en cualquier otro caso de discriminaciones raciales, culturales o religiosas, contra el régimen que pesa sobre la minoría israelita de la URSS".

Benjamín Laureano Luna, presidente del Frente Mexicano Pro Defensa de los Derechos Humanos, cubrió su anticomunismo con reiteradas y demagógicas protestas en contra de las agresiones norteamericanas a Santo Domingo y Vietnam. Luego lanzó las más graves calumnias contra la Unión Soviética, y poco le faltó para poner en el mismo nivel del genocidio hitleriano al régimen de la primera nación donde se han sentado las bases para realizar el comunismo.

La jornada del 14 de mayo se cerró con un banquete al que asistieron, además de los delegados extranjeros, numerosos miembros de nuestra versátil y desaprensiva intelectualidad. Allí habló Jacobo Mondlak, gerente ejecutivo de la conferencia. De este seudoescritor, *La Voz de México* (en su edición 1829) denunció su filiación de extrema derecha y lo presentó como "dirigente del JEIRUT (partido israelita de ultraderecha y fascista), bien conocido en la comunidad judía de México por su ideología chovinista y reaccionaria".

Mondlak sólo dirigió ditirambos a la "gloriosa y hospitalaria patria mexicana" y a sus "monumentos toltecas de piedra". Después de barajar demagógicamente citas de Morelos, Hidalgo, Bolívar y Sandino pretendió curarse en salud: "No es preciso ser agente del Departamento de Estado para denunciar brotes antisemitas en la Unión Soviética, como tampoco es preciso ser agente comunista al criticar algunas facetas de la política norteamericana".



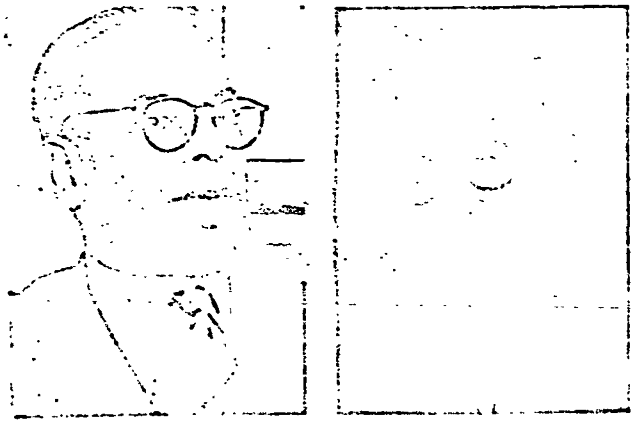
DAVID ALFARO SIQUEIROS VICENTE LOMBARDO TOLEDANO

"...han sido, son y seguirán siendo enemigos irreconciliables del socialismo..."

A los informes sobre la filiación política de Mondlak se añade que su insistencia en colocarse al lado de quienes luchan por la libertad y contra la esclavitud es desmentida por la posición de clase que ocupa dentro de la sociedad mexicana. Es miembro del grupo Mondlak, que posee tal y en el interior del país. La familia Mondlak acaba de invertir $20 millones en maquinaria textil, mediante operaciones realizadas con una empresa imperialista germanoccidental de rancio abolengo nazi.

"Demandas". La conferencia se clausuró el domingo 15 de mayo, luego de adoptarse el acuerdo de pedir a la Unión Soviética que:

- Devuelva a la minoría judía la posibilidad de llevar una vida cultural integral.
- Extirpe de raíz toda manifestación antisemita.
- Dé a los judíos la posibilidad de profesar su religión, al igual que los creyentes de otras religiones.
- Otorgue a los judíos el derecho a la autodeterminación y el derecho a unirse a sus hermanos cuando así lo deseen.



ALBERTO BREMAUNTZ BERTRAND RUSSELL

"...¿cómo pueden explicar los apurados «defensores» su negativa a dialogar?..."

Estos puntos fueron propuestos por el escritor costarricense Samuel Gevinsky quien, no pudiendo ocultar los intereses a los que sirve, dedicó su exposición a calumniar en todas las formas posibles a la Unión Soviética. Y acabó por hacer una ardiente defensa del sionismo internacional, movimiento al que la URSS, durante la asamblea general de las Naciones Unidas en 1965, propuso que se le condenara junto al nazismo, al neonazismo y a todas las otras formas de colonialismo y de odio hacia razas y nacionalidades.

Respuesta. De inmediato, grupo de personas progresistas redactó un manifiesto donde respondió a los organizadores del movimiento antisoviético y de la conferencia que:

"En relación al «Llamado de Conciencia» del Comité en Defensa de los Derechos de los Judíos en la URSS y la Conferencia organizada por el mismo comité, que se celebró los días 14 y 15 de mayo, declaramos:

- "La posición activa contra el antisemitismo y otras formas de discriminación racial en cualquier parte del mundo, es y debe ser tarea diaria de toda persona progresista y democrática.
- "El «Llamado de Conciencia» publicado en la prensa, no sirve a estos altos valores humanitarios. Es, pues, de lamentarse que algunas personalidades bien intencionadas y de reconocida militancia democrática y antiimperialista hayan sido confundidas, prestando sus firmas a un

documento que contiene afirmaciones falaces en contra de la URSS.

- "El racismo y las teorías antisemitas han [illegible] y seguirán siendo enemigos irreconciliables del [illegible] y [illegible] construcción en el país de los soviets. La defensa de la existencia del Estado soviético, unión voluntaria y fraternal de numerosos pueblos, está íntimamente ligada a la lucha consecuente contra estas aberraciones chovinistas.
- "La campaña mundial —que ahora se expresa en México— contra el llamado «antisemitismo soviético» no sirve a la verdad, ya que falsea deliberadamente la situación real de los judíos en la URSS. Tampoco aporta algo a la fraternidad entre los pueblos, porque tiende a desviar la atención de éstos de los verdaderos promotores del racismo y el antisemitismo, como los neonazis y los belicistas que una vez más, levantan cabeza en Alemania occidental y en los Estados Unidos.
- "Los judíos en la URSS gozan en la actualidad de los mismos derechos y tienen las mismas obligaciones que los demás ciudadanos soviéticos en los campos económico, social, político y religioso. Toda afirmación en sentido contrario, es burda calumnia o consideración subjetiva sin posibilidad de comprobación.
- "En cuanto al desarrollo libre de su cultura específica en lengua nacional, yiddish, los judíos soviéticos, sus artistas y escritores siguen creando obras que continúan la herencia de la cultura progresista judía del pasado, aun cuando podrían señalarse ciertas deficiencias originadas en la compleja situación de la minoría judía en la URSS, que no vive concentrada en un territorio común y que conoce además un acelerado proceso de asimilación.
- "Los hoy gratuitos defensores de la cultura judía en la URSS siempre han combatido y difamado esa cultura, porque como la cultura de los demás pueblos soviéticos, su forma es nacional y su contenido socialista. ¿Cómo pueden explicar los apurados «defensores» su negativa a dialogar, en el pasado y el presente, con los representantes más sobresalientes de esa cultura?
- "Los verdaderos organizadores de la conferencia mencionada tratan en realidad de imponer, desde afuera y con posiciones antisoviéticas, una anacrónica solución nacionalista estrecha y de ghetto, a la minoría judía de la URSS, que ligada íntimamente a la epopeya histórica de la construcción del socialismo, no comulga con las ideas de movimientos políticos judíos del mundo capitalista.
- "Las relaciones amistosas entre el pueblo de México y la URSS no deben ser perturbadas por la acción de fuerzas que no sirvan a los verdaderos intereses de México, ni tampoco a los intereses vitales [illegible] judías en el mundo en su lucha por la plena igualdad y fraternidad con los demás pueblos".

UN LLAMADO DE CONCIENCIA DEL COMITE MEXICANO PRO DEFENSA DE LOS DERECHOS DE LOS JUDIOS EN LA UNION SOVIETICA

Al termino de un examen, libre de todo espiritu partidario, hemos comprobado ciertos hechos que nos llevan a abrigar el temor de que aún existe una brecha entre la situación de igualdad que la Constitucion de la URSS confiere a los judios, y su situacion real, en el plano religioso, cultural, económico y humano. Estamos convencidos que dicha situacion se halla en contradiccion con los fines que persigue la sociedad sovietica, y su evolucion desde 1956. Estamos asimismo convencidos que la misma constituye un obstaculo para aminorar la tension internacional. Es por esta razon que estamos igualmente persuadidos que el Gobierno de la Union Sovietica se mostrara sensible al llamamiento que hoy le dirigimos:

SOLICITAMOS DEL GOBIERNO DE LA URSS

1.—Que confiera a los judios soviéticos el derecho de desarrollar libremente su cultura especifica, con medios identicos a aquellos de que disponen las demás culturas nacionales: textos, periodicos, bibliotecas, teatros, enseñanza, etc.

2.—Que permita a los judios soviéticos practicar su religion y disponer libremente de los textos, contar con oficiantes y con los objetos necesarios a la observancia del culto;

3.—Que autorice a los judios sovieticos para que, a semejanza de las demas religiones, puedan organizarse en comunidades religiosas en todo el territorio, y a establecer intercambios culturales y de culto, con sus correligionarios;

4.—Que, a fin de evitar en el futuro toda publicacion antisemita del tipo de: "El Judaismo al Descubierto" y "El Judaismo y el Sionismo Contemporaneo", asi como ciertos folletines y caricaturas que aparecen en forma regular en la prensa sovietica, se ejerza un severo control sobre dicho tipo de propaganda racial. Dicho control seria sumamente viable toda vez que existen en la URSS los organismos adecuados para llevarlo a cabo;

5.—Que una legislacion especial sancione los delitos de indole racista, velando especialmente porque dichas tendencias antisemitas no lleguen a poner en peligro ante la justicia, la igualdad de los derechos de los ciudadanos sovieticos, considerando que los recientes procesos por delitos economicos y las condenas a muerte que les siguieron, dan lugar al temor de que dicha igualdad no es enteramente aplicada en el caso de los judios;

6.—Que considere con benevolencia el caso de los judios que deseen reunirse con sus parientes y conyuges que viven en Israel y en otros paises, despues de haber sido separados por diversas circunstancias.

Tenemos la plena conviccion que la atención que otorgue el Gobierno de la URSS a estas peticiones, habra de satisfacer la aspiracion de justicia de los pueblos y su adhesion a la Declaracion Universal de los Derechos del Hombre. La misma contribuira, además, debido a la renovacion y fortalecimiento de las simpatias y lazos amistosos que dicha actitud aportaria a la URSS, al relajamiento de la tension internacional, meta que todos anhelamos.

Repudio a la farsa antisoviética

La organiza el Dpto. de Estado, denuncia la AMP

La Asociación Mexicana de Periodista salió al paso a la campaña antisoviética iniciada hace dos semanas por un grupo al servicio del imperialismo norteamericano que se ostenta como "defensor de los judíos". En un documento firmado por el Lic. Xavier Campos Ponce, Antonio Caram y Gerardo Dávila, presidente, secretario y vocal, respectivamente de la AMP, denuncian el carácter de la campaña difamatoria, presentan un hecho que sirve para corroborar que los hilos de toda [illegible] del imperialismo y demuestran con una serie de datos que en la Unión Soviética no existe discriminación contra los judíos.

Este documento fue emitido días antes del anunciado "Congreso Latinoamericano" que grupos subvencionados por el Departamento de Estado planeaban iniciar en México el sábado 14.

En la declaración de referencia se señala al principio que la persona encargada de recolectar firmas para el llamamiento que apareció en todos los diarios de esta ciudad el 21 de abril en "defensa de los derechos de los judíos en la Unión Soviética", es nada menos que la ciudadana norteamericana June Jacob, persona muy ligada con las policías norteamericanas que actúan en nuestro país y quien inmediatamente después de regresar de un largo viaje por Estados Unidos, Europa y el Medio Oriente, se dedicó a conseguir firmas de intelectuales y personalidades progresistas, para el documento antisoviético, que sirve de base para la convocatoria de un congreso supuestamente dirigido a "defender a los judíos

residentes en la URSS". Los firmantes del manifiesto fueron sorprendidos hábilmente y muchos de ellos mantienen una actitud de desconfianza hacia los promotores de la campaña.

Respecto de una de las "peticiones" que se hace en el llamamiento antisoviético para "que se conceda a los judíos soviéticos el derecho a desarrollar libremente su cultura específica con medios idénticos a aquellos de que disponen las demás culturas nacionales: textos, periódicos, bibliotecas, teatros, enseñanzas, etc.", la AMP dice: "... los dos millones y tercio de judíos que forman parte del pueblo soviético viven exactamente igual que el resto de las 109 nacionalidades y de los 11 grupos afines a nacionalidades extranjeras. En cuanto a su cultura específica, como todas las del mundo tiende a fusionarse y a unificarse... los judíos en todas partes asisten a las mismas escuelas donde van los rusos, ucranianos, uzbecos, etc. Reciben, como todos los demás, educación gratuita en todos los niveles". Otros datos que demuestran que la discriminación de judíos en la URSS es sólo una invención de los agentes a sueldo del gran capital yanqui, son los siguientes:

En la biblioteca Lenin de Moscú hay 70.000 libros en yidish y 50.000 volúmenes en ese mismo idioma, en la Schedrin de Leningrado. Los judíos en la URSS disponen de publicaciones en su idioma, así por ejemplo la revista mensual "Yidish Hemland" tira 25.000 ejemplares. Se publican ediciones de autores judíos tanto soviéticos como extranjeros que alcanzan tiradas de millones de ejemplares como es el caso de Sholem-Aleijem. Los hebreos disponen también de sus propios teatros.

"Además de ello —se dice en el documento—, disponen de una tierra particular, exclusiva, a la que muchos llaman patria propia y que existe desde mayo de 1934, mucho antes de que los héroes judíos de la postguerra arrancaran Israel al poder inglés... calculamos en medio millón los judíos que habitan en esa región autónoma llamada Birobidjan, la cual forma parte de la URSS y abarca una superficie de 32 mil kilómetros cuadrados", a continuación viene luego una lista detallada de la cantidad de escuelas, institutos, centros médicos, etc. que existen en dicha república autónoma.

"Mucho más podríamos citar —dice finalmente la declaración de la AMP— en contestación a los errores cometidos por ese grupo de personas firmantes del "llamado", pero lo amplio del tema nos obliga a detenernos aquí, por ahora..."

SUCESOS DE ULTIMA HORA

LOS JUDIOS EN LA URSS

EL CAPITULO "MEXICANO" DE UNA INTRIGA INTERNACIONAL

LUBLIN es una ciudad polaca en la que Hitler pensó concentrar a los judíos en un hacinado ghetto de tantos millones de discriminados como habitantes tiene hoy Tokio. En el histórico avance para acabar con la Unión de Repúblicas Socialistas Soviéticas, Hitler consideró que en vez de concentrar a los judíos se creaba menos problemas si los mataba de una buena vez. En los crematorios y fosas de los campos de concentración erigidos por los nazis en su marcha hacia el oriente quedaron las cenizas y los cadáveres de seis millones de judíos. La lucha contra el nacifascismo costó a la URSS 20 millones de vidas humanas.

En la ciudad de Lublín Nació Jacob Glatstein. Joven aún emigró a los Estados Unidos y se convirtió, con el correr de los años, en una de las más brillantes figuras de la poesía y de la crítica literaria en lengua ídish. Tiene ahora 70 años y milita en las filas del partido Poalé Sión (Trabajadores de Sión), que agrupa a los sionistas de tendencia socialdemócrata de derecha. Los poalesionistas editan en Nueva York el semanario Indisher Kempfer (Luchador judío). En septiembre de 1965, y en este periódico, publicó Jacob Glatstein un comentario bibliográfico sobre Horizontes, una antología con la producción más reciente de los poetas judíos de la Unión Soviética que escriben en lengua ídish, de la que se acababan de editar en Moscú 5,000 ejemplares, número que el comentarista señaló como bastante considerable para una antología de poesía nueva en cualquier parte del mundo. Glatstein celebraba haber descubierto en Horizontes a por lo menos una docena de poetas de primer orden a quienes, decía, "elogio sin titubeos porque son maestros del verbo y notables artífices de lo emotivo y lo temático... El ídish en manos de los magistrales poetas de la Unión Soviética es una creación madura que se sustenta más en un sabor popular que en la gran poesía del pasado. Ahí se ha conservado una savia popular que ha ampliado verdaderamente sus horizontes". Ya para terminar su comentario Jacob Glatstein afirmaba: "La antología Horizontes viene a demostrar que la palabra poética ídish vive en la Unión Soviética".

La comunidad judía de habla ídish en México es una de las más jóvenes de la América Latina; tie[illegible] 60 años de existencia y unos 30 mil miem[illegible] se concentran principalmente en la capital y en las ciudades de Monterrey y Guadalajara. Organizada al estilo tradicional, cuenta con un centro deportivo, varias sinagogas y nueve colegios e institutos de enseñanza, en cinco de los cuales se enseña a los jóvenes la lengua ídish. En estos 60 años hubo en México tres poetas que crearon en ídish obra digna de consideración: Itzjok Berliner, Moishe Glikowski y Jacobo Glantz. Los dos primeros han muerto y el sobreviviente, Jacobo Glantz, decidió en 1963 a los 61 años de edad, cambiar el ídish por el español, porque su poesía en aquel idioma, a pesar de los colegios e institutos que lo enseñan, no cuenta con lectores en México.

Ahora bien, Jacob Glantz, poeta ídish de México, que nació en Ucrania 15 años antes del estallido de la Revolución de Octubre, y que antes de su emigración a este país, en 1925, había sido profesor de literatura en Odesa, no firmó el "Llamado de conciencia" que el 22 de abril publicó en todos los periódicos de la capital el denominado Comité Mexicano Pro Defensa de los Derechos de los Judíos en la Unión Soviética, que preside Carlos Pellicer, eminente poeta mexicano que no sólo no lee el ídish sino que no sabe nada de poesía o de literatura en esa lengua.

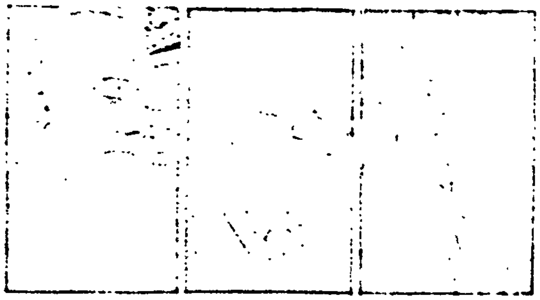
ponen son casi idénticos a los de llamados similares que han venido circulando en el último lustro en muchos países, solicitaba antes que nada al gobierno de la URSS "que confiera a los judíos soviéticos el derecho a desarrollar libremente su cultura específica, con medios idénticos a aquellos de que disponen las demás culturas nacionales: textos, periódicos, bibliotecas, teatros, enseñanza, etc.".

Pellicer es poeta —¡quién lo duda!—, y las savias de su sensibilidad y de su forma poética son la realidad mexicana, las tradiciones nacionales y esa lengua que él depura y elabora porque la habla su pueblo y hay textos, periódicos, bibliotecas, teatros y escuelas por medio de los cuales la lengua y su correspondiente cultura se desarrollan libremente. Pellicer, que es poeta, ¿puede creer que existan poetas con "luminosa potencia creadora", que las savias populares amplíen sus horizontes, que un idioma sea elaborado con "tanto conocimiento y virtuosismo, con tan original y extraordinaria plasticidad" allí donde la cultura en ese idioma no tiene el derecho a desarrollarse libremente? ¿Lo creen así poetas de la talla de Rosario Castellanos, de José Emilio Pacheco, de Miguel Guardia, de León Felipe, o escritores que conocen los auténticos secretos del difícil y vivo oficio de las letras, como Max Aub, Alí Chumacero, Juan García Ponce, Jorge Ibargüengoitia, Vicente Leñero, Carlos Monsiváis, José Revueltas y Gutierre Tibón, que junto con Pellicer firmaron ese "Llamado de conciencia", que de tal sólo tiene el título, pues el nombre que le correspondería, después de someterlo a un riguroso análisis objetivo, sería el muy ionesquiano de "Llamado de un grupo de mal informados que firmaron porque dicen que les dijeron lo que no les consta porque no saben nada al respecto y la culpa de todo la tiene Bertrand Russel?"



Carlos Pellicer, el poeta; Martín Luis Guzmán, el escritor; Jacobo Mondlak, el organizador.

Donde no aparece la firma de don Martín Luis. El ya anciano (79 años) autor de El águila y la serpiente y La sombra del caudillo, el escritor Martín Luis Guzmán, gusta del infantil juego de las escondidillas. En 1965 fue él quien convenció a Carlos Pellicer para que juntos asistieran a la Conferencia Latinoamericana Sobre la Situación de los Judíos en la URSS que se celebró en Río de Janeiro los días 14 y 15 de septiembre de ese año. Pero he aquí que entre las 53 firmas que suscribieron el "Llamado de conciencia", que apareció en cuartos de plana, al día siguiente, en todos los diarios, en inserción pagada por la norteamericana June Cob, no aparece el nombre de don Martín. ¿Se había retirado arrepentido? Al contrario, prefirió en ese momento no salir a la liza porque estaba atareadísimo desde hacía mes y medio firmando, como cabeza del Comité Mexicano Pro Derechos de los Judíos de la Unión Soviética, las cartas en las que se invitaba a intelectuales mexicanos y latinoamericanos a concurrir a la conferencia que se efectuaría "en la ciudad de México durante los días 13 a 15 de mayo próximo y que se ocupará, como objetivo único, en examinar detenidamente el problema a que la minoría israelita hace frente en la Unión Soviética".

Según esas cartas, el comité organizador de la conferencia lo integraban, junto con don Luis Martín, el Dr. Luis Garrido y los licenciados Andrés Serra Rojas y Carlos Pellicer. Mas he aquí que ninguna de estas personas se presentó en la conferencia de prensa que el Comité Mexicano Pro Derechos de los Judíos de la Unión Soviética dio en el edificio central de la comunidad israelita de México (Acapulco 70), el 21 de abril. Ahí apareció como presidente uno de los pocos judíos (10 en total) que habían firmado el llamado, un tal Jacobo Mondlak que es comerciante pero se dice escritor por los artículos que publica en un periódico que sale algunas veces al año, Tribuna Sionista, órgano del más ultraderechista de los grupos sionistas que existen en México.

El asistente de Mondlak en la conferencia de prensa era otro de los pocos firmantes judíos del documento, Sergio Guzik, actor aficionado que suele presentarse en los espectáculos de Juan José Gurrola y que tiene con Walter Rubinstein y F. Mondragón una oficina —Consultores Técnicos de Negocios— donde se conciertan operaciones financieras con empresas israelíes, privadas o estatales. Esa oficina, en el Paseo de la Reforma No. 122, 6o. piso fue la que se ocupó en distribuir libros, folletos y reproducciones fotostáticas y mimeografiadas de documentos sobre la situación de los judíos en la URSS, antes, durante y después de la conferencia de prensa, y de preparar el material que utilizarían los intelectuales que se reunieron en el hotel Del Prado los días 14 y 15 de mayo.

Que el interés de don Martín Luis era muy grande lo prueba el hecho de que fue él quien llevó la voz cantante en la entrevista que el comité tuvo en los primeros días de abril con el secretario de Gobernación, Lic. Luis Echeverría, para solicitarle el permiso de rigor para que la conferencia pudiera celebrarse. Y fue él también quien ocupó desde el primer momento la presidencia de la reunión Del Prado

El santo Bertrand Russell. El gran pacifista Bertrand Russell, tan admirado en el mundo entero por sus protestas contra todo brote belicista, ha sido el consagrado ajonjolí de este mole antisoviético; a él se le atribuye un mensaje cuya autenticidad plena convendría averiguar, pues ni el estilo ni los conceptos corresponden a los de otros documentos que sobre este mismo asunto firmó Russell. Extraño resulta que el comité haya descuidado la presentación de una copia fotostática con la firma del sabio inglés. En lugar de eso se distribuyó una dizque traducción en papel con membrete de la Conferencia Latinoamericana de Estudios Sobre la Situación de la Minoría Judía en la URSS, y pie de página que dice: "organizada por el Comité Pro Defensa de los Derechos de los Judíos en la Unión Soviética". El "mensaje" de Lord Russell está redactado en un estilo burdo, digno de la pequeñez espiritual del señor Mondlak.

Con todo y su orientación humanitaria burguesa, los mensajes de Russell que se conocen estaban

21 de Mayo de 1966

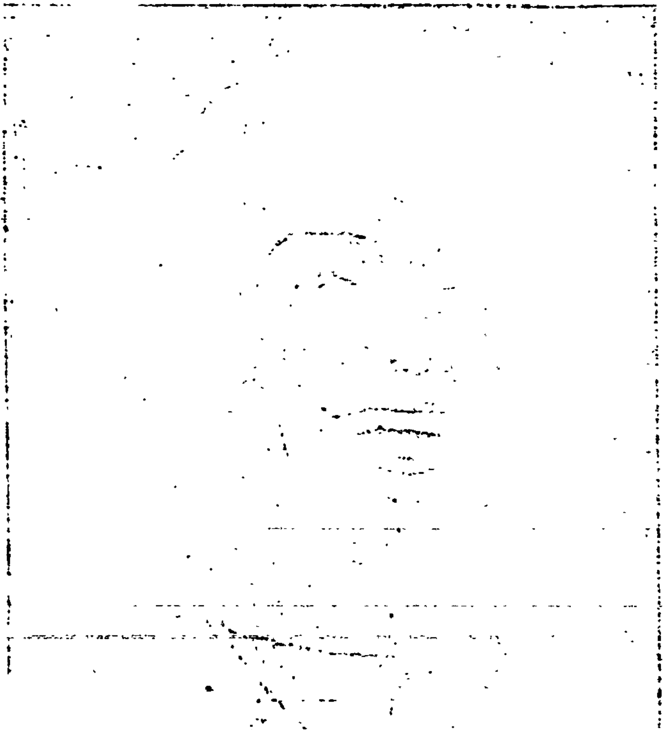
expresados con dignidad y con un respeto esencial por los grandes logros de los países socialistas. Hace apenas un año, Russell comenzaba así su mensaje a una conferencia similar celebrada en abril de 1965 en Estocolmo: "Es de gran importancia que la situación de los judíos en la Unión Soviética no sea utilizada como arma en la guerra fría. Hay muchos en Occidente que buscan cualquier oportunidad para continuar e intensificar la división del mundo entre el Este y el Oeste...

La autoridad democrática de Bertrand Russell está avalada por su decidida posición antimperialista, y para muestra basta un párrafo de su mensaje a la Conferencia Tricontinental efectuada en enero de 1966 en La Habana, Cuba. "Por toda la América Latina —dice—, regímenes corrompidos y tiránicos asesinan al pueblo y lo mantienen en un estado de inanición y enfermedad debido al apoyo militar y económico de la camarilla gobernante norteamericana para los tiranos locales. Tan pronto como el pueblo se alza contra la opresión, el poderío militar norteamericano entra directamente en acción ¿Por qué, entonces, los pueblos del mundo han de confiar su destino a aquellos que colaboran con los regímenes títeres o tratan de encubrir a los notorios verdugos? Los frutos de tal política pueden verse dondequiera que ha sido aplicada: en Iraq o Indonesia, en Guatemala o en Brasil".

¿Cuántos de los conspicuos representantes de gorilas que don Martín Luis logró reunir en el Prado los días 14 y se atreverían a firmar junto con Russell este mensaje? ¿Y qué experto en política puede creer en la autenticidad plena de ese mensaje que fue mostrado como de Russell, enviado a un bananero ramillete de "intelectuales" procedentes de Costa Rica, El Salvador, Honduras, Panamá, Nicaragua, Colombia, Guatemala y Venezuela, que jamás han hecho declaración alguna en contra de sus gobiernos serviles, traidores a sus pueblos, ni han puesto el grito en el cielo porque los neonazis revanchistas de la República Federal Alemana le dan al Estado de Israel un crédito de 100 millones de marcos para "promover una colaboración continua entre ambos países", a pesar de las cenizas todavía calientes de los seis millones de judíos que fueron víctimas ayer de los generosos acreedores de hoy, ni se han reunido a conferenciar para ver qué se puede hacer contra el agresivo antisemitismo de los grupos ultras de Argentina, Uruguay, Brasil y otros países de la América Latina?

Faltó otra firma. En la fotostática que se distribuyó del mensaje del ausente Carlos Pellicer a los reunidos en el Prado, cualquier James Bond hubiera podido notar que, siendo copia fotostática, no traía la firma autografiada del poeta, y que no habiendo asistido Pellicer por encontrase en Tabasco, como lo notificaron varios periódicos, la carta dirigida a los delegados estaba fechada en México, D. F.

"Detrás de nosotros —afirmaba en su mensaje Pellicer— no hay ninguna fuerza que nos mueva a actuar como lo estamos haciendo. Sería terrible saber que Bertrand Rusell el gran filósofo inglés, protesta, como lo ha hecho por el asunto que nos reúne, impulsado por algún gobierno. El insigne escritor inglés es uno de los espíritus más altos y limpios de todos los tiempos y nos honra pensar como él en esta cuestión judía".



La dinámica Iuno Cob.

¿No ha pensado Pellicer, que tan sabiamente maneja el hermetismo de los símbolos de la estatuaria antigua, que muchas veces el más honrado credo antirracista y antidiscriminatorio puede por ingenuidad, coincidir con las determinaciones de los Barry Goldwater y otros campeones del racismo y la discriminación? ¿Cómo puede Pellicer poner en primer plano el problema de los judíos de la URSS, los únicos que hoy en día producen una viva, una renovada cultura en ídish en todo el mundo, a pesar de las grandes concentraciones de judíos en los Estados Unidos y en Argentina, olvidando que es en Alemania Occidental donde sí se profanan con alarmante frecuencia los viejos cementerios judíos y las tantas veces vilipendiadas sinagogas?

El día en que se revele la trama invisible de este asunto, ante el cual los judíos de la URSS han tenido que reaccionar diciendo un "No me ayudes compadre", se verá que todo se origina en la guerra fría y en la necesidad de hacer olvidar la guerra en Vietnam y la discriminación contra los negros.

Un Agente de la FBI y de la INTERPOL en la Asociación de Escritores de México

El sábado 28 de mayo, en la página [illegible] del diario Excélsior el tesorero de la Asociación de Escritores de México, Lic. Vicente Echeverría del Prado, publicó un pequeño aviso advirtiendo a los socios que no se dejaran sorprender por la señorita June Cobb, quien por su cuenta y riesgo se había tomado la libertad de cobrar y recibir cuotas de inscripción o mensuales en nombre de la AEM.

El 30 de mayo, Lunes de Excélsior comentaba un "sorprendente ciclo de conferencias imaginado por Wilberto Cantón, June Cobb y Piazza" y que se efectuaría en el Instituto Cultural Israelí, A. C.

¿Quién es June Cobb? Es una ciudadana norteamericana que ha pasado por México muchas veces en la última década y ha fijado aquí su residencia, después de haber sido expulsada de la República de Cuba, acusada de ser agente provocador de la FBI. Antes de eso, y como agente de la Interpol, había colaborado de manera determinante para descubrir una poderosa red de traficantes de drogas en Lima, Perú.

Su centro de actividades en México es justamente la Asociación de Escritores donde ha logrado arraigar como ayudante de confianza del secretario Miguel Guardia y del presidente de la AEM, el poeta Carlos Pellicer, presidente que de hecho ha delegado sus funciones en esta señorita "servicial" y turbulenta, que ha tenido el cuidado de lograr un antecedente que la ligara a los escritores de la América Latina: tradujo al inglés el famoso libro del Dr. Juan José Arévalo, El tiburón y las sardinas, y después el libelo anticomunista del renegado guatemalteco Carlos Manuel Pellecer.

En la secretaría de Gobernación June Cobb figura como corresponsal extranjera, lo que le daría derecho a pertenecer al Club de Corresponsales Extranjeros que tiene su sede en el hotel Hilton, y no a una asociación nacional como la de escritores, que tiene su sede en esa especie de multifamiliar de grupos de periodistas e intelectuales que es el Club de Periodistas de México.

June Cobb conoce muy bien los círculos culturales mexicanos, pues ha buscado amistad con pintores, escritores, actores, músicos y demás especialistas en la creación artística. ¿Qué misión vino a cumplir en nuestro país? Se sabe que trabaja a las órdenes del periodista Daniel James, responsable en la Agencia Central de Inteligencia de una oficina cuya función consiste en penetrar en los círculos intelectuales, tanto de los Estados Unidos como de otros países, usando como fachada supuestos encargos de investigaciones para universidades estadunidenses.

Si en el Perú la señorita Cobb pudo decirle a la Interpol "misión cumplida", según van las cosas, en México el reporte ante su jefe Daniel James y la Agencia Central de Inteligencia no será tan escueto ni tan brillante. En el cálculo de probabilidades que en torno a este extraño personaje hicieron los organismos de penetración y provocación de los Estados Unidos no tuvieron en cuenta que para moverse entre intelectuales no sólo hay que ser singularmente inteligente, como lo es la señorita Cobb, sino que, además y también, hay que ser intelectual, trabajar como intelectual, dormir y pensar como intelectual. Y resulta que la señorita Cobb trabaja, piensa, actúa y hasta duerme como agente secreto, aunque indiscreto.

No deja de llamar la atención el que por segunda vez aparezca [illegible] con el Instituto Cultural Mexicano-Israelí, ahora en el ciclo de conferencias "¿Qué pasa con el teatro en México?", que "imaginaron" ella y Luis Guillermo Piazza y coordinó Wilberto Cantón, secretario de actividades teatrales de la Asociación de Escritores de México. Antes fue la Conferencia Latinoamericana sobre la Situación de los Judíos en la URSS, en cuya preparación mostróse muy activa la directora cultural del Instituto, Susana Gamboa, quien trató de que algunos grandes periódicos dedicaran sus suplementos culturales al tema de la "discriminación" de los judíos en la Unión Soviética, maniobra provocadora de la cual SUCESOS ha informado ampliamente.

Aunque la cultura siempre adorna y es agradable, da qué pensar el hecho de que a partir del ingreso de Sara Susana Lobowitz (verdadero nombre de Susana Gamboa) el Instituto Cultural Mexicano-Israelí haya incrementado una serie de actividades que exceden la función específica de tales institutos, que es el intercambio cultural de México con [illegible] país amigo. El Instituto Cultural Mexicano-Israelí opera como una Dirección de Difusión Cultural o como un Instituto Nacional de Bellas Artes, y no se percibe en sus programas (como ocurre con el Instituto Mexicano Norteamericano, o con el Anglo-Mexicano, o el Francés para la América Latina, o el de Intercambio Cultural Mexicano-Ruso) el interés o la intención de divulgar en México los valores tradicionales y las conquistas actuales de la muy antigua y a la vez muy joven cultura israelí.

La bohemia un tanto cuanto camo que ha cundido en cierto sector de la intelectualidad mexicana ha sido buen caldo de cultivo para el planecito Camelot que seguramente trae en cartera la "servicial" June Cobb. Quizá no esté muy lejano el momento en que figuras tan respetadas como Francisco Monterde, Salvador Novo, Héctor Azar, Celestino Gorostiza, Luis Reyes de la Maza, Carlos Solórzano y otros se pregunten alarmados qué intereses culturales pueden compartir con un brillante y dinámico agente femenino de la Interpol, la FBI y la ACI.

Al centro, el escritor alemán Günter Grass; a la derecha, la señorita June Cobb y el escritor Monteforte Toledo.

El aviso publicado en los principales diarios de esta Capital el día 25 de mayo del año en curso, y suscrito por la Tesorería de la A.E.M.A.C., parece atribuir, por un mero error de redacción, el manejo indebido de fondos, a la Srita June Cobb, Secretaria Adjunta de la Asociación y, por lo mismo, nos cumple aclarar que sólo se trataba de hacer una delimitación de funciones entre la Secretaría General de la Asociación y la Tesorería de la misma.

7.7 In. Leonov asks maid, who answers, for Enrique (Semo). ES takes phone. ES has been looking for Leonov. Yes, L. got the message but at noontime, when ES is at home, Leonov has been very busy. (They talk to each other in familiar form.)

The University of Puebla has decided to invite a series of Ambs. to talk about the economic achievements of their countries. At the Economy School. France, USSR, U.S., Czech and other countries are invited. ES has the letter of invitation for Soviet Amb. What does Leonov think about this? Could this arrange this? They can try. Leonov understands that the Amb. is going onx vacations to Moscow at the end of this month, in 2 or 3 weeks. He is only waiting for the Councillor who is in Moscow (now) and Amb. will leave right after his return. Amb. will return in August. Perhaps there is someone else who could represent the Amb. The Councillor could go or some other "high-class" attache. Or First Secretary. ES says perhaps Leonov. No, he is too ignorant (joking). No. Leonov would be very good since he could talk Spanish. No, any person who would go, would speak Spanish. Yes, this is a lecture. It would be a person who speaks Spanish. ES thinks this would be a positive (act), a good opportunity. Leonov agrees. ES leaves Mexico today for 2 days. Perhaps they could see about this on Monday. ES could ~~xxx~~ send Leonov the letter meanwhile and then on Monday they can get together. Yes, they can set the time and place and will really meet. Leonov has no engagement on Monday so they could see each other at any time ES wants. ES asks if it wouldn't be good to talk to Amb. or someone on Monday. Leonov will take this up. ES will send Leonov the letter and perhaps he could arrange an interview for Monday. Leonov thinks it is not worthwhile for ES to talk to him. Leonov will talk to him (Amb.) and he (Amb) will tell Leonov frankly how things are and Leonov will give ES the message. Then, they can have lunch together on Monday. Fine. ES wil go by for Leonov at 1400 on Monday.

ES asks how Leonov liked all the things and articles on the Jewish matter. They (Soviets) have sent everything there (to USSR). L. liked all of it. ES says that Leonov know that ....fell immediately and there is absolutely nothing on this. Leonov comments that - Besides, the people who participated lost prestige. Yes, they suffer...ES laughs. No, Leonov can ~~tell~~ him about the name of some people who call Leonov at times and they ....ES says - The people who signed the document. No, Leonov says, including persons like June Cobb. She called Leonov. ES has no idea of the repentance. JC gave Leonov her phone, asking him to help her - so doors are not closed to her. ES is surprised. She - did not want them to catalog her among their enemies (of Soviets), that she had nothing to do...This is a matter of fear. Leonov will tell ES all about it on Monday.

Traitor or Idealist?

William Morgan, deprived of U.S. citizenship in 1959 and executed in Cuba for treason in 1961, was described in secret Senate testimony as a loyal American "with ideals" who fought with Fidel Castro to overthrow the Batista dictatorship and expected Castro "to blow the whistle" when he "finally realized that the Communists were taking over."

Viola June Cobb, who worked in Havana in 1959 and 1960 and knew Morgan well, appeared before the Senate Internal Security Subcommittee in 1962. Her testimony was released yesterday at her request for unexplained reasons.

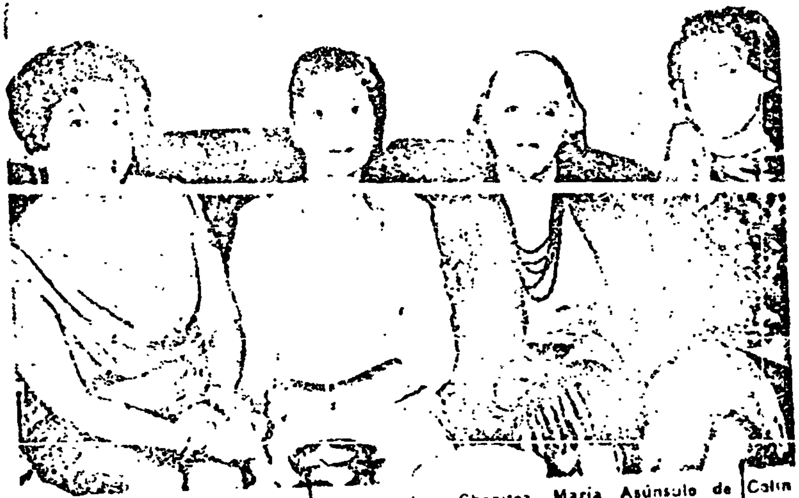
Fiesta de María José Chopitea



CONCEPCION de López Belloso, María José Chopitea, María Asúnsulo de Colín y June Cobb

Con motivo de su día onomástico, la escritora María José Chopitea ofreció la noche del sábado en su departamento de la calle Río Po, una alegre reunión.

Acudió un numeroso grupo de escritores, pintores, poetas, periodistas, quienes felicitaron a la anfitriona y disfrutaron de una velada muy alegre.

Los cocteles y bocadillos circularon al gusto de los presentes quienes cantaron y declamaron, en un derroche de inspiración.

"La Llorona" fue interpretada por un rato largo casi interminable, porque los versos se sucedían unos a otros en diferentes bocas.

Estanislao Rodríguez Ibarra, intérprete del salterio, deleitó a los concurrentes entre los que estaban, licenciado Benigno R. 1. Station regrets the delay in keeping Headquarters informed of the progress of our association with LICOOKY-1. When the proposed amendment to the LIREAM Project involving LICOOKY was turned down, we informed her on her return to Mexico that we could no longer justify the continued association at the present rate since we were simply not getting enough out of it, but that if she could regularize her status here and obtain working papers, we would be more than happy to conclude a new arrangement with her. She felt there was little chance of this, and we then told her we would conclude our arrangement with her sometime in the summer. As indicated in paragraph 2 of the attachment, the date has now been established as 30 June, at which time all outstanding financial arrangements with her will be terminated and she will be given her air fare to New York.

2. Unfortunately, LICOOKY-1 seems to be incapable of realizing which side her bread is buttered on, at least here in Mexico. She cannot parcel her time out to her various interests, and therefore finds all her time taken up by her unpaid AEMAC duties. The profiles we have been harping on have not materialized except for the one submitted under HMMA-28831. We still hope for one on Francisco VILLAGRAN Kramer and such of the Mexican literary figures as amount in her judgment to "non-pigmies." We are not sanguine. We are still after a copy of Osegueda's paper on university reform.

3. The advance made her at Headquarters is being held over her as an inducement to give us the balance of her time before departure and finish in a blaze of activity. If she does this, we will write off the advance here. If she does not, $185 of the advance will be counted as her February salary, $48 as travel expenses from New York to Washington and the remainder will be written off.

4. Rather than go through the formality of a project amendment as per HMMW-14517, Station would prefer merely to consider the project as terminated as of 31 December 1966 and pick up subsequent costs in LIRANCH. A formal project termination will be submitted in the near future.

LICOOKY Project Progress Report
1 October 1965 - 30 April 1966

1. Production

   a. LICOOKY-1 has continued to devote the bulk of her time to the Mexican Writers' Association (AEM). She continues to handle most of its administrative work. She also organizes and does most of the work on the majority of the projects or activities which the AEM sponsors.

   b. L-1 continued to report on efforts to establish the Latin American Writers' Community (CLE), including the results of the Organizing Congress in Arica, Chile. She reported on the steps taken by Mario Monteforte Toledo in beginning preparations for an early 1967 Congress in Mexico and on the AEM's probable role in helping organize that Congress.

   c. L-1 supplied information on reactions among the Central American community in Mexico to the Guatemalan election campaign and results.

   d. She maintained contact with and reported on individuals of interest to the Station, including Monteforte Toledo, Carlos Pellicer Cámara, Manuel Germán Parra, Francisco Villagran Kramer, and Raúl Osegueda Pelala.

SECRET

e. LICOOKY-2 continued to report travel of Communists or leftists from Central America to Eastern Europe. During this period he reported on eight such travelers.

2. Operations

a. L-1 has been notified that she will be terminated effective 30 June. She has been given the following requirements to be fulfilled before that date.

Provide profiles on the personality and politics of significant Mexican and Central American intellectuals with whom she is acquainted.

Obtain information on the newly-formed Latin American Writers' Community, its probable political development, and progress toward the holding of its scheduled meeting in Mexico City in January 1967.

Obtain a copy of the analysis written by Raúl Osegueda Pelala of the problems of authonomous universities.

Special tasks such as reporting on the activity of Stasia Madrigal and on the UNAM student strike.

b. In order to accomplish the above tasks in the short time remaining, L-1 will be forced to curtail her activities at the AEM. There are enough jobs that need doing at AEM to occupy her full-time and therefore the immediate partial withdrawal from AEM work is a prerequisite to the accomplishment of these assignments.

c. Because L-1 has played such a key role in all AEM activities, and therefore in determining the direction and scope of these activities, her sudden withdrawal could result in important changes within AEM. Any major change in direction by AEM would probably become predictable once the identity of the person or persons who will move in to fill the vacancy left by L-1 become known. By having L-1 step aside now, rather than waiting until she is ready to leave Mexico, she may then be able to provide Station with an accurate account of any change resulting from her withdrawal.

d. L-2 has not been met regularly since 25 January. On that date he was given a mailing address which he uses to request a meeting only if he has information to report. L-2 is paid on a piece-rate basis for information supplied and does not receive a regular salary.

3. **Security**

No change.

4. **Personnel**

Handling of LICOOKY-1 was taken over by Gary H. Reymander, from Howard T. Etsinger, on 12 January 1966.

5. **Plans**

a. See paragraph 2a above.

b. It is possible that L-2 will, in the very near future, lose access to the travel information which he has been reporting, because he is being given new responsibilities in the office where he works. L-2 is intelligent, conscientious, and well-motivated. If he does lose his present access, the Station will consider him for other assignments in which he could be useful.

1. Attached, at long last, is LICOOKY-1's profile on Subject. While it is not as penetrating as it might be, it is better than we had expected. It is unfortunate that "Janet" is not available to query about the material allegedly turned in following L-1's return from Venezuela, since she is so insistent that she gave Janet quite a bundle of information.

2. This is the first of a series of profiles we hope L-1 can get around to preparing before she leaves Mexico.

3. L-1 has been instructed to do her best to obtain Subject's manuscript on university reform, which is now in the hands of someone at the UNAM press. This could be a highly popular subject in the train of the current trouble at the UNAM.

4. ~~No indexing is requested~~ here since nothing of substance is said about anyone except subject.

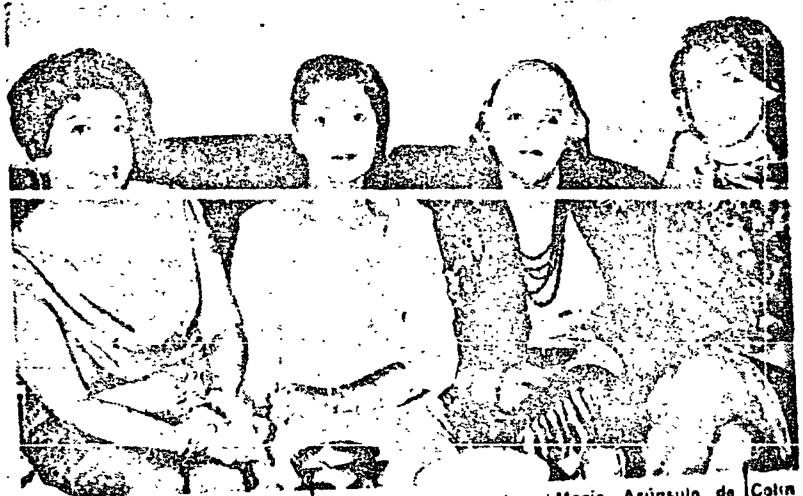
Fiesta de María José Chopitea



CONCEPCION de López Belloso, Maria Jose Chopitea, Maria Asúnsulo de Colín y June Cobb

Con motivo de su dia onomástico, la escritora María José Chopitea ofreció la noche del sábado en su departamento de la calle Río Po, una alegre reunión.

Acudió un numeroso grupo de escritores, pintores, poetas, periodistas, quienes felicitaron a la anfitriona y disfrutaron de una velada muy alegre.

Los cocteles y bocadillos circularon al gusto de los presentes quienes cantaron y declamaron, en un derroche de inspiración.

"La Llorona" fue interpretada por un rato largo casi interminable, porque los versos se sucedían unos a otros en diferentes bocas.

Estanislao Rodríguez Ibarra, intérprete del salterio, deleitó a los concurrentes entre los que estaban, licenciado Benigno B. Jiménez y señora, Cecilia viuda de Espinosa Altamirano, Horacio Espinosa Altamirano, Helia D'Acosta, Marina Krauss, Juan García Jiménez, Eduardo Sierralta, Cristina Torres, Ivonne Garrido, Nicte Ha, María Asúnsolo de Colín, licenciado Mario Colín, Filiberto Aguilar, María del Carmen Aguilar, Manuel Vélez Ladrón de Guevara, Juan Fanhausser y señora, Cecilia Cárdenas, Fernando Gaytán, Angel Cañas y señora, Angelina Ibarra, Mara del Carmen Fuentes, y muchas más.

MEMORANDUM FOR: CI Staff

SUBJECT : Alleged Planned Travel to Cuba of Estel Sakolowska

1. On 7 February LICOOKY-1 told the writer that Estel Sakolowska, a long-time acquaintance, had told her that she is planning a trip to Cuba. Sakolowska is now married to Mario Madrigal, a Costa Rican medical doctor who is now in Cuba. Sakolowska told LICOOKY-1 that she is now in the process of obtaining a (U.S.) passport for her child so that they can travel together to Cuba. This is her child's first passport. Her explanation for requesting the passport is for making a trip to Costa Rica. Sakolowska claims that the passport application is now in the State Department "Security Section".

2. Sakolowska also told LICOOKY-1 that the "Prensa Latina Bureau Chief" had proposed to her an apparent intelligence mission to accomplish enroute to Cuba. She believes this mission is to take place in Miami. LICOOKY-1 reported that on 7 February Sakolowska had a luncheon engagement with "someone" at the United Nations and speculates it may be to pick up a package to take to someone in Cuba. LICOOKY-1 further speculates that this may only be a gift to someone in Cuba.

3. LICOOKY stated that she had no additional information. It should be noted, however, that this item was given in a last minute rush just prior to her departure from the writer. LICOOKY-1 expects to be in New York until the end of February.

4. LICOOKY-1 states that Sakolowska has been a long-time "left winger". LICOOKY-1 reported earlier on Sakolowska and her connections with revolutionaries in Central America and Havana in dispatch HMMA 27924 dated 21 September 1965 pages 4 and 6. This office is planning no further action on this matter and in line with the writer's telephone conversation with Frank Hughes of the CI Staff today, we understand your office will be coordinating the Subject with the FBI and State Department.

MEMORANDUM FOR: CI Staff att Mr Hughes

INFO : WH/C Attention: Mr. Castoro

SUBJECT : Alleged Planned Travel to Cuba of Estelle Sokolowska

REFERENCE : Memo, Same Subject, Dated 8 February 1966

1. On 22 February LICOOKY-1 told me that the referenced Prensa Latina correspondent, according to Sokolowska, had just advised her she would receive $500 operational expenses for the alleged intelligence assignment in the Miami area and $450 for travel presumably to Cuba. This information was passed orally to your office 23 February.

2. On 28 February LICOOKY-1 told me that while visiting with Sokolowska in New York on 23 February two FBI agents called at the Sokolowska apartment and interviewed Sokolowska about her intended travel to Cuba. According to L-1 the agents warned Sokolowska that she would be in serious trouble if she attempted such trip. The interview went on about three hours during which time L-1 remained in Sokolowska's apartment, sometimes in the living room and sometimes in the kitchen where the interview reportedly was taking place. L-1 stated that as a result of the warning by the FBI agents Sokolowska later told L-1 she would not make the trip.

3. Presumably the FBI, if the above story is accurate, had reason for this reported action even though from the limited information available, from L-1, there would seem a possibility of other more profitable courses of action.

4. L-1 states that Sokolowska had heard that her husband, now in Cuba, was living in Sokolowska's house and with a nurse to whom he was (engaged). It was partially for this reason Sokolowska wished to visit Cuba at this time.

5. This office is taking no further action on this matter unless so requested and suggests that addressees coordinate any planned ~~advice~~ action on this matter ~~to~~ with the Bureau.

SUBJECT : Rose and George SIMINOW Plans for Vietnam Conscientious Objector Demonstration

1. Confirming telephone conversation with your office March 1st the following information was obtained from LICOOKY-1 in Washington on February 28th:

Rose SIMINOW, 382 Central Park West, New York City, long-time communist and contact of LICOOKY-1, told L-1 at several meetings during February that she was making plans for a demonstration against the U.S. role in Vietnam. Rose's son, George, discharged about September 65 from the military after active duty in Panama, expected to be recalled for active duty in Vietnam as a member of a military reserve unit. It is planned that if recalled George will refuse induction as a conscientious objector and mass demonstrations will be promoted in New York. Rose has had discussions with a "constitutionalist lawyer", one Boudion, to handle the expected court trial. Boudien's secretary, Teresa, is a friend of Rose. Rose plans to pay the initial attorney fees after which she will launch a national drive to raise funds. According to Rose, Boudine is "swamped" with similar cases. Rose is employed by Wolf Popper Jones Ross and Wolf. She has been a secretary for ten to fifteen years.

2. This office is taking no further action on this report unless so requested. Please advise if this matter is turned over to the FBI or any other action taken.

MEMORANDUM FOR: CI/Staff

ATTENTION: Mr. Frank Hughes

INFORMATION: WH/C, Mr. John Castoro
CWH/FI

SUBJECT: Alleged Planned Travel to Cuba of Estelle SOKOLOWSKA

SOURCE: LICOOKY-1

REFERENCE: Memoranda, same subject, dated 8 February and 1 March 1966.

1. Further to references, the writer again saw LICOOKY-1 in New York on 8 March. In that this new information clarifies and elaborates on Subject's alleged espionage intentions, it is believed best to recapitulate the whole story obtained during the course of the past month.

2. SOKOLOWSKA's husband, a Costa Rican medical doctor, by the name of Mario MADRIGAL, is now in Cuba with a profitable job and living in a house assigned to him with a Cuban nurse with whom he is "engaged." Subject is desirous of returning to Cuba in that she admires CASTRO and what she believes he is doing for Cuba, and wishes to assist in the "cause." She gained this impression during her stay in Cuba in the early 60's, at which time she personally met CASTRO and was befriended by him. Her desire to return is also influenced by the need to care for her two children and she plans to move in with her husband from whom she expects support. She no longer has any love for her husband. In New York Subject stays with her mother, a not too well informed Polish peasant immigrant.

3. An as yet unidentified Cuban UN representative in NY visited Cuba during the 1965 XMas holidays. While there he had one meeting with Subject's husband and upon returning to NY delivered a letter from the husband to Subject. From this first meeting, Subject was gradually drafted by the Cuban UN representative (hereafter referred to as CUIS rep) for intelligence purposes.

4. This culminated in Subject's departure from New York on the Atlantic Seaboard "Champion" train on 7 March for Miami. On 5 or 6 March, before her departure, the CUIS rep gave Subject a written list of questions to be used for cultivating and gaining the confidence of Cuban exiles in the Miami area to learn more about their organizational design and plans for work against Cuba.

SECRET

Subject's cover for this assignment is to gather material for a book she plans to write on the Cuban Revolution. The questions themselves are not intelligence requirements and reputedly are along the lines of "what was your role in the invasion attempt? Why did your particular sortie fail? etc." Pertinent here, however, is that the CUIS rep told Subject that he is very interested in the "Municipalidades" organizational development by the Cuban exiles. He said this was the smartest thing the exiles have done. Source stated that she understands the exile community has regrouped into cell organizations so that exiles from the same community from their homes in Cuba now form the individual cells. In this fashion they can better protect themselves from penetration and will be a better informed and cohesive group. Subject was given $550. for the Miami trip expenses. Source saw the money. Subject plans to spend two or three weeks on this mission and then return to NY to report to the CUIS rep.

5. Subject is taking her two children with her to Miami and is taking along a "babysitter." Subject had wanted to take a Puerto Rican girl [illegible] girl could not obtain a leave of absence from her job, the PR girl's brother is serving as babysitter. He is described as being in his early twenties and is a supporter of CASTRO. Subject's immediate problem is to obtain entre to the Cuban exiles and a cheap way to live in the Miami area. To accomplish this she has re-established contact with a former acquaintance and ally, one Jerry HEMING. HEMING is described as being an American member of the William Morgan group in the invasion attempt. Subject met HEMING in the Frente Sandino in Nicaragua. She re-established this contact by finding an old Miami telephone number for HEMING and spoke to a person at this number who identified himself as "Little Joe." Little Joe said that HEMING moved but that he could put her in touch with him.

6. Subject told source she was delighted at having received a passport for herself and her children and permission from the State Department to travel to Cuba with them. Permission was granted on compassionate grounds. She was so excited at this development she immediately telephoned the CUIS rep despite an earlier admonition to never again call him at his office. He said his business is strictly compartmented from other members of the Cuban UN group. Subject stated that with her passport she now will be able to travel to Europe after returning to Cuba. Source understands that European travel will be for Cuban intelligence purposes but has no details. Source speculates that because Subject is fluent in Polish and French, with some knowledge of German, coupled with her American citizenship and Polish background, she will be able to gain entre into European Bloc circles to glean what she can of their true feelings and intent to the CASTRO government. Upon completion of her Miami mission and her return to NY, Subject then plans to depart to Cuba via Mexico. She plans only about two days in Mexico. She will be provided travel funds by the CUIS rep.

7. Source explained that Subject promised to advise source where she will be staying in the Miami area. Source has been requested to remain in NY until the morning of 10 March in the hope that this information will be forthcoming. Source was also requested to consider the feasibility of visiting the Miami area to determine Subject's whereabouts. Source stated that an excuse for this visit could be to visit Dr. SHAPPER and his wife in Miami in that they are leaving NY 9 March for a long-planned 10 day holiday there. Both Subject and Source are close friends of SHAPPER so this arrangement would be plausible. In this regard, Source stated that to save all concerned from embarrassment, she advised SHAPPER not to question Subject too closely as to Subject's plans upon Subject's departure from NY in that SHAPPER was under the impression that Subject was travelling directly to Cuba. Source implied to SHAPPER that Subject has to "earn her way" to Cuba. SHAPPER was described as being in no way connected with Subject's assignment nor to be in sympathy with such business. The SHAPPERS plan to stay in the Nichols Hotel, Miami Beach, Collins Avenue.

8. Of interest, was Source's description of Subject being naive as to the happenings in Cuba. Source said that when discussing some aspects of the true situation there, Che GUEVARRA's name came up. When Source suggested that Che may have been done in, Subject responded that this certainly was not the case. Subject stated that about 3 March one of Che's "close aides" arrived in NY. Source understands this aide came to NY for contact with the Cuban UN group. Subject learned this from the CUIS rep.

9. The CUIS rep is described as being 5'3" to 5'4" tall, slight build, small ~~stature~~ features, tiny moustache, a "latin type" but not dark. He looks like Harold MARTINEZ, the father of Subject's first baby. Source now states that the CUIS rep is probably not a Prensa Latina rep as Subject stated this assignment is furthering his diplomatic career. The CUIS rep had meetings with Subject at least three times at Subject's home.

10. Depending upon developments by the morning of 10 March, Source may be asked to transit Washington for another meeting while enroute to Mexico. It is understood that Your Office will undertake the necessary coordination with other components and other Agencies and that this Office will take no further action pending your advice and request.

Jack,

I briefed Gaines for 30 minutes on LICOOKY giving him the full background on her bio, education, CIA relationship---from recruitment through current use in Mexico. My suggestion was that she be told to go to NY and find a job which would give her a means of livelihood as well as cover for any future CIA income. After 6 months (or some other specific period of time) it would be arranged that either we contact her or she contact us to determine what her personal situation was and whether she would then be in a position to target against selected persons of interest to CIA in the NY area. She could then be paid on a spot basis for herCIA work. Mr. Gaines wanted to think about it but thought that this would be the best approach. He will talk to you before Friday.

His only question was whether we had any indication whether she was under development by the opposition---Soviet, Cuban, etc. I told him that as far as I knew there was no such indication. If I am wrong (per your and Bill Johnson's recent activity) you better correct this.

SUBJECT: Contract Amendment Concerning Social Security Taxes for Certain Contract Agents Cecil B. ARLISS, Rita N. BLAZEK, Barbara ~~C. HUTTO~~, LIFEUD/19, LIHUFF/1, Joyce H. PINEINCH, John R. SANDAMANIE, Philip K. TESSAROLO, Edward G. TICHBORN, Carol K. ZINSMEISTER

PRIORITY

Action Required: As Noted

1. Electronic data processing methods of the Internal Revenue Service have made it necessary to effect a procedure by which Social Security self-employment taxes and credits may be securely transferred for those Contract Agents (Independent Contractors) who do not have an attributable cover source for income earned under their contracts. Such individuals will be taxed under the Social Security [illegible] and provisions applicable to Contract Employees. Deductions at the employee rate will begin 1 December 1964 (beginning of the 1965 tax year) on contract compensation.

2. The attached amendment is for your retention and includes the Contract Agents who should participate in the new procedure. Acceptance by the individual is presumed since his Social Security tax is at a lesser rate for the same credits.

a. It is suggested the individual under written contract be asked to sign the amendment.

~~XXMr.~~ Miss Joyce H. Pinsinch

Dear ~~XXX~~ Miss Pinsinch :

Reference is made to your current ~~contract~~ Memorandum of Oral Commitment with the United States Government, as represented by the Contracting Officer.

Arrangements have been recently completed allowing certain independent contractors of this organization to obtain social security credits by covering such individuals under the social security tax provisions applicable to employees. These arrangements also include a provision for retroactive applicability to the beginning of the 1965 tax year. This can be done only for reasons of security since the procedure results in reducing the social security tax from the self-employed rate to the employee rate. For example, in January of 1965 the tax rates were 5.4% and 3-5/8% respectively.

As a consequence thereof, said contract is amended by deleting all reference to social security and by adding the following paragraph:

"Effective 1 December 1964, social security taxes will be covertly deducted by this organization from your compensation in the same manner and to the same extent as would be done if you were a Government employee. Security reasons make this procedure necessary. Its implementation does not imply in any manner the actual creation of an employee-employer relationship. Your legal status under this agreement continues to be that of an independent contractor.

If you receive or expect to receive full or partial social security credits from overt sources you will so notify this organization and an adjustment will be made or covert deductions discontinued, depending upon the circumstances. Further, if you should subsequently receive overt social security credits, evidence thereof will be submitted to this organization. In such event your covert credits will be erased and your covert deductions returned.

All other terms and conditions of said contract remain in full force and effect.

1. LICOOKY-1's efforts as described in reference have substantial merit and some potential particularly if the Station can find a way to tie them in with the LIREAM effort in the intellectual field.

2. LICOOKY-1 certainly is to be commended for her effort in getting writers both of the right and left such as Carlos PELLICER Camara to join the AEM. From a KUBARK standpoint the most interesting contact is the one with PELLICER because he has been the reported force behind the COMES/CLE effort in Mexico.

3. Although her assigned tasks as reported in para 7 a, b and d of the LILINK memo do not entail making her witting of other Station assets engaged in MHSPAWN Ops among the intellectuals, an amendment to her OA is required, and one has been requested. If her efforts progress to the point where she might be able to influence leftist writers in their efforts to establish the CLE in Mexico (para 7 c of LILINK memo) Headquarters should be forwarded your ideas on why and how LICOOKY-1 should be used as an active MHSPAWN agent, and another ammendment will be required for this role.

4. ANDRIETTE will discuss this operation with the Station during his TDY.

5. In view if the restricted OA which confines KUBARK's association with LICOOKY-1, it is important that Headquarters remain aware of any unusual activity in her personal life which might affect her security or the granting of amendments to her OA for individual operations. Therefore, we would appreciate your keeping us informed on a more timely basis of any undertakings such as the recruitments for membership in the AEM described in reference.

LICOOKY Project Progress Report

March, 1965

1. Production

The LICOOKY Project has not produced any information reports during this reporting period. During this period LICOOKY-1 has been reporting on her activities and working as follows:

a. L-1 learned that the Guatemalan PGT have approached Bartolomé Costa-Amic about printing a "news letter" to be distributed in Guatemala. When this occurs she will be able to obtain copies and identify the authors and other pertinent details.

b. Continuing reports on the activities of Miguel Angel Toralla Burgos, Guatemalan guerrilla now in exile in Mexico. L-1 has established that Toralla meets Victor Manuel Gutiérrez once a week at some undisclosed place and time.

c. L-1 is attempting to identify and obtain the address and telephone of one "Juanita". "Juanita" acts as a courier to Guatemala for Gutierrez and also acts as a cut out between Gutierrez and Dr. Raul Oseguida Pelala. It has been established that Gutierrez always uses "Juanita's" phone to make his telephone calls. "Juanita" also takes telephone calls for Guitiérres.

d. L-1 is attempting to identify one "Jorge Carrarza", posing as an attorney in Cuidad Hidalgo. It has been established that "Jorge *Carranza" is a psuedonym for a woman who is

SECRET

GROUP 1

downgrading and

in contact with Miguel Toralla and apparently a Guatemalan living in Ciudad Hidalgo who is a part of the commo system between the Guatemalan Communist exiles in Mexico and Party Members in Guatemala.

e. L-1 continues reporting target study data on Margarita Paz Paredes and Djuka Julius.

f. L-1 completed basic target studies on Amelia Castillo Ledon, new Mexican ambassador to Austria, and Alejandro Gomez Maganda, new Mexican ambassador to Panama.

g. L-1 is preparing a target study on Victor Urquidi, an advisor to the Secretary of Treasury.

h. L-1 has been instructed to report as fully as possible on Ernesto Madero, former chargé d' affaires in Moscow and who now has a responsible position in the Foreign Office.

i. L-1 is attempting to identigy 11 Nicaraguan guerrillas now living in Mexico and being assisted by Edelberto Torres Espinosa and to get a line on their activities.

j. L-1 is also attempting to identify a group of Central Americans, Salvadoreans, Nicaraguans and Guatemalans, who are meeting with Luis Manuel Zuñiga.

k. L-1 has been instructed to try and locate one Victor Rico Galan and discover his present activities.

l. L-1 has been the source of information which provided the foundation for an CA operation against the PCM. L-1 has been seeing Maria Teresa Retes de Revueltas, wife of

Jose Revueltas, Communist landmark personality in Mexico for the past several years, on a regular basis. Jose Revueltas has become an alcoholic and for the last several weeks has been living with an Indian girl. Mrs. Revueltas blames this situation of her husbands relationship with two brothers Arturo and Jorge Filio and on Jaime Navarro. According to Mrs. Revueltas these three are engaged in smuggling contraband goods into Mexico and are also engaged in ~~smuggling~~ drug activities. Mrs. Revueltas claims that they use their smuggling channels to help the PCM pass items and bodies in and out of the country. Jose Revueltas was the contact man between this group and ~~Alfredo~~ David ALFARO Siqueiros and Luis Arenal who were interested in smuggling Guillermo Rousset Banda accused of murdering Carlos Farias Jimenez, both known Communists, out of the country. There has been speculation that this murder was the result of differences between the Pro-Soviet and Pro-Communist China groups of PCM. Mrs. Revueltas believes that if she could cause the arrest of the Filios and Navarro she could rescue her husband from their influence. At L-1's suggestion, she wrote an anonymous letter denouncing the Filios and Navarro, describing their activities, types of contraband the addresses where the contraband was located. Mrs. Revueltas was told by L-1 she would give it to a friend of hers on the Narcotics Board in Mexico.

The letter was passed to the Station where it will reach the proper Mexican authorities. This may not work, but if the information provided by Mrs. Revueltos is true and the group is arrested, publicity plus additional help from the stations publicity can create a damaging scandal against the PCM.

L-1 has been additionally instructed of the requirements outlined in para 2 of Ref. B.

LICOOKY-2 reported on 15 March that Judith Ferreto called him to send a ticket to San Jose, Costa Rica for Manuel Mora or to the person to whom he assigns it. The ticket was for travel from San Jose to Mexico City. On March 18 Ferreto called saying Mora was in the city and had not used the ticket but had given it to Señora Carmen Lopez de Ferreto who travelled to Mexico on 21 March. Ferreto called again on 26 March making a reservation for Carmen de Ferreto's return to San Jose on 1 April.

L-2 took advantage of this phone call to remark to Ferreto that there had been little travel lately. She told him there was no explanation other than people were just not travelling. She said she expected there would be some movement of students this summer.

2. Operations

I In order to better control and guide L-1's work, two steps have been taken. Discussions with L-1 have been directed toward blocking out and defining the goals she should achieve during the next three months period. For each meeting she prepares an "activities report". In this report she outlines her activities for the preceeding week, the tasks she was working on, the people she was in contact with and the results. She also lists the tasks she will work on during the coming week, the people she will see, etc.

L-1 is handicapped in this work since she has no control over her contacts and has to be extremely discreet in her elicting of the facts. Many times her plans go awry since during a given conversation there is no opening to bring up the subject she wished to discuss.

3. Security

Both LICOOKY-1 and-2 appear to recognize the security implications of their work. Neither are curious about their case officers. They follow their instructions concerning the security of their meetings and commo with their case officers. During the reporting period their has been no evidence of any unusual security problems.

4. Personnel

LICOOKY-1 has regained her good health and her morale is high. Now that she has a permanent base of operations, in that she has her apartment furnished and a telephone, she is resuming her regular contacts that were broken when she was ill and living in a series of different locations.

During the present case officer's contact with L-1, she has not presented the personality described in Para 3 of Ref B. She is an intelligent woman, and in all our meetings she has appeared mature and attentive. She has been prompt and reliable in her meetings. She discusses her problems calmly and accepts instruction and criticism without argument. She has responded well to instructions and has worked hard in trying to improve her reporting. She appears to be well adjusted to her environment which is most extremely trying at times.

In discussions concerning the Communist and leftist movements, she admitted that at one time she was influenced by their ideology, but as she had grown older and had observed more of their activities and personalities, she had lost all respect for them. She said that she had been fooled by Fidel Castro in his early days and had thought he would be good for Cuba, but as events have developed she has seen how mistaken she had been originally. She also commented that in long talks with LINLUCK, he had opened her eyes to the fallacy of the Communist ideology. In all of these conversations she has appeared sincere in her statements. Her liason with LINLUCK appears to be based on deep affection for him and not on promiscuity. The case officer has the impression that if there was not a present Mrs. LINLUCK she would become legally his wife. This is a problem that may have to be faced in the future.

LICOOKY-2 doesn't present any personnel problem. While his niche is a small one and his access is limited, his assignments are carried out conscientiously.

5. Problems

There are no unusual problems presented by this project.

LICOOKY-2 admitted the access to her communist contacts here had been hurt as a result of her known association with LINLUCK at the time he publicly broke with the party. As an example of this, Miguel Toralla told her that Gutierrez had referred to LINLUCK and LICOOKY-1 as "enemies" of the party and that he had been reprimanded for seeing LINLUCK when he first arrived in town. He had been forbidden to see either one of them.

6. Effectiveness

LICOOKY-1's target studies and suggestions on possible recruitment approaches has been helpful. While her reporting for the [illegible] past month has not produced any Information Reports, it has kept the station aware of the activities in her particular area of access. If she is successful in performing her tasks as outlined in the paragraph under "Production" above, such information will be useful to the station. LICOOKY-2's effectiveness is limited to his narrow target, but such travel information that he does provide does serve a useful purpose.

7. Plans

It is planned to continue the present direction and guidance given to LICOOKY-1 in an effort to increase the quantity and quality of her production.

The same attention will be given to LICOCKY-2.

OCCURRED 23 DEC WHEN OCTAVIO AND FALCON RETURNED AND ESCORTED HIM BY CAR TO GUALAN ON TRANS OCEANIC HIGHWAY BEYOND ZACAPA. THERE LIRING-3 INTRODUCED TO "PASCUAL" AND "SALVADOR" WHO IDENTIFIED SELVES AS MEMBERS OF "EDGAR IBARRA" FRONT. THESE TWO REPS STATED FOLLOWING:

A. TRICONTINENTAL COMMITTEE AGREEMENTS NOT CARRIED OUT BECAUSE OF PRACTICAL PROBLEMS INVOLVED IN THEIR IMPLEMENTATION.

B. FOR ABOVE REASON CUBAN ASSISTANCE HAS BEEN INCONSEQUENTIAL AND THEREFORE GUERRILLAS HAVE RESORTED TO MORE DIRECT METHODS TO OBTAIN ASSISTANCE INCLUDING BANK AND TRAIN ROBBERIES. MOST DIRECT SOURCE OF OUTSIDE ASSISTANCE HAS BEEN SOVIETS VIA THEIR EMBASSY MEXICO.

C. GUERRILLA ALSO UNABLE COUNT ON CUBA FOR ASSISTANCE AS CUBA TOO PREOCCUPIED WITH OWN PROBLEMS OF REVOLUTIONARY CONSOLIDATION. PASCUAL AND SALVADOR EVIDENCED SARCASM IN THIS STATEMENT.

D. "EDGAR IBARRA" GUERRILLAS CONTROL FRONT MORE THAN 120 KILOMETERS LONG AND REQUIRE MORE AND MORE SUPPLIES TO EXPAND MEMBERSHIP AND INCREASE THEIR AREA (NOT FURTHER DESCRIBED).

E. IN PAST GUATEMALA GUERRILLAS THEMSELVES ARRANGED

SHIPMENTS ARMS AND SUPPLIES WITHIN MEXICO. CONSEQUENCES DISASTROUS, E. G. LOPEZ CASE. THEY HAVE LEARNED GREAT PRECAUTIONS MUST BE TAKEN MEX-GUAT BORDER AREA WHERE THERE NUMEROUS NORTH AMERICAN AGENTS WORKING ON MEXI SIDE UNDER COVER AS TOURISTS AND MISSIONARIES. SPECIFICALLY THERE IS AMERICAN BASE LOCATED AT YAXOQUINTELA (NOT IDENTIFIED) WITH AIRFIELD AND COMMO CENTER WHICH WELL KNOWN TO THEM AND ATTACKED BY THEM IN PAST. (STATION FEELS THIS MAY REFER TO "ALAS DE SOCORRO MISSION" IN IXTAPA, CHIAPAS.)

4. PASCUAL AND SALVADOR INDICATED INTEREST RECEIVING MANY TYPES SUPPLIES INCLUDING ARMS BUT SPECIFICALLY REQUESTED ANTIBIOTICS AND TUBES FOR ZENITH MEDIUM RANGE TRANSMITTER RECEIVER. NO TYPES OR QUANTITIES SPECIFIED EITHER ITEM BUT GUATS SAID WOULD TAKE ANY AMOUNT THESE ITEMS THEY COULD GET.

5. LIRING-3 COMMITTED SELF RECONTACT GUATS IN 20-30 DAYS WHEN HE TOLD THEM WOULD HAVE SPECIFIC PROPOSAL FOR THEIR CONSIDERATION. GUATS ASKED FOR CONCRETE PLAN RE MANNER SHIPPING SUPPLIES. THEY TOLD LIRING-3 THEY COULD HANDLE FROM MEXICAN SIDE OF BORDER TO THEIR GUERRILLAS IN GUATEMALA.

6. LIRING-3 SUGGESTED TO ROWTON THAT HOUSE BE RENTED IN [illegible]

SAN CRISTOBAL DE LAS CASAS, MEXICO, 300 KILOMETERS NORTH GUAT BORDER ON PANAM HIGHWAY AS PERMANENT CONTACT POINT WITH GUERRILLAS. LATTER TOLD LIRING-3 TOWN ACCESSIBLE TO THEM AND THAT THEY COULD PICK UP SUPPLIES THERE, CARRY ACROSS BORDER AND DELIVER TO GUERRILLA GROUP.

7. ROWTON TOLD LIRING-3 HE DEPARTING MEXICO FOR MONTREAL AND PROBABLY NEW YORK NEXT DAY FOR TWO WEEKS AND WOULD TRY OBTAIN RADIO TUBES AND ANTIBIOTICS IN TIME FOR LIRING-3 NEXT TRIP TO BORDER. LIRING-3 CONTACT PLAN WITH GUATS TO REMAIN SAME AS BEFORE: WHEN READY TRAVEL WILL CONTACT AUGUSTINA HERNANDEZ IN GUATEMALA CITY AND ADVISE HER DATE HIS ARRIVAL IN HUEHUE TENANGO. LIRING-3 WOULD NOT CARRY SUPPLIES TO GUATEMALA BUT WOULD LEAVE THEM IN MEXICO, TRAVEL TO HUEHUETENANGO MEET CONTACTS AND INFORM THEM WHERE LOCATION. GUERRILLAS WOULD THEN MAKE PICK UP AND CARRY SUPPLIES GUATEMALA.

ACQ MEXICO, MEXICO CITY (14 DECEMBER 1966) FIELD NO.

SOURCE A MEXICAN INTELLECTUAL WHO IS A NEW UNWITTING REPORTING ASSET. SOURCE IS IN CLOSE CONTACT AND ON FRIENDLY TERMS WITH CUBAN OFFICIALS TRAVELING TO MEXICO CITY.

1. ISMAEL SUAREZ DE LA PAZ HAS SPENT MORE THAN A MONTH IN MEXICO ON A SPECIAL COFFEE SEED BUYING MISSION FOR CUBAN PREMIER FIDEL CASTRO RUZ. (HEADQUARTERS COMMENT: SUAREZ ARRIVED IN MEXICO 23 OCTOBER 1966 ASSIGNED AS AN ATTACHE IN THE COMMERCIAL SECTION OF THE CUBAN EMBASSY). WHEN SUAREZ FINALLY CONCLUDED NEGOTIATIONS FOR THE PURCHASE OF TEN TONS OF SEED, HE FOUND UPON DELIVERY THAT THE MEXICANS HAD WET THE SEED AND THAT MOISTURE ACCOUNTED FOR ONE TON OF THE WEIGHT OF THE SHIPMENT. THIS DECEPTION REPRESENTED A LOSS OF $10,000.00 (U.S. DOLLARS) TO THE CUBANS.

2. SUAREZ SAID THAT CUBA WAS TRYING TO INCREASE ITS PRODUCTION OF COFFEE TO OFFSET LOSSES SUFFERED IN RECENT HURRICANES AND GENERALLY TO BUILD UP ITS CROP OF COFFEE FOR EXPORT IN ORDER TO ACQUIRE ADDITIONAL HARD CURRENCY EXCHANGE.

3. DURING THE WEEK OF 18 DECEMBER SUAREZ PLANS TO VISIT COFFEE PLANTATIONS IN CHIAPAS STATE WHERE HE HOPES TO PURCHASE ADDITIONAL SEED.

4. (FIELD COMMENT: AN INDEPENDENT USUALLY RELIABLE SOURCE HAS REPORTED THAT SUAREZ HAS BOUGHT APPROXIMATELY 15 TONS OF MEXICAN COFFEE SEED AND IS TRYING TO BUY MORE. THIS SOURCE ALSO CONFIRMED THAT THE MEXICANS HAD CHEATED THE CUBANS BY WETTING THE SEED TO INCREASE ITS WEIGHT. THE SEED IS BEING FLOWN TO HAVANA BY CUBANA AIRLINES. SUAREZ INSTRUCTED THE CUBANA REPRESENTATIVE IN MEXICO TO ARRANGE TO HAVE THE SEED WELL AIRED AS SOON AS IT REACHES HAVANA.)

SUBJECT
LIRING/OPERATIONAL/PRQ Part II on LIRING-3

ACTION REQUIRED - REFERENCES

Reference: HMMA 30540 of 10 November 1966

1. A PRQ Part II for LIRING-3 is being forwarded under separate cover. It is to be noted that LIRING-3 has not been recruited in the name of WOFACT, but instead is engaged in clandestine activities for Wallace B. ROWTON, who LIRING-3 believes is a Greek businessman with international connections who requires economic, political and personality information in order to conduct his business.

2. The fact that LIRING-3 is not aware of his WOFACT connection, at the present time, outweights the value which would accrue were an attempt made to make him knowledgeable. He performs clandestinely for ROWTON and he is actually attacking priority targets. In this way he works against the target with a clear conscience and his left-wing sentiments are not threatened.

3. The operation is moving, however, toward the eventual full recruitment of LIRING-3, but it is moving slowly in that direction because of the political and social beliefs of Subject. One advantage of this false flag recruitment of this individual, at the present time, is the fact that he is able to enter the target area without fear of capture and exposure as an enemy agent. Under the present plan of operation he believes his work actually is aiding the revolution which he believes in from an idealistic standpoint.

Subject: Review and Assessment of LIRING Operation.

I. Background, Character and Assessment of LIRING/3:

1. Liring/3 (Subject) is a 36-year-old Mexican artist of the Diego Rivera School and an atheistic existentialist oriented toward the philosophy of Jean Paul Sartre, with relatively strong leftist political convictions. He has produced a fair amount of painting and had relatively good success in murals both in Cuba and Mexico, but has not succeeded in selling many of his works, despite numerous expositions, sponsored by the Mexican Government plastic arts organization (Bellas Artes). Because of his family, educational and environmental background, Subject feels that his work has not been appreciated for its intrinsic worth by the Mexican Government and tends to blame his political convictions for this lack of acceptance. Subject, however, has, as he himself asserts, no feelings of bitterness or resentment, although he frequently experiences the "anguish, forelornness and lonliness" of the existentialist, but he has not permitted himself to degenerate into a beatnik either in his personal or artistic life. Subject has confided to Rowton that he has no real friends and that he has withdrawn from society, the dictates of which he cannot accept. He enjoys the prospect of travel, especially abroad, "to develop his art" but also as an escape from the pressures and obligations of the social life he has been forced to lead in Mexico.

2. Shortly after he met Rowton, in April, 1966, Subject confessed that he felt himself at a critical point in his personal and artistic life. He indicated that he felt the paradoxes inherent in his philosophy were overwhelming and depressing him and that he welcomed friendship with Rowton, an experienced foreigner whom he felt he could trust implicitly. At one critical point, Subject quit his rather tedious job with the Ministry of Education (teaching art in a public school) with the comment that "everyone must make personal decisions and take risks, and I have decided to throw my lot in with you (Rowton) for better or worse, and so have quit the job since it was interfering with my availability". This he did without knowing any more about Rowton than his name, which technical surveillance revealed he did not accept as a true name, and with no guarantees of future financial support from Rowton. Rowton, in his conversations with Subject, has been careful not to reveal any data concerning his personal life and background, including his permanent or local address, providing Subject only with the number of a telephone answering service, and using the safehouse rented by Subject as a principal point of contact. Subject has accepted money from Rowton, at first only for previously approved expenses, and subsequently for his personal use, but has accepted Rowton's initiative in this matter, and made no demands on Rowton for remuneration for services rendered. He has been meticulous in accounting for funds and shown no reluctance to sign receipts presented to him by Rowton (with his true-name signature). Subject has confessed (and shown) an almost complete lack of experience in business and intelligence work, but has accepted Rowton's guidance, where required, without hesitation.

Att. to HMMA-20585 CS COPY 201-798301

3. Subject, in his political outlook, is left of center, with a history of revolutionary activity in Cuba from 1961 until his return to Mexico in 1964. Subject has insisted to Rowton that, because of his (existentialist) philosophy, he has never permitted himself to join any organization, including the communist party, although he has given moral and material suport to revolutionary movements both in Cuba and [illegible] Mexico. Subject has confessed his disillusionment with many of the revolutionary leaders in Cuba and with all of the Mexican leaders, remarking that sooner or later "the real" revolution will come to Mexico to eliminate the corruption and injustice that prevails throughout the country. Subject, however feels that in the meantime he must live under a more practical philosophy of daily life and is willing to make the necessary compromises to assist Rowton in his busines affairs. Subject has shown no reluctance to exploit his friends, and even his wife, to be of specific service to Rowton, and has, on numerous occasions, volunteered to do so with Rowton's approval. This appears to Rowton to be a reflection of the existentialist conviction that his philosophy gives him freedom to choose without dependency, obligation or justification.

4. Rowton is aware that Subject is currently undergoing a decisive climacteric, the future direction of which is not as yet certain. Rowton has succeeded in making Subject compromise a great deal with his past ideals particularly concerning deep involvement with other people and acceptance of financial support for purely business transactions, and for this reason has hesitated to uncover for Subject any of the mystery surrounding his own life and activites. Subject dislikes "northamericans" and considers life in the U.S., with which he is not familiar from experience, as corrupt and decadent. Rowton feels that he can eventually break down Subject's prejudice, if this proves to be necessary and worthwhile, but it would be fatal at this time for Rowton to reveal his WOLAW [redacted] and [redacted] connections. Subject is, in his own words, completely confident of Rowton's good will toward him and is, at least for the moment, totally dependent upon him for WOFACT guidance as well as financial support. Any attempt at direct recruitment for [redacted] at this point would, in Rowton's opinion be counterproductive. In his various contacts with the Cubans thus far, particularly his current visit to Havana on what appears to be an IS briefing, Subject can in all respects act naturally, without the feeling that he is concealing anything from his Cuban friends, simply because he is unwitting of Rowton's true affiliations and intentions. If he were witting, he would appear to all concerned to be suffering from a severe psychological crisis, and certainly would not be in a good position to produce useful information or inspire confidence. Subject is under some strain as a result of his current relationship with Rowton in his capacity as an international bourgeois businessman, a fact attested to by his wife to Rowton on 7 November when she expressed concern over Subject's recent moodiness and lack of interest in painting. Subject has also become involved in a love affair with one of his rich art students, a Mexican woman who is known to visit Subject at the safehouse.

5. In summation Rowton feels that Subject is excellent potential agent material, both because of his background and experience as well as his direct access to targets of interest. The problems inherent in his philosophical and psychological make-up will continue to be taken into consideration in developing Subject's full potential. The obvious disadvantages of Subject's unwitting status vis-a-vis [redacted] can be overcome by careful handling of Subject and increased control over him in the future.

WOFACT

B- Development of LIRING/3 by Rowton:

6. Rowton met Subject in April,1966, by cold approach in the art studio where Subject at the time was presenting his latest works under sponsorship of Bellas Artes. Rowton posed as a Greek businessman interested in Subject's style and his immediate objective at the time was to ascertain the address in New York City of Subject's wife's father (a Cuban of Chinese origin who had left Cuba as a refugee). Rowton, feeling that he had to present an above-average prospect to Subject to permit future meetings, alleged that he was anxious to arrange for the painting of a mural to be installed in a New York nightclub owned by a Greek friend of his (Rita Dimitri, owner and performer at the "La Chansonette"). Rowton felt that pin-pointing a "New York nihhgtclub" would have the double advantage of determining Subject's sentiments toward working in New York City and in a bourgeois environment.

7. Subject reacted very favorably to the initial approach and accepted Rowton's invitation to dinner in the company of Subject's wife the next evening. Both Subject and his wife were cautious in revealing any specific data concerning their background and personal history, but neither concealed their mutual approval of Castro's regime and dislike for the corruption in Mexico. As a result of this meeting Rowton realized that any attempt at a direct approach to either Subject or his wife, who was then employed part-time at the Cuban Consulate, would be conterproductive and that a more subtle approach would have to be developed. Rowton decided that a strong personal relationship developed bwith Subject would be productive and could eventually lead to useful production on Subject's part.

8. When, therefore, on 2 May,1966, Subject eXpressed gratification at having met Rowton and indicated that he wished to continue his friendly contacts, regardless of whether Rowton purchased his painting or arrganged for the mural, Rowton xx moved in with an offer to "hire" Subject as his business associate on an unofficial basis, so that Subject could acquire a degree of indepence financially and perhaps do some traveling for Rowton. In order to develop as much clandestinity as possible in his future contacts with Subject, Rowton explained that he was simply a tourist in Mexico and as such not permitted to engage in lucrative business activities. He would therefore have to depend on Subject's discretion in any dealings he might have with him. Subject accepted this as quite normal but pointed out to Roton his limitations xas far as business training and experience went. In reply to Rowton's query, he did confess, however, that he had excellent contacts in Havana that could be exploited for business dealings with Cuba. He volunteered to make an exploratory trip to Havana to renew his friendship with the perons concerned. Rowton accepted this offer, not only to test Subject's story but also to seize the occasion to be in a position to provide Subject with money to make the trip and thus compromise him somewhat at the outset.

9. Rowton's next move was to explain to Subject that he had a long-term interest in Cuba and hoped to do a great deal of business in the futre but first felt it was essential that both he and Subject develop the proper contacts inside to ensure success. Subject readily agreed to this and felt relieved that Rowton did not expect him to produce concrete results overnight. When Rowton, therefore suggested that Subject find and rent a safehouse for entertainment and development of prospective contacts, Subject went to work immediately without question. (Althoug Rowton's suggestion was first made on 17 June, Subject did not succeed in finding a suitable place until the end of July.) This project, however, gave Subject something specific and relatively clandestine to do for Rowton without seriously compromising any of his principles. Subject, as it developed later, was intereste in such a hide-away, unknown even to his wife, for his own purposes.

10. Inasmuch as Subject and his wife had long lived an almost ascetic life in a small sparcely furnished apartment with no apparent luxuries and dressed in the simplest and apparently most inexpensive clothing available, and furthermore apparently did not have any conscious desire to improve their living conditions, Rowton realized that financial control over Subject would be difficult to establish unless Subject and his wife could be made to lift their eyes to see a more comfortable and promising life within their reach. He therefore chose some of the best restaurants for lunch dates with Subject (prior to the renting of the safehouse), brought several relatively expensive dolls and toys for their child, arranged through the COS to have a credit account opened for Subject and his wife at Sears Roebuck Stores and was able to present Subject with a credit card that would enable Subject and his wife to make effortless purchases on credit. Rowton also persuaded Subject to open a checking account at the Banco de Londres y Mexico, ostensibly so that he could keep better track of the rent payments on the safehouse. All these bourgeois trappings were calculated to raise Subject and his family fromthe complacent proletariat standard of living into which they had sunk. Subject expressed to Rowton his appreciation for such gestures and confessed that he now realized the importance of these outward signs of respectability and as a result felt more able to step into the world of higher society. His wife also revealed in her comments of appreciation to Rowton that she welcomed the prospect of a better life for herself and her child and hoped to be able to purchase enough furniture to make her home respectable and permit her to invite guests occasionally.

11. The one adverse effect of this effort on Rowton's part has been that Subject began to use the safehouse apartment for amorous trysts with one of his art students, an apparently wealthy Mexican woman, who has now in effect become his mistress (as revealed by technical surveillance from an LP in the same building set up and run very effectively by Medbury). Subject has revealed the name and address of this woman to Rowton in connection with the establishment of a P.O. Box which could be used as a drop for communication between Subject and Rowton while the former was in Cuba; but he has not to date told Rowton of his illicit relationship with the woman. This development can, of course, serve as a potential control over Subject and can be used in any future [redacted] examination, but, on the other hand may lead to complications in Subject's personal life and create hostility on the part of his wife, should she discover the philandering of Subject. She might likewise tend to blame Rowton for Subject's conduct. For this reason Rowton has made every effort to maintain good relations with Subject's wife (she has already confided to Rowton her concern over Subject's recent moodiness,as stated above) in the hope that she will turn to Rowton for help in the event she feels her marraige in jeopardy. Consideration is also being given to the possibility of breaking up as discreetly as possible Subject's affair with the Mexican woman in the event that it becomes more serious. Technical surveillance of the trysts will continue to provide useful information in this direction.

12. With regard to the use of Subject unwittingly to elicit operational information from his Cuban friends in Mexico City as well as Havana, Rowton gradually impressed on Subject the need to acquire all possible information both political and economic on Cuban developments as a prelude to engaging in serious and lucrative business with the Castro regime. Subject accepted this line without question and did produce some useful inside information of value. The turning point, however, came in connection with the disappearance of Julian López, the Press Attaché of the Embassy in Mexico City in late September,1966. Subject reported the disappearance to Rowton with some glee, commenting that he and his wife were convinced that López had gone

off on a binge with some friends. Subject then repeated to Rowton his criticism of López' childishness and inexperience and recalled that when he himself had pointed out to López his negligence in handling his Embassy functions(in the Press and Cultural field) López had shrugged off his admonitions with the comment that there were more important things to do for the revolution. The disregard, bordering on distain, with which López as well as apparently other Cuban officials, had greeted Subject's friendly advice in the past, obviously cut Subject to the quick and fostered in him the resentment of a peasant toward his master. Taking this into consideration and in the hope of stirring up as much trouble for López and the Embassy as possible, the Station permitted Rowton to pass to Subject the highly restricted information that López had actually been arrested by the Mexican police for complicity in the arms smuggling ring that has recently been uncovered in their operations from Mexico into Guatemala. Rowton gave Subject enough details to make the story convincing and asked Subject to attribute the information to "Central American friends" and to stress that it was already inthe hands of the press. In addition Rowton suggested that Subject pass this information personally to López as a hot tip so that López could discreetly disappear before the reporters managed to question him. When Subject did as requested by Rowton, López was apparently so overwhelmed with gratitude for Subject's good intentions that he informed the Ambassador the following morning (just before his suddent departure for Havana). Events then moved swiftly. The Ambassador called in Subject and expressed his personal appreciation for Subject's interest and help in this delicate matter and agreed with Subject that the involvement of Embassy personnel in arms smuggling was placing Cuban-Mexican relations in jeopardy. Overnight this raised Subject's status in the eyes of the Embassador and his closest advisors (Curbelo and Ceneda) to that of a valued confident rather than simply a friend of the revolution. This obviously pleased Subject and made him all the more anxious to conceal the role of Rowton in the affair so that all the credit would continue to fall to him.

13. As a result Subject was subsequently called in by Curbelo and Cepeda and asked to offer his services to help the Tricontinental in its work in Central America. On Rowton's advice (which Subject sollicited) the offer was accepted on condition that the work to be done would be serious (i.e. worth the personal risks Subject would have to run) and that Subject would be permitted to work without the overt involvement of the local Embassy, These conditions were promptly accepted and Subject was invited to visit Havana again so that he could be briefed on the spot by Osmani Cienfuego and his staff.

14. Subject was thus catapulted into the level of IS activites,with Rowton maneuvered into a position of éminence grise. It remains to be seen following Subject's return from Havana (estimated at 21 November,1966) whethe Subject will be entrusted with secret requirements by the Tricontinental, but it appears certain at this point that Rowton will be able to provide full guidance to Subject and to steer the operations he might be engaged in toward targets of interest to [redacted] WOFAC.

C- Biographical Data Elicited from LIRING/3:

15. Subject was born in Mexico City in 1930 of a middle class family. Subject's grandfather was a well-known textile merchantwho served some 12 years as president of the Chamber of Commerce. At least one of Subject's aunts is currently well-to-do and the owner of several apartment houses in Mexico City. Subject has at present little or no contact with his family.

16. At the age of 15 Subject left home to join the Mexican Navy. Subject has commented to Rowton that his childhood was not particularly happy and that his mother and father separated, apparently when he was in his teens. It appears likely that Subject left home as a result of family dissension. Subject states that his desire to travel and see the world wasvery strong at the time he joined the navy.

17. Inasmuch as the legal age for enlistment was 18, Subject had to have his birth certificate altered to show that he had been born in 1927 rather than 1930. As a consequence all of Subject's official documents now show his birth-date as 1927, including his passport.

18. Subject served a three-year hitch in the navy and visited nearly all the ports of Mexico and many of Central America. Subject's speciality appears to have been in the quartermaster branch, since he learned the rudiments of navigation and ship-handling. When he left the nval service, Subject entered the University of Mexico and took courses in Archaeology and Anthropology for the next two years. Subject simultaneously developed a strong interest in painting and sculpture and over the next five or so xx years, studied under such masters as Rivera and Siquieros.

19. Subject was married in 1950 at the age of twenty years to a young Mexican woman from Leon, GTO..and during the next ten years had at at least four children by her. He divorced his wife in about 1960, just prior to his departure for Cuba, but he had not been on good terms with her for several years prior to the divorce. From about 1954 to 1960 Subject worked in the Mexican Government Social Service among the Indians in the southern states of Mexico. Subject attributes some of the tension that arose between him and his wife to this employment venture. He commented to Rowton that his first wife wanted to live a quiet normal life in Mexico City and was unwilling to share with him the hardships of social work in remote areas of tropical Mexico. During this period Subject gradually developed his own style in painting and began to establish close contacts with Mexican art circles.

20. Subject went to Cuba in about 1960 "to join the revolution",apparently as a result of his increasingly leftist political sympathies. He did a relatively large amount of painting and mural work during his four-year residence in Cuba, while at the same time working in the Ministry of Labor and Education. In about 1961 he married a Cuban woman of Chinese origin from Santiago de Cuba and the following year a (girl) child was born to them in Havana. Subject has told Rowton that he has had very little contact with his first wife since his divorce and pays no alimony. He added that his family, however, has continued to take an interest in his first wife and the children of his first marriage and has helped to support them financially. During his stay in Cuba, Subject developed close friendship with many Cuban revolutionaries, particularly Arnol Rodriquez, whose wife worked with Subject in the Ministry of Education at the time when Arnol Rodriquez was serving as Minister of Labor.

21. Subject returned to Mexico City in 1964 with his new wife and child (whom he had naturalized as a Mexican citizen). By this time Subject had become a professional artist but supplemented the rather modest income he acquired from the sale of his painting by teaching art privately and in Mexican public schools. His monthly income during 1965 and early 1966 did not exceed 3,000 pesos.

MEMORANDUM:

SUBJECT : Handling of LIRING-3 as Hostile Agent

In view of Station Mexico City's statement in paragraph 6 of MEXI 8944 (IN 23093), which presumably comes from LIRING-3's handler Wallace B. ROWTON, to the effect that LIRING-3 "still has strong anti-U.S. feelings", the time probably has come to review the LIRING-3/Op (briefly.) In the same cable the Station set forth several control elements including true name receipts and taps made in ROWTAN's safehouse of LIRING-3's amourous sessions with a young art student. What appears to be lacking is ~~not~~ considering the case as the handling of a double agent, ~~probably~~ possibly hostile, is "homework"--that is to say, that there are certain actions that should be taken in the case as follows:

a. Placing of a phone tap on L-3's telephone, if it can be determined that he has a telephone.

b. Intercept of all mail going to LIRING-3's home address.

c. Physical and photo surveillance of L-3 to determine any patterns of actions or contacts with suspicious persons, to see if L-3's contacts and actions agree with what L-3 tells ROWTON and to allow ROWTON to be prepared to cover himself in his relations with L-3.

d. To discreetly investigate L-3's sources of income, i.e., to see if his income from teaching art classes (and more recently from his wife's salary from ~~LIRING~~ Cubans) are sufficient to account for his scale of living, whatever it is.

Secret

There are indications in the file that the "homework" as outlined above has not yet been done. The Station was queried in DIR 39039 DIR 14107 and in DIR- 07441 as to and the above matters. It is noted in MEXICO CITY- 8944 that the Station said that it did not as yet have "independent checks" on this agent, beyond evidence of entry to the Cuban Embassy furnished by LIONION photo surveillance, and in fact had only his word on claimed actions and statements ~~and~~ (, in previous correspondence,) that LIENVOY and LITAINT-2 confirm that L-4, L-3's wife, is definitely employed as a secretary to LIRING-1 as claimed by L-3. The Station tended to doubt that L-3 is a Cuban plant but said that even if he were, that it was no additional risk (the Station was referring to a proposed trip by L-3 to Cuba) since L-3 would be provided with a suitable uncheckable explanation as to how L-3 obtained info on the LOPEZ case.

e. Check as suggested in DIR 07441 on status of LIRING-4's father, who is presumably a Chinese, reportedly in the United States. This is of interest in view of stringent U.S. entry requirements laid on Chinese.

Sherrod given the "word" at his TDY trip Oct 66

Western Trade With Cuba Down

MIAMI, Sept. 14 (AP)—An exile organization reported today that Western world trade with Communist Cuba declined sharply last month compared with the same month in 1965.

Revolutionary Unity (UR), which claims it keeps track of ship dockings in Cuba, said only 14 ships from non-Communist countries called at Cuban ports last month. This was a drop of 63.8 per cent compared with August, 1965, the group said.

Of the vessels reported docking in Cuba last month, eight belonged to Britain, three to Greece, and one each to Lebanon, France and Italy, the report said.

Interesting, in view LIRING-3 report that Cuba needed 24 bottoms.

SOURCE A MEXICAN INTELLECTUAL WHO IS A NEW, UNWITTING REPORTING ASSET. SOURCE HAS CULTURAL AND FAMILY TIES IN CUBA. HE OBTAINED THIS INFORMATION DURING CONFIDENTIAL DISCUSSIONS WITH OFFICIALS OF THE CUBAN EMBASSY IN MEXICO.

1. ACCORDING TO WORD RECEIVED IN MEXICO FROM AN OFFICIAL OF THE CUBAN MINISTRY OF FOREIGN TRADE, CUBA'S MOST URGENT REQUIREMENT AT THE MOMENT IS THE CHARTERING OF 24 SHIPS, VARIOUSLY DESCRIBED AS "OF MEDIUM TONNAGE" AND "OF APPROXIMATELY 10,000 TONS", FOR USE IN 1967. THIS PROJECT IS BEING HELD AS SECRET INFORMATION, AND MANY CUBAN OFFICIALS DO NOT KNOW OF IT, EVEN IF THEY ARE CONCERNED WITH TRADE AND SHIPPING MATTERS. (SOURCE COMMENT: THE SHIPS ARE POSSIBLY TO BE USED TO TRANSPORT THE 1967 SUGAR CROP, WHICH ALLEGEDLY WILL REACH LARGE PROPORTIONS.) (FIELD COMMENT: PERHAPS A REDUCTION IS EXPECTED IN SOVIET ASSISTANCE IN THE MATTER OF SHIPPING.)

2. AURELIO ALONSO GONZALEZ, OF THE MINISTRY OF FOREIGN TRADE, IS GOING TO CANADA ABOUT THE MIDDLE OF SEPTEMBER TO SEEK THE BEST AND CHEAPEST CHANNEL FOR RENTING SHIPS. HIS TRIP IS NOT BEING PUBLICIZED BECAUSE PAST EXPERIENCE HAS SHOWN THAT CHARTERING IS MORE DIFFICULT AND EXPENSIVE FOR CUBA ONCE HER REQUIREMENTS BECOME KNOWN TO WESTERN GOVERNMENTS.

SUBJECT
LIRING-1 and LIRING-2

ACTION REQUIRED - REFERENCES

1. On 6 September 1966 Station Officer Lawrence F. BARKER attended a meeting of the Consular Association, a loosely knit, rather [illegible] association used in the past primarily as a stepping stone to status by honorary consular officers. With the election of LIRING-2 as president of the group in late 1965, representatives of countries not friendly with PBRUMEN have generally boycotted the meetings. In the belief that the incumbents were willing to present their resignations so that another slate of officers might be elected, BARKER was selected to attend for LNPURE. As it turned out, the meeting drew only nine persons and no business of any consequence was transacted. [illegible] had not previously met. The purpose of this dispatch is to record certain conclusions drawn about LIRING-1 and LIRING-2. The latter "presided" over the meeting.

2. LIRING-1 impressed BARKER as being intelligent, articulate, self confident, affable and attentive. It was clear that, while LIRING-1 holds no office in the association, he intended to speak for himself and LIRING-2. He explained in a straightforward manner that he felt that the sad state of the association was due to politics; namely, that a representative of a "socialist country" (LIRING-2) had been elected president in a sparsely attended meeting. He felt that because of this most of the other consular officers were avoiding meetings and that no amount of nice diplomatic talk could gloss over this fact. (This impressed BARKER as a good estimate of the situation). LIRING-1 then said that he felt it would be best for LIRING-2 to step down so that the association could once again draw people to its meetings. He further promised that the PBRUMEN representatives would stick with the association as ordinary members and give their full support to the next slate of officers.

3. Dressed in a rather lumpy and shabby suit that appeared to have been made from old army blankets dyed dark blue, LIRING-1 made up for his appearance and slight stature by flashing a warm smile and being pleasant throughout the meeting which consisted of a sojourn at the bar followed by dinner. BARKER

attempted, apparently with success to exorcise all [illegible] slang and accent from his own speech, and LIRING-1 never inquired whether BARKER had ever been to [illegible] or had any connection with matters [illegible]. He seemed genuinely interested in a BARKER spiel on Mayan archaeology and anthropology and by the end of the meal was slapping BARKER on the back. While young and perhaps somewhat immature, LIRING-1 appears to be a tough character -- quick witted and thoroughly convinced that he stands for what is right. The overall impression is somewhat at variance with what had been expected from AMPICK-1 and, to some extent, [illegible]-1 reports. LIRING-1 is no "kid" and while he may have plenty to learn in the intelligence trade he appears to be quite capable of learning it given sufficient time. From the opposition viewpoint he should be an effective agent developer.

4. For the record, it should be noted that he has a ruddy complexion and bright blue-green eyes.

5. LIRING-2, on the other hand, appears to be a rather wishy-washy sort [illegible] of weakness. Although superior to LIRING-1 in the association and within LIRING itself, he took a back seat to LIRING-1 in the discussions. He seems to be essentially introverted. He is pleasant but one gets the impression that this is a matter of diplomatic correctness.

6. The above observations are all based on a one-time, two-hour encounter and may well be inaccurate. They are set forth, however, in an effort to assist in arriving at a correct assessment of key opposition personnel, primarily LIRING-1. He has the makings of a good operator and merits respect as well as study with a view to his eventual recruitment.

Report of Cuban Guerrilla Training Near Netzahualcoyotl Dam

B. HMMW-14[illegible], 27 June 1966

1. Headquarters was interested to learn of JUSLING-1's report of Mauricio de la SELVA's claim in Reference A that..."they have a center in Tehuantepec for the training of guerrillas for Central America..." in the light of Subject Report involving the same general area and the identification of Mauricio de la SELVA Venegas by AMMUG-1 in 1964 as the Salvadoran Communist Party link with the Cuban Intelligence Service in Mexico City.

2. For the information of Stations Guatemala City and San Salvador, Reference B reported information from a Mexican ex-military physician of unknown reliability that the Cuban Consulate in Merida had established a group of Cubans in Raudales, Malpaso, where the Netzahualcoyotl Dam is being finished, who are training Mexicans in guerrilla tactics; and reference C reported background information on Malpaso published in the Mexican pro-Castro magazine Siempre under the byline of one Carlos NAVARRETE. It was noted that a person by the name of Carlos NAVARRETE had been reported by LICOOKY-1 in 1963 as a Guatemalan Communist living in Mexico. It is now noted that the Siempre staff appears recently to have been taking more than usual amount of interest in the Chiapas area (which includes Tehuantepec). In addition to the NAVARRETE article on Malpaso, the 31 August 1966 issue carried no less than eleven articles and a four-page color picture spread on the area by Jose Natividad ROSALES, Horacio ESPARZA, Pedro ALVARADO Lang, Pablo MONTANES, Antonio PLIEGO, Nabor [illegible], Renato LEDUC, Jose CIRON, and Rodolfo [illegible]. One of the articles by ROSALES even noted that on the road from Tapachula, the entire Siempre team almost perished in a near-automobile accident. The same issue carries part two of an article on guerrilla activities of the

Partido Movimiento de Izquierda Revolucionaria (MIR) by Antonio CARAM. Antonio CARAM may be identical with Antonio CARAM Hafud, a Prensa Latina employee in Mexico City who was born in Tapachula, Chiapas. CARAM was reported to be a high official of the Frente Electoral del Pueblo (FEP) in 1963 and is believed to be identical with the Antonio CARAM who was reliably reported in May 1964 to be in contact with Oldrich [illegible] of the Czech Embassy in Mexico City. While of course none of the foregoing may have any direct connection with reports of guerrilla training in this area or with the arrest of Victor RICO Galan, the noted Spanish writer and pro-Castro activist, on 12 August 1966 for subversive activities, the information may be of background interest.

3. When [illegible]-1 is debriefed, it might be of interest to attempt to ascertain if he has any further light to throw on the Tehuantepec area with respect to guerrilla training activities and to ask him to keep an ear out for such information.

1. FURTHER DEBRIEFING LIRING-4 PRODUCED FOLLOWING:

A. SHE LONG TIME FRIEND CLARIBEL (GUILFRIDO), NIECE PRESIDENT DORTICOS WHO WORKED AT CUBAN PRESIDENCY IN 1964 WHEN LIRING-4 LAST SAW HER. GUILFRIDO WHO BORN IN LIRING-4 HOME TOWN IN ORIENTE ABOUT 1938 IS ANTI-CASTRO. LIRING-4 FELT GUILFRIDO COULD PROBABLY HELP HER OBTAIN USEFUL JOB IF STILL IN CUBA AND MIGHT EVEN AGREE COOPERATE AGAINST REGIME. GUILFRIDO RECENTLY GOT MARRIED AND MOVED BUT LIRING-4 FELT COULD FIND HER.

B. LIRING-4 KNOWS LOLO DE LA (TORRIENTE), ELDERLY CUBAN NEWSPAPER WOMAN WHO DISAFFECTED WITH CURRENT REGIME. LIRING-3 WHO ALSO KNOWS WOMAN TOLD ROWTON THAT IN EARLY 1967 MEXICAN LEFTIST PAINTER RAUL (ANGUIANO) CONFIED TO HIM HE RECEIVED LETTER FROM DE LA TORRIENTE WHO CLOSE FRIEND ASKING HIM HELP HER OBTAIN MEXICAN VISA IN ORDER LEAVE CUBA SINCE SITUATION THERE "INTOLERABLE." AS FAR LIRING-3 KNOWS, ANGUIANO DECIDED AGAINST APPEAL FOR HELP TO [illegible] LITEMPO-8 WHO CLOSE FRIEND AND DE LA TORRIENTE APPARENTLY DROPPED MATTER. LIRING-3 ADDED DE LA TORRIENTE IS WELL KNOWN BIOGRAPHER OF DIEGO RIVERA AND CLOSE PERSONAL FRIEND LUIS (WANGUEMER), DIRECTOR OF "MUNDO." LIRING -3 FELT RELATINSHIP WITH WANGUEMER MAY HAVE PROTECTED DE LA TORRIENTE FROM REPRISALS FOR ANTI-REGIME ATTITUDE. ROSENDO (GOMEZ) LORENZO OF MEXICAN "SUCESOS" IS ACCORDING TO LIRING-3 WANGUERMER'S BROTHER AND UNCLE ANDREA (GOMEZ) WITH WHOM LIRING-4 MAY STAY IN HAVANA. THIS SHOULD ENABLE HER RENEW CLOSE RELATIONSHIP WITH DE LA TORRIENTE.

C. LIRING-4 KNOWS CAPT JOSE LUIS (CARBALLO), CURRENT HEAD OF CUBAN INSTITUTO CARCGRAFIA Y GEODESIA WHOM SHE FIRST MET AT LIRING IN AUG 67 WHEN HE ATTENDED GEODETIC CONFERENCE MEXICO CITY. CARBALLO WAS MOST HELPFUL ~~[illegible]~~ SECURING SPACE ON HAVANA SANTIAGO FLIGHT FOR LIRING-4 DURING THE LATTER'S LAST VISIT TO CUBA.

D. SHE ON FRIENDLY TERMS WITH MARGOT (MACHADO), HEAD OF THE DEPARTAMENTO JURIDICO OF MINREX WHEN SHE AND LIRING-3 LIVED IN CUBA.

3. AS LONG AS SHE DOES NOT ACTUALLY DIVORCE LIRING-3, LIRING-4 IS ELIGIBLE FOR MEXICAN VISA TO ALLOW HER LEAVE CUBA AND REJOIN HUSBAND EVEN IF SHE REMAINS CUBA MORE THAN THREE MONTHS. DO NOT BELIEVE CUBANS WOULD PREVENT HER FROM RETURNING MEXICO TO HUSBAND. FROM PREVIOUS EXPERIENCE, BELIEVE LIRING-4 COULD GAIN REINSTATEMENT AS IMMIGRANT WITH APPROPRIATE BRIBE. LITAMIL-7 FOR EXAMPLE REGAINED IMMIGRANT STATUS WITHOUT ANY TIME PENALTY BY PAYING THOUSAND PESOS BRIBE. Disc'd the POA/CA request with Will Kolbe, WH/1, today. He sees the inconsistency of requesting a POA/CA on L-4 (for which she cannot qualify) and will resubmit request for a CNC.

We agreed that ROUTON has been running her as an agent (without any approval) since May, 1966.

Kolbe sees ROUTON losing interest in L-3 (her husband, who doesn't have a POA/CA either) because of poly results, etc.

2. IN COURSE SEVERAL DISCUSSIONS, ROWTON, WITHOUT INFLUENCING HER DECISION GO CUBA, POINTED OUT LIRING-4 COULD HELP HIM COLLECT VALUABLE DATA ON CURRENT POLITICAL, MILITARY AND ECONOMIC SITUATION IN CUBA. 2. AFTER THROUGH REVIEW LIRING-3 OPERATION FEEL IT MOST DESIRABLE KEEP DIRECT CONTACT WITH LIRING-3 (WHO LIABLE GO CUBA AND POSSIBLY GUATEMALA IN NEAR FUTURE) DURING ROWTON'S ABSENCE. UNTIL SGSWIRL CAN BE GIVEN LIRING-3 BY SPANISH SPEAKING OPERATOR AS REQUESTED BY STATION, FEEL IT WISE NOT PUSH LIRING-3 TO WITTING LNHARP RECRUITMENT. THEREFORE BELIEVE LIRING-3 SHOULD BE HANDLED BY SPANISH SPEAKER ABLE PASS NOTIONALLY AS EUROPEAN BUSINESS FRIEND OF ROWTON (I.E. WITHOUT GRINGO ACCENT). ALTHOUGH KNOWLEDGE EUROPEAN LANGUAGE NATURALLY DESIRABLE IT NOT ESSENTIAL AS PER ROWTON LIRING-3 WILL NOT QUESTION BACKGROUND HIS FRIEND OR MEET HIM IN PRESENCE OF OTHER FOREIGNER SINCE MEETINGS HELD IN SAFEHOUSE. TO AVOID SECURITY COMPLICATIONS AT THIS JUNCTURE BELIEVE LIRING-3 WOULD BEST BE HANDLED FOR THREE - FOUR WEEK PERIOD BY TDYER FROM WAVE OR HDQS WITH ABOVE REQUIREMENTS. WH COMMENTS: *ROWTON (LIRING-3 Case Officer) will return to Mexico without stopping in Caracas to discuss LIRING-3 operation.

**Caracas requested that LIRING-3 not become operationally engaged - principally because assistance most likely being directed to BRAVO guerrilla forces and the MIR and that the tangible advantage to be derived by the extremists would outweigh the value of any intelligence produced.

***LIRING-3 has established contact with VALDEZ and MORENO, young Mexican leftists who wish to go to Caracas and set up some sort of commercial venture in order to provide assistance to Venezuelan subversives. LIRING-3 aggreed to help them as partner in Venezuelan venture.

THIS BORDER AREA TO DETECT ARMS TRAFFIC. GUATEMALAN SECOND VICE MINISTER DEFENSE, COLONEL FRANCISCO SOSA AVILA, HAS INITIATED UNILATERAL OPERATION TO PENETRATE GUATEMALAN CUSTOMS HOUSES IN KEY AREAS TO DETERMINE WHO AIDING SMUGGLERS.

B. TREMENDOUS SURGE OF GOODWILL WHICH NOW EXISTS BETWEEN MEXICAN AND GUATEMALAN GOVERNMENTS WILL CERTAINLY AID IN KEEPING JOINT OPERATION OF WIPING OUT SMUGGLERS ON TRACK. TEND BELIEVE MAJOR WOFACT EMPHASIS SHOULD BE ENCOURAGEMENT AND AID TO BOTH GOVERNMENTS WITH ADVICE, TECHNICAL EQUIPMENT, TRANSPORTATION, MONEY AND HARD INFO ON SMUGGLING ACTIVITIES WHEN AVAILABLE. AS CITED IN REFS, GUATEMALA CITY STATION HAS ALREADY INITIATED SUCH MATERIAL SUPPORT TO GUATEMALAN TREASURY GUARD TO BUILD UP ITS COLLECTION CAPABILITIES.

C. REGARDING COLONEL SOSA'S UNILATERAL PENETRATION OF THE CUSTOMS HOUSES ALONG THE BORDER. MEXICO CITY STATION CAN DISCUSS SIMILAR POSSIBILITY WITH LITEMPO-8 (745332) TO SEND PERSONNEL TO PENETRATE MEXICAN CUSTOMS HOUSES. THIS MIGHT REQUIRE FINANCIAL AID FROM MEXICO CITY STATION TO PAY SLARIES OF ADDITIONAL EMPLOYEE/AGENTS.

2. UNILATERALLY, STATIONS PLAN:

A. EXPLOITATION OF WHATEVER POTENTIAL LIRING-3 (798301) AND NORRIS K. UMPHLET (C-16251) MAY HAVE IN PENETRATING GUATEMALAN GUERRILLA MOVEMENT AND ARMS TRAFFIC RING. THESE PLANS DISCUSSED IN SEPARATE CABLES

B. LIRENO-1, FORMER MEXICAN IMMIGRATION OFFICER, WILL BE QUERIED ON HIS ABILITY RECONTACT FORMER COLLEAGUES ALONG BORDER AREA WHO HAVE ACCESS INFO ON ARMS SMUGGLING FOR POSSIBLE UNILATERAL RECRUITMENT. THIS DIFFICULT OPERATION, HOWEVER, BECAUSE OF COMMO PROBLEMS CREATED BY DISTANCE FROM MEXICO CITY. ALSO, ANYONE WHO NOT FROM BORDER AREA EASILY SPOTTED BY LOCALS AND WOULD CREATE SUSPICION.

C. ON 5 OR 6 JAN 67, MEXICAN AND GUATEMALAN AUTHORITIES PLAN MEET TO DISCUSS SMUGGLING ACTIVITIES AND WHAT THESE GOVERNMENTS CAN DO TO JOINTLY SMASH ARMS TRAFFIC. COS GUATEMALA WILL FIND OUT WHO ATTENDED MEETING AND WHAT WAS AGREED UPON TO GIVE MEXICO CITY STATION CLEARER IDEA OF FOLLOW UP POSSIBILITIES.

D. IN VIEW FACT LIREBEL-1 TRIP TO CUBA HAS NOT PANNED OUT TO DATE AND FACT HE COULD BE OF IMMEDIATE USE TO GUATEMALA CITY STATION IN WORKING WITH GUATEMALAN GOVERNMENT ON GUERRILLAS AND ARMS TRAFFIC, PLAN CANCEL CUBA TRAVEL AND HAVE HIM RE-ENTER SECRET

MEMORANDUM FOR THE RECORD

DATE [illegible] 1967

SUBJECT

FILE NUMBER
809668 - 798301

Rec'd for my coordination an outgoing cable to MEXI, saying that PREVCHIS had been granted a Limited Contact & Assessment POA on 19 Jan '67. The next sentence said that WH/1 was asking for amendment of this contact & assessment POA so that PREVCHIS could provide cover for LIRING-3 (201-798301). [redacted] Jack Stewart, at the outset of our conversation when I mentioned L-3, said "I hope you never got mixed up in the LIRING-3 case. What a mess".

I informed Stewart I had been deeply "mixed up" in the L-3 case since 3 June '66 when Stewart himself requested a POA on L-3. I told him of the three notices over a six month period I had sent to WH/1 asking for resolution of the derog info and my invitation to discuss. CI/OA never heard a word from WH/1 in answer to its notices. Thus on 20 Dec. '66, CI/OA closed the LIRING-3 file for failure to comply. Stewart said Station was handling L-3 as a hostile, but appeared dumbfounded that the use of a such a person as a directed agent requires that that person qualify & gain a POA.

Re the requested amendment on PREVCHIS, the latter has only a limited POA because of items cited in POA granting; moreover, L-3 has never had the proper approval and was technically disapproved by the action of 30 Dec. 1966.

Stewart removed sentence telling MEXI that they WH/1 were asking for such an amendment, and I coordinated on simple notification of POA action of 19 Jan '67.

2 May, 1966

Subject: Wallace B Rowton Contact with Carlos Jurado.

1. At about 1830 on 2 May, 1966, Rowton dropped into the Salon de La Plastica Mexicana in the hope of running into Subject so that he could renew contact more or less casually.

2. Fortunately as soon as he stepped into the door he found Subject engaged in conversation with the receptionist and another person (probably a Mexican employe of the Salon). When Subject spotted Rowton he broke off his conversation and moved away to greet Rowton cordially. He said that he had himself just arrived at the Salon and was very happy to run into Rowton again. After a few briff remarks, he invited Rowton to coffee in a nearby cafe. Rowton accepted and they both left the Salon without further delay.

3. Rowton remained with Subject in conversation over coffee for about 45 minutes. Subject expressed gratification in having met Rowton and several times reassured Rowton that he enjoyed conversing with him regardless of whether he made an sale of his painting or not. Rowton reverted to the theme that he had a genuine interest in Subject's future and hoped in some way to provide Subject with the means of becoming relatively independent so that he could travel and carry on his art work freely. Rowton added that he had given much thought to the idea of using Subject to help him in his economic research, since this would justify Rowton's putting Subject on his expense account. He then questioned Subject on his possible connections in Mexico, but Subject confessed that he had only limited contacts that probably would not be useful to Rowton. Rowton then moved into the target question. He stated that most of his clients in England, France and Greece were interested in Cuban requirements and perhaps Subject was in a unique position to prepare a report on what the Cuban economy required at the moment. Subject responded without hestitation that he could do something on Cuba without too much difficulty. He explained that he knew official Cubans in Mexico City, including those in the Commercial Mission, and could travel into Cuba if necessary.

4. Rowton then stressed that he really did not need too many statistics on the Cuban economy nor contact with the Cubans but wanted somehow to justify helping Subject financially. He explained that he could easily assemble some data himself, but wanted Subject to do something concrete so that he would remain in the picture and Rowton could consider him in

201-798301

att #1 to HMMA-28875

CS COPY

a sort of stringer in reporting on economic developments. Subject replied that he understood and did not see that such a task would be too difficult.

5. Rowton then asked Subject how he was coming in locating a new aprtment/studio. Subject replied that he had found a desirable place near Chapultepec, and hoped to be able to move soon. Rowton then commented that he might have to leave for Paris in the next few days and would be away for about two weeks on business. He stated that he might be able to help Subject with the rent on his studio provided it had a phone. Rowton explained that he was at present paying 350 pesos monthly for secretarial service and could just as well pay Subject something for taking telephone messages. Subject replied that he would be glad to be of service to Rowton without compensation ("mi casa es suya")in such a matter.

6. Rowton then turned the conversation to Subject's wife and family. Subject revealed that his wife's maiden name (apellido) was the Chinese translation of "Flor de Durazno". He pronounced it in Chinese for Rowton but Rowton made no attempt to transliterate it and at this point cannot recall the phonetic pronunciation. Subject added that Chichay is a Cuban corruption of the Chinese given name. In reply to Rowton's direct query, Subject stated that his wife's ~~father~~ mother is in Cuba but her father is in New York. He added that her father did not agree with the revolution and left but the rest of the family remained. He also stated that her mother has not remarried and lives with her brothers and sisters. Subject added that his wife felt no bitterness toward her father and in fact the father writes regularly - once a week from New York. Rowton did not press for an address at the time, feeling that it would be more discreet to wait for an opening at a subsequent meeting(when he could allege that he was planning to stop over in New York).

7. Rowton took the occasion of his alleged impending departure to ask for Subject's home address so that he could write from Europe. Subject stated that since he might move it would be better for Rowton to write to him care of the Salon rather than to his present address.

8. On leaving Subject Rowton promised to pass by the Salon again before he left so that he could say goodbye to Subject.

Wallace B Rowton

2 May, 1966

Subject: Wallace B. Rowton Contact with Carlos Jurado.

1. When Rowton arrived at the entrance to the Bellas Artes Building at 1100 on 30 April, as planned, he found Subject waiting on the steps. Subject greeted Rowton cordially and suggested that they take a taxi since the Ministry of Education building was a little too far to walk to. He then hailed a taxi and instructed the driver to take them to the Secretaria de Education Publica on Calle Argentina.

2. On arrival he escorted Rowton through the court-yard of the building and explained the murals of Diego Rivera. He commented that he felt the murals were superior to those at the Prado Hotel and Cuernavaca since they had more "social meaning". He stressed the hardship under which Rivera had worked, which included some physical danger from certain elements opposed to his socialist ideas. Rowton picked up this theme in relationship to Subject's own situation in an attempt to elicit as much information as possible concerning Subject's financialstatus and position vis-a-vis the Mexican government.

3. In the course of conversation Subject stated that he had received relatively little understanding and sympathy from the government officials as a whole but did receive some support from the Instituto Nacional de Bellas Artes. He explained that he was able to earn enough money from teaching assignments to be relatively independent, and not depend on sales of his picutres to make a living. In reply to Rowton's comment to the effect that perhaps his wife could find some employment to help Subject, the latter replied that his wife could not work because of her status. He quickly added that he probably would not find it difficult to procure working papers for her, but he preferred not to do so at least at the present time.

4. After completing his tour of the Secretariat of Education Building, Subject invited Rowton to view the murals of the Supreme Court Building on Pino Suarez, which he described as superior even to those of Diego Rivera, especially because of their open defiance of official opinion. On the way Rowton continued to put discreet questions concerning Subject's personal life. Subject replied by revealing that

he lived with his wife and three-year-old child in a very small apartment near San Angel and shared a studio with another artist. He added that he was paying 650 pesos monthly rent which he considered very high for what he was getting. He also complained that the artist with whom he was sharing the studio was a dil ettante who was more interested in the atmosphere of the Latin Quarter than in art for its own sake. He said he found it difficult to paint with guitars playing and cocktail glasses clinking in the background. Subject then stated that he was looking for a more suitable arrangement, perhaps in a condominio and preferably in the Tacubaya area.

5. In connection with his own future hopes, Subject stated that he wanted very much to travel to gain as much experience as possible so that his style could be crystalized. He commented that he could move easily to Cuba since his wife's family lived there and he could get along with the Cuban authorities, but he felt Mexico was better for him at the moment. He expressed preference for Sweden, North Africa and Greece. In reply to Rowton's queries, he stated that he did not feel that his daughter would present a problem, since he could leave her in the care of his or his wife's relatives. He added that she was currently attending a Jardin de Niños in the mornings and doing very well despite her tender age.

6. Subject commented also that he likedtravel so much that he had joined the Mexican Navy to see the world. He added that he had been able to visit almost all the ports of the east and west coasts of North and Central America but had not succeeded in seeing Europe as he had hoped. Since Rowton was posing as a Greek, Subject expressed great interest in visiting Athens and the Middle East, and at one point asked Rowton how much money he would need to live in Athens for a month as a tourist. Subject also stated that both he and his wife were anxious to learn English and French so that they could absorb as much local culture as possible in their travels.

7. After inviting Rowton to coffee at a nearby restaurant, Subject stated that he had to meet his wife and some friend's for lunch and left Rowton at about 1335 in front of the Cathddral. He promised to telephone Rowton again so that they could get together before Rowton left the country.

Wallace B Rowton

27 April, 1966

Subject: Wallace B Rowton Contact with Mr. and Mrs.
Carlos Jurado. (from LITAWT-1)

1. Following a Station lead to the effect that Mrs. Chichay Jurado, who is employed by the Cuban Consulate in Mexico City, is the daughter of a Cuban residing in New York City, Rowton visited the Salon de la Plastica Mexicana, Calle Havre 7, where Carlos Jurado's paintings were on exhibit. After several unsuccessful attempts to meet Jurado by chance at the salon, Rowton left his alias and telephone answering service number with the receptionist on 14 April, 1966, and asked that Jurado contact him for a meeting. On 18 April Rowton again visited the salon (having received no message through the answering service) and fortunately met Jurado who had dropped in to pick up messages from the receptionist.

2. Rowton explained that he was interested in Jurado's style, particularly for a mural that might go well in a New York night club owned by a friend of his. Jurado was, of course, immediately interested and commented that he was most anxious to visit New York to see the Museums. In answer to Rowton's query, he stated that he did not have any relatives in New York and had never been outside Mexico. Rowton invited Jurado and his wife to dinner the following evening so that they could discuss the proposed mural. (Rowton planned, if pressed, to use the "La Chansonette" nightclub restaurant owned by his ~~frien~~ Greek friend Rita Dimitri as the prospective client).

3. On 19 April at 1930 Rowton met Jurado at the Salon as planned. Fortunately Jurado had brought his wife Chichay along as Rowton had suggested. Rowton invited them to dinner at the Restaurante &

"El 77" at Calle Londres 77. Neither had eaten there previously and appeared delighted at the opportunity to enjoy a good dinner.

4. In the course of conversation, Jurado stated that his wife Chichay was born in Cuba and that they had a three-year old daughter. Niether he nor Chichay made any referance to her employment at the Consulate and Rowton did not feel it wise to press too hard on that subject. Rowton again asked whether Jurado had any relatives in New York in the event it might be advisable for him to travel there in connection with the mural, but neither he nor his wife responded in the affirmative.

5. Later in the evening, Jurado and his wife strolled along ~~Ntuz~~ Calle Niza and Reforma to the Hotel Hilton with Rowton. This gave Rowton an opportunity to sound them out on politics with specific reference to Cuba. Rowton pretended to be of Greek-Irish parentage and more or less neutral in his own political views with respect to Cuba. Chichay Jurado stated that she felt Cuba was doing well and that the relovution was the only answer to the corruption that had existed previously. Carlos Jurado agreed, commenting that the "Northamerican" position with regard to Cuba was unfortunately erroneous and short-sighted. Rowton placed much of the blame on the former Batista regime but lamented the fact that in the meantime the Cuban people were suffering from the mistakes of the politicians.

6. While walking along Reforma, Carlos Jurado commented that his wife's father was Chinese but did not indicate where he was then residing. Chichay Jurado stated that she had learned some Cantonese as a child, but did not consider herself proficient in Chinese.

7. Before leaving him for the evening, Carlos Jurado invited Rowton to visit some of the better murals in Mexico City on Saturday, 23 April, and promisedd to telephone Rowton to set the time and

place of the meeting. He informed Rowton that he himself could be contacted on 48 22 66, a telephone that was located near his studio in the Colonia Florida. He asked Rowton to obtain as soon as possible the measurements of the proposed mural and x photographs of of the owner so that he could make a sample painting.

Identification of Jorge ARIAS Gomez as Salvadoran Delegate to Tri-Continental Conference

ACTION REQUIRED - REFERENCES

1. [illegible] forwarded to [illegible] a copy of the 15 February 1966 edition of Politica, a Mexican publication that contained photos of and speeches delivered by the Chiefs of the various delegations to the Tri-Continental Conference held in Havana in January.

2. "Sergio [illegible]", described therein as the Chief of the Salvadoran delegation, was identified from his photo by the [illegible] and [illegible]-2 as Jorge ARIAS Gomez, a member of the Central Committee of the PCES. According to [illegible]-2, ARIAS is probably the #4 man in the PCES hierarchy - behind Raul CASTELLANOS Figueroa, Jorge Shafick [illegible], and Salvador Cayetano CARPIO. It is rather strange that the PCES sent ARIAS on this [illegible], [illegible] JURANT-2 and [illegible]-2 reported that, while in Cuba in 1961-62, ARIAS had an affair with a girl that resulted in her pregnancy, and the Cubans sent a strong complaint to the PCES concerning his conduct. 30?

3. A LIVACATE main intercept ([illegible]) indicated that ARIAS was expected in Moscow in January. He apparently has not yet returned to El Salvador, and thus he may also be representing the PCES at the 23rd CPSU Congress. Any available photos of Salvadorans at that affair would be appreciated.

[illegible]/[illegible]/[illegible]/Dr. Armando SOTO Rodriguez - Report of Cuban Guerrilla Training near Netzahualcoyotl Dam

Action Required: See paragraphs 3 and 4

1. Attached is a copy of an undated employment letter to KUBARK from Dr. Armando SOTO Rodriguez, self-described as an ex-military physician. The letter bears the return address [illegible] 412, Villahermosa, Tabasco, Mexico and a Villahermosa postmark dated 21 (?) February 1966. In the letter, which was written in fairly good English, SOTO said among other things that the Cuban Consulate in Merida has established a group of Cubans in [illegible], Malpaso, where the Netzahualcoyotl Dam is being finished, who are training Mexicans in guerrilla tactics.

2. Headquarters has no traces identifiable with Armando SOTO Rodriguez or [illegible] also mentioned in the letter. The National Geographic map of Mexico and Central America dated 1953, 1:3.5 million, shows the town of Netzahualcoyotl at [illegible], [illegible], on the [illegible] River about fifty miles from the Guatemalan border.

3. [illegible] on Cuban guerrilla activity at Netzahualcoyotl. Since a sensitive source ([illegible]) did report occasional interest by the Cuban Consulate in the Tabasco area, and since the area pinpointed by source does lend itself to cross-border activities, it would be appreciated if Mexico City Station would endeavor to check out this report. [illegible]-1 especially might be able to furnish some information in this connection. A former Mexico Base staffer now stationed at Headquarters recalls that Ventura "El Tigre" [illegible], a wealthy Mexican cattleman, has extensive holdings centering around Emilio Zapata, about 25 miles from Netzahualcoyotl, and might be knowledgeable of activities in the area. Access to [illegible] would probably be gained through [illegible]-1 and Raimundo [illegible] who services [illegible]-1's and [illegible]'s airplanes in Merida. [illegible] has previously extended invitations to visit his ranch at [illegible] and might do so again if suitably approached. It is recalled that Lawrence F. BARKER has traveled or planned travel near the general area. Perhaps [illegible] could set up a trip to this area. Another possibility for background and channels might be through [illegible] who has recently been heard to say that he is visiting the Isthmus of Tehuantepec regularly. (This was overheard from an intercepted ham radio conversation). Three maps of the area are attached as of possible assistance.

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with AMBANG-1

1. I met with AMBANG-1 on 27 July 1963 in Miami. The following is a resume of the business transacted at that meeting.

a. Request for High Explosives

AMBANG-1 stated that in view of my outline of strategic targets inside Cuba during our last meeting which took place in Washington on 21 June 1963, he had decided to attempt a sabotage operation against the Havana power plant. He informed me that he has a man employed in the power plant in Havana who is capable of launching this operation. In this connection AMBANG-1 asked if we could make available twenty pounds of high explosives as well as six to eight thermite grenades. AMBANG-1 asked if it were possible to have the twenty pounds broken into smaller lots. In our further discussion of this subject, it became apparent that A-1 would be willing to receive the materiel either in San Juan or inside Cuba, but that he definitely preferred the latter if this were possible. Like in most other instances during our conversation, I advised AMBANG-1 that I would need to discuss this matter with my superiors but that I could tentatively assure him of our ability and willingness to furnish the high explosives in San Juan and possibly inside Cuba. At this point I asked AMBANG-1 if he could foresee the need for materiel of this type inside Cuba. I told him that I asked this question because if his group were prepared now or in the near future for meaningful sabotage action inside Cuba it was conceivable that we could begin the caching of needed materiel inside Cuba. AMBANG-1 assured me that they

14-00000

were in a position to sabotage the electrical plant in Havana. (I did not ask, neither did he specify which plant.) He did not promise immediate action, adding that he wanted to assure himself of the details of the planned operation and the safety-odds of the man involved. A-1 then indicated that he would certainly be in a position to accomplish this mission and others in the future and would be most grateful for any materiel we could put in place. I left the matter with him with the understanding that if it were possible we would proceed with caching the high explosives in the general area of Havana. He assured me of their capability to service and retrieve the cache.

b. Request for Contact in Guantanamo

AMBANG-1 asked me if it would be possible for us to arrange some means for Rogelio Cisneros to visit Guatanamo and talk to his brother who is an employee of the Naval Base and another agent of theirs likewise employed there. The reason A-1 gave for the request was that they wished to inform Ramon Cisneros Diaz of the JURE plans to begin the implementation of their plan of resistance and overthrow of the Castro Regime. I advised A-1 that whereas I would look into this matter as I could tentatively tell him that the chances of accomplishing this were remote.

c. AMBANG-1 Political Plans

AMBANG-1 informed me that he was planning at this time to be in New York on or about 10 August and that following this trip he intended to go to Santo Domingo and Caracas. In Santo Domingo he hoped to set up a small base for operations such as a small house on a farm near the shore which could be used for boat travel to Cuba. Once he had made such arrangements he intended to talk to President Juan Bosch telling him of the plan and asking his acquiescence if not support. AMBANG-1 intends to tell Bosch that he will not embarrass him and will go about his business in a secure and professional manner adding that if he should embarrass Bosch, the latter could disclaim him and A-1 would desist from any further activity there.

So far as AMBANG-1's trip to Caracas is concerned, that will be principally devoted to orienting the JURE representation in that city. In addition, AMBANG-1 will attempt to see and talk to Venezuelan Government officials including President Betancourt.

Some time after this trip AMBANG-1 intends to visit Central America principally Costa Rica and if he can procure a visa, Mexico. The purpose of all his travel is the raising of funds, the general tightening of his organization and discussions necessary to coordinate their efforts.

d. Isolation of Cuba.

AMBANG-1 made it exceedingly clear that the lifeline to his assets inside Cuba had been severely restricted when PAA flights were suspended. Nothing could suit AMBANG-1 more than to have these flights resumed. AMBANG-1's obviously great interest in the resumption of these flights was the most eloquent statement yet of his belief that he has a network, or that he can revive a network within Cuba. At least at this stage of JURE operations, AMBANG-1 does not appear to consider the infiltration of manpower as necessary.

AMBANG-1 stated that the use of flights from Spain and Mexico to Cuba was difficult and costly whereas the Miami-Havana run had been most useful in maintaining contact within Cuba. It was AMBANG-1's opinion that the resumption of PAA flights would be an operational boom to JURE and that whereas he could see Castro making some political capital out of the flights, he believed that some appropriate statement such as "there is no political significance but only a humanitarian and compassionate reason for the reestablishment of this link," would be sufficient to negate any political advantage by Castro.

e. AMBANG-1 Phasing Out of his Employment

AMBANG-1 gave me to believe that he is closing shop and giving up his position with the Corporacion de Renovacion Urbana y Viviendas where he is employed as an engineer in charge of building pre-cast concrete houses. AMBANG-1 stated that during the past week Governor Munoz Marin gave final authority for the erection of a plant to produce these houses in Puerto Rica. AMBANG-1 is torn with the thought of leaving this project which he believes will be most successful, and which would assure his livelihood, but he knows that he must devote himself to the fight against Castro. It is obvious to me that AMBANG-1 will within the next two months phase out of this employment to devote full time to the liberation of Cuba.

f. A JURE Radio Link

AMBANG-1 asked me if I would be able to assist him in the establishment of a San Juan-Caracas-Miami radio link. He explained that the JURE has spent a great deal of money on telephonic communications between these points and were most anxious to set up a means of radio communication in order to economize. I guess that AMBANG-1 could tell from my reaction that I was not too sympathetic to his request for he withdrew it almost as soon as he had made it. He went on to say that this was a problem which they could overcome and I presume that he will seek to establish such radio communications without our assistance.

g. Aerial Maps of Cuba

AMBANG-1 informed me that the JURE membership had brought out of Cuba an entire series of maps showing key roads, bridges, industrial plants, et al, which they had copied by the Aero Service Corporation in Philadelphia, Pennsylvania. AMBANG-1 stated that they had received most of these photos from the Aero Service Corporation but that the 101 were still missing. He gave me the numbers of those missing and asked if we could procure them. I have since informed AMBANG-1 that it would perhaps be best it he could, or his organization, do this instead but that we would pay the travel of one of his men, should this prove necessary. Attached, hereto, is a copy of the missing photos in question.

h. JURE Organization and Strength

AMBANG-1 informed me that the membership of the JURE in San Juan was now at about 500 members and that each of these individuals makes a weekly contributionto the organization.

In addition there are large JURE organizations in Caracas, Venezuela and Dallas, Texas. There are according to AMBANG-1 a total of thirty delegations in Latin America, the U. S. A. and Europe. He cited as an example the delegation in San Francisco which had recently purchased a typewriter through the collection of green stamps. He added that Rogelio Cisneros had travelled to San Francisco some time ago to communicate with that group and to tighten its organizational activities.

i. AMBANG-1 Asks About ARTIME and the Activities in Central America

AMBANG-1 raised the question of Manuel ARTIME's activities in Central America and particularly in Nicaragua. He stated that any association with Somoza would not help in creating the mistique and political coloration necessary to inspire revolution and resistance from the non-Communists elements in Cuba. Whereas, I had expected AMBANG-1 to go into a long harangue as to the positive damage that ARTIME's actions with Somoza could cause, he left the matter at about this point. I agreed that the Somozas did not have a liberal political reputation throughout Latin America, but added that whatever Cubans could do from that or any vantage point against Communism in Cuba would in my estimation be helpful, -- while I am sure AMBANG-1 did not agree with me, he did not say so. In respect to ARTIME and Miro Cardona, whose name entered into the conversation later, AMBANG-1 took a fairly objective view. He stated that Miro had arrived in San Juan and that he wished him the best as he figured he had suffered enough. Insofar as ARTIME was concerned I gathered that AMBANG-1 might feel that the association with Somoza would not do ARTIME any good in a post-Castro Cuba. As AMBANG-1 is convinced that a government after Castro must be of a progressive liberal stripe, ARTIME was not doing himself any good by identifying himself with the Somozas.

j. A List of Cuban Diplomats

As AMBANG-1 had asked for a list of Cuban Diplomats abroad while we were in Paris, I advised him that such a list had been prepared and we would make it available to him. In this connection he asked if we could include the addresses of each of the Cuban installations. Speaking of diplomats, AMBANG-1 wanted to know if Ambassador Gustavo Arcos had returned from Prague. I informed him that I did not know. AMBANG-1 was most interested to learn that Franqui's wife and children had actually come out of Cuba, and indicated that he would intensify his efforts to maintain contact with Cuban Diplomat Cabrera Infante in Brussels as a means toward the eventual recruitment of Franqui.

k. AMBANG-1 Relation with Jorge Volsky

In conjunction with questions regarding propaganda sent to Cuba, and the JURE's general plans in this field, I asked A-1 about his relation with Jorge Volsky. A-1 stated that he considered Volsky to be an extremely able, serious newspaperman. He added that whereas he saw Volsky frequently on his trips to Miami, the latter did not work for him. A-1 stated that Volsky's work was a full-time job which left him little time to do anything else.

A-1 stated that JURE propaganda was produced by a twelve - man board.

A-1 added that the JURE expected to shortly introduce a statement on its position into Cuba.

l. AMBANG-1 Asks about Two Man Underwater Craft

A-1 asked if I knew anything about a two man type craft which travels through the water. I presume A-1 was talking about the "sea-sled." I advised him that I knew little about this type craft, but in my opinion its usefulness for the type activity he had in mind was limited. AMBANG-1 would use this craft for the final phase of an infiltration effort. A-1 stated that this craft was being used at the hotel beaches in San Juan as a type of sporting activity. I will advise him that he could pursue this matter himself as all knowledge on this subject is publicly available.

m. AMBANG-1 Trained in Simple Scorch System

A WAVE technician, Culver Ladd, under the name of Mr. Lane trained A-1 to use a simple scorch system of S/W. A-1 was given some eighty pills with which he will be able to make the "ink" used in this system of S/W. A-1 was pleased with the system, especially its simplicity. He will use the system to communicate with his chief delegate in Paris and undoubtedly other persons in Cuba as well as in the other JURE delegations.

n. AMBANG-1 is Writing an Article for Cuadernos

At the request of German Arcienegas, the famed Colombian intellectual, A-1 is preparing an article which is to be published in Cuadernos. The article will deal with the problems facing Latin America and how they can be resolved. A-1 will be in select company as Arcienegas has asked a number of prominent Latin American intellectuals for their views.

o. Communication Between AMBANG-1 and Case Officer

AMBANG-1 gave me the following addresses at which he can be reached:

Corporacion de Renovacion
Urbana y Viviendas
PARADA 31
Ponce de Leon,
Hato Rey
Puerto Rico Telephone No. 723-1671

(NOTE: This is not AMBANG's office or home, but that of a friend who is always able to reach A-1.)

Also:

Mr. Jaime Mitrani
1260 W. 61 Place
Hialeah, Florida

AMBANG-1 was given the following means of contacting me:

Mr. Alfred Fernandez
P. O. Box 1104, Main Post Office
Washington, D. C. Telephone No. 737-8294

AMBANG-1 will use the name "Tony" as a signature in mail to me.

2. General Observations

I beleive AMBANG-1 is planning to return to Cuba. He indicated that he would give the matter serious thought to even go in, disguised, as a legal traveller if that road were generally open, i. e., if rather large numbers of travellers were going in via PAA flights. This line seemed a bit out of character for A-1, for it seems unrealistic and somewhat remindful of Macaulay's references to the state of mind that exiles develop. I also detected what we consider to be a somewhat unrealistic appraisal of the Cuban situation in A-1's estimate that Castro has considerably less than 40% of the Cuban people with him. A-1 may be losing more than a little touch with Cuban reality.

A-1 remains convinced that he is on the right track in working for the eventual overthrow of Castro. He is convinced, however, that two to three years is all the time left for actually destroying the Castro regime, believing that there will be a favorable turn in the Cuban economic situation by late 1965. A-1 is likewise convinced that Castro cannot add to the improvement of Cuba, to the contrary that so long as the principal decisions are made by Castro, the general trend will be confusion arising from a failure to concentrate on specific problems until they are corrected.

AMBANG-1 is likewise convinced that the JURE is building a political group and general outlook which will have an impact on Cuba for many years to come. He is especially concerned with the need to carefully consider each position of his group in order to create the lasting impression that JURE knows where it is going and that its leadership is composed of men who know how to "run" a country without the false starts, confusion and chaos identified with the Castro regime.

AMBANG-1 is likewise greatly concerned with the necessity of not creating an impression inside Cuba that the JURE will return to mete out "justice." It is essential, A-1 states, to convince the general populace that the overthrow of Castro will not result in a bloodbath, rather that the sole aim is to save the revolution that has been betrayed. He is anxious that the people inside Cuba see the JURE as a responsible, intelligent and dispassionate group which is capable of bringing to Cuba all that the revolution promised.

PLEASE HAVE SCANTLING WRITE LETTER EMBODYING FOLLOWING IDEAS:

"EXCELENCIA

AS YOU MAY KNOW FOR SEVERAL MONTHS I HAVE BEEN ENGAGING IN PURCHASING VARIOUS COMMERCIAL ITEMS FOR MR. SIMOBAS AND MR. VEGA OF YOUR EMBASSY. FOR A NUMBER OF MONTHS THESE PURCHASES WENT VERY WELL AND I BELIEVE BOTH YOUR GOVERNMENT AND I WERE SATISFIED WITH THE ARRANGEMENTS AND DELIVERIES.

SINCE THE DEPARTURE OF MR. SIMOBAS AND MR. VEGA, HOWEVER, I HAVE NOT BEEN ABLE TO CARRY ON MY BUSINESS WITH THEM IN A NORMAL MANNER. I HAVE GONE TO MUCH TROUBLE TO GATHER ARTICLES THAT THEY WERE INTERESTED IN AND TO DELIVER THEM AS INSTRUCTED; YET, NOW THREE WEEKS AFTER MAKING MY LAST DELIVERY I HAVE STILL NOT BEEN PAID.

I OBJECT TO THE PRESENT DELAYS IN MAKING PAYMENT TO ME AND REQUEST THAT MR. SIMOBAS OR HIS APODERADO IN THIS CITY BE INFORMED THAT I BADLY NEED THE MONEY AND CANNOT MAKE FURTHER DELIVERIES UNTIL I HAVE RECEIVED THE FULL CHECK. [illegible]

WORLD BRIEF

(NOFORN IN SLANTS. REMAINING INFO RELEASABLE TO LIAISON.)

1. BERLIN: THE COMMUNISTS VIEW AS "OFFICIAL" THE TALKS BETWEEN EAST AND WEST BERLIN NEGOTIATORS WHICH ACHIEVED THE AGREEMENT ON CHRISTMAS PASSES AND CONSIDER THEM A BOOST TO MOSCOW'S "FREE CITY" PROPOSAL FOR WEST BERLIN. WILLY BRANDT, ON THE OTHER HAND, REGARDS THEM AS ONLY "TECHNICAL" AND AS NO SETBACK TO HIS STATURE IN WEST GERMAN POLITICS.

2. YUGOSLAVIA: //TITO IS APPARENTLY NO LONGER DEEPLY INVOLVED IN ADMINISTRATION OF YUGOSLAV AFFAIRS. HE HAS EXHIBITED LACK OF KNOWLEDGE AND UNDERSTANDING OF A NUMBER OF FOREIGN POLICY ISSUES AND HAS BEEN DIVESTING HIMSELF OF RESPONSIBILITIES. TWO RESPONSIBLE OFFICIALS HAVE EXPRESSED CONCERN THAT HIS FACULTIES HAVE DIMMED //

4 CUBA: COASTAL DEFENSE CRUISE MISSILES NOW REPORTEDLY ARE PART OF THE CUBAN ARTILLERY FORCES, [redacted] CUBAN INVOLVEMENT IN THE SOVIET-DOMINATED AIR DEFENSE SYSTEM IS ALSO INCREASING A SOVIET SO-1-CLASS SUBCHASER HAS ARRIVED IN CUBAN WATERS AND TWO OTHERS ARE PROBABLY EN ROUTE.

5. USSR: KHRUSHCHEV'S LONG-RANGE PROGRAM FOR DEVELOPMENT OF THE SOVIET CHEMICAL INDUSTRY IS TO BE ACCOMPANIED BY RETRENCHMENT IN OTHER PARTS OF THE ECONOMY DURING THE NEXT TWO YEARS. HOUSING CONSUMER SERVICES, AND SOME HEAVY INDUSTRIAL PRODUCTION ARE TO BE AFFECTED, AND IT SEEMS LIKELY THAT THERE WILL BE A SLOWING IN THE RATE AT WHICH MILITARY EXPENDITURES HAVE INCREASED SINCE 1960

6 ITALY: DOUBTS ABOUT THE MORO GOVERNMENT'S VIABILITY HAVE SUBSIDED SOMEWHAT AS A RESULT OF STRONG VOTE OF CONFIDENCE IT RECEIVED ON 17 DEC. [illegible] AUTHORITY HAS BEEN STRENGTHENED BY HIS [illegible] REFUSAL TO [illegible] DEAL WITH LEFTWING [illegible]

7. CUBA. THE CASTRO REGIME SEEMS INTENT ON CULTIVATING AFRICAN COUNTRIES AS WAY OF LESSENING ITS ISOLATION FROM THE FREE WORLD. AN EMBASSY IN TANGANYIKA INDICATES THIS. IN ADDITION, CUBA HAS, DURING THE PAST MONTH, EXPANDED CONTACTS WITH NINE COUNTRIES SOUTH OF THE SAHARA. THERE IS ALSO REASON TO SUSPECT AFRICANS GOING TO CUBA ON SCHOLARSHIPS ARE GETTING TRAINING IN GUERRILLA WARFARE TECHNIQUES.

8. UK: //BRITISH FOREIGN POLICY UNDER THE DOUGLAS-HOME GOVERNMENT INCREASINGLY FOCUSED ON KEEPING THE EAST-WEST DIALOGUE OPEN AND IMPROVING RELATIONS WITH WEST GERMANY. BOTH SIR ALEC AND FOREIGN SECRETARY BUTLER ESPECIALLY DETERMINED TO KEEP EXPLORING AREAS POSSIBLE AGREEMENT WITH MOSCOW -- A POLICY WHICH PAID OFF HANDSOMELY FOR CONSERVATIVES IN ELECTIONS OF 1955 AND 1959. MAIN OBJECTIVE -- BUTLER'S RECENT VISIT, BONN WAS TO SOUND OUT GERMAN REACTION TO SUCH BRITISH INITIATIVES.//

OPPOSITION PARTIES, MEANWHILE HAVE DONE LITTLE TO COOPERATE AGAINST JAGAN BEYOND REACHING A TENTATIVE AGREEMENT NOT TO ATTACK EACH OTHER PUBLICLY.

10. FRANCE: PARIS IS TRYING TO PROMOTE TRADE WITH COMMUNIST CHINA BY ENCOURAGING PRIVATE FIRMS TO DEVELOP NEW MARKETS THERE. THERE ARE BUILT IN LIMITATIONS TO THE EXTENT THAT FRENCH-CHINESE TRADE CAN GROW, COMPLEMENTARY PRODUCTS ARE FEW, AND CREDIT PROBLEMS CONTINUE TO LIMIT PURCHASES BY CHINESE WHO SEEM PRIMARILY INTERESTED IN OBTAINING FRENCH TECHNICAL SKILLS. THIS IS STOUTLY DENIED AT ALL LEVELS OF FRENCH GOVERNMENT

WHATEVER THE OUTCOME, PRESIDENT KEKKONEN DESIRE TO IMPROVE RELATIONS. MOSCOW CAME OUT AGAIN DURING HIS TRIP TO THE USSR.

12. SOUTH KOREA: PRESIDENT PAK CHONG-HUI'S DOMINATION OF THE NATIONAL ASSEMBLY INAUGURATED ON 17 DEC UNDER SOUTH KOREA'S NEW CONSTITUTIONAL REGIME MAY TRANSFER POLITICAL INFIGHTING TO A NEW ARENA. THE CONTROVERSIAL FORMER SECURITY CHIEF KIM CHONG-PIL CONTROLS THE PARTY APPARATUS, AND HIS MANY ENEMIES ARE LIKELY TO TRY TO USE THE LEGISLATIVE PROCESSES TO TRY TO WREST POWER FROM HIM. PRESIDENT PAK STILL BACKS KIM, HOWEVER, AND THEY AND THEIR COHORTS WILL CONTINUE TO MAKE THE GOVERNMENT'S MAJOR DECISIONS. 13. TURKEY: THE THREE-WEEK OLD CABINET CRISIS APPEARS TO BE APPROACHING A CLIMAX FOLLOWING THE FAILURE OF BOTH MAJOR PARTIES TO BRING MINOR PARTIES INTO COALITION ARRANGEMENTS. ONLY A COALITION BETWEEN THESE TWO, PRIME MINISTER INONU'S REPUBLICAN PEOPLE'S PARTY AND THE JUSTICE PARTY, OR A "NATIONAL COALITION" OF ALL POLITICAL GROUPS, REMAINS TO BE TRIED. DESPITE THE DEEP DIFFERENCES, AN ASSOCIATION BETWEEN THE TWO MAY PROVE FEASIBLE, FOR THE POLITICIANS FEAR THAT EXTENDING THE CRISIS MUCH LONGER MIGHT PROVOKE MILITARY INTERVENTION. (CONF)

THEIR PLANS REPORTEDLY INCLUDE ASSASSINATION OF LEOPOLDVILLE LEADERS, AN "INVASION" OF THE CONGO, AND INSTIGATION OF A COUP BY THE CONGO ARMY. THE WEAKNESS OF THE LEOPOLDVILLE REGIME, ESPECIALLY THE QUESTIONABLE RELIABILITY OF GENERAL MOBUTU'S ARMY, CLEARLY ENHANCES THE CNL PROSPECTS. LAST MONTH MOBUTU AND SURETE CHIEF NENDAKA, THE REGIME'S TWO KEYSTONES, WERE WAYLAYED BY SOLDIERS AND NEARLY KILLED. MEMORANDUM FOR: Secretary, CSCS Board

SUBJECT: Recommendation for Promotion - Robert P. Wheeler

1. As one of the final acts in my CIA career I want to bring to your attention and add my strong concurrence and recommendation to two (2) recorded recommendations for the promotion of Robert P. Wheeler to the grade GS-17. I find it hard to imagine a more persuasive recommendation for this action than that forwarded by my predecessor in June 1969 (Attached). I can imagine Mr. Mitchell's feeling when he prepared the second recommendation in February 1970 (Attached). And yet, I find in February 1971 there has still been no action. In the year that has passed this promotion has become even more deserved, for despite the natural disappointment accompanying such a continuing lack of recognition, there has been no diminution of enthusiasm, no lowering of standards, and the CS is clearly better managed because of his continuing efforts. Were these two previous recommendations not so clear cut and descriptive, I would conclude that those in control simply do not know what this officer does and has done. Knowing what he does and how he does it should not continue to be unrewarded and, hence, I add my strongest recommendation for early and favorable action.

2. This officer has performed in a most outstanding manner, as testified in his fitness reports by my predecessor, and certainly during my tenure as Chief, MPS for the past 12 months.

MEMORANDUM FOR: Secretary, Clandestine Service Career Service Board

SUBJECT: Recommendation for the Promotion of Mr. Robert P. Wheeler to GS-17

1. It is recommended that Mr. Robert P. Wheeler be promoted to GS-17.

2. Mr. Wheeler obtained a B.A. degree in Political Science from the University of California, Berkeley, in 1942 and a M.A. in International Relations from George Washington University, Washington, D.C., in 1946. He entered the U.S. Navy in 1942 and after a concerted course in Japanese served the Navy until 1946 as an Intelligence Specialist, Japanese Language Officer, and the War Department, still as an Intelligence Specialist in Tokyo, from 1946 to 1952. In September 1952 he joined the Agency for duty in Tokyo; returned to Headquarters in June 1956 where he served until 1959; left for service in Japan from June 1959 to October 1964; served under non-official cover in Honolulu from August 1964 to August 1966; served at Headquarters with the Office of Planning, Programming and Budgeting (OPPB) from August 1966 until January 1969, and with MPS from the latter date to the present.

3. During his career with the Agency he has been a field Operations Officer, Liaison Officer to overseas U.S. agencies and a foreign intelligence service, a supervisor, Deputy Chief of Station (Tokyo), Chief FI for a division (FE), Chief of Base (Honolulu), Program Analyst (OPPB), and Program Analyst and Group Chief (MPS).

4. In his present position as Chief of Programs Group in the Missions and Programs Staff, Mr. Wheeler is responsible for liaison between the CS and the OPPB on the PPB System and non-budgetary matters; installing the PPB System

within the CS; advising and assisting CS components in the preparation of Operating Directives and the program portions of the annual responses to the Program Call; chairing the Program Review Panel; preparing and/or coordinating special studies and surveys on operational programs; coordinating and preparing the annual DDP report to the PFIAB, preparing the annual DDP briefing of the DCI on CS problems and progress; and, as required, advising CS components on the requirements of PPBS that need to be addressed in CS documents requiring DCI or Executive Director-Comptroller action.

5. In his previous assignment Mr. Wheeler was detailed to OPPB to give that office, in the preparation of Agency programs for submission to the Bureau of the Budget, a better understanding of clandestine collection and covert action, to help that office better review and integrate CS programs in Agency programs, and to give him a broad view of the PPB System and Agency management in both of which he had shown considerable interest. His performance in that office was rated "Strong," and it was on that performance and on his genuine enthusiasm and interest in management generally that his services were sought for MPS.

6. In the performance of his duties as Chief, MPS/PRG he made immediate use of his long experience in and knowledge of CS operations, the experience and knowledge gained in OPPB, his formal education in the PPB System, and a strong belief in and desire to put to work within the CS certain concepts of that system for general and specific management improvement. Given the idiosyncrasies of the CS, he recognized early that in order to make the PPB system work effectively knowledge of the "why" and "how" of that system must be possessed at every decision-making level. With limitless energy and enthusiasm he set about "preaching the gospel" from division chief to case officer. Whenever and wherever a formal group is assembled and management is a topic for discussion, the Office of Training can count on him to drop everything and hold forth on the subject, be it the Senior Management and Planning Course (whether for supergrades or below), Station Chief Conferences, the CS Senior Seminar (now in session) and the like. Acting as the DDP/TRO's right arm to encourage attendance at the Senior Management and Planning Course he has crusaded with division and staff chiefs for the attendance of certain of

their key employees. To date upwards of 100 from the CS have attended that course with many more to follow. With some of those same senior officials he has argued the benefits ultimately to accrue to their components from the temporary assignment of a senior key official for a year or two to MPS and/or OPPB and eventual return to the mother component. One such arrangement, with duty in OPPB, has just been completed. His tactful, understanding, friendly, businesslike, professional and competent handling of the chairmanship of the PRP and the reviews of the Operating Directive and country activities conducted by that Panel leaves little to be desired. Regarding the PPB System, he reads everything, pro and con, that comes to his attention, and he has spent a fair sum out of his own pocket to build a library on the subject. He has persuaded potential converts to the system to read those books, magazines, periodicals and pamphlets to the end that most of that library is on constant loan. His insatiable appetite for news on current as well as historical domestic and foreign matters, his excellent sense of humor, and his genuine friendliness are invaluable assets in his present assignment inasmuch as they have given him such a wide range of acquaintances, in and out of the CS, as to open wide the door for discussion on MPS responsibilities that are anything but sexy. He is so highly regarded by his contacts in the divisions and staffs of the CS and in OPPB that his advice and guidance are constantly sought. He gives of his time and energy willingly, regardless of the grade of the individual or the magnitude of the problem. His enthusiasm is catching and he sets an excellent example for subordinates, equals and superiors as well.

7. In view of the above, Mr. Wheeler, a broadgauged, fast moving, competent, dedicated, sincere and friendly individual who has not yet reached his full potential, whose goal is to make the Clandestine Service the best managed directorate in CIA, and who will soon have served five years in grade, is strongly recommended for promotion to GS-17.

MEMORANDUM FOR: Secretary, Clandestine Service
Career Service Board

SUBJECT: Recommendation for the Promotion of Mr. Robert P. Wheeler to GS-17

1. It is recommended that Mr. Robert P. Wheeler be promoted to the grade GS-17.

2. By memorandum dated 5 June 1969 the undersigned recommended Mr. Wheeler for promotion. In that memorandum was set out the career of Mr. Wheeler from the date he completed college (1942) until June 1969, and was described his wartime (1942-1946), immediate post-war (1946-1952) and Agency (1952-to June 1969) experience, all in the field of intelligence. Since it is the opinion of the undersigned that the Board should have the benefit of all the facts stated in that memorandum and since there is no change in the contents thereof, I hereby incorporate by reference the memorandum of 5 June 1969, make it part hereof and attach it hereto as a significant part of the present memorandum.

3. The time passed since 5 June 1969 has served only to confirm my conviction in Mr. Wheeler's true value to the CS. He has continued the strong leadership of the Program Review Panel and his subordinates. His unbounded energy and incessant championing of the applicable principles of the PPB System have resulted in office chiefs or other most senior officials appearing before the last Program Review Panel apparently interested and better prepared than ever before. His obvious sincerity and friendly and intelligent approach to the job have convinced many of the need for the better management of their affairs. This is no mean accomplishment in a world where the normal human resents

even constructive criticism. Mr. Wheeler is so dedicated to making the CS the best managed component in the Agency that he continues to spend his own earnings on books and periodicals on the subject of management and to encourage interested parties to read them and pass them on to others.

4. The undersigned is aware that for the past six (6) months a private interest has dangled an impressive carrot in front of Mr. Wheeler in an attempt to induce him to retire and represent overseas the interests of that private concern. This fact is not to be considered by the Board as a sword of Damocles. It is simply to bring to the Board's attention that if a promotion at this time should serve to dissuade Mr. Wheeler from accepting the proffered job, the Board would have been instrumental in retaining for the CS in the management field one of the most dedicated, friendly, readily accepted, knowledgeable, industrious and qualified officers in the Agency.

5. In view of paragraph 3 above, the contents of the attachment hereto, and his potential for further growth, Mr. Wheeler is strongly recommended for promotion to Grade GS-17.

ADMINISTRATIVE INTERNAL USE ONLY

MEMORANDUM FOR : Robert P. Wheeler

THROUGH : Head of Career Service

SUBJECT : Retirement Planning

1. In order to assist employees in planning for their eventual retirement, it is the practice of the Agency to notify each employee at a point in service five years prior to the date of scheduled retirement. I am, therefore, taking this opportunity to advise you that you are scheduled to retire in October 1975.

2. The prospect of retirement from the Agency deserves serious thought and careful planning so that you may make the transition to the next phase of life with purpose and confidence. To assist you in this regard, the Agency will make available to you various resources which are attuned to the needs of prospective retirees. In October 1970, the Agency will conduct a Retirement Information Seminar to which you will be invited. Your spouse, if you are married, may accompany you to this seminar. Following the seminar, you will be invited by the Retirement Counselor for your Directorate to an individual pre-retirement counseling session (or more than one, if you wish); this phase of retirement planning will be tailored solely to your own particular situation and circumstances and will be within the context of the retirement system under which you will retire. The individual counseling sessions are intended to give you a wide range of information on such matters as estimates of your annuity, survivor benefits, life and health insurance, Social Security taxes, relocation and movement of household effects and assistance in obtaining other employment, if appropriate. In addition to the sessions with your Retirement Counselor, you will be invited to avail yourself of selected literature on all aspects of retirement.

3. Some persons who wish to retire voluntarily prior to the scheduled date, or who wish to commence their planning as early as possible, prefer to work with their Retirement Counselor well before the time he would normally contact them. If you believe you would benefit from such an earlier start on your personal planning, you are invited to contact the Retirement Counselor responsible for your Directorate. He is assigned from your Directorate to the Retirement Affairs Division, 212 Magazine Building in Rosslyn, on telephone extension 3328.

4. Experience has amply demonstrated that careful planning facilitates the transition to retirement. I recommend, strongly, that you avail yourself of the services the Agency offers you in planning your own retirement.

MEMORANDUM FOR : Mr. Robert P. Wheeler

THROUGH : Administrative Officer, MPS

SUBJECT : Purchase of Service Credit

1. This is to advise you that your application to purchase service credit under the CIA Retirement and Disability System has been processed. The amount of $437.00 will be required to purchase credit for the period 18 June 1946 through 17 June 1947 when no deductions were withheld from your salary. Under the current provisions of the CIA Retirement System, payment of the above amount will increase your annuity by approximately 2 per cent of your high-three average salary at the time of retirement. The amount due includes interest to the present date.

2. It should be explained that under the CIA Retirement and Disability System, all periods of creditable Federal civilian service during which retirement deductions were not taken from salary must be purchased by making a deposit in order for the time to be counted in the computation of the retirement annuity. Under the Civil Service Retirement System, such periods of Federal service are always creditable in the computation of annuity, but if not purchased, the annuity is reduced by 10 per cent of the amount due. For example, if a deposit of $1,000 is required to purchase credit for those periods of service during which no deductions were withheld from salary, and it is not paid, the basic annuity would be reduced by $100 per year. If the deposit of $1,000 is paid, the retiree would have to wait 10 years to recover his own deposit before profiting from the payment.

ADMINISTRATIVE-INTERNAL USE ONLY

3. The Agency has as an aim legislatively to secure the Civil Service option, i.e., credit for periods of non-deduction service without prior payment therefor, but with reduction of the basic annuity by 10 per cent of the amount due. Therefore, you may wish to consider deferring payment. You should be aware that the interest on the amount due will continue to accumulate at the rate of 3 per cent compounded annually if you decide to defer. For example, if it would take $1,000 to purchase credit today, the amount due one year later would be $1,030.

4. After consideration of the above options, if you wish to purchase credit for the period of non-deduction service noted in paragraph 1, please make your check payable to the Treasurer of the United States and forward it to the Chief, Retirement Operations Branch, 205 Magazine Building. If you prefer, you may make installment payments or arrange for bi-weekly payroll allotments of $25.00 or multiples thereof. A receipt showing a statement of your account will be sent to you acknowledging each payment.

MEMORANDUM FOR: Secretary, CS Career Service Board

SUBJECT: Recommendation for Promotion to GS-16, Mr. Robert P. Wheeler

1. It is recommended that Mr. Robert P. Wheeler be promoted to GS-16. He has been in grade since December 1957.

2. Mr. Wheeler is serving as Deputy Chief of Station, Tokyo. To this post he has brought his depth of knowledge of things Japanese, gained over many years of concentration on this subject. He has also brought his operational ability and his personal capability of operating among significant Japanese leaders. He has been of major value through a most difficult period of very substantial reduction of the station's staff and the termination of many of its functions. While Mr. Wheeler may have spent much of his time on things Japanese, he has also served as Chief, FI, for FE Division in which post he demonstrated his ability to operate on non-Japanese matters with force, intelligence and dispatch.

3. For these reasons it is recommended that Mr. Wheeler be promoted to GS-16.

19 OCT 1962

MEMORANDUM FOR: Secretary, CS Career Service Board

SUBJECT: Recommendation for Promotion to GS-16 -- Mr. Robert P. Wheeler

1. Mr. Wheeler stands Number Four on the Division's list of recommended promotions to GS-16. Mr. Wheeler is 47 years old and has been in grade since December 1957. Most of Mr. Wheeler's Agency career has been devoted to the Japanese scene although he served one tour most commendably as Chief FI for the FE Division. He is now Deputy Chief of Station, Tokyo, and is an operations officer and executive of the highest quality. In addition to bearing a very large share of the administrative burden of a big station, Mr. Wheeler has acquired a collection of Japanese friends and contacts in important governmental and business circles unequaled, I believe, by any other member of the official American community in Tokyo. Although he has exploited these contacts most effectively for Agency and U.S. Governmental purposes, it is the plan of the FE Division to give freer rein to Mr. Wheeler's operations in this field by arranging, carefully and deliberately, unofficial cover for Mr. Wheeler which will permit him to devote a greater share of his time to the exploitation of this most important section of Japanese society. We believe that his very considerable talents as an administrator can be adequately replaced but that his standing among the Japanese and his capability for operational exploitation of his advantages are unique. I believe that Mr. Wheeler can well be considered to be the prototype of the high ranking staff officer who can forego bureaucratic advancement for a purely operational career under deep cover in one area.

2. On the basis of his proven ability and past performance as well as his seniority I believe Mr. Wheeler to be fully qualified for promotion to GS-16.

Desmond FitzGerald
Chief, Far East Division

MEMORANDUM FOR: Clandestine Services Career Service Board

SUBJECT: Wheeler, Robert P. -- Recommendation for Promotion from GS-14 to GS-15

1. Mr. Wheeler entered on duty with CIA on 28 September 1952 as a GS-14. He had, previous to that, served in a distinguished manner with the G-2 Section of the Army in Japan in the early days of the occupation. His name was submitted for promotion by the Chief of the Japan Station in November 1955. He entered on duty at Headquarters as Deputy Chief of the Japan Branch in September 1956. In April, 1957 he became Acting Branch Chief and has been serving in this position in a superior manner. He is 41 years of age and has been in grade with the Agency for 4½ years.

2. A review of Mr. Wheeler's Fitness Reports will adequately reflect his strength and weaknesses, with the possible exception of the most recent one dated 7 July 1956, in which, in the undersigned's opinion, the rating officer did not have adequate time to fairly rate Mr. Wheeler. Granting his occasional tendency to allow his emotions to color his work, he is, nevertheless, one of the hardest working and generally capable officers I have been associated with. He has great ability in dealing with people, he is an accurate and meticulous reporter, and he is adjusting rapidly to the requirements of his job in Headquarters and is turning in a most effective performance. In view of the length of time in grade, his age, and above all his performance, I strongly recommend Mr. Wheeler for promotion from GS-14 to GS-15. It is planned in the near future to appoint Mr. Wheeler Chief of the Foreign Intelligence Staff of the FE division, a most responsible GS-15 position.

SUBJECT GENERAL Administrative/Personnel
SPECIFIC [redacted]

Mr. Robert P. Wheeler

1. Attached is a rotation data sheet on [redacted].

2. As you will note [redacted] lists as his first choice return to Japan Base.

3. While it is realized that [redacted] has not had a regular tour at Headquarters, Japan Base concurs in [redacted]'s request, provided it does not hinder his career. This concurrence is based on the fact that Japan Base will be losing by next summer several of its key personnel who have contributed much to the operations of the Base. These include STAHARD, WAISLING, possibly CAPASSO and others.

4. [redacted] has a unique knowledge of the Japanese scene, speaks the language and has a continuity of service that makes his service invaluable.

5. During the next couple of years as this base gradually reduces in size, and while the Japanese are still in a receptive mood it is felt that much can be accomplished through our liaison efforts. It is therefore felt that [redacted]'s experience can be to the maximum benefit to KUBARK by his return here for another tour.

6. In order to assist this Base in its planning, an early answer will be appreciated.

2. Subject has been in his present position for approximately one year and has been under my supervision for 22 months.

3. Subject has made an unusual contribution to the work of the base through:

a. His outstanding leadership;
b. His almost unique knowledge of the area;
c. His ability to deal on a close personal basis with individuals on the highest levels; and
d. His quick and often brilliant assessment and solution of many of the important day-to-day problems of the base.

JOB DESCRIPTION

Robert P. Wheeler

1. The position currently held by incumbent is two-fold: a. Deputy for KUFIRE and b. Chief of Liaison. These two positions will be described separately.

2. Deputy KUFIRE, Japan Base

As the title implies, incumbent is Deputy Chief, Japan Base for KUFIRE activities, a position comparable to the Deputies for Administration and KUGOWN activities. As such, incumbent is the responsible officer for the KUFIRE activities of the Japan Base, responsible to the Chief and Deputy Chief of Base. These responsibilities include the originating, planning and supervision of the execution of all Japan Base KUFIRE activities under the broad supervision of the Chief of Base, guided and directed by KUBARK KUFIRE regulations such as the SOI and the TRD. Incumbent supervises the work of approximately twenty persons ranging in grade from GS-13 to GS-5 and including such persons as the KUFIRE operations officer, the special projects officer, the chiefs of the KUFIRE sections of the Base. It is incumbent's further responsibility, generally on the initiative of the Deputy for Administration, to handle certain personnel matters for KUFIRE personnel, matters such as efficiency reports, promotion actions, disciplinary actions, etc. Incumbent also represents the Base on all KUFIRE matters, being charged, for example, with most KUFIRE relations with higher echelons, such as the Senior Representative, NA, and laterally with KUFIRE elements of adjacent Bases. As one of five Deputies, incumbent assists in setting Base policy, determination of personnel assignments, determination of work assignments, determination of Base operational priorities (again under the guidance and direction of KUBARK Headquarters), and, generally with the Chief of Base but often on his own responsibility, represents the KUFIRE aspects of the Base and of KUBARK so far as Japan is concerned to ODACID, ODIBEX and ODUNIT.

3. Deputy for Liaison, Japan Base (or Chief, Japan Base Liaison)

In this capacity incumbent is charged with basic responsibility for all Japan Base liaison activities, with all Japanese agencies or entities and other ODYOKE Agencies represented in Japan. Here incumbent is responsible to the Chief of Base for the origination, planning, supervision and frequently the actual conduct of all Base liaison, under the broad guidance of FR 52-200. Under incumbent's direct supervision are approximately twenty persons, separate from those mentioned above, who range in grade from GS-14 to GS-5, including all Base personnel in any form of liaison activity though their basic assignment may well be in one of the operating sections of the Mission. Being the Senior Liaison person of the Base, incumbent is frequently called upon to conduct liaison activities with such persons, on the one hand, as the Deputy Prime Minister of the host country, the Chiefs of major Japanese Governmental departments, high ranking officials of various branches of the host country, and, on the other, with such persons as the Senior ODACID representative in the country

SECRET

and various branch or section heads of the local ODACID establishment, senior military officers of all three services and various branch and section chiefs of the local military establishments. One segment of these activities involves [illegible] matters of high importance. One of the primary direct responsibilities of incumbent is the origination of KUBARK liaison with these agencies and of equal import is the maintenances of good liaison relationships, stepping in where there is potential trouble, where policy decisions have to be made, where new departures in liaison are necessary (such as joint operational activities with other PAXO or other ODYOKE agencies).

4. Inherent in both of the current assignments is the planning and review function which are both so necessary to effective and continued operations. This includes the initiation of PPOP's and review of those originated by personnel under the supervision of incumbent; included also is operational review and critical analysis of all KUFIRE operational and Base liaison activities.

5. In addition to the above functions and responsibilities, incumbent is also the case officer for one political KUFIRE operation.

6. Aside from the above general description of incumbent's duties and responsibilities the following seems pertinent: incumbent has been on duty in Japan, with minor interruptions, since September 1945 and in this period, seven years was spent with G-2 of the command (throughout its many changes). One result of this service has been an uninterrupted liaison relationship with many Japanese agencies and more importantly Japanese personalities, while, on the other hand, at the same time there has been a rather unique relationship with the Command and with personnel of the Command (many of the ODYOKE personnel with whom KUBARK is now in liaison are persons with whom incumbent has worked intimately at some period throughout the past ten years, making for a naturalness of relationship that has paid innumerable dividends). In addition incumbent has specialized in things Japanese for some fifteen years, being somewhat more than a neophyte in Japanese history, economics, language, and customs and traditions.

7. I certify that the above described duties are true and correct.
